the word is...?

Mama...  
Are you  
crying?...

Oh it's nothing,  
mama...is just  
tired...

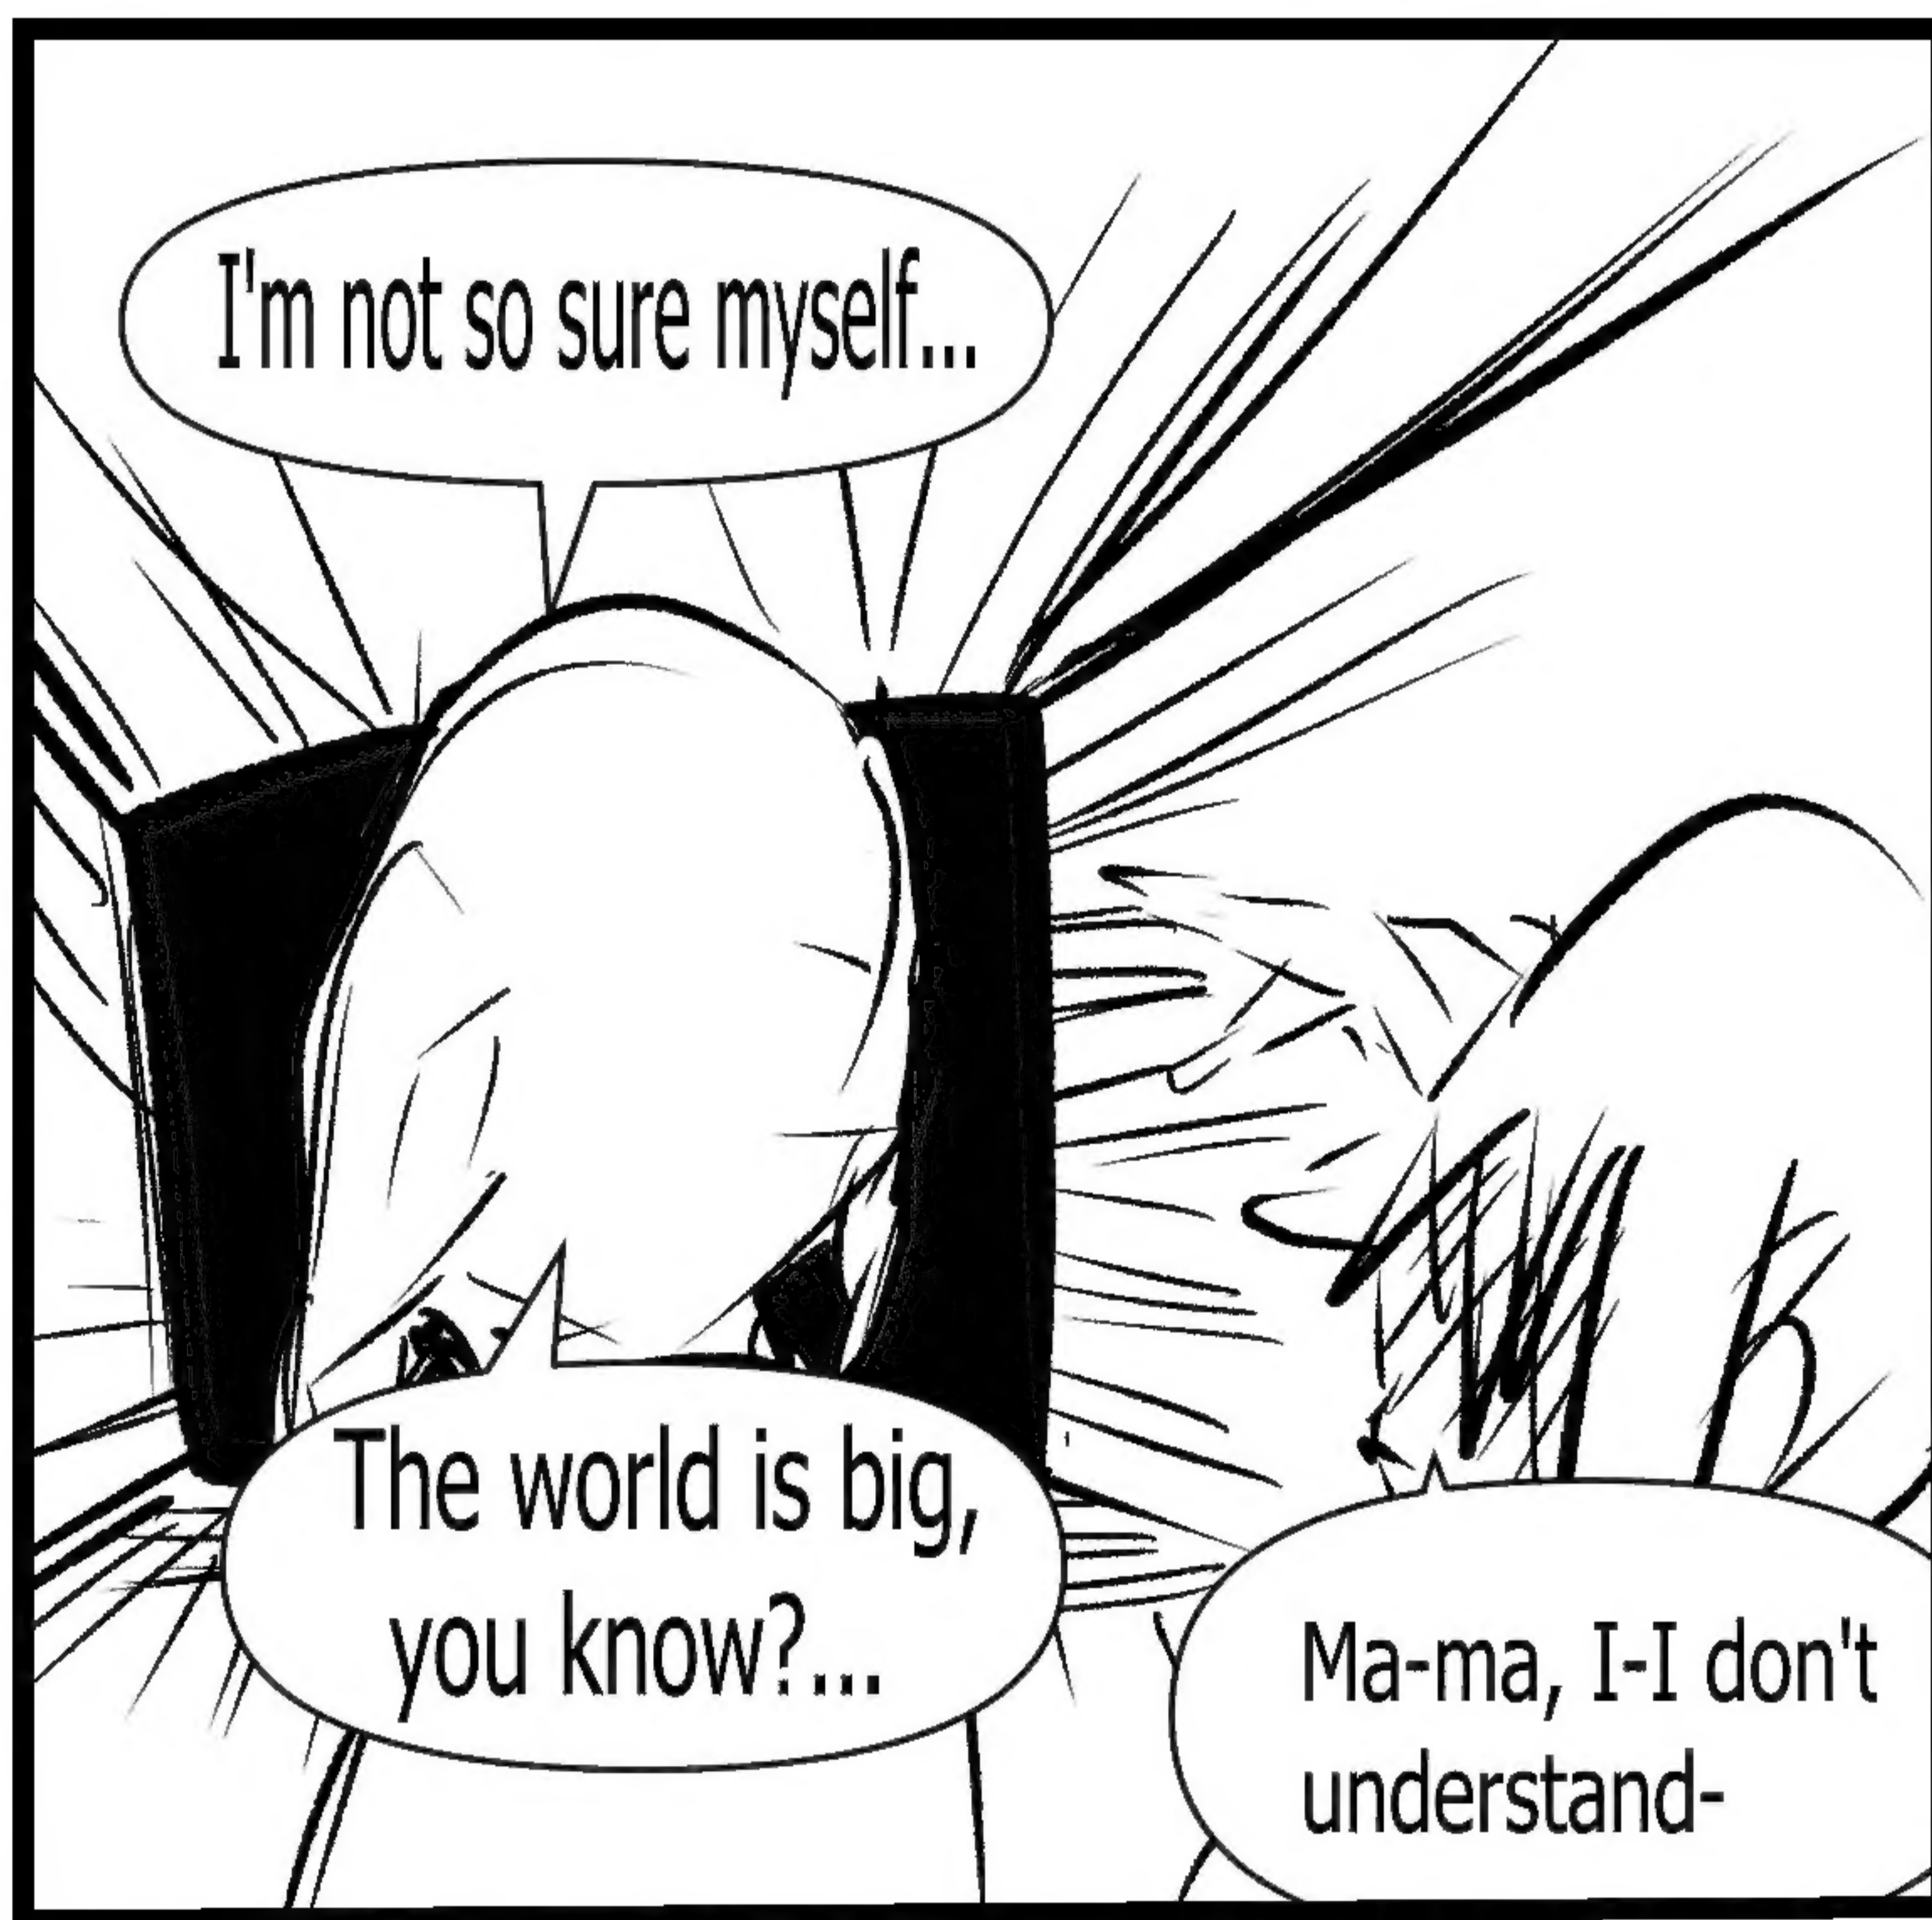

Is it...  
Because of  
papa again?...

I just-  
...  
I may  
have to  
go away  
for some  
time

Go away?

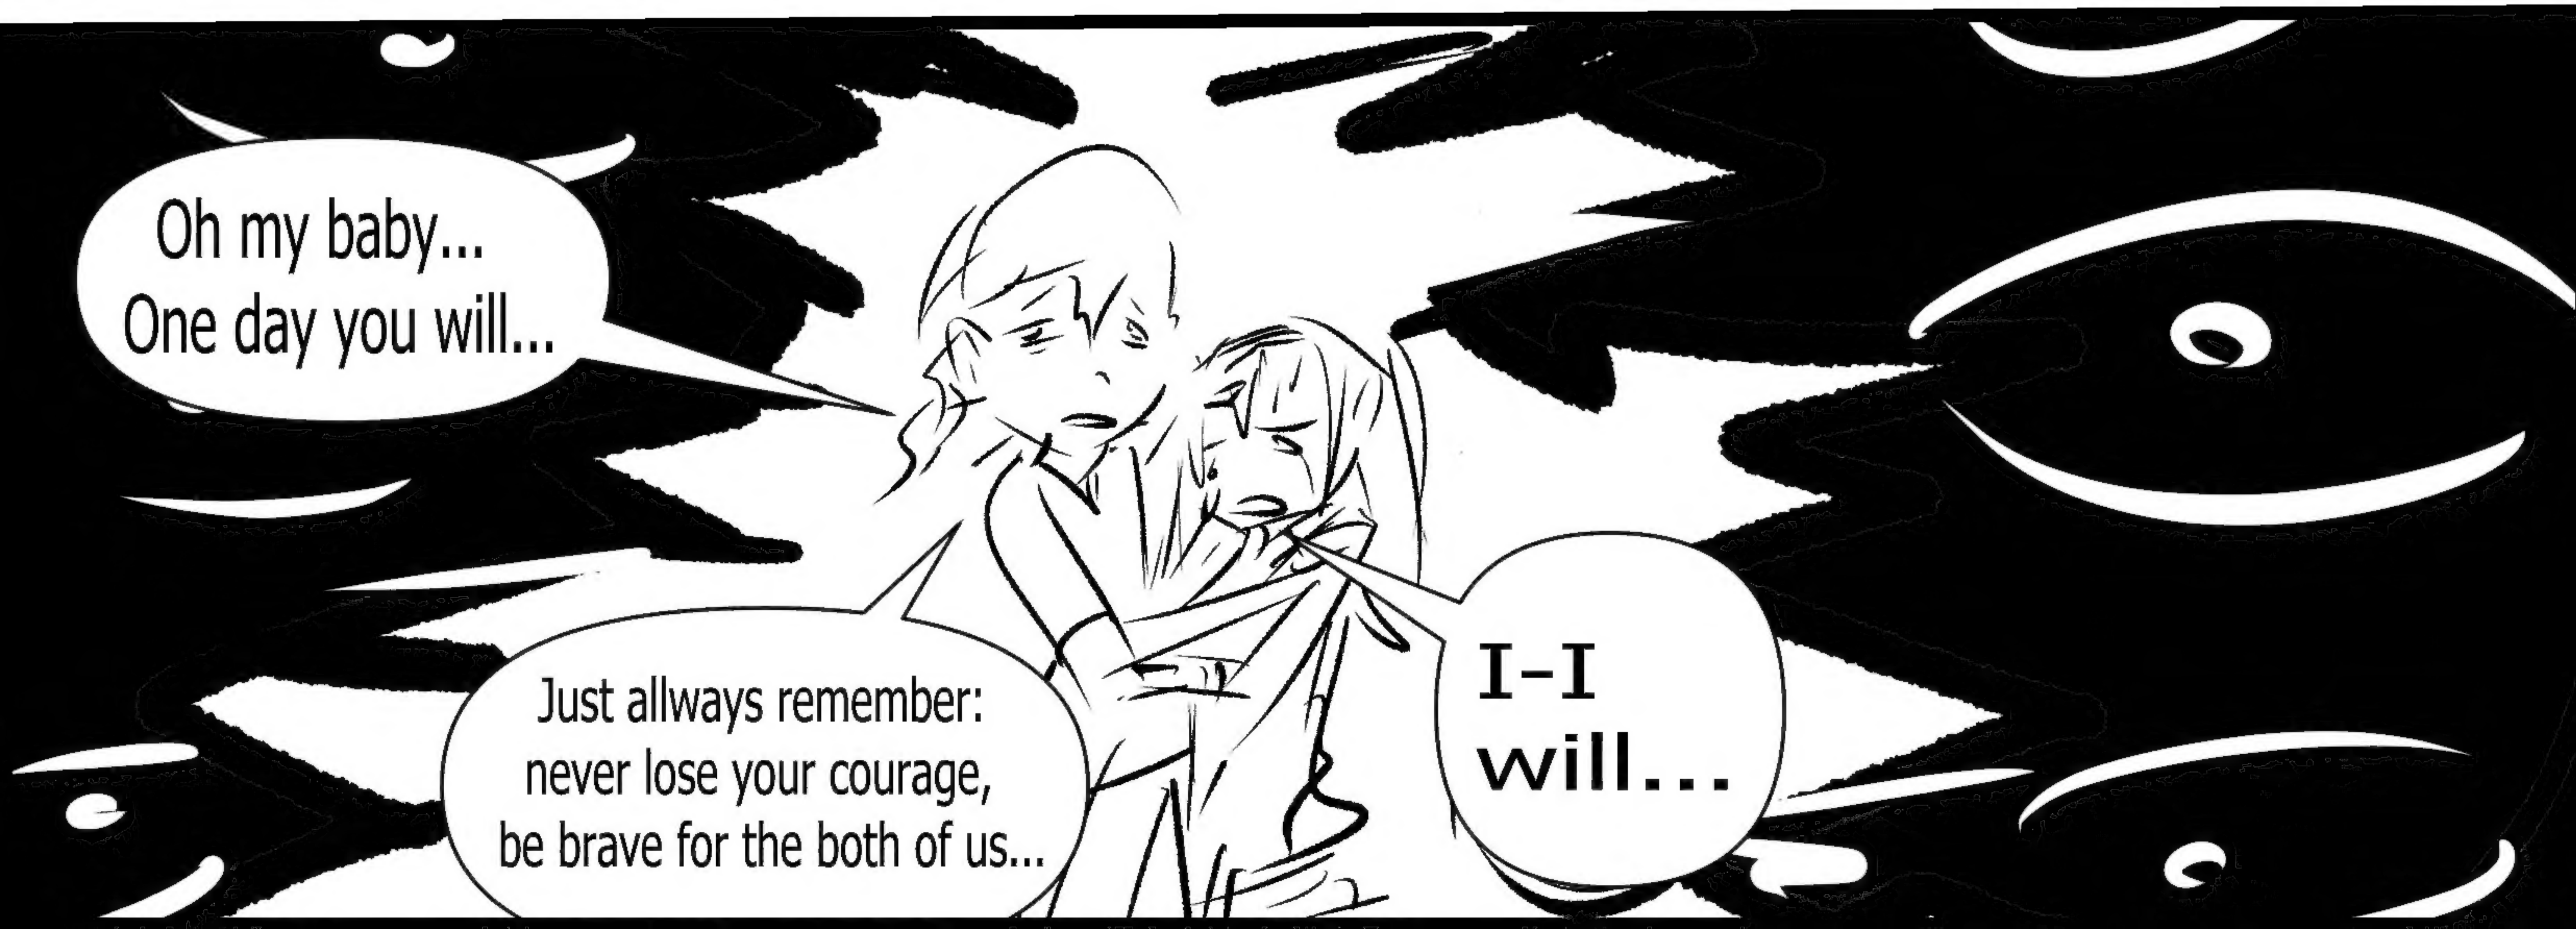

Where?!

I'm not so sure myself...

The world is big,  
you know?...

Ma-ma, I-I don't  
understand-

Oh my baby...  
One day you will...

Just allways remember:  
never lose your courage,  
be brave for the both of us...

I-I  
will...

Don't cry...  
I'll be back  
in a month  
or two...

pl-please-

I love you Maka

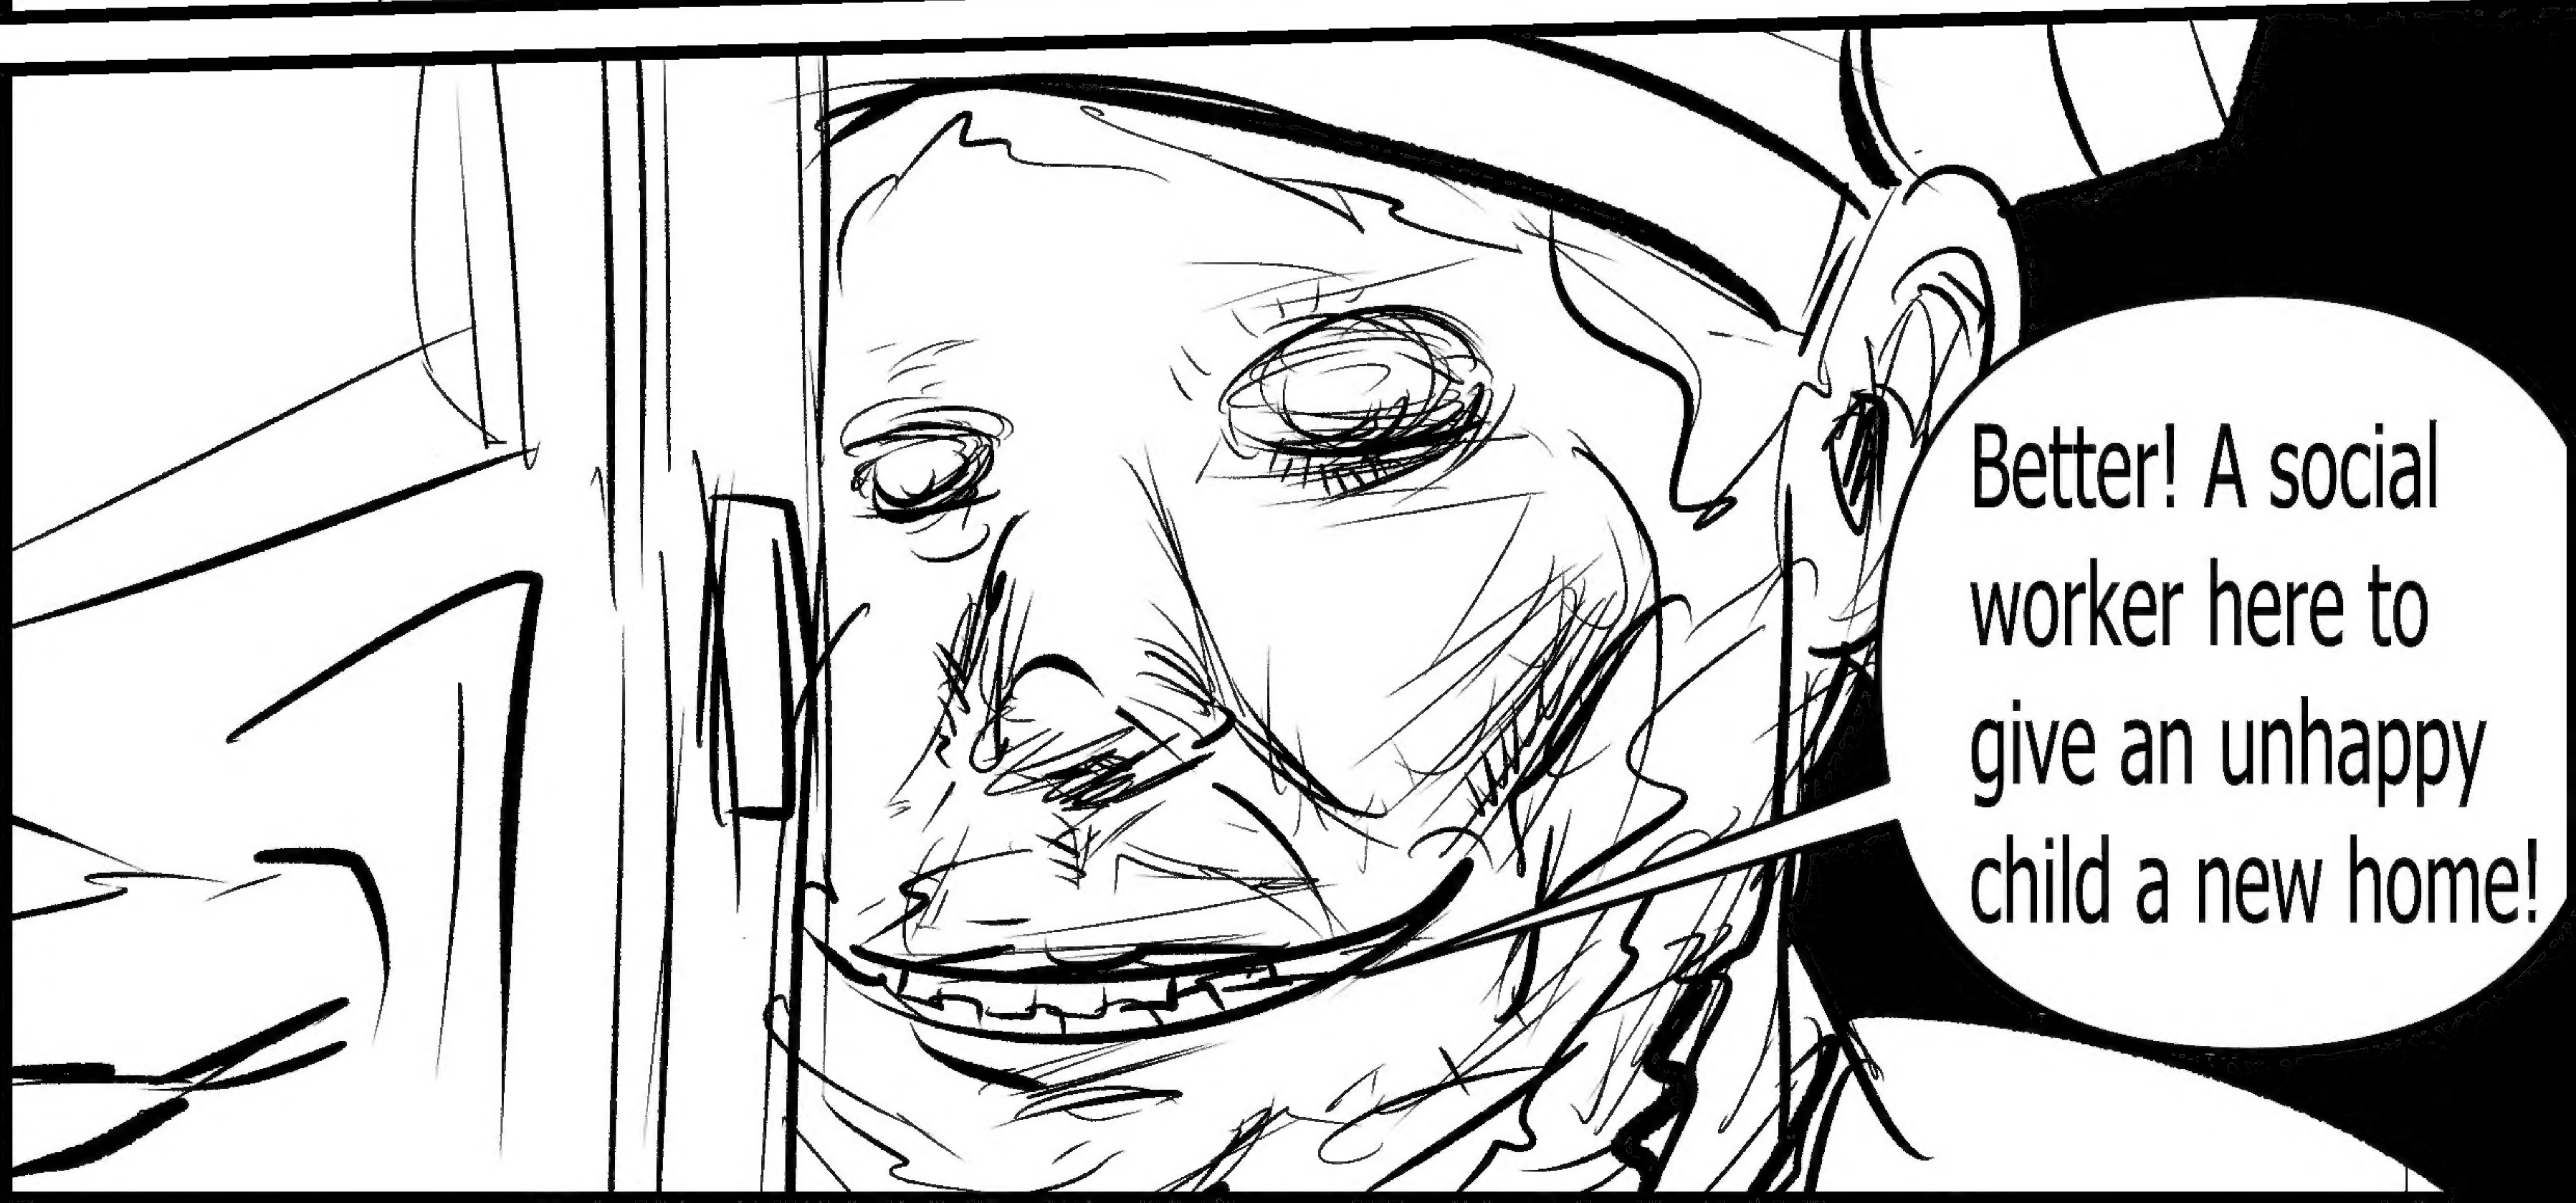

wait-

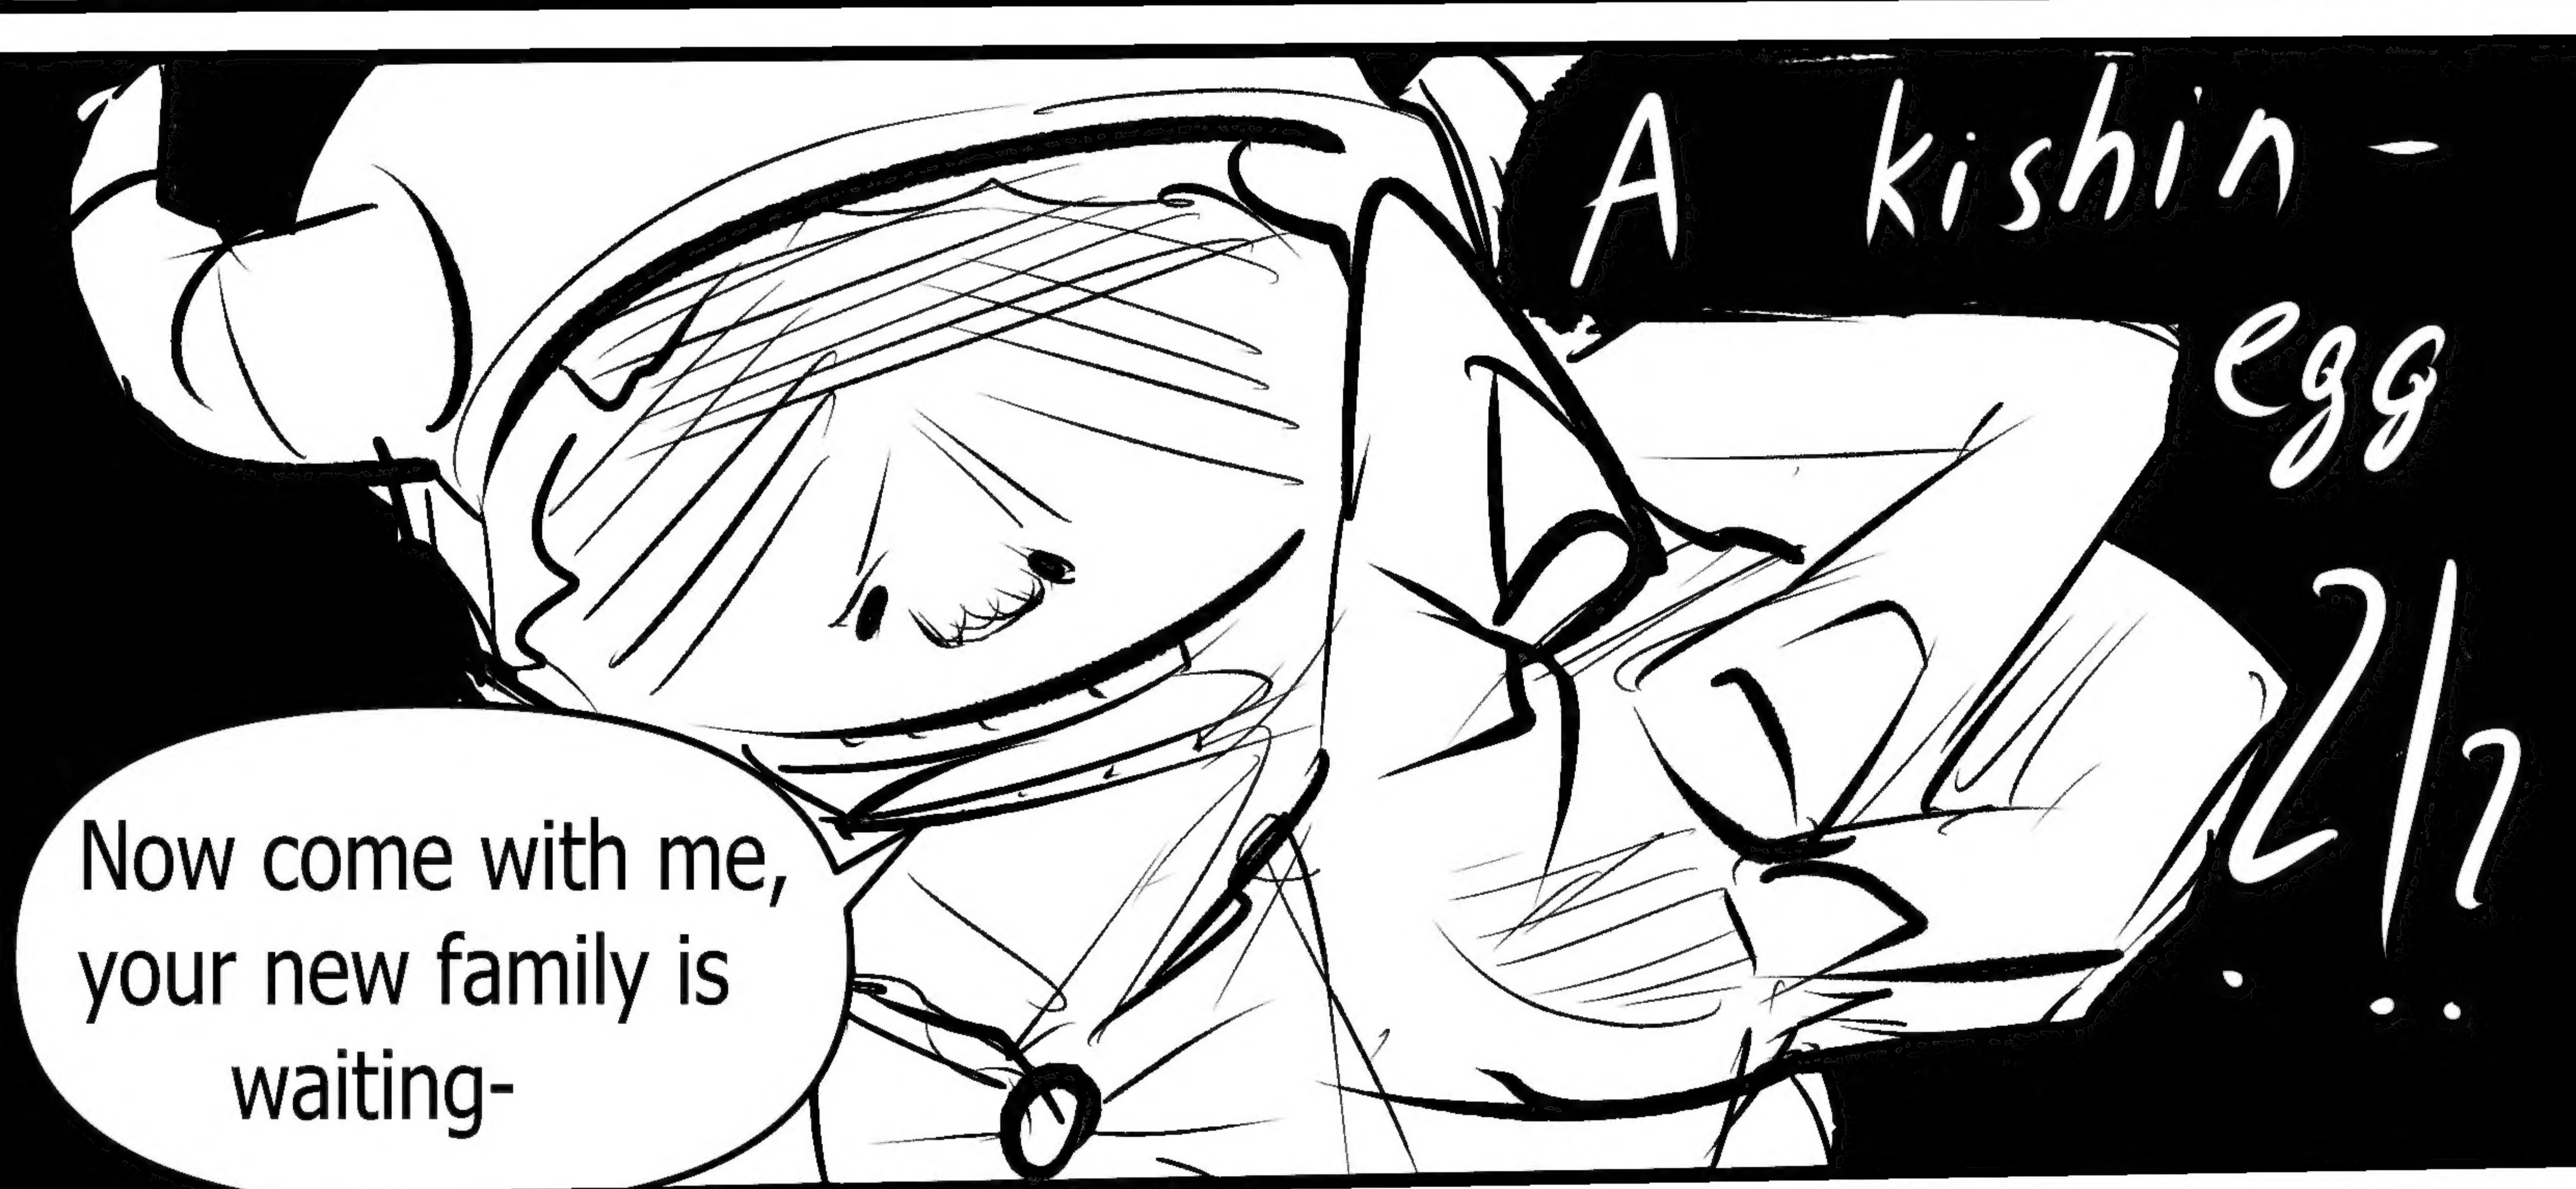

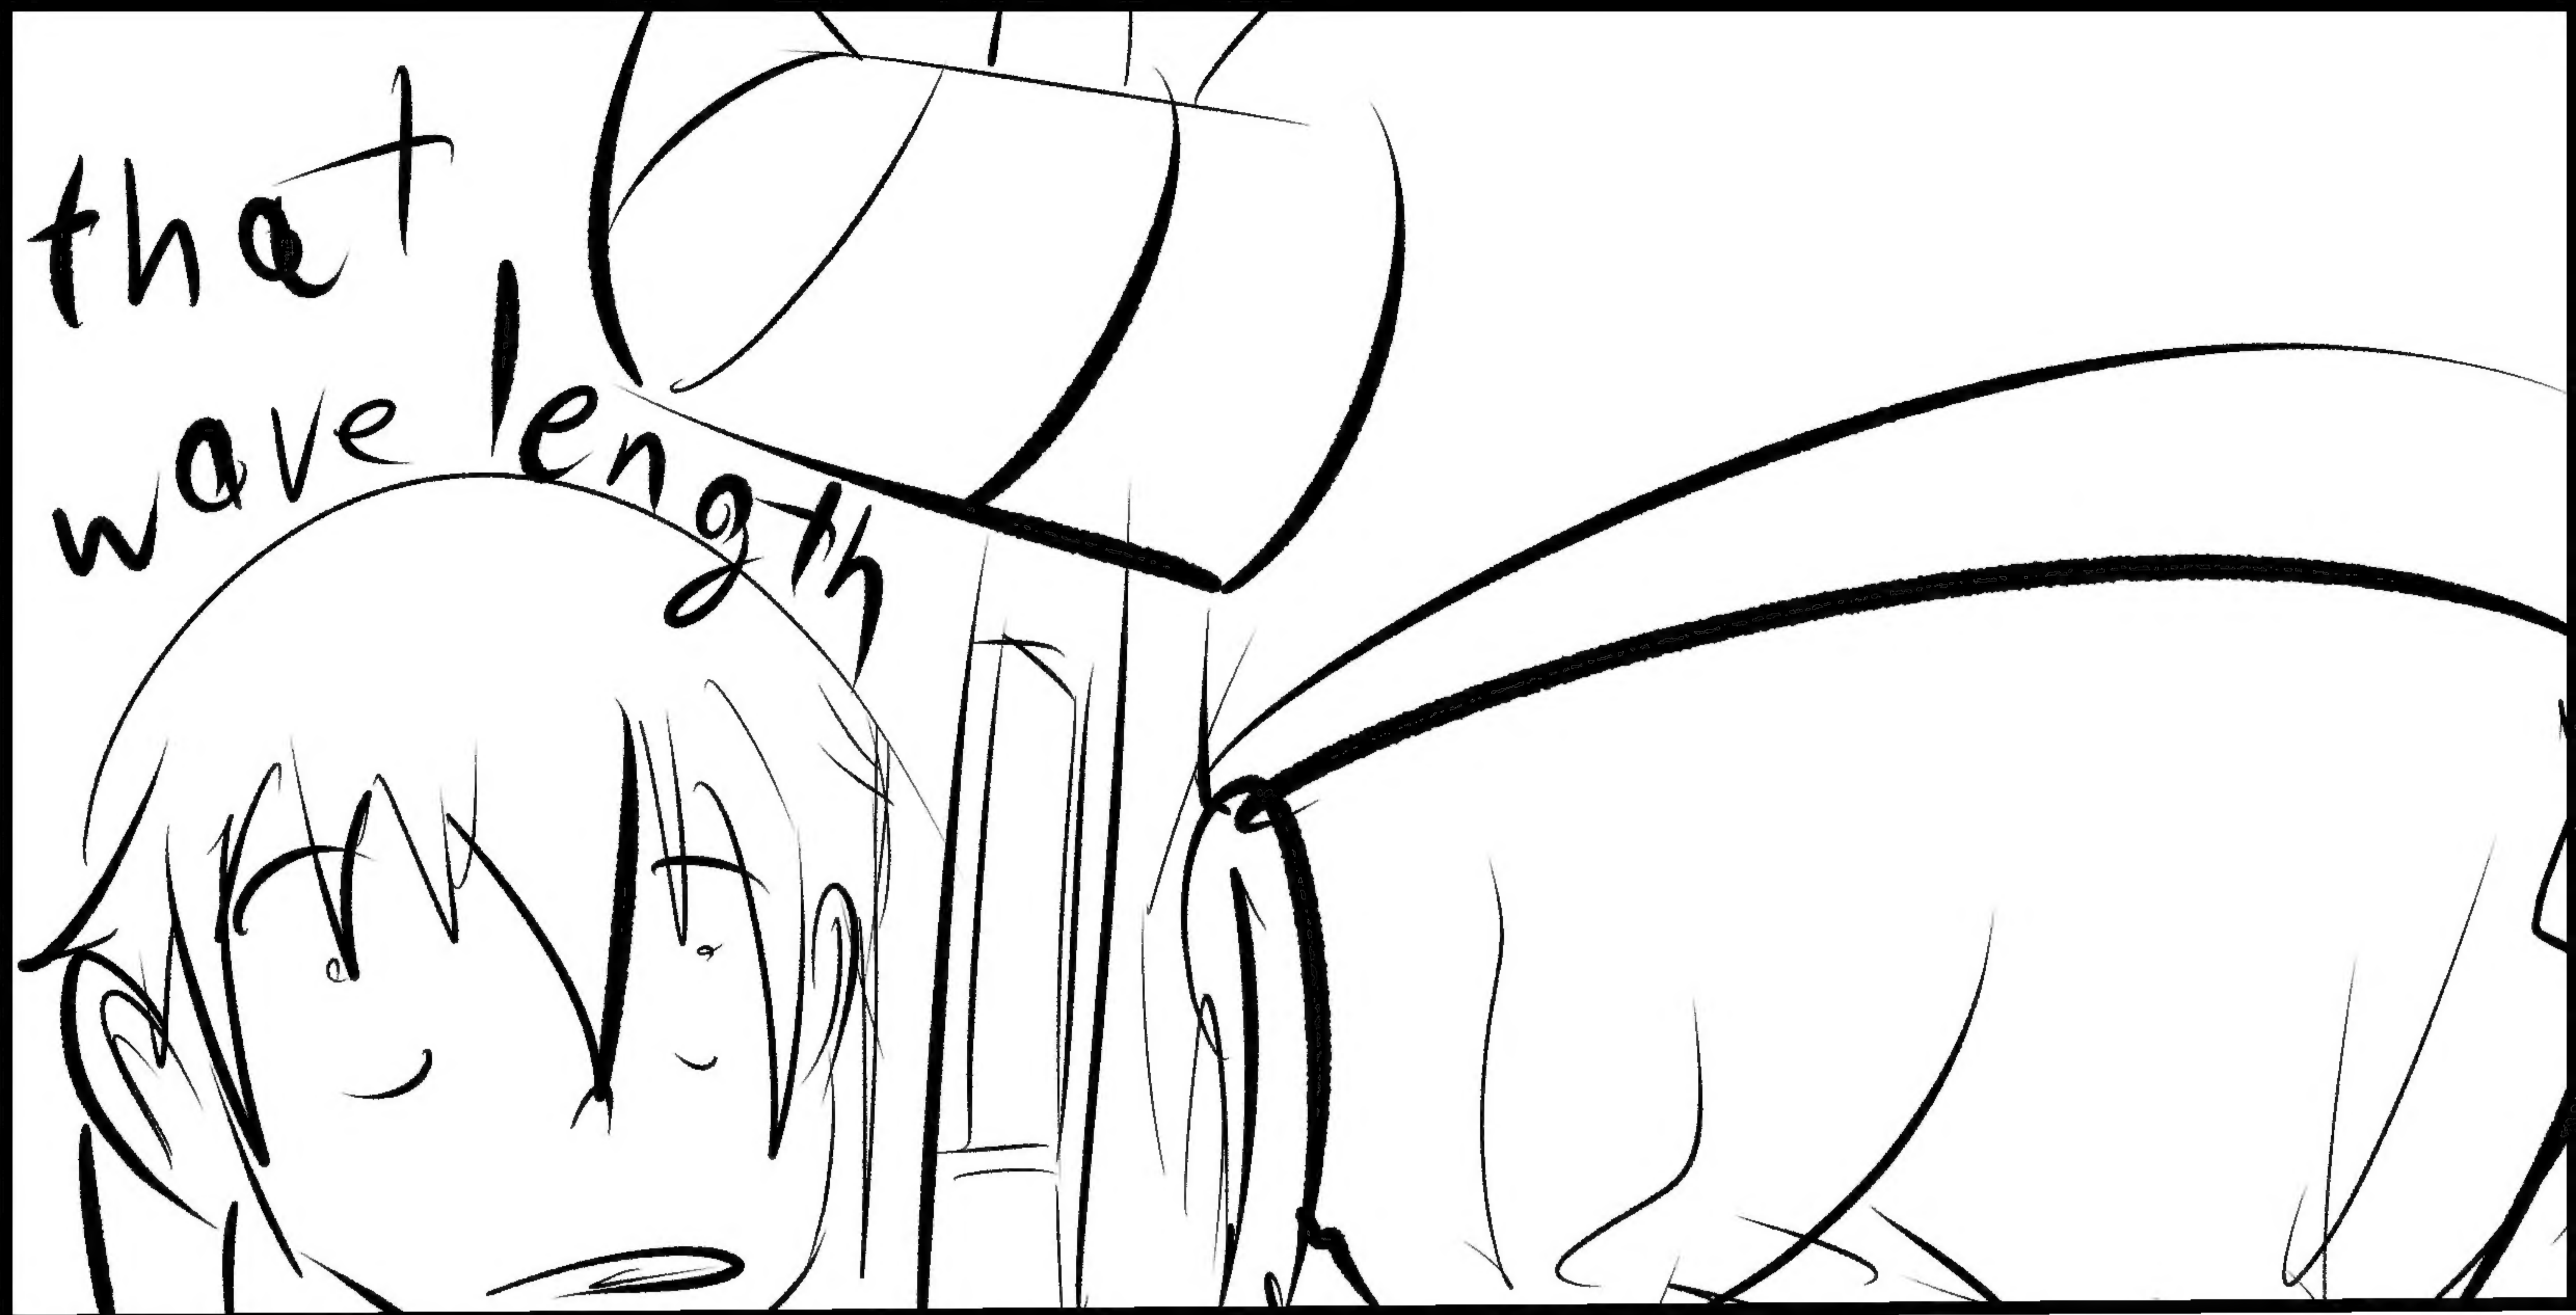

x Duh x

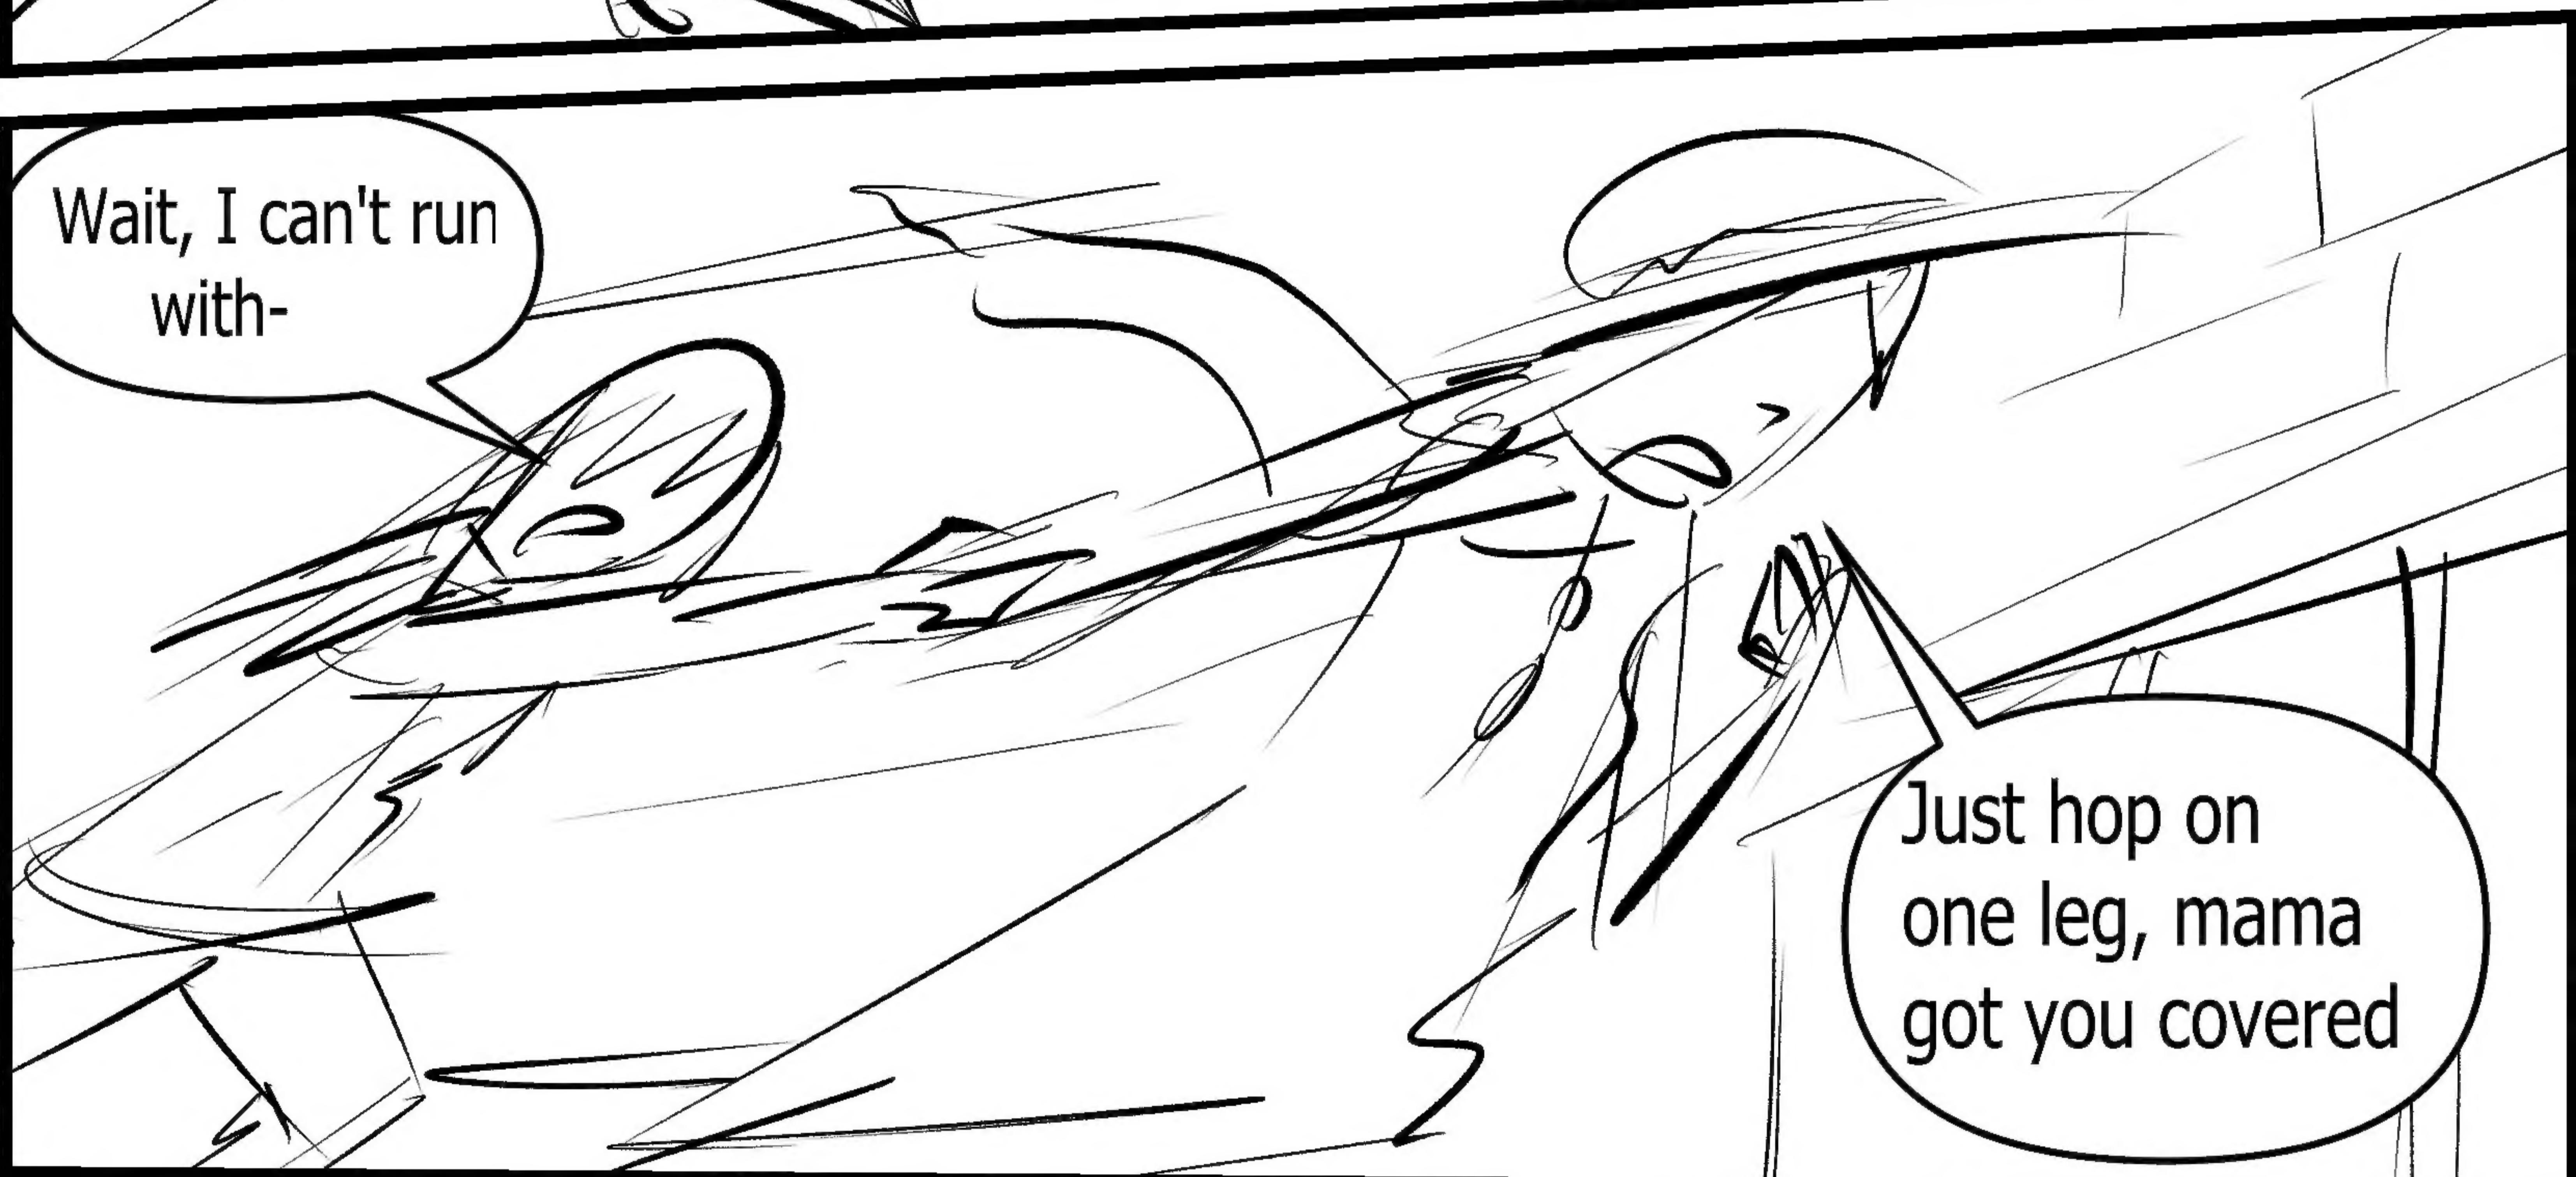

I just wanted to ask...

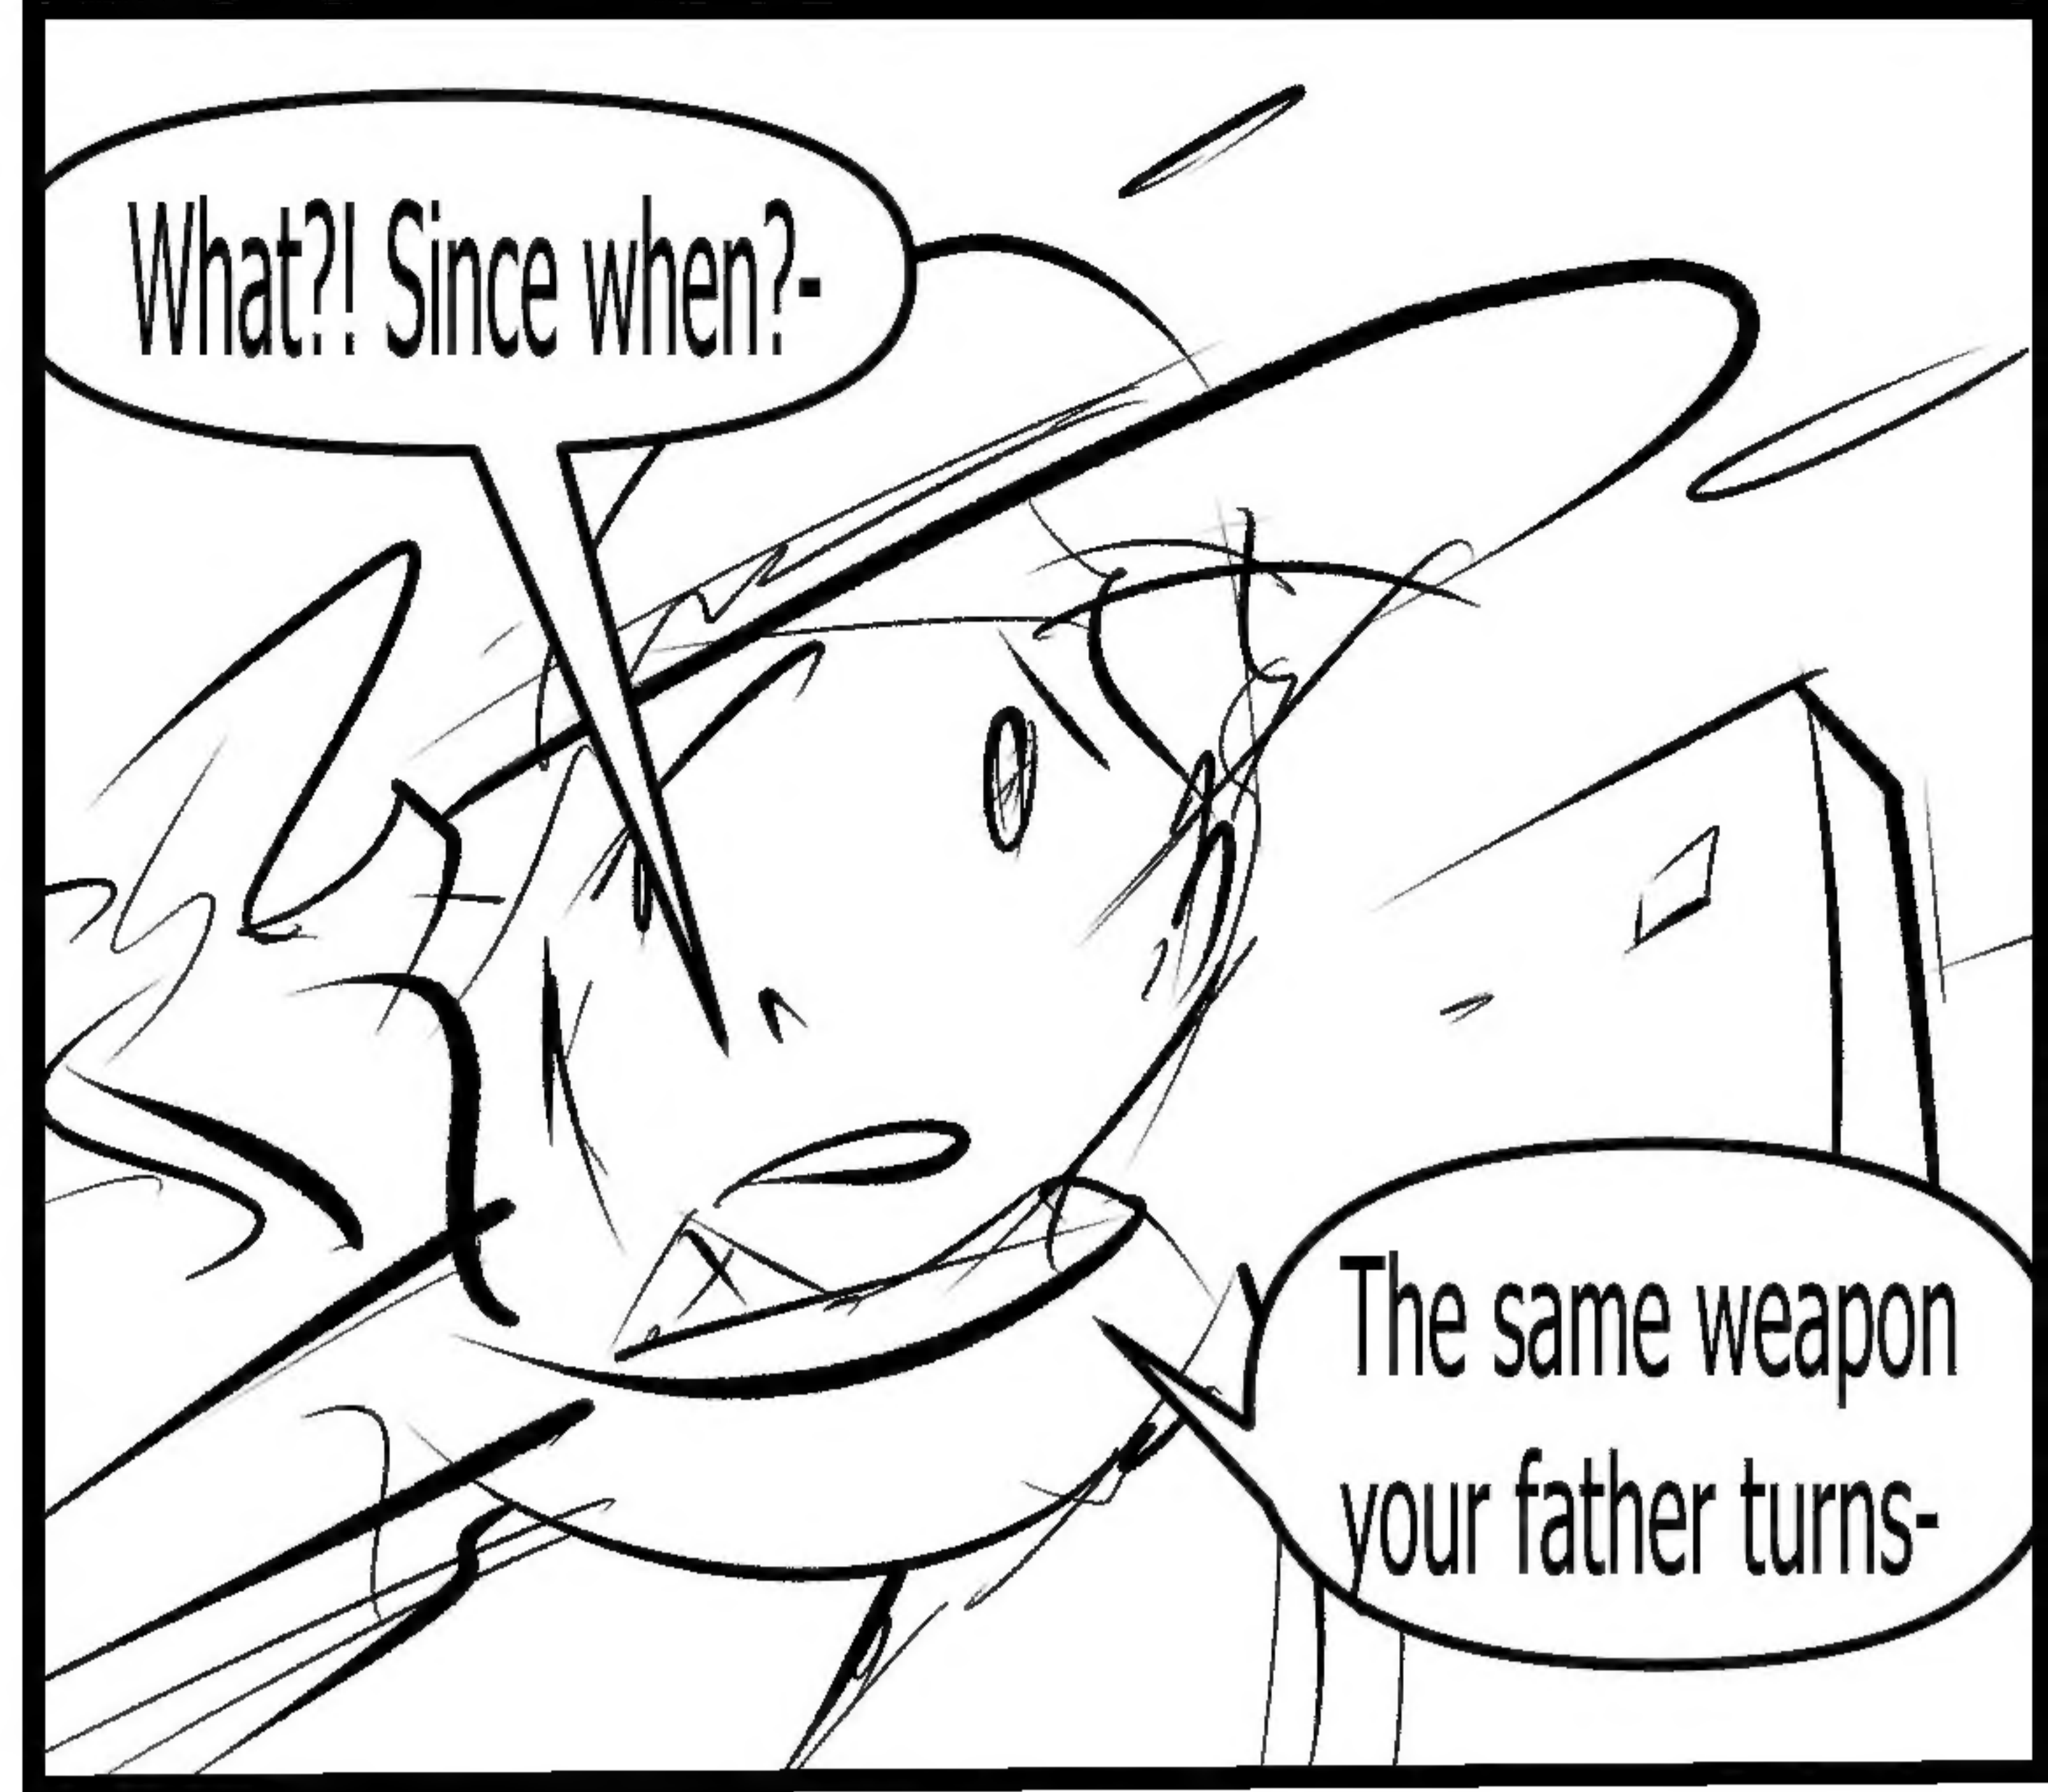

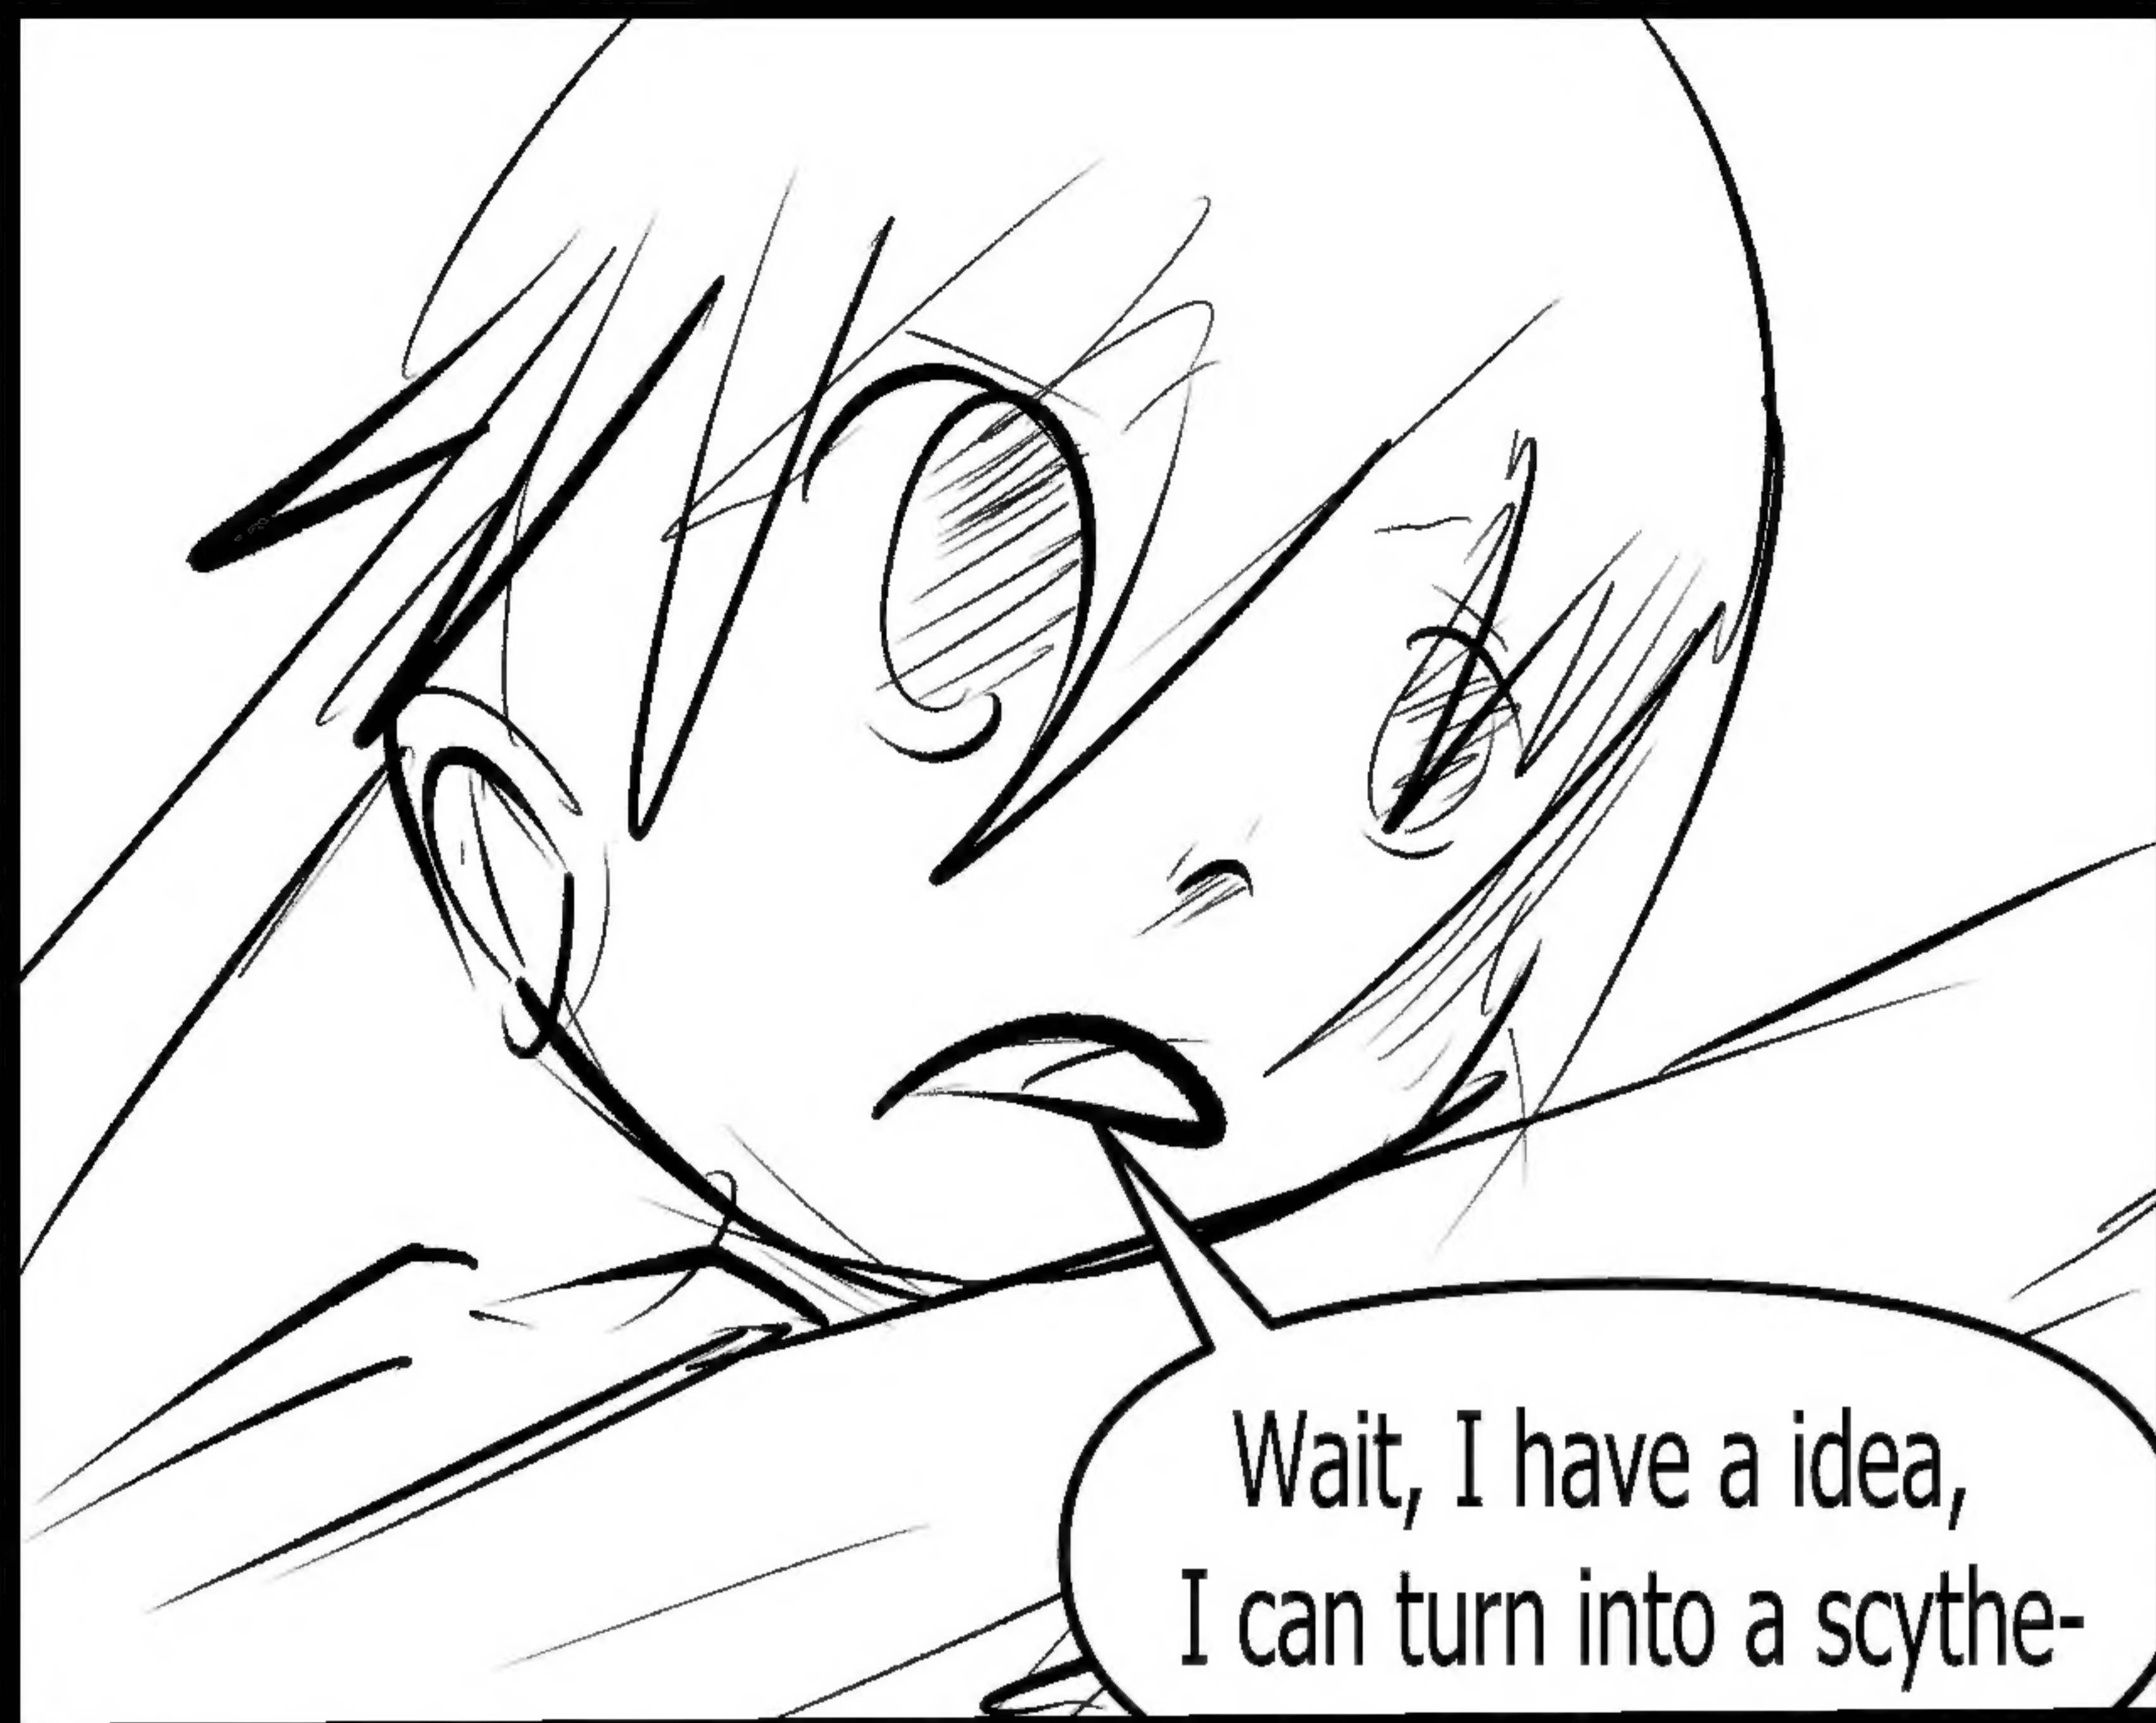

if it's  
not  
papa's  
fault

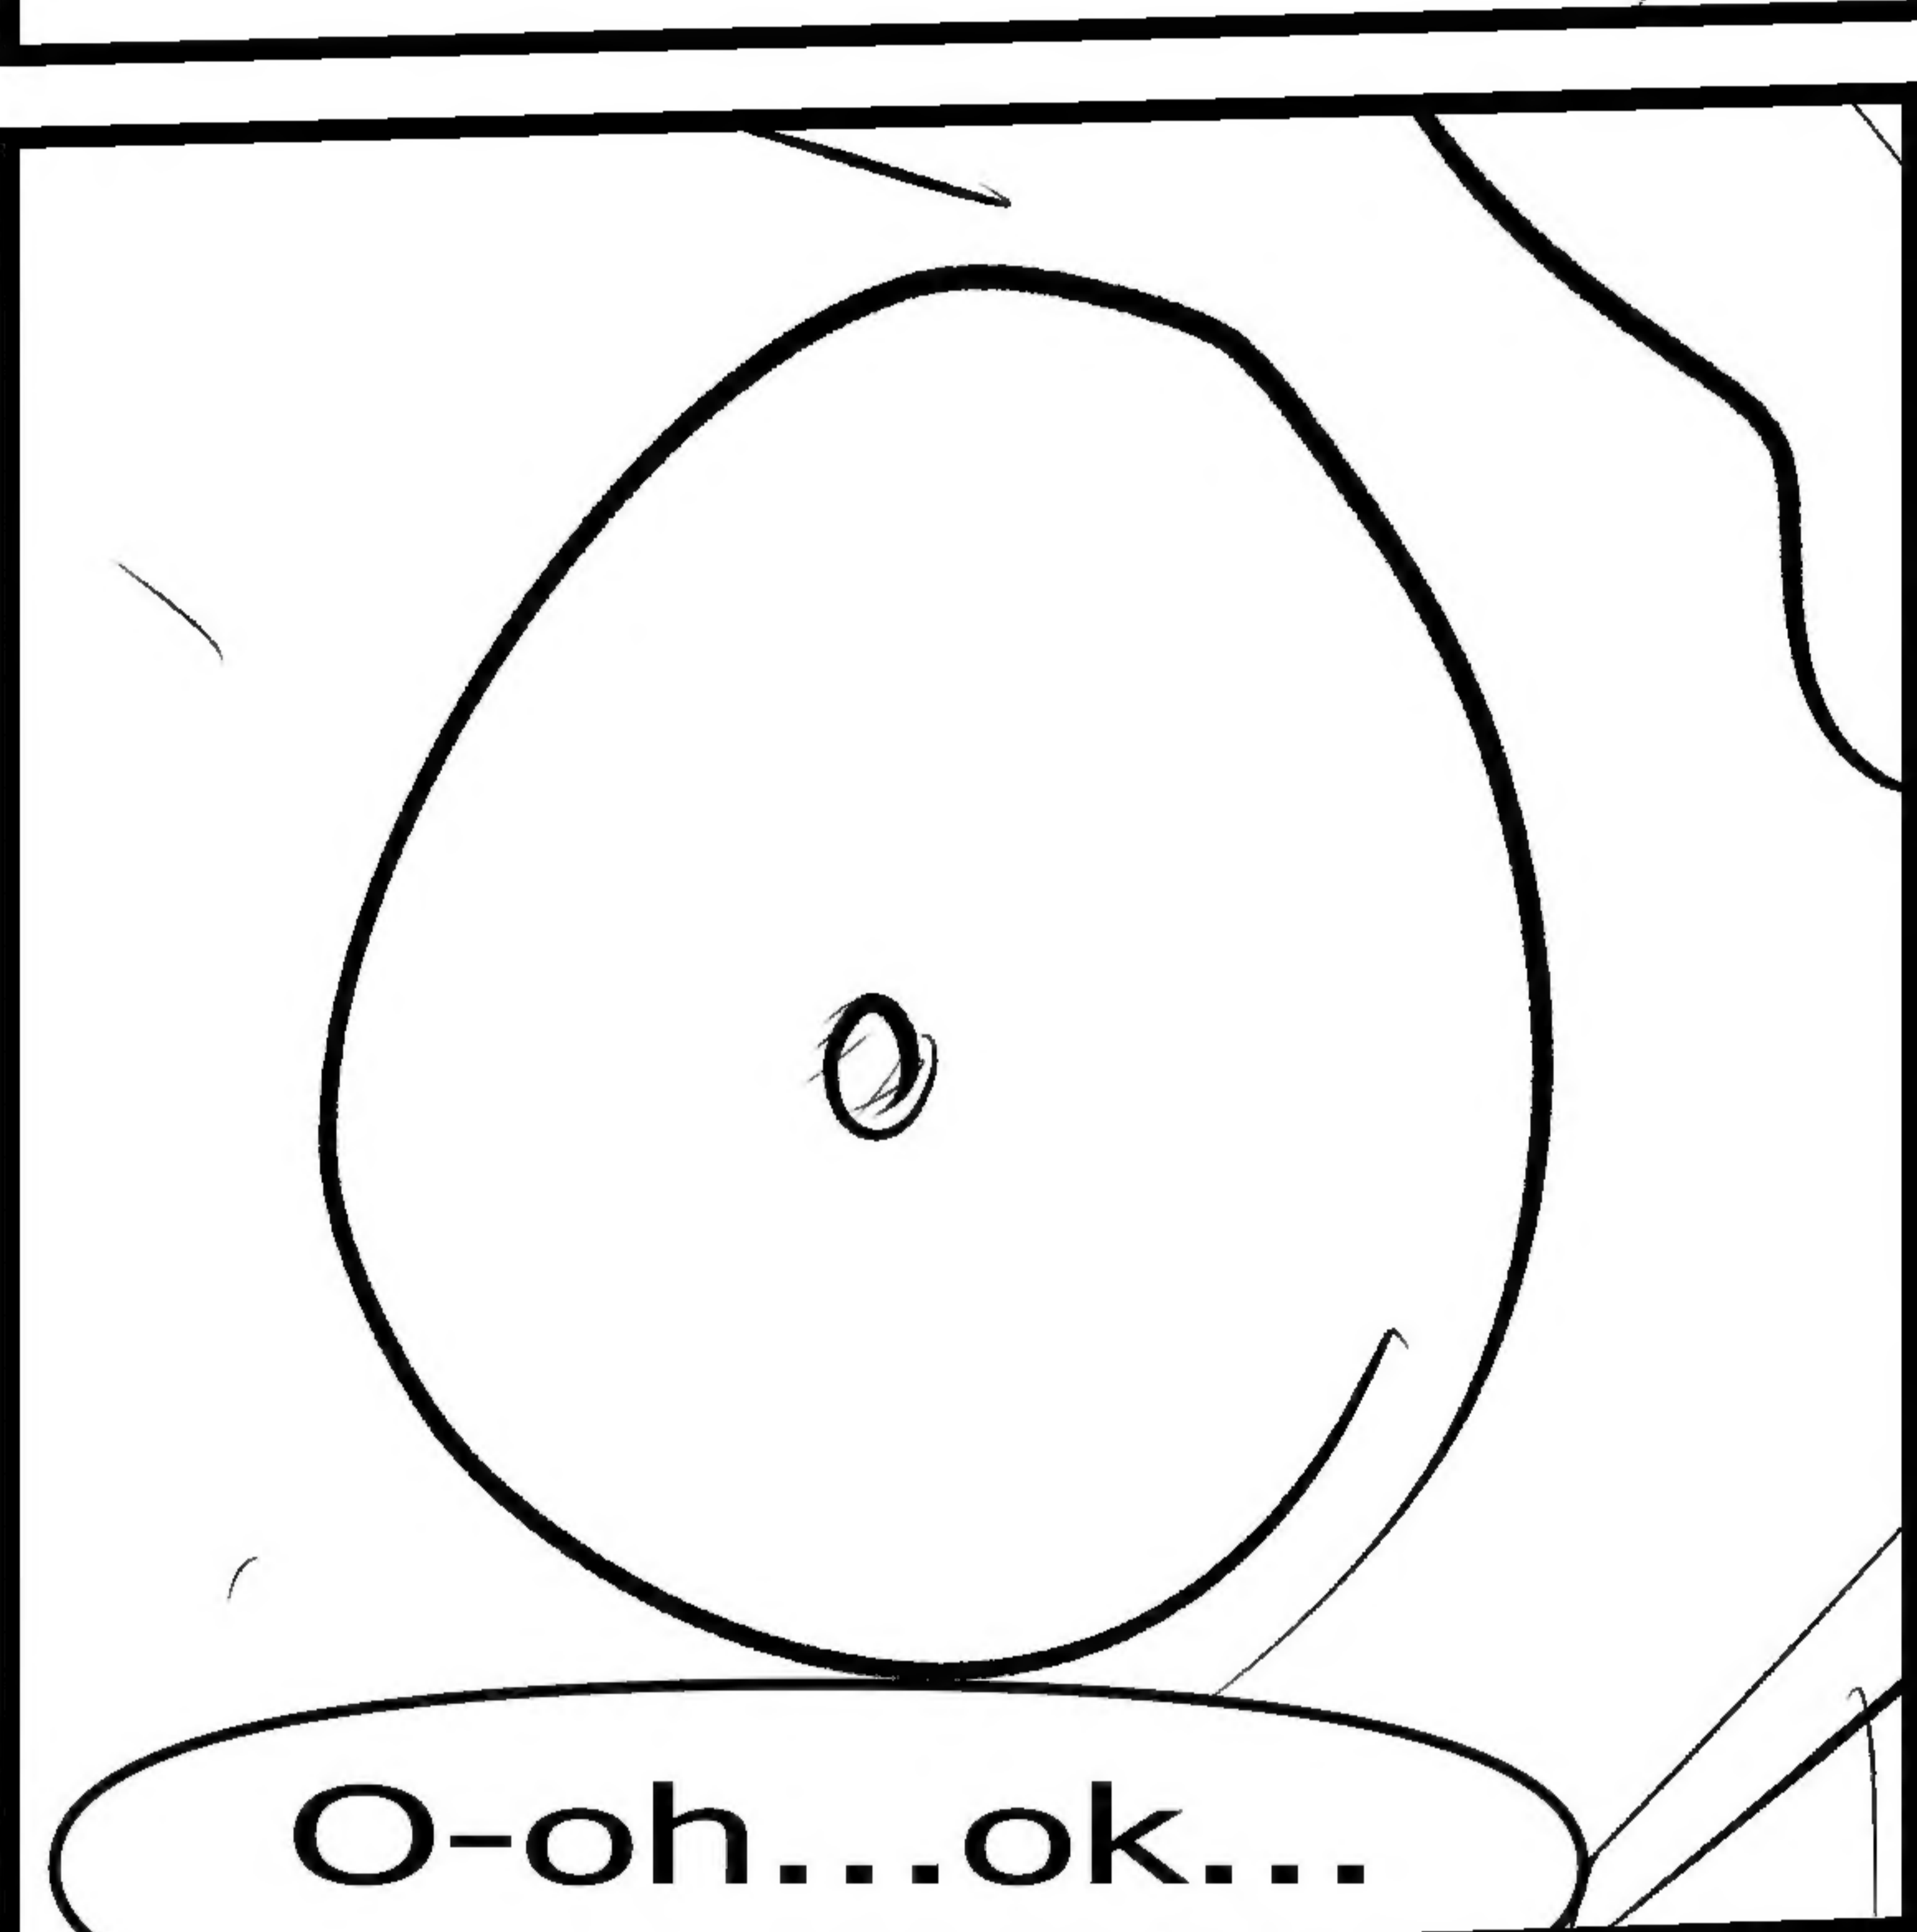

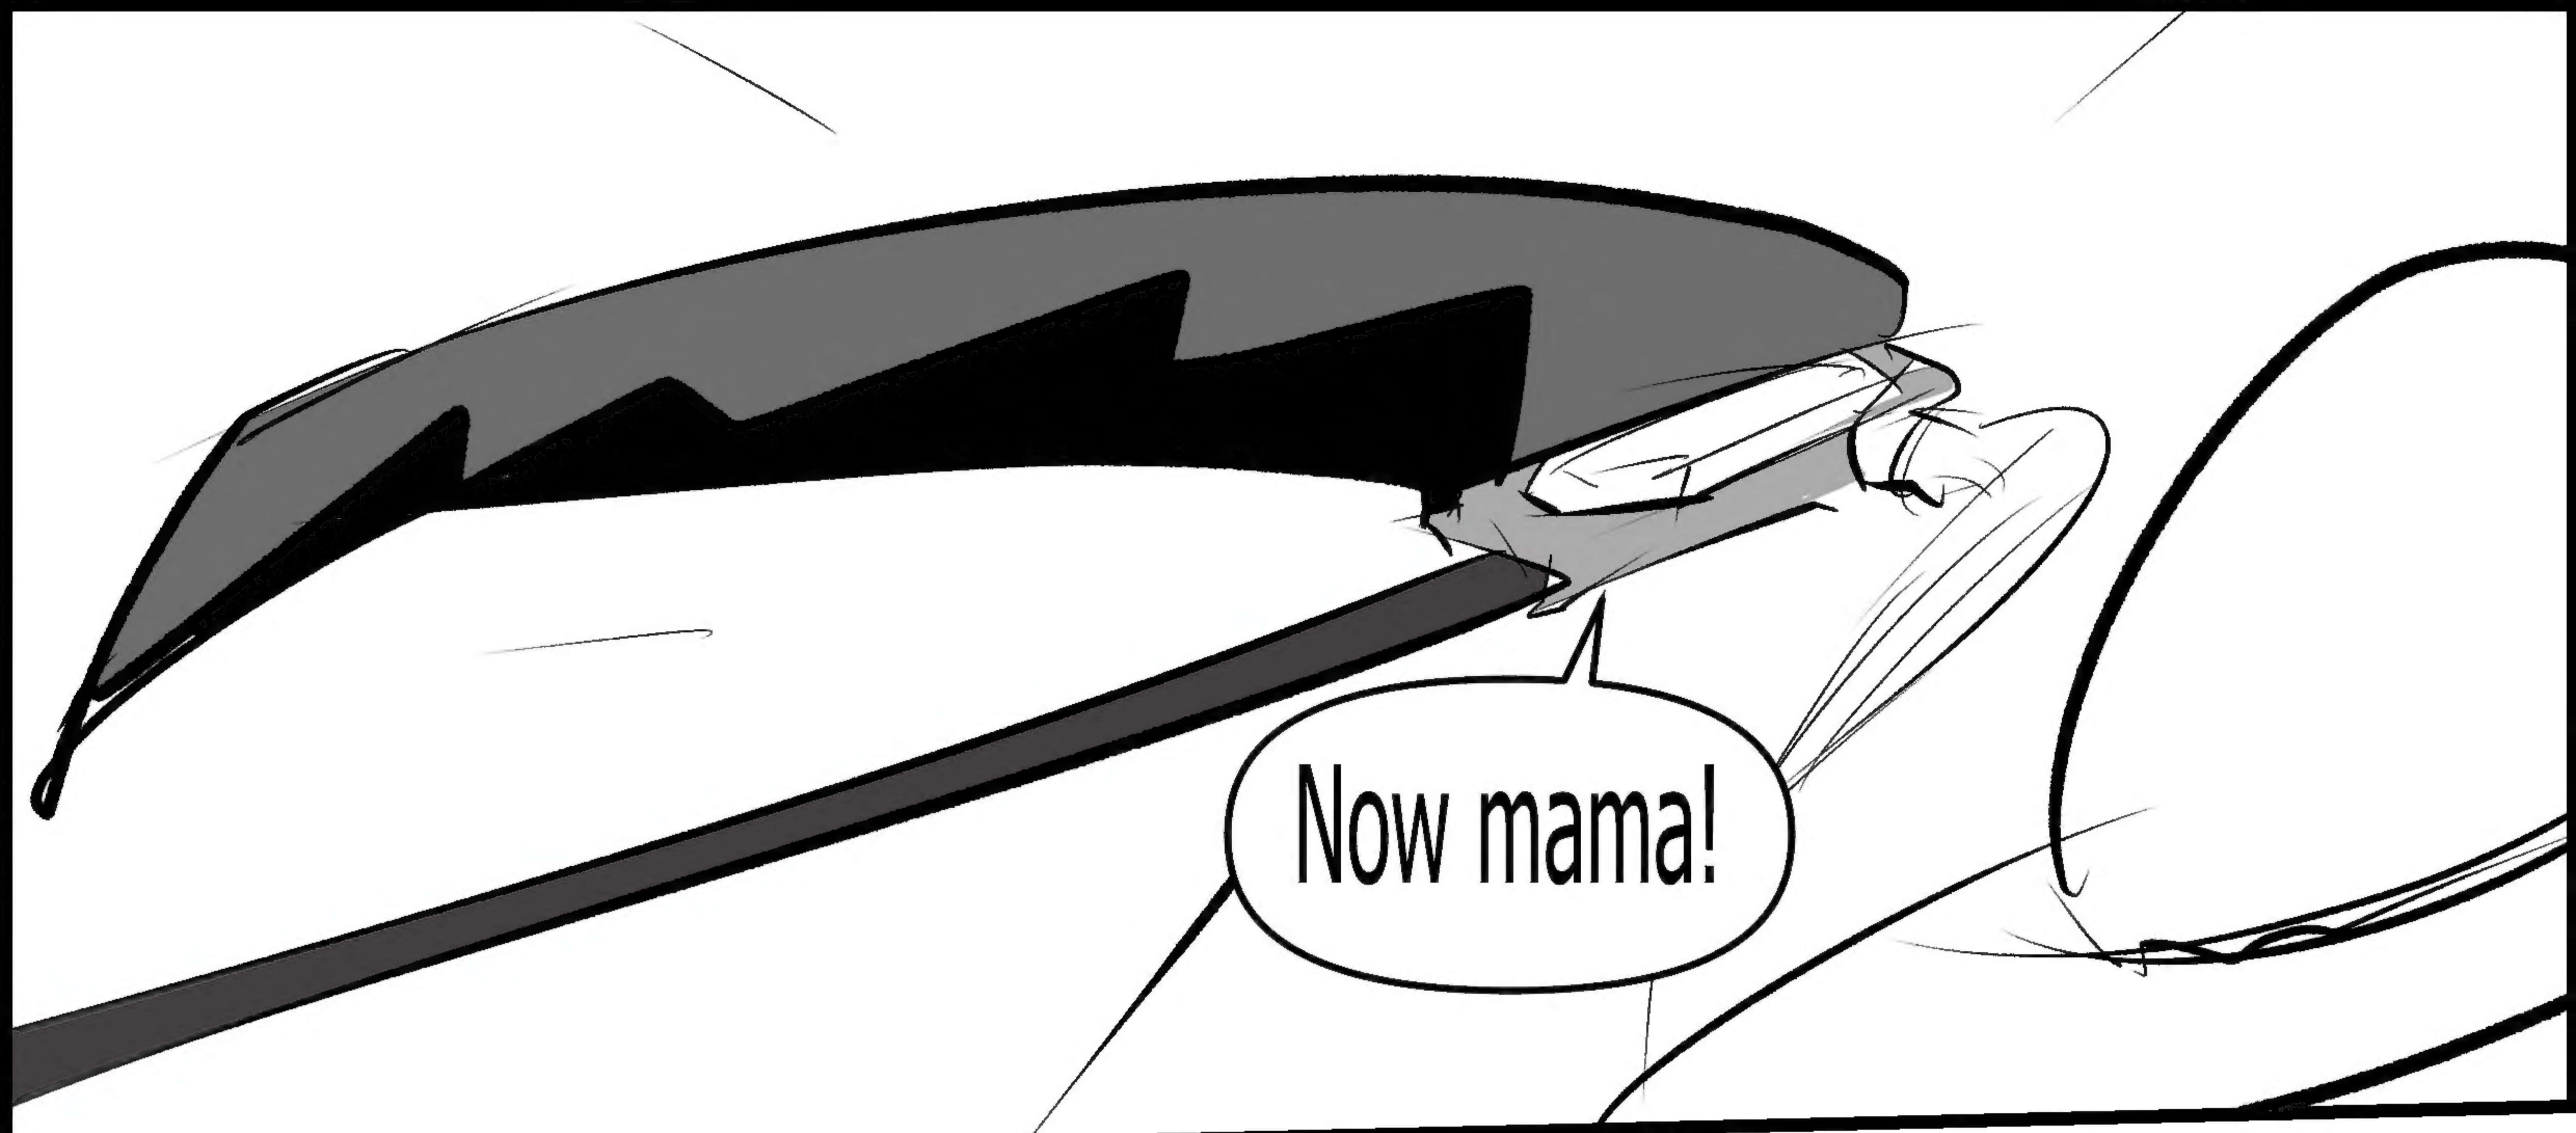

then  
is it  
mine?

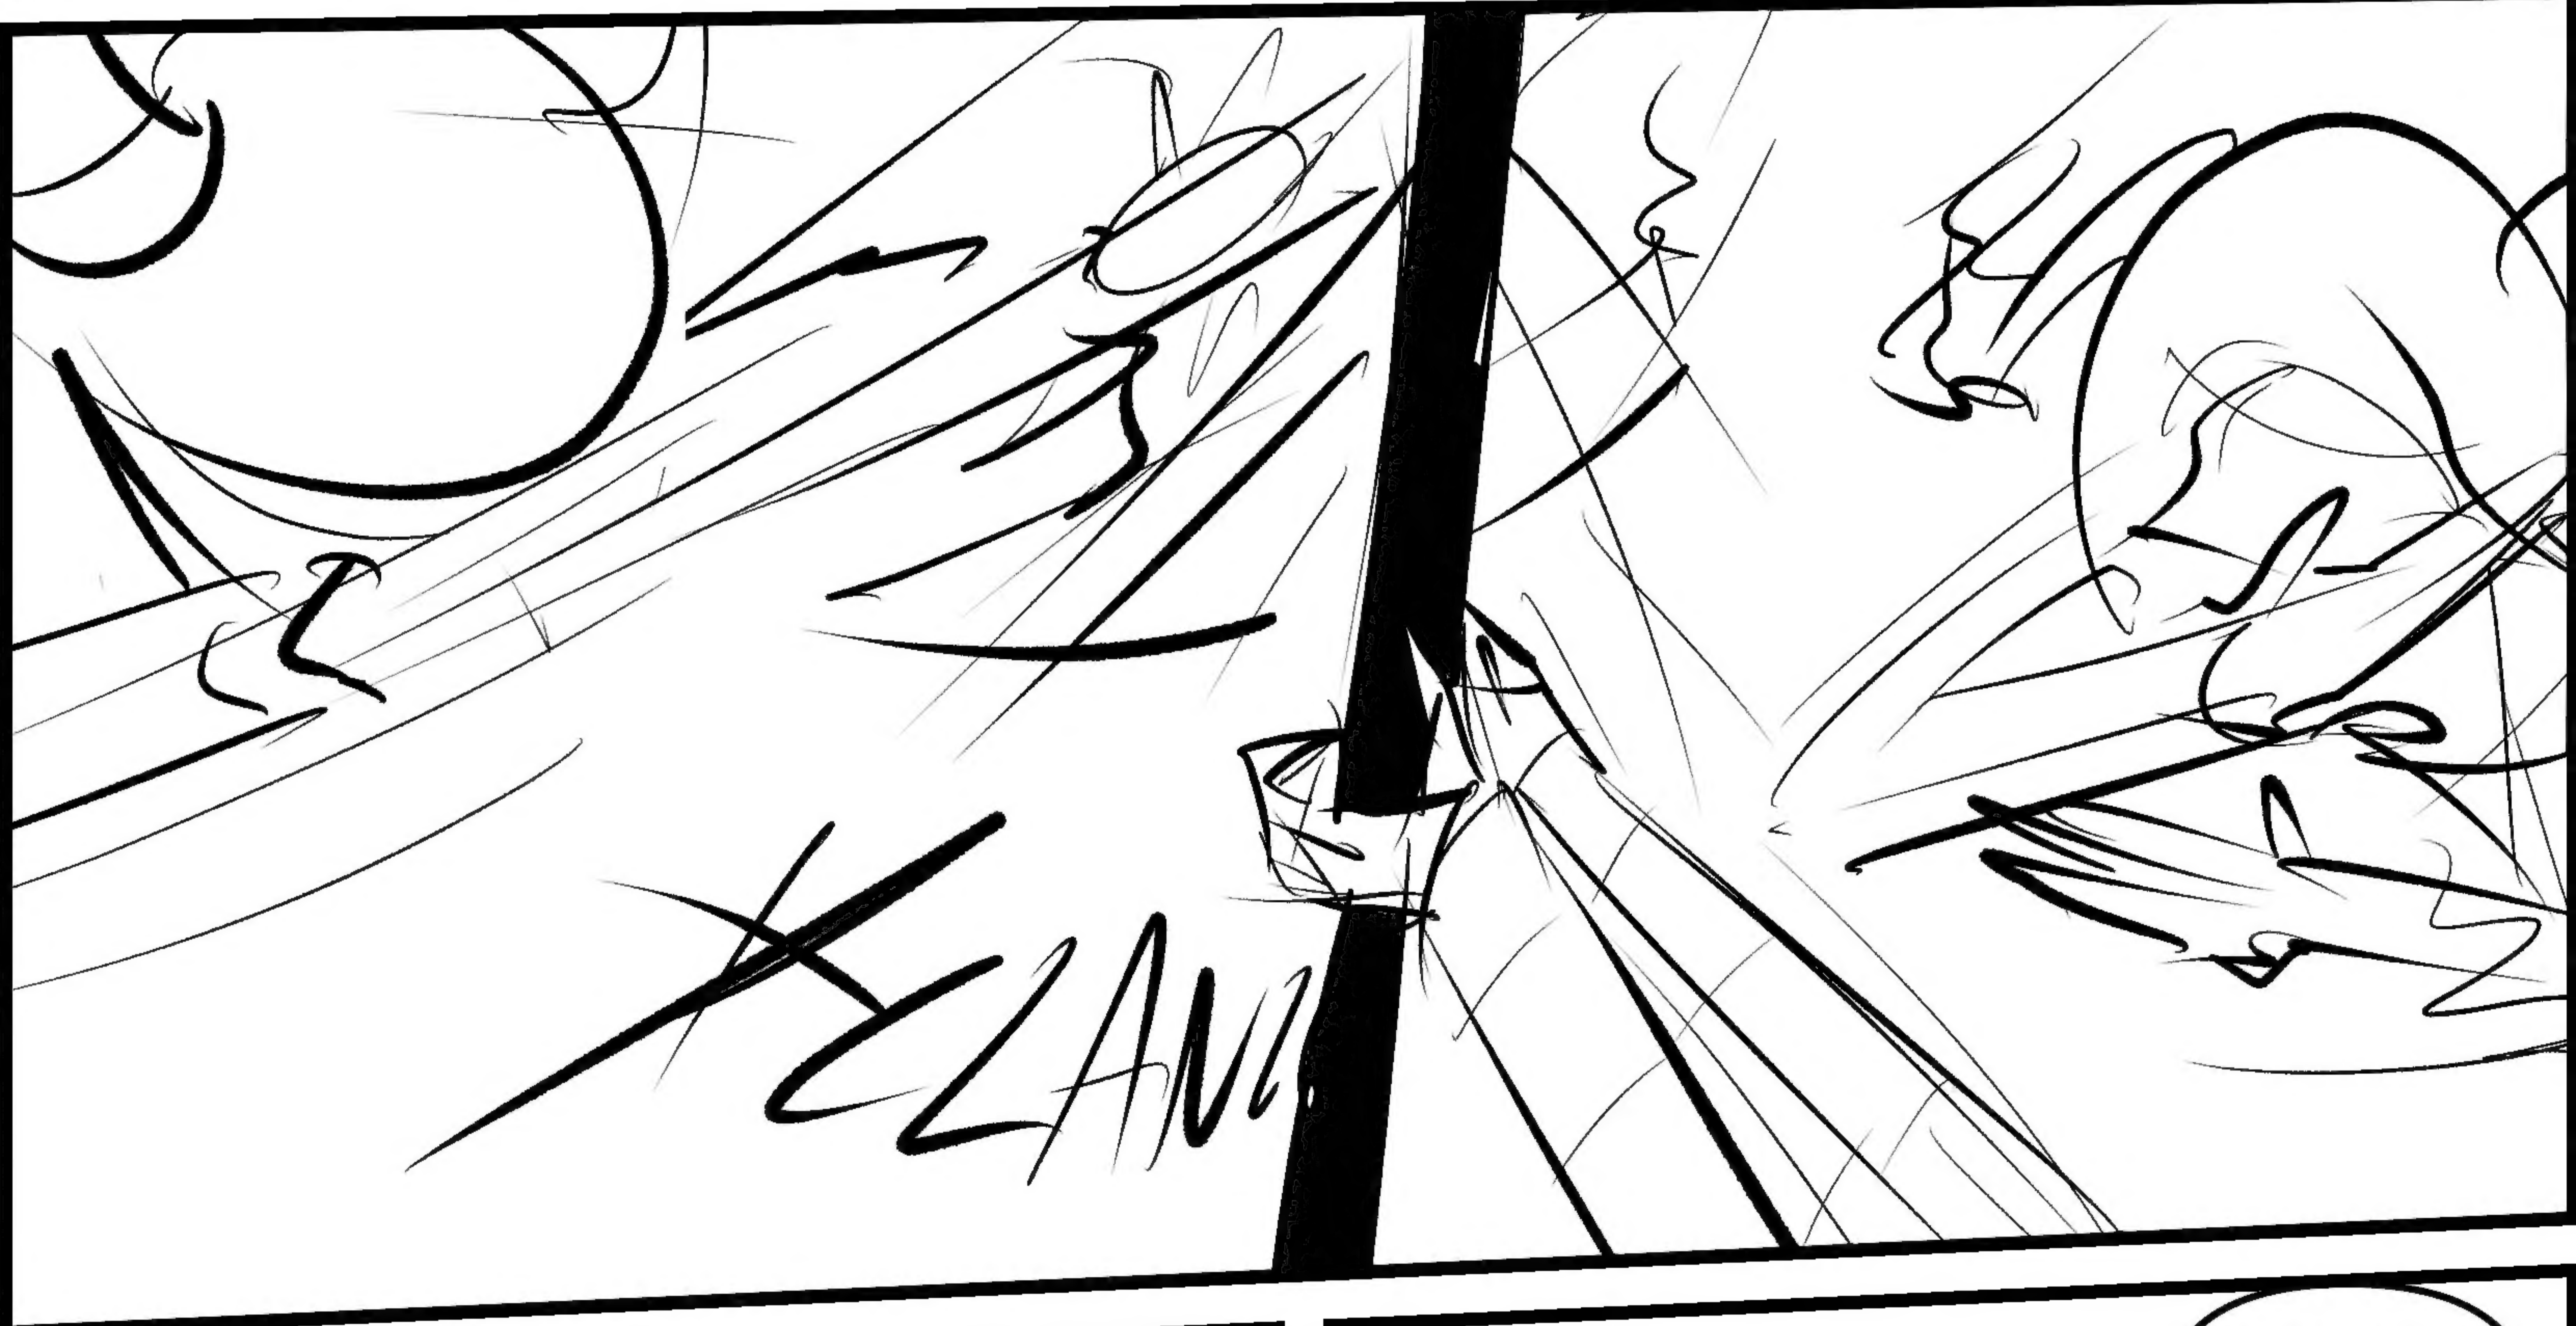

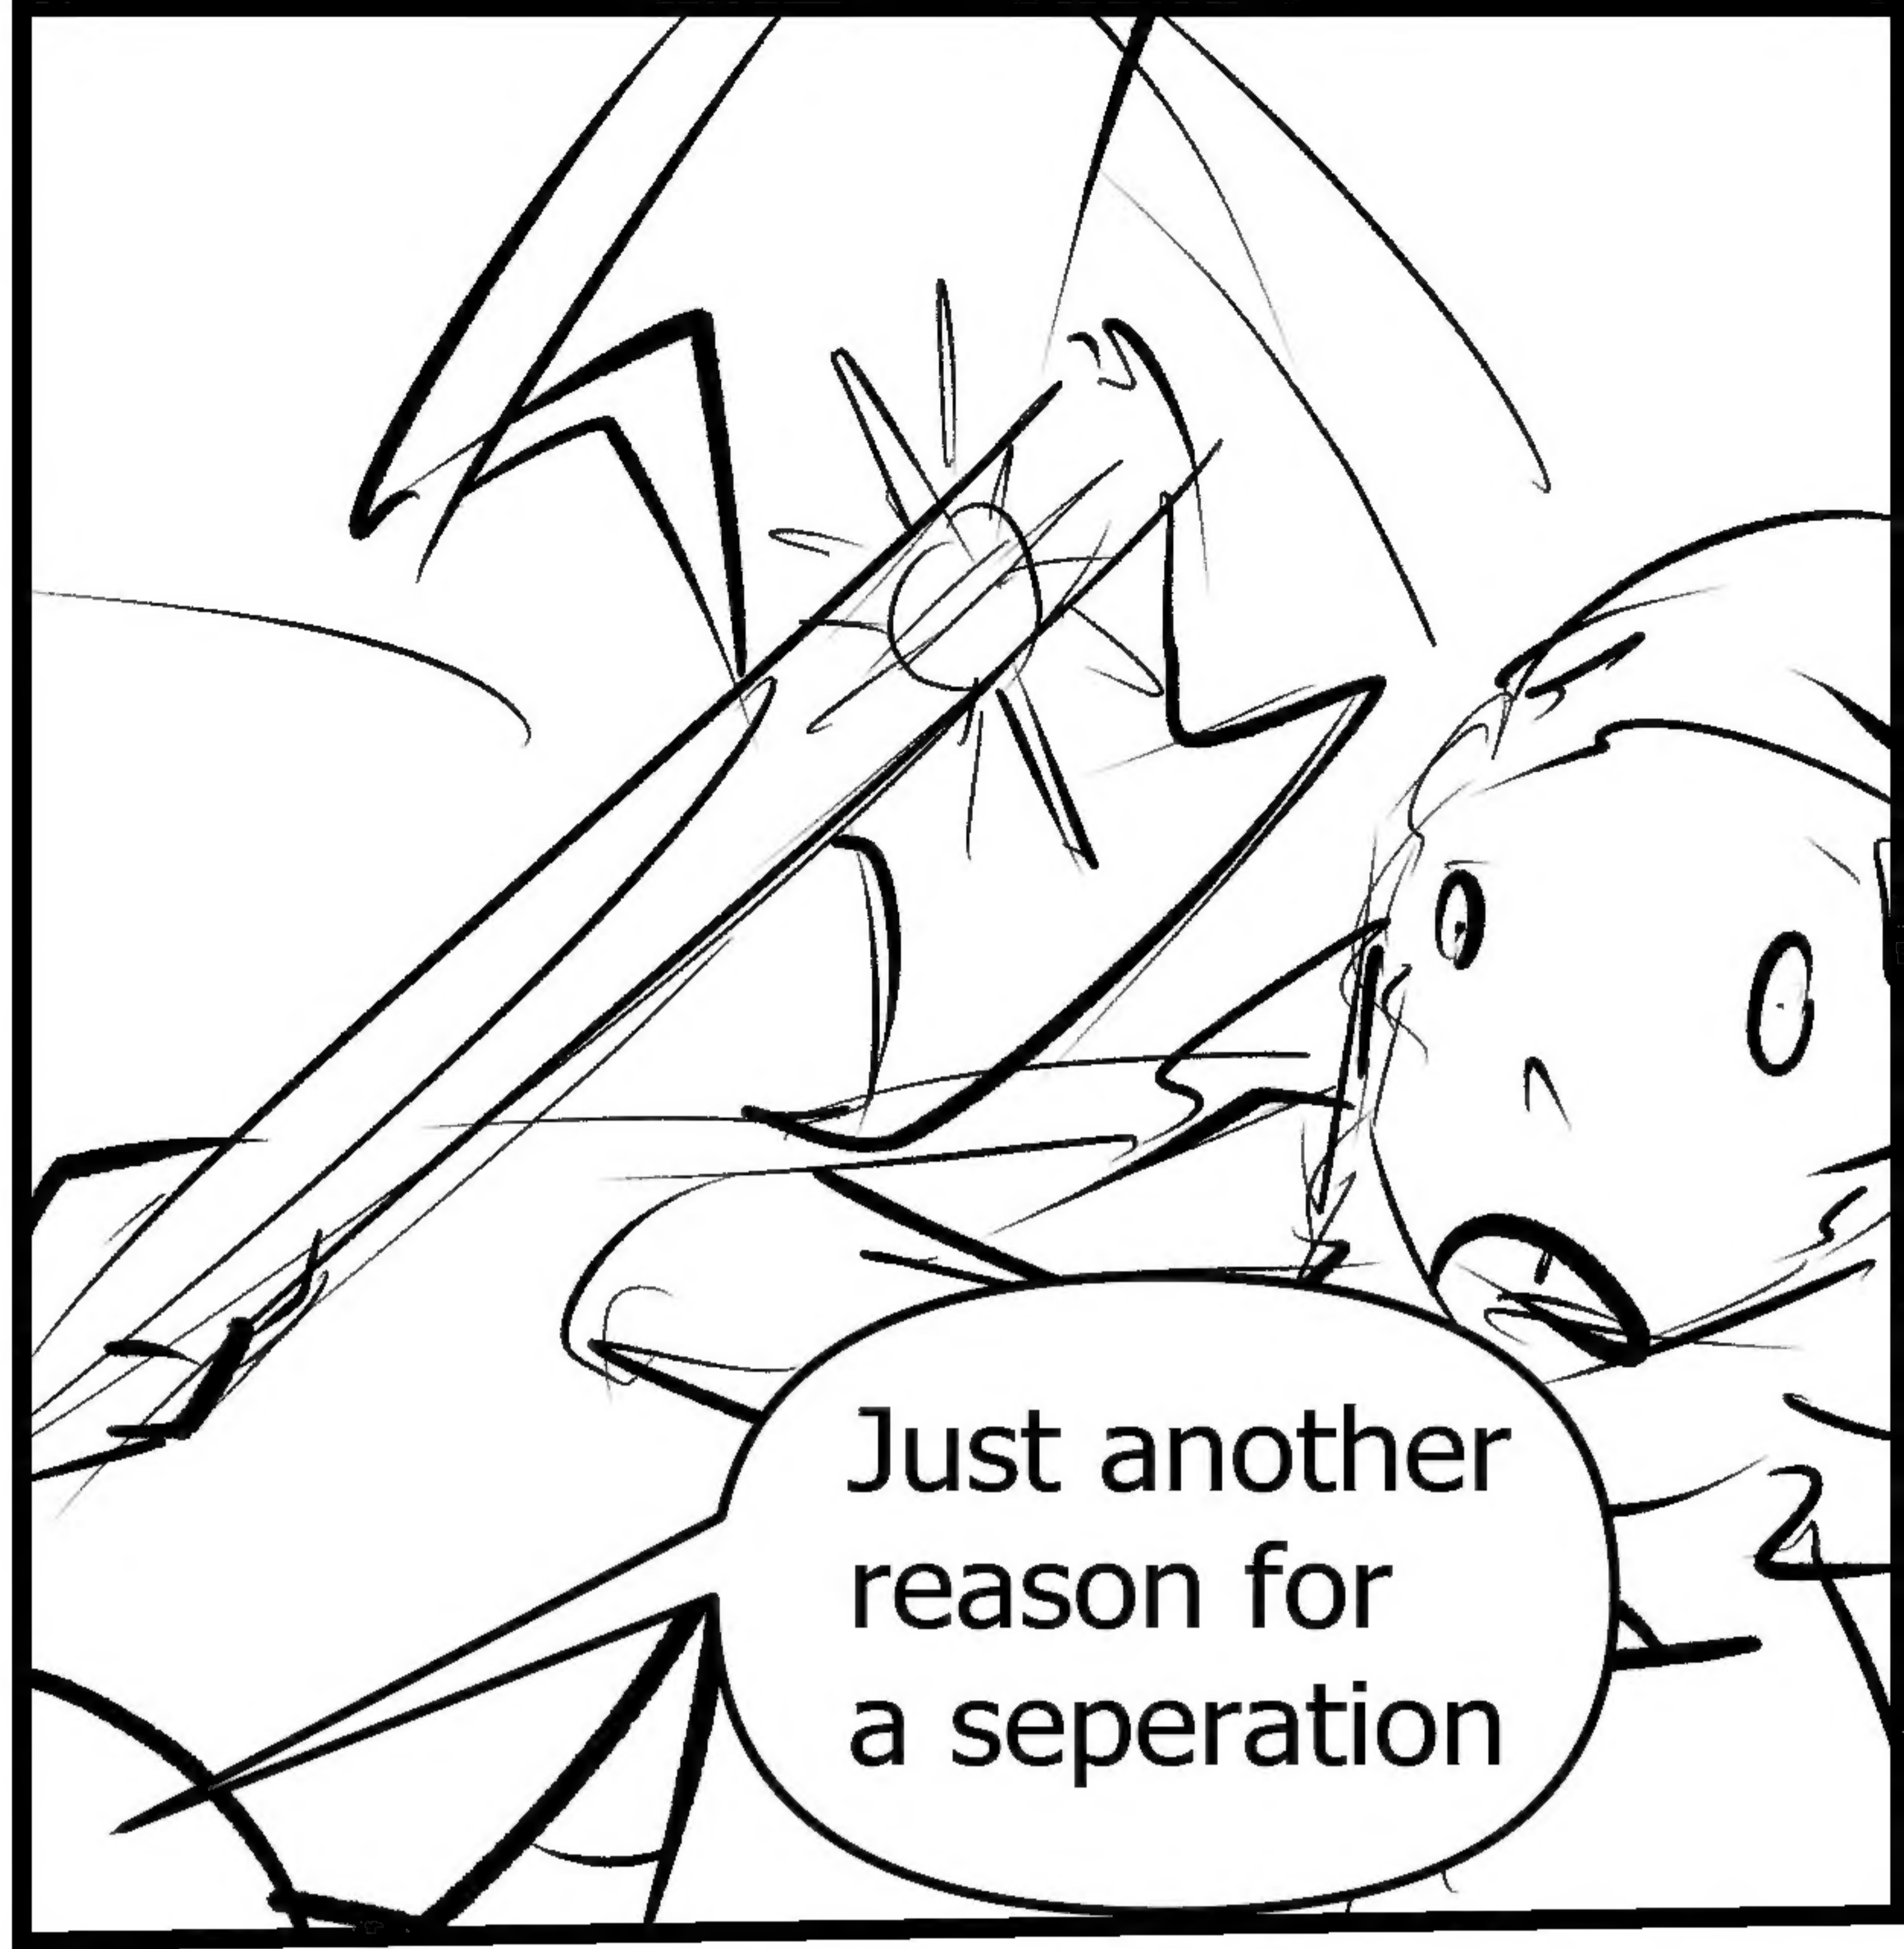

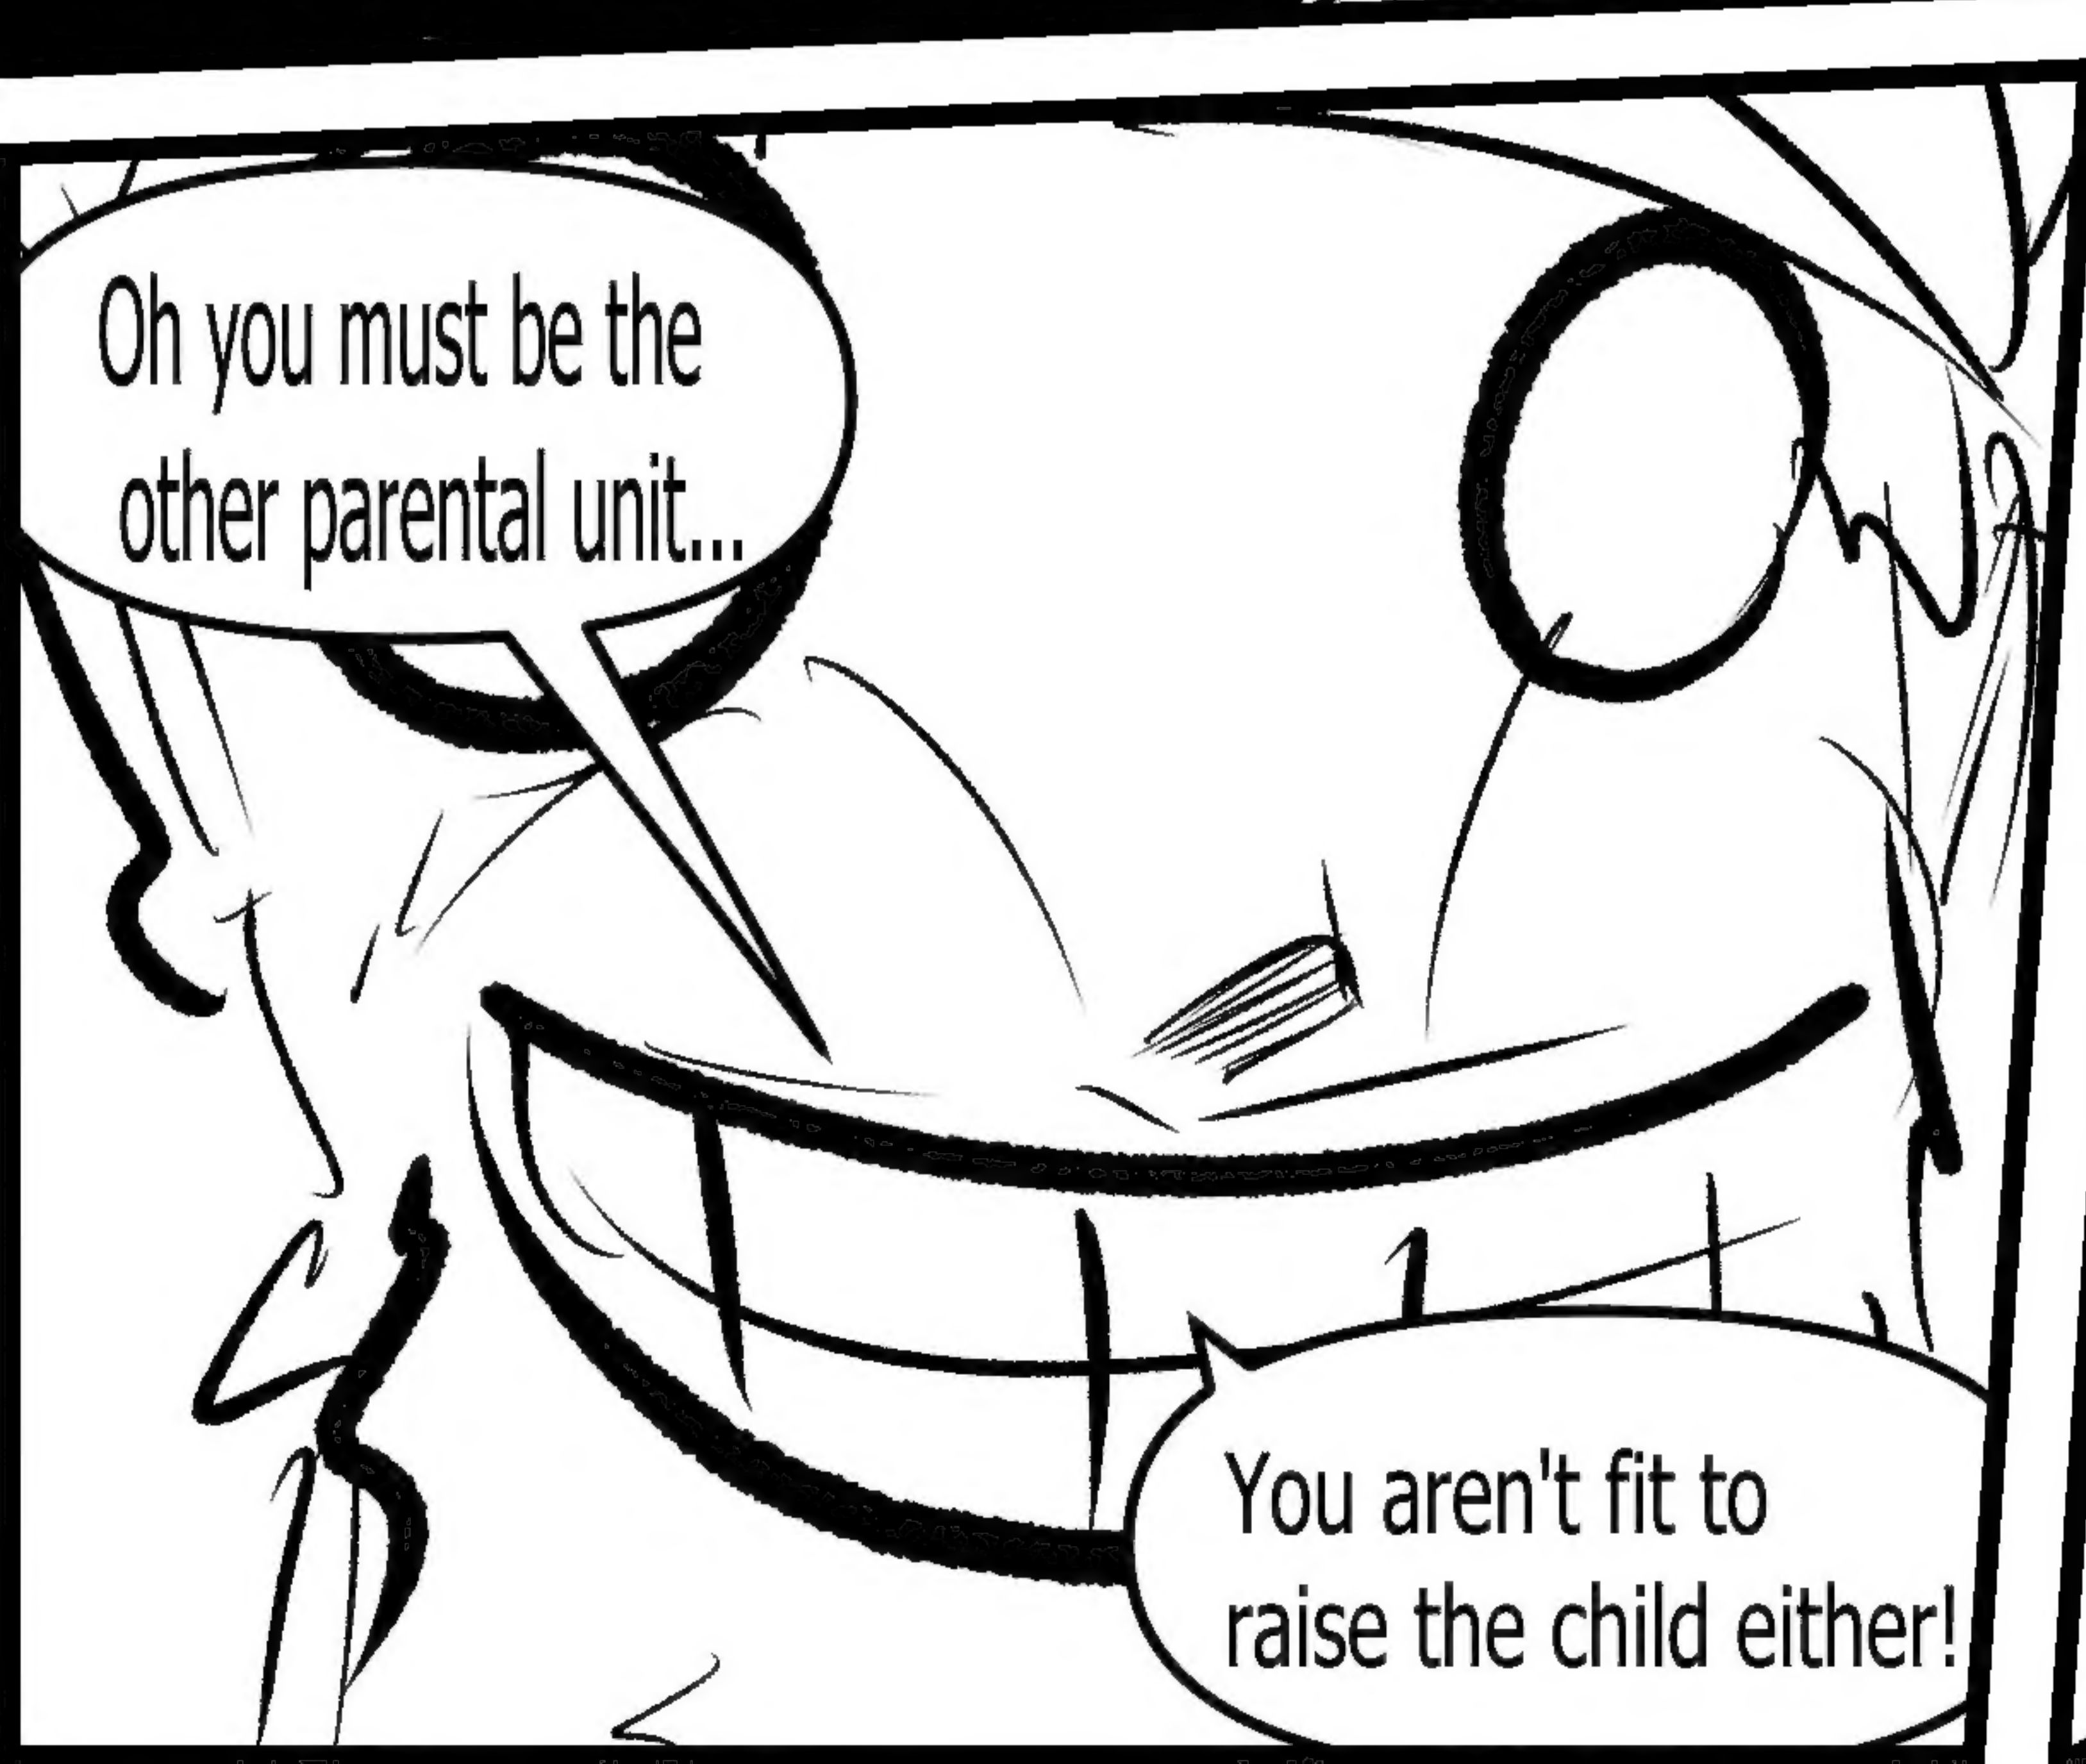

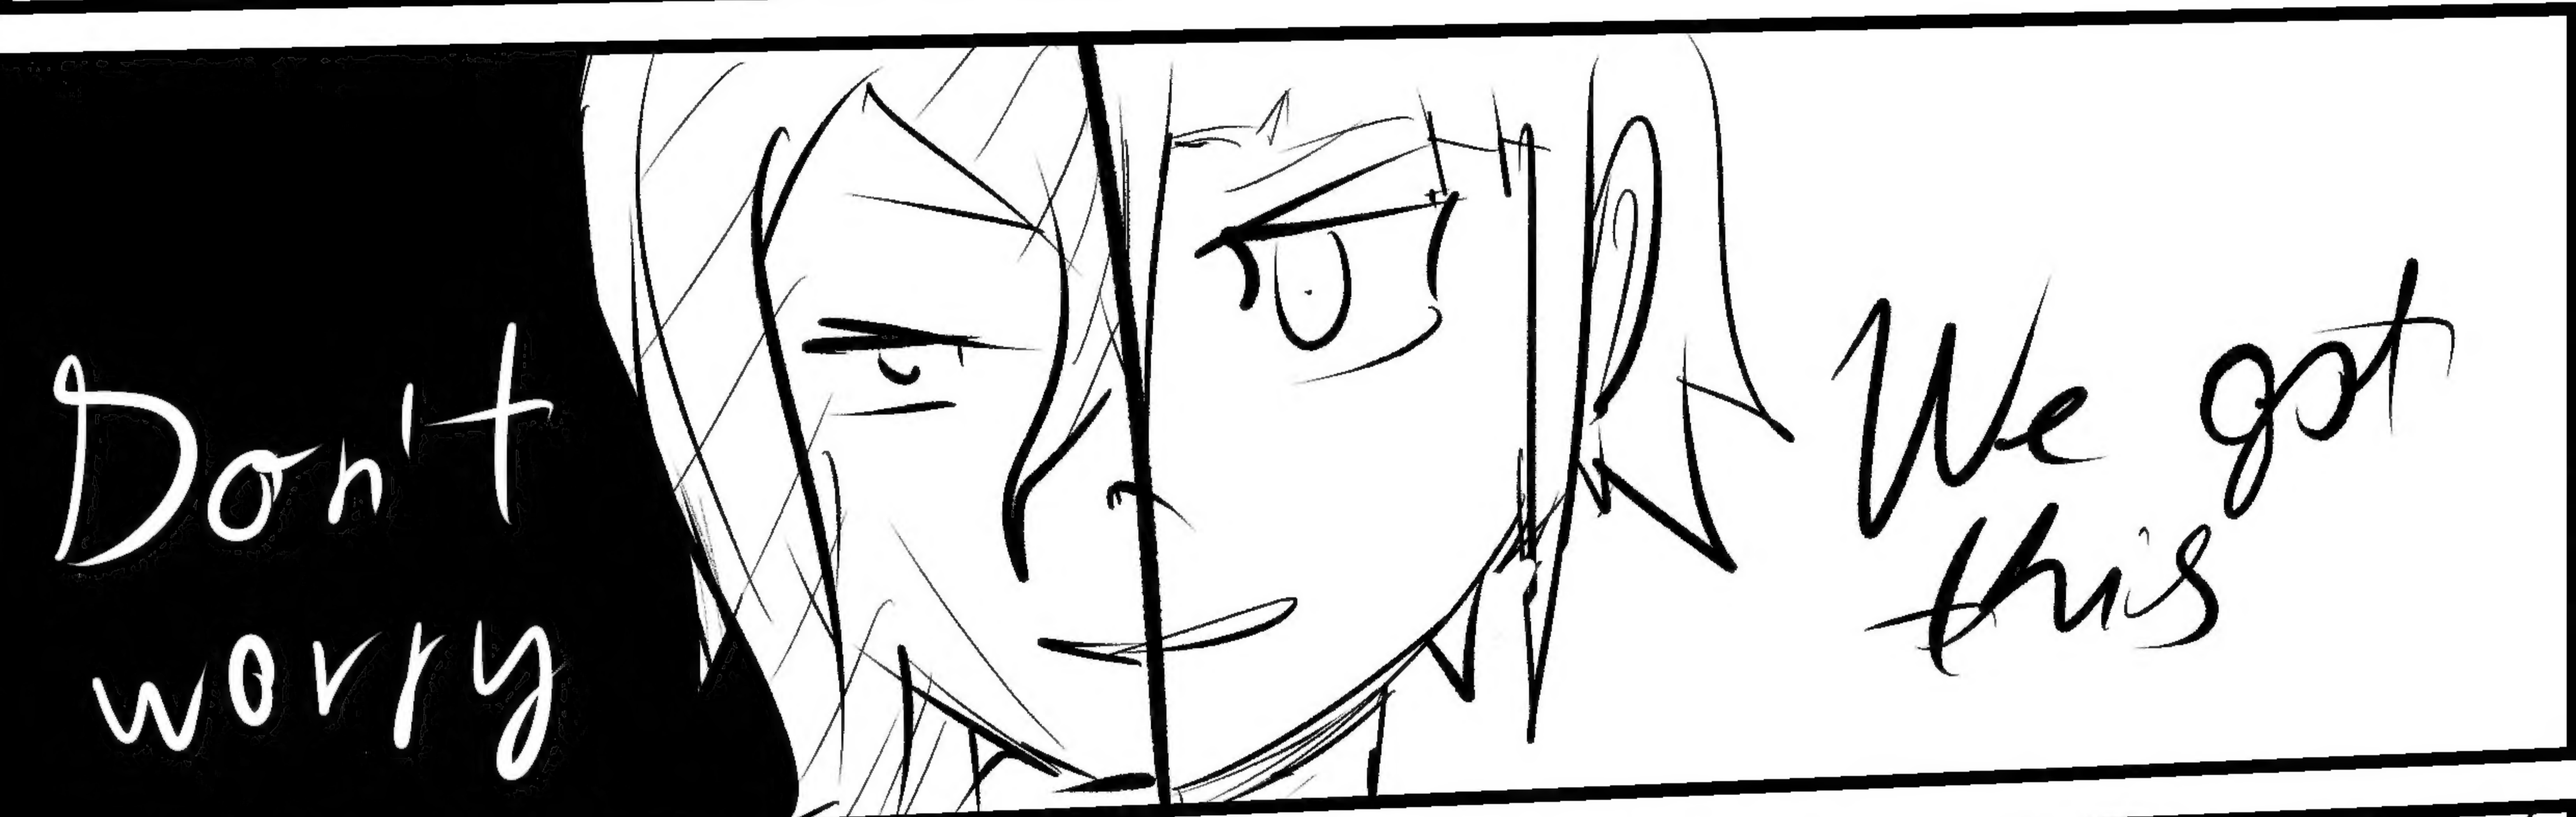

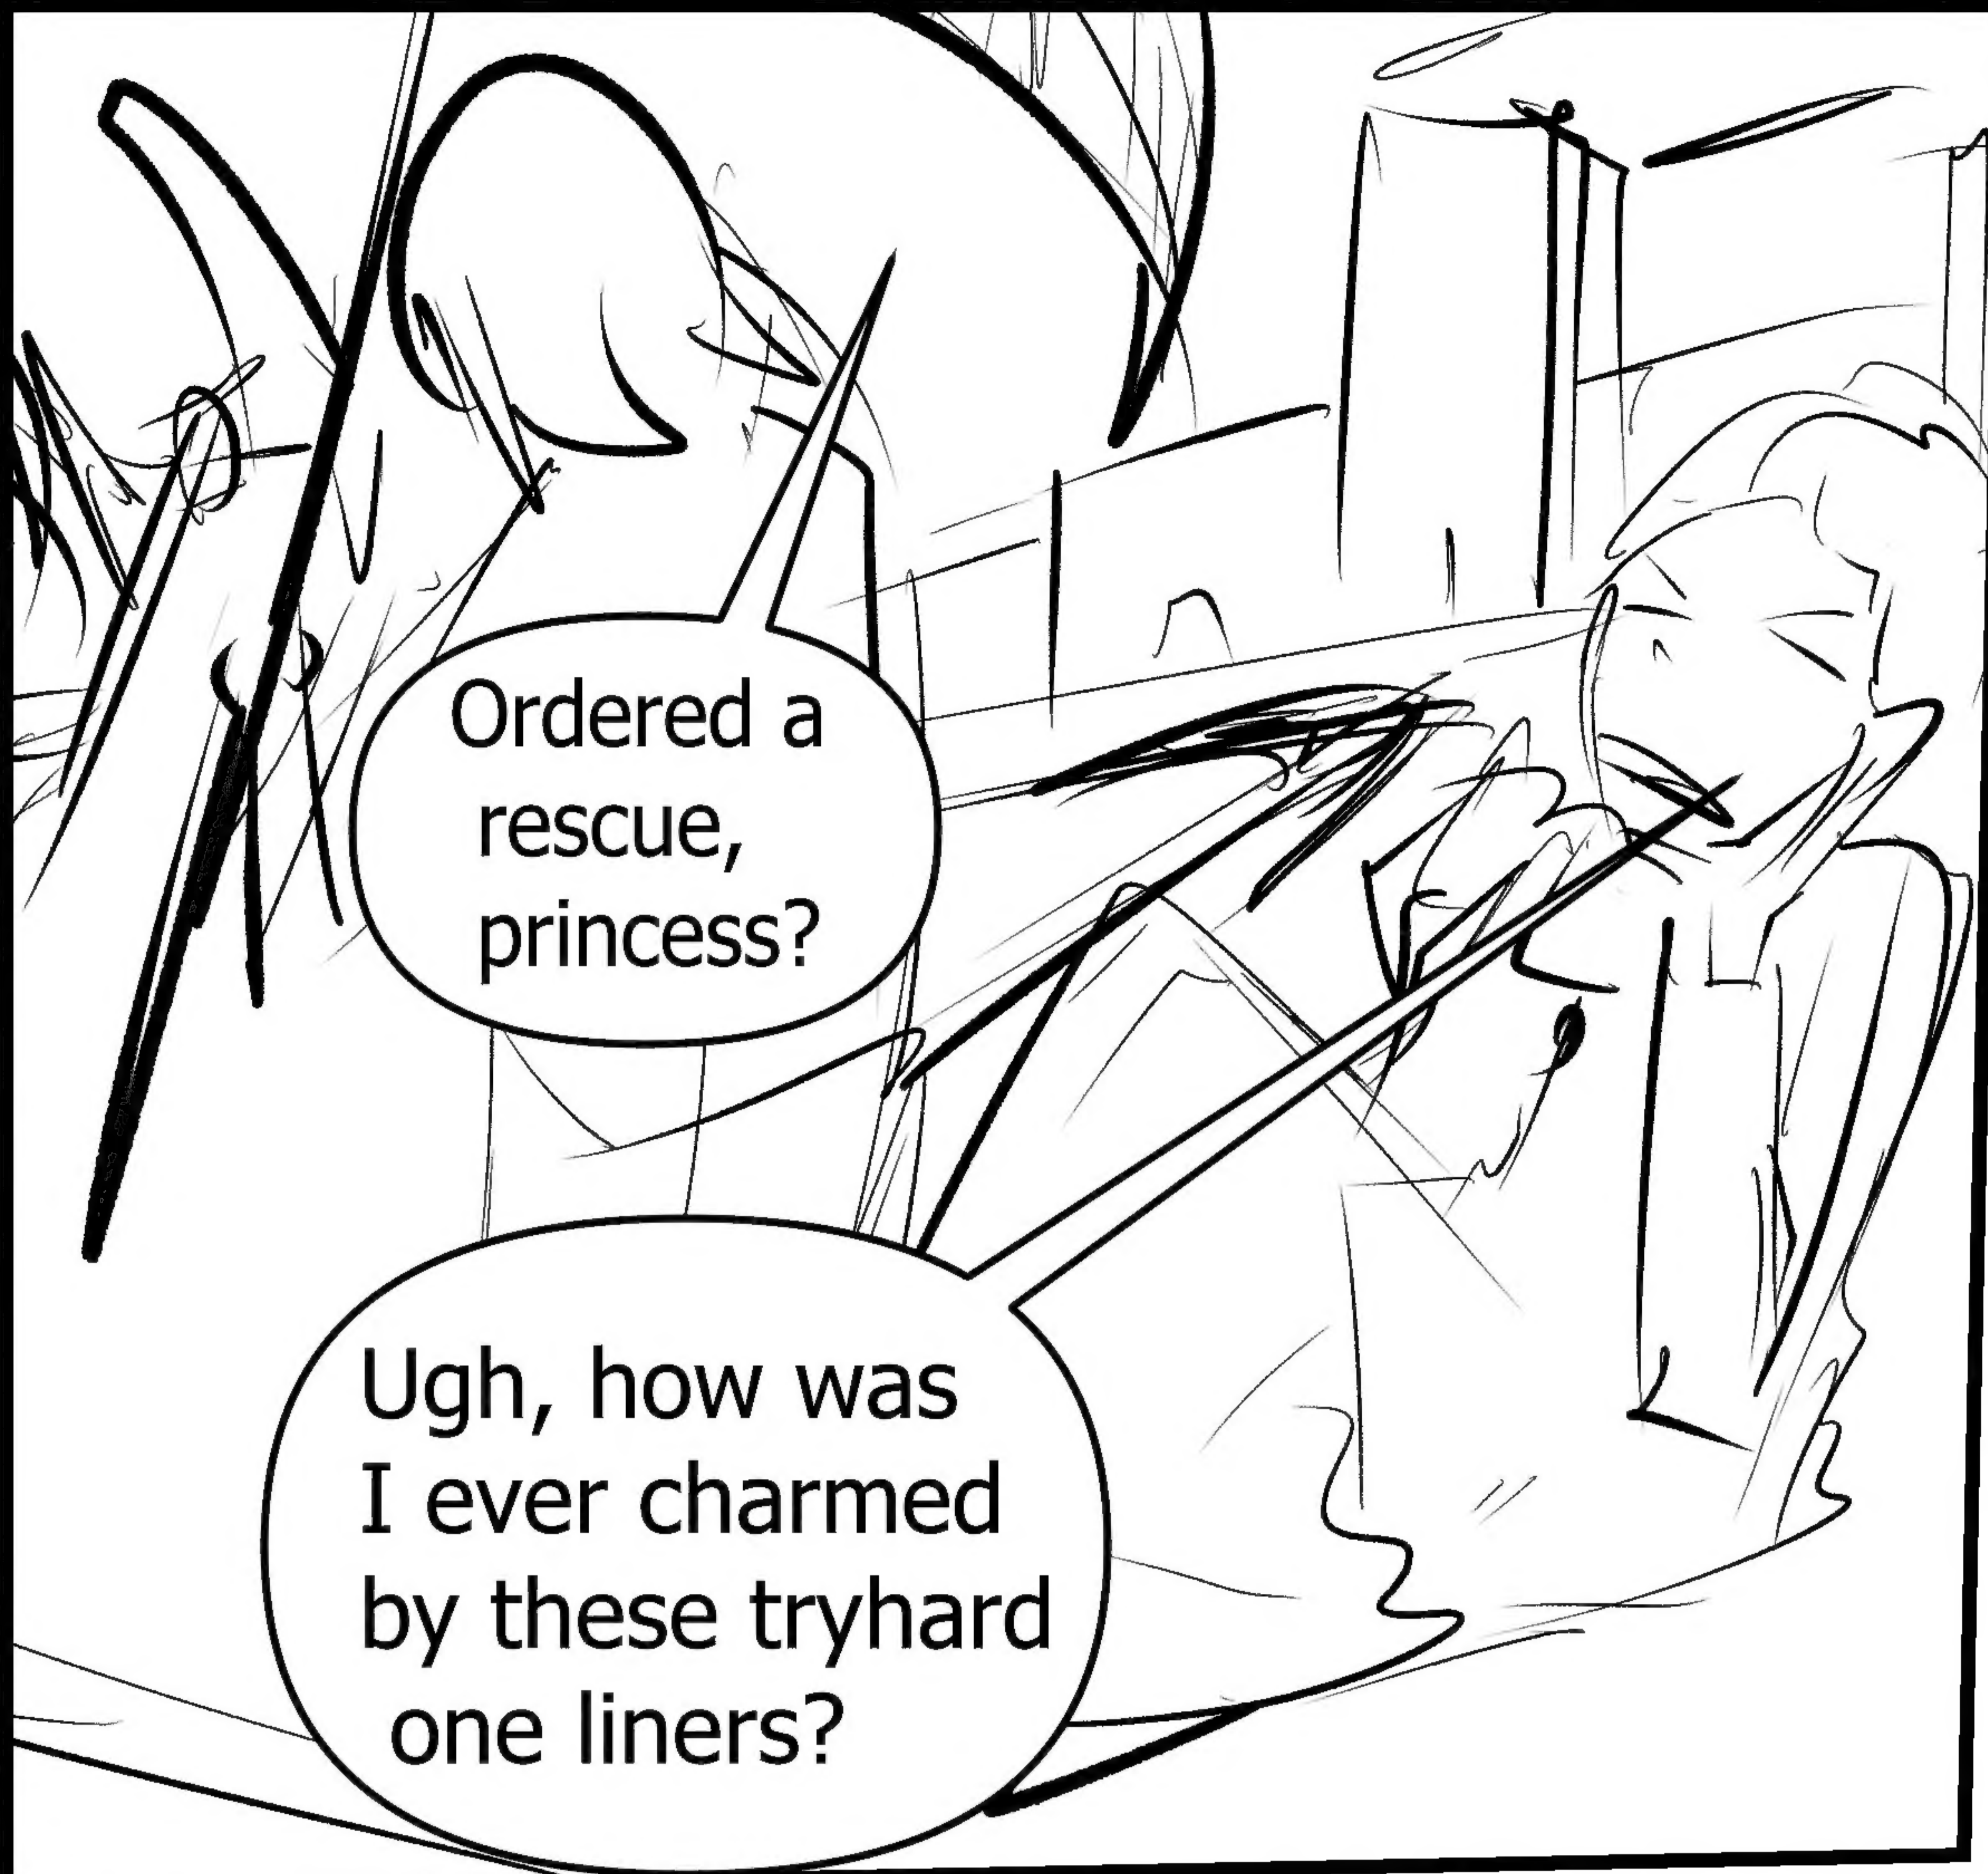

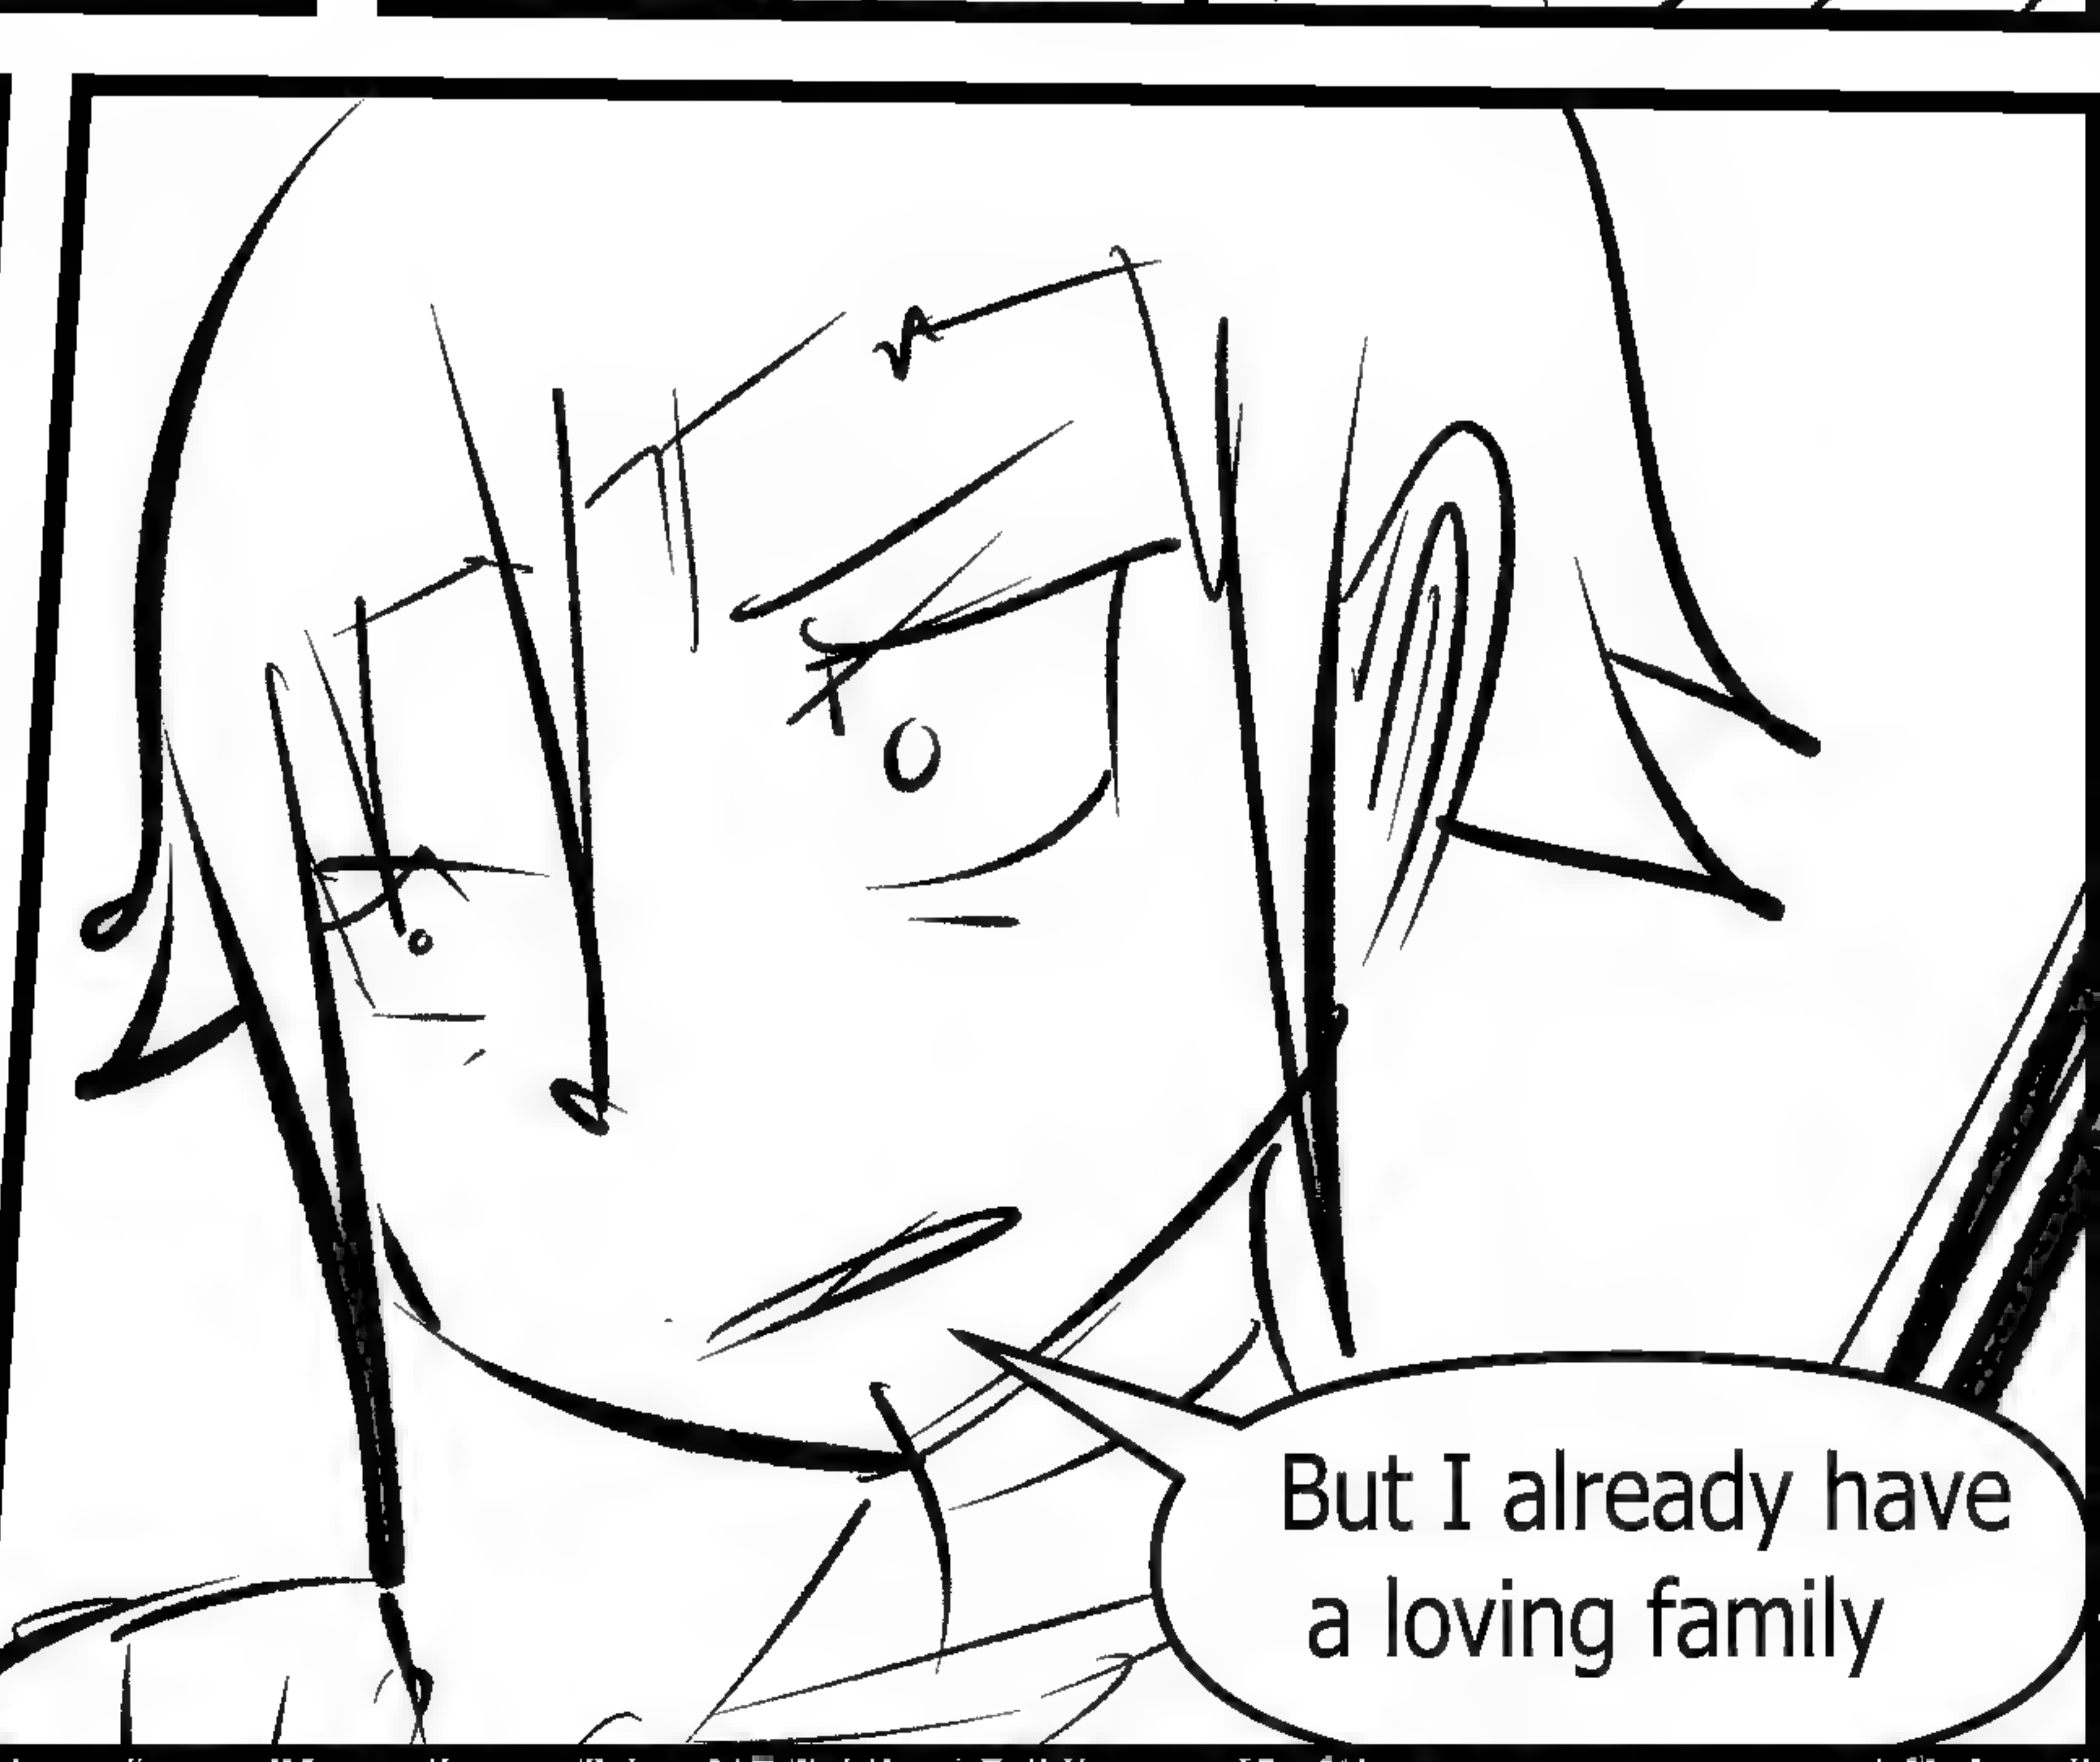

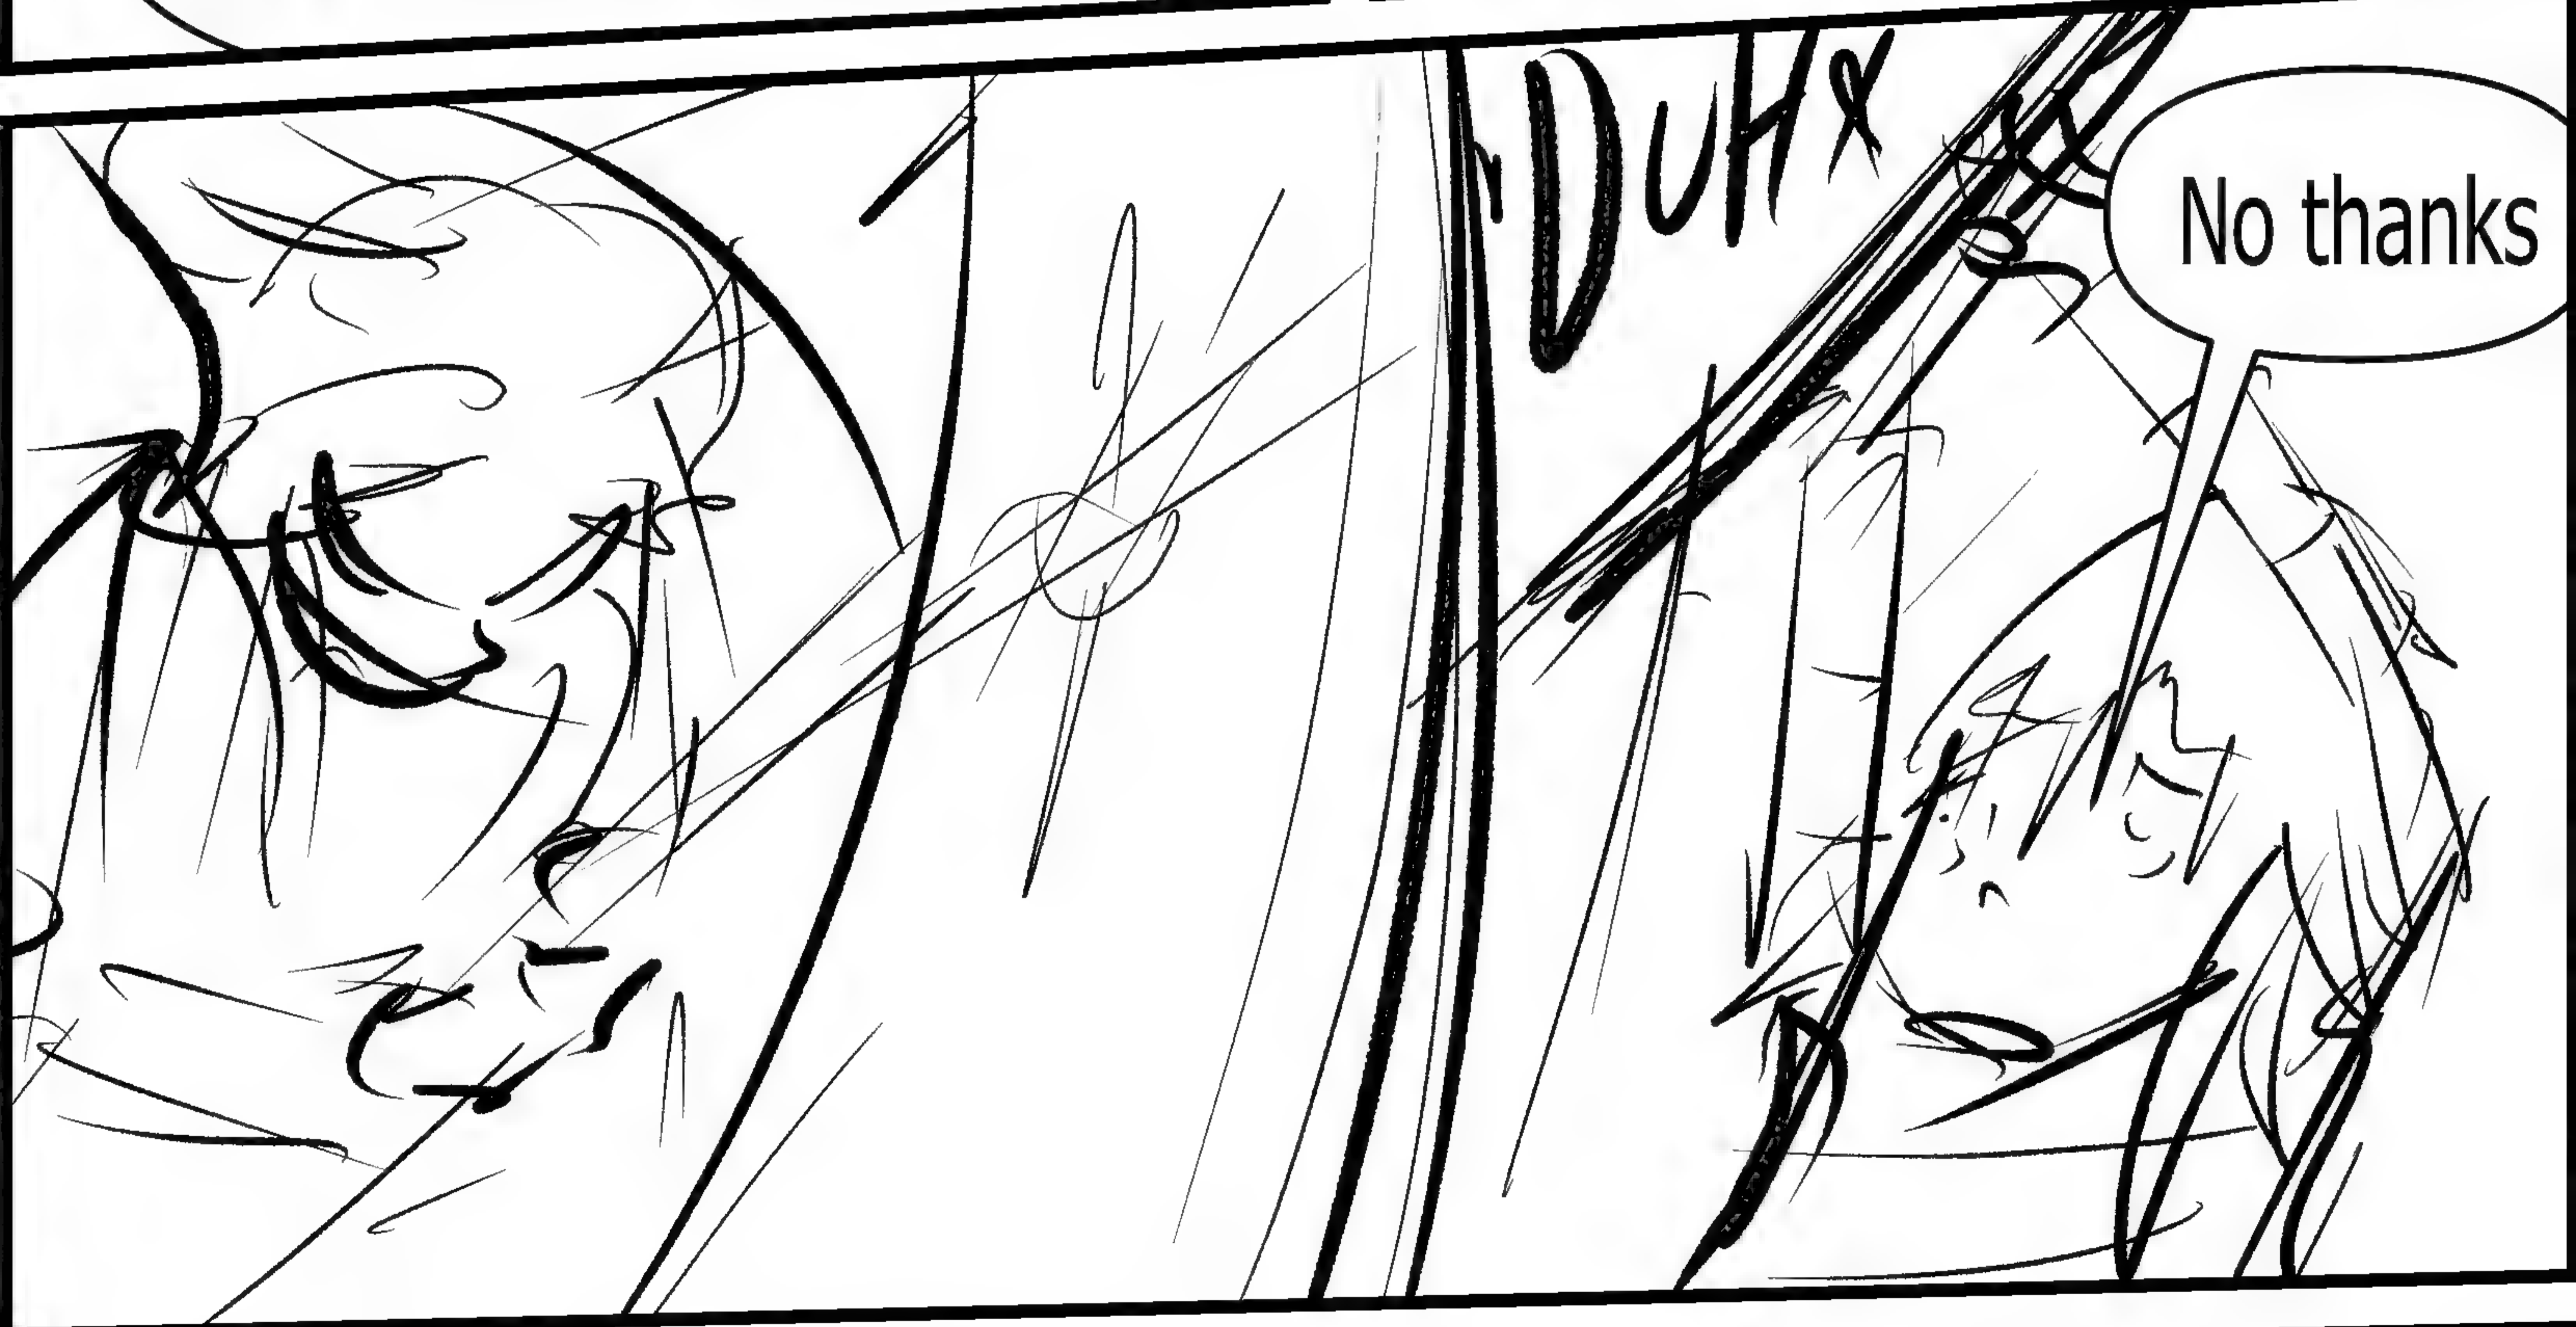

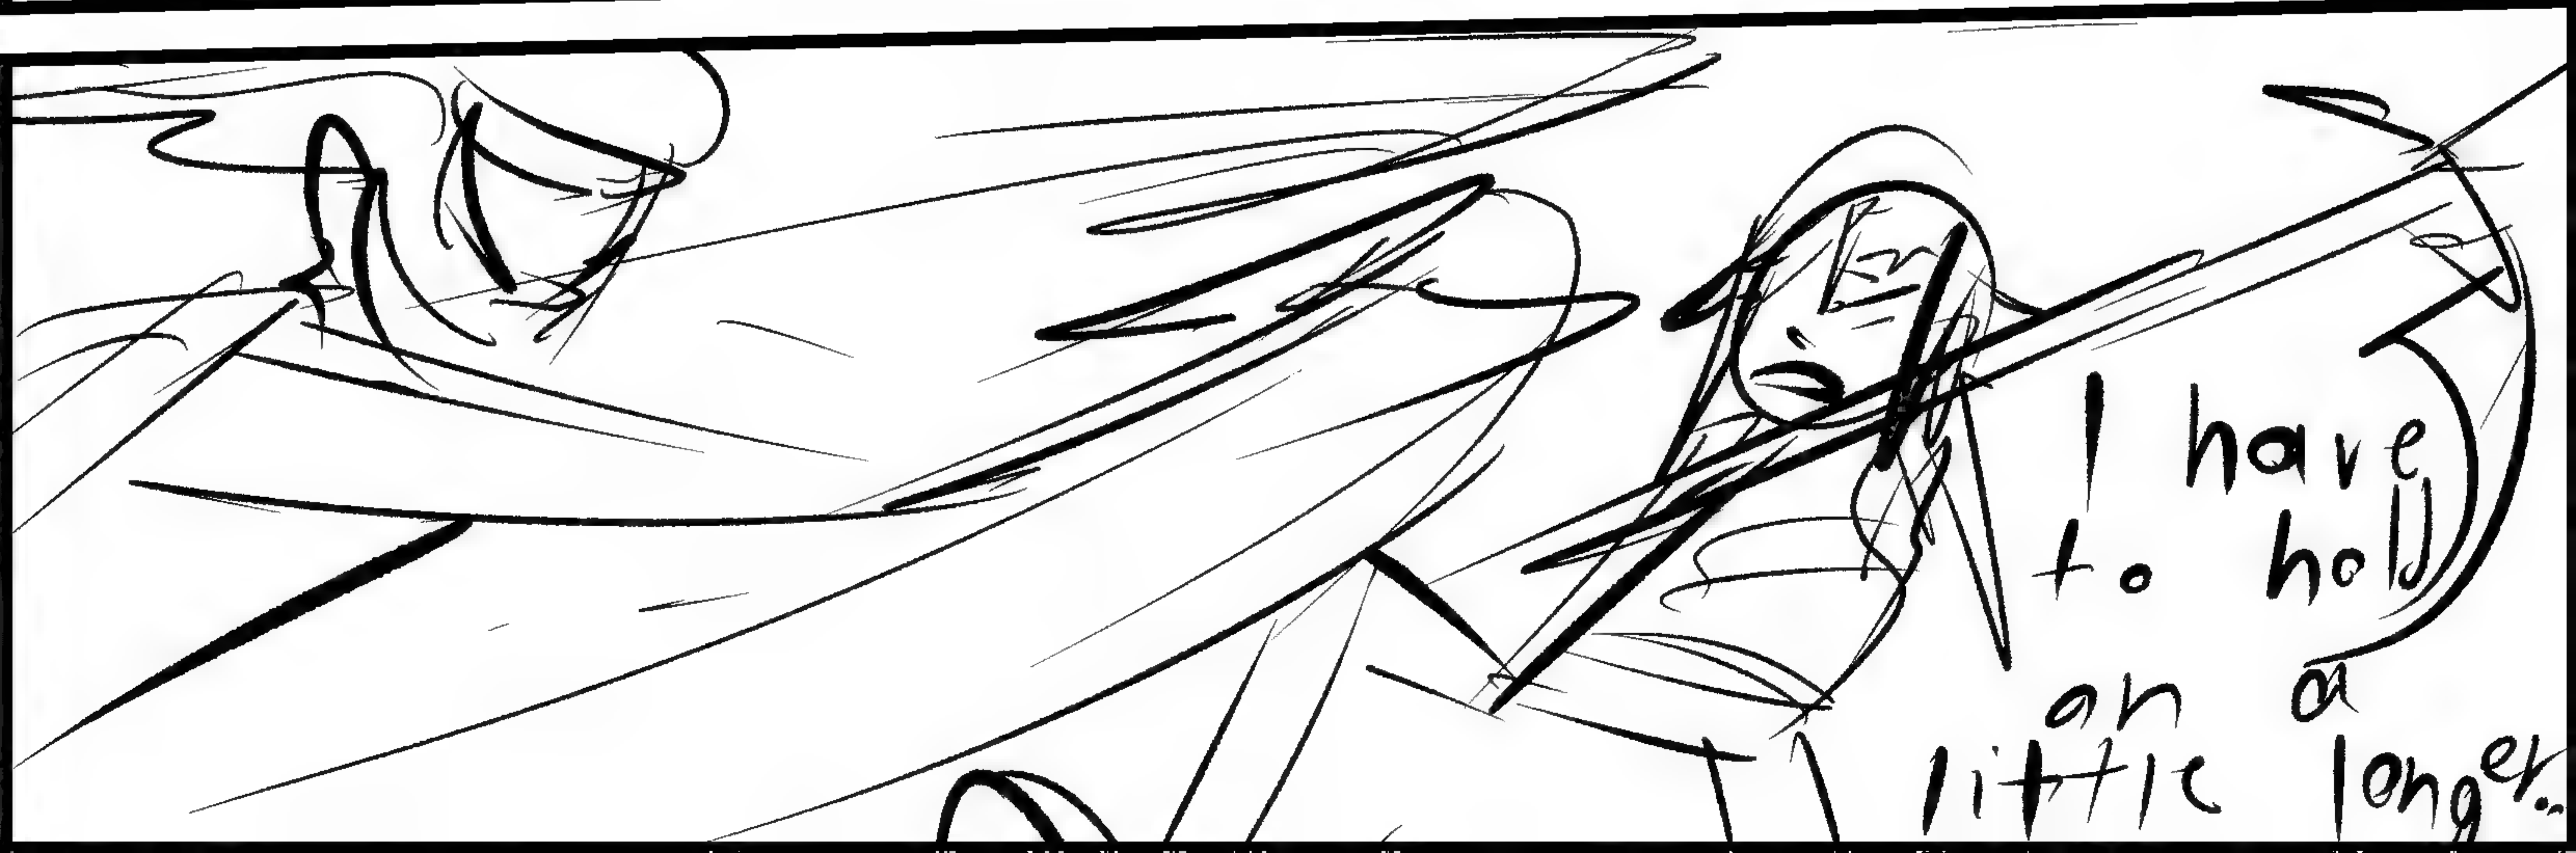

Oh, so you mean you got corrupted that much that an euthanization would be more humane?

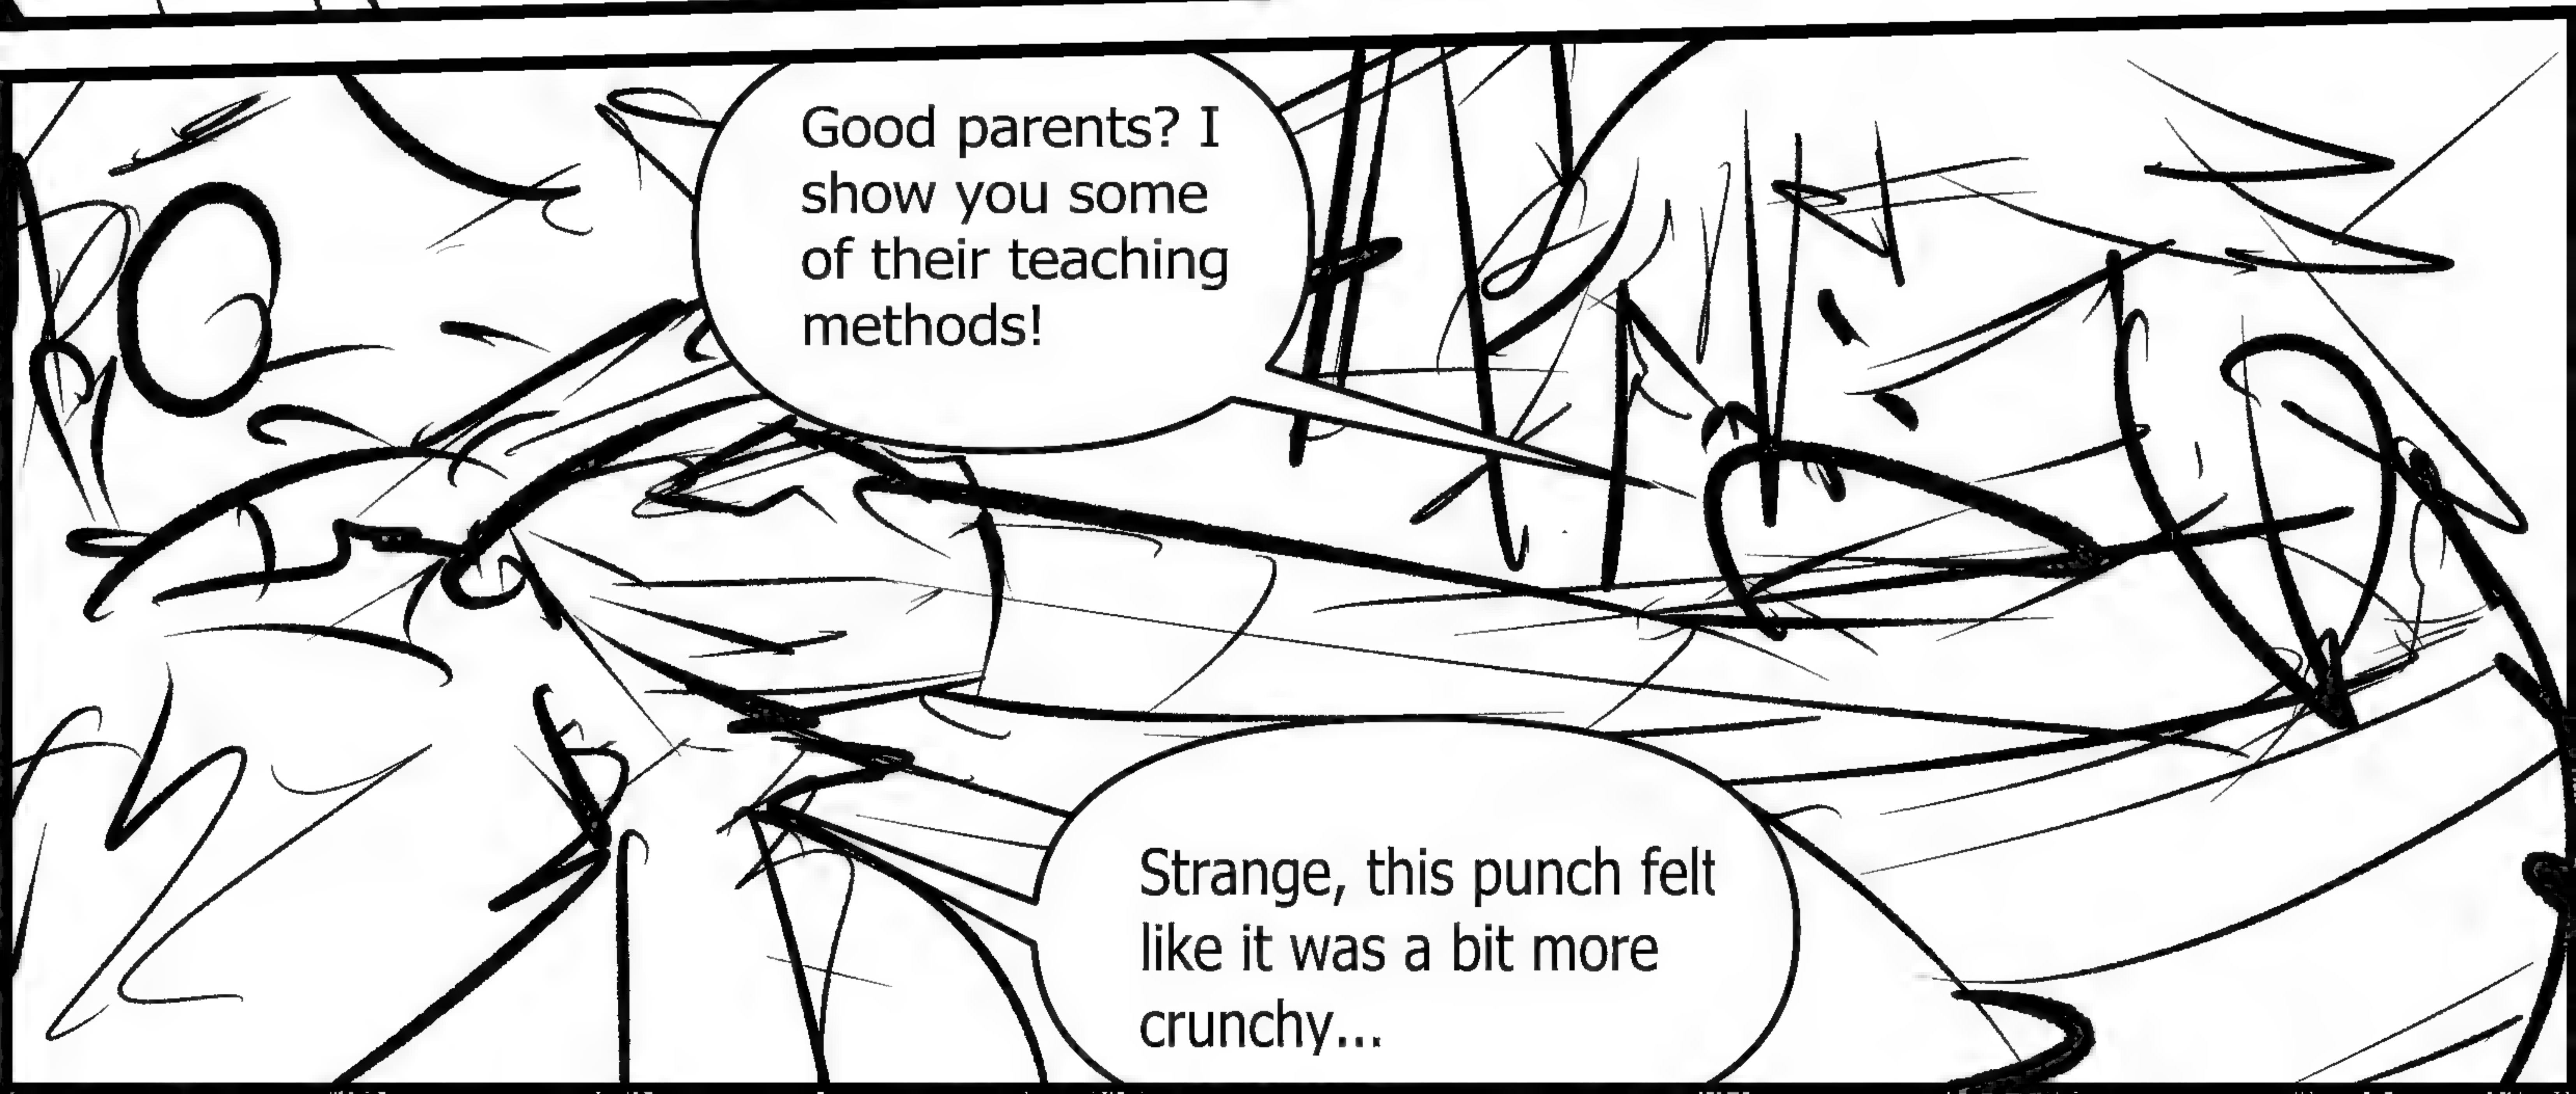

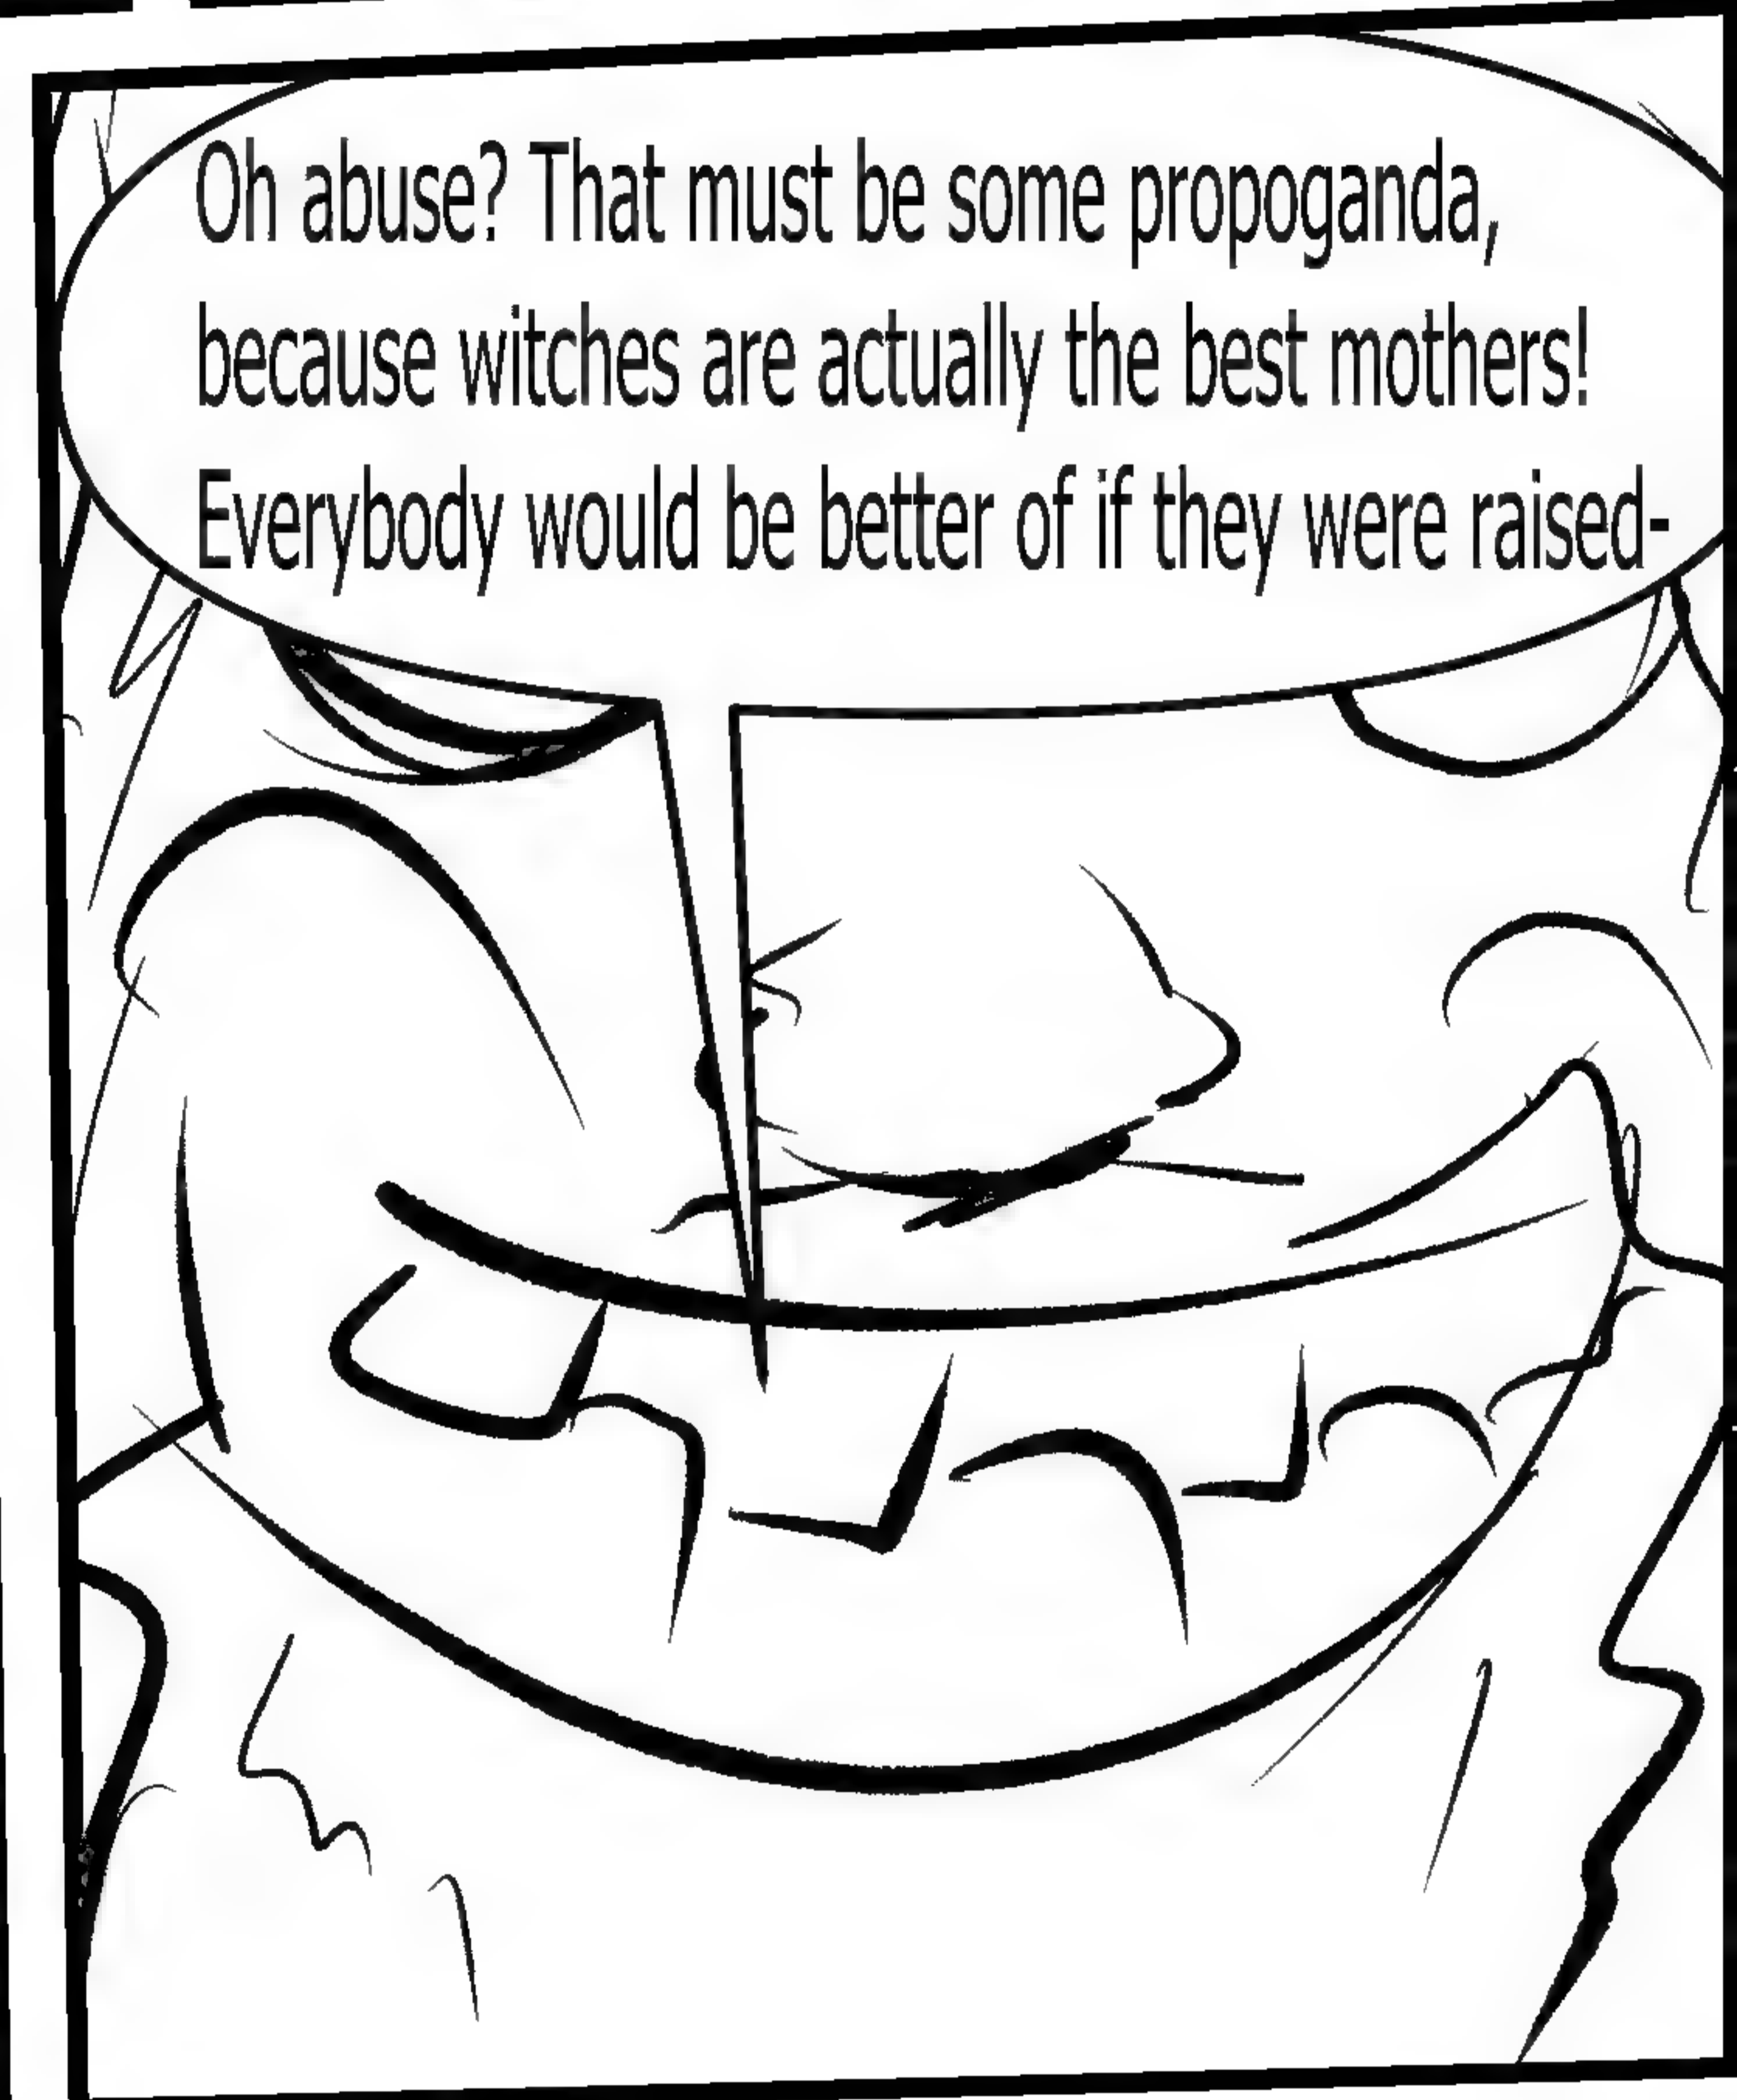

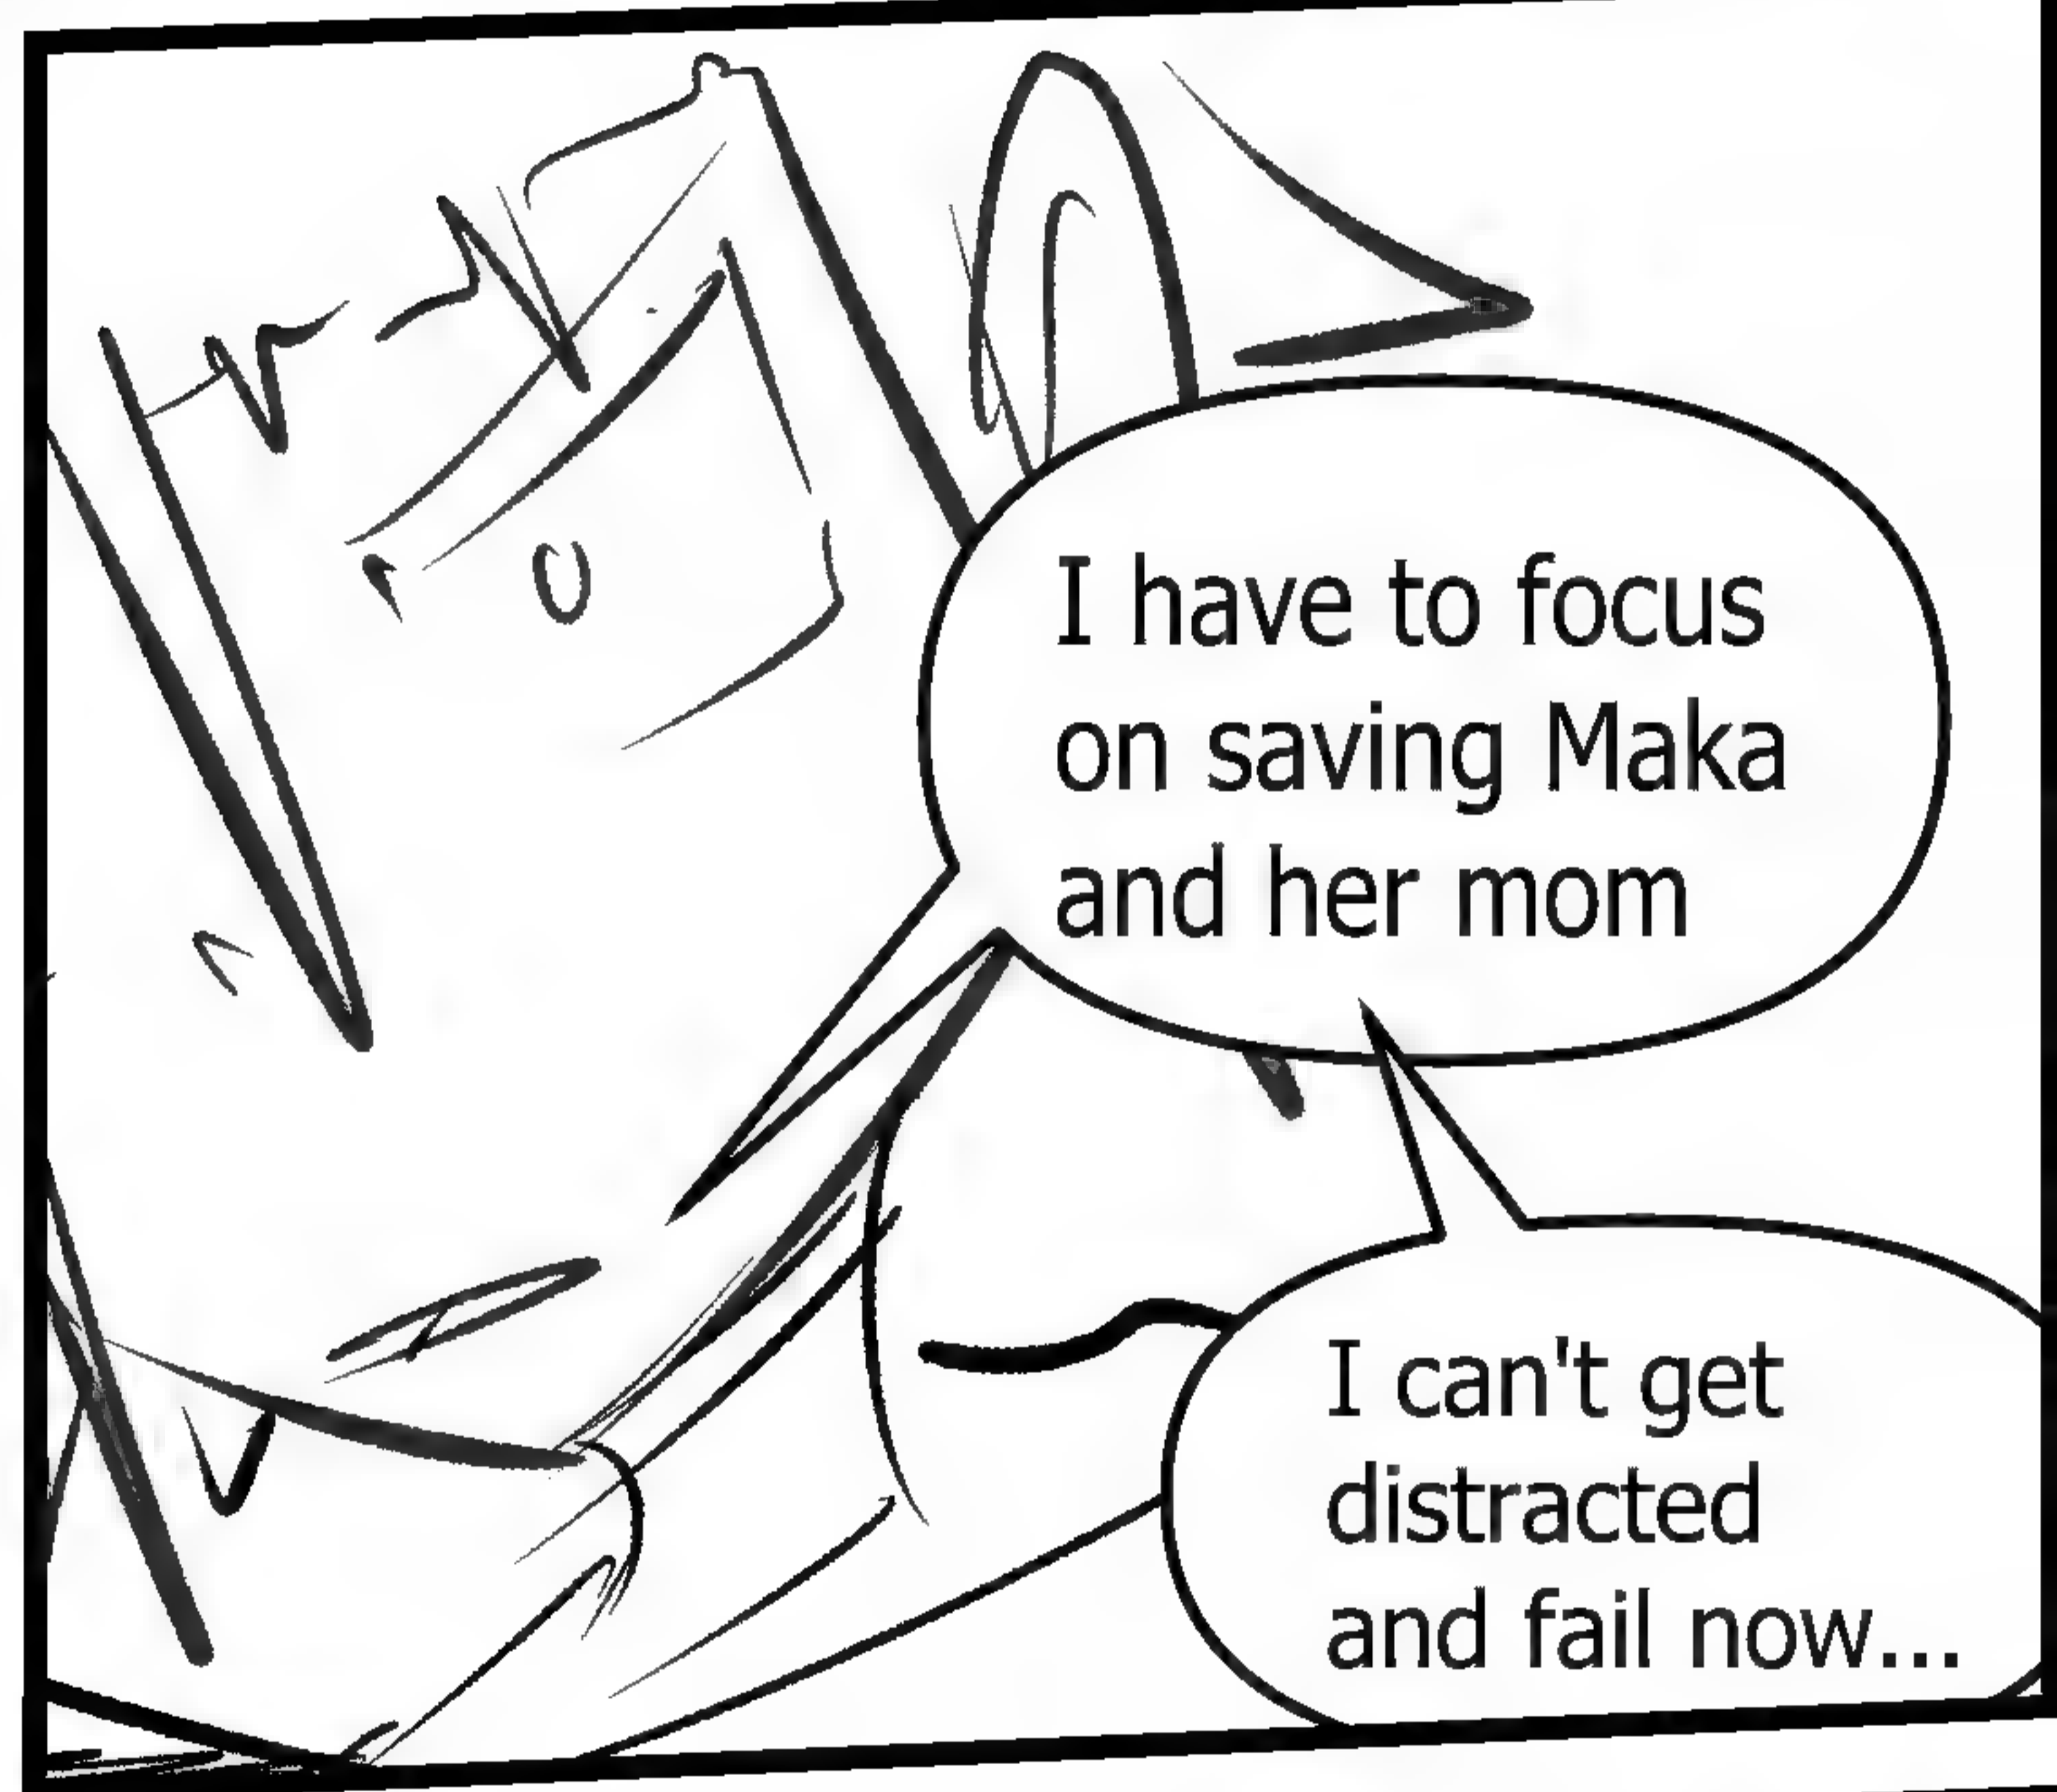

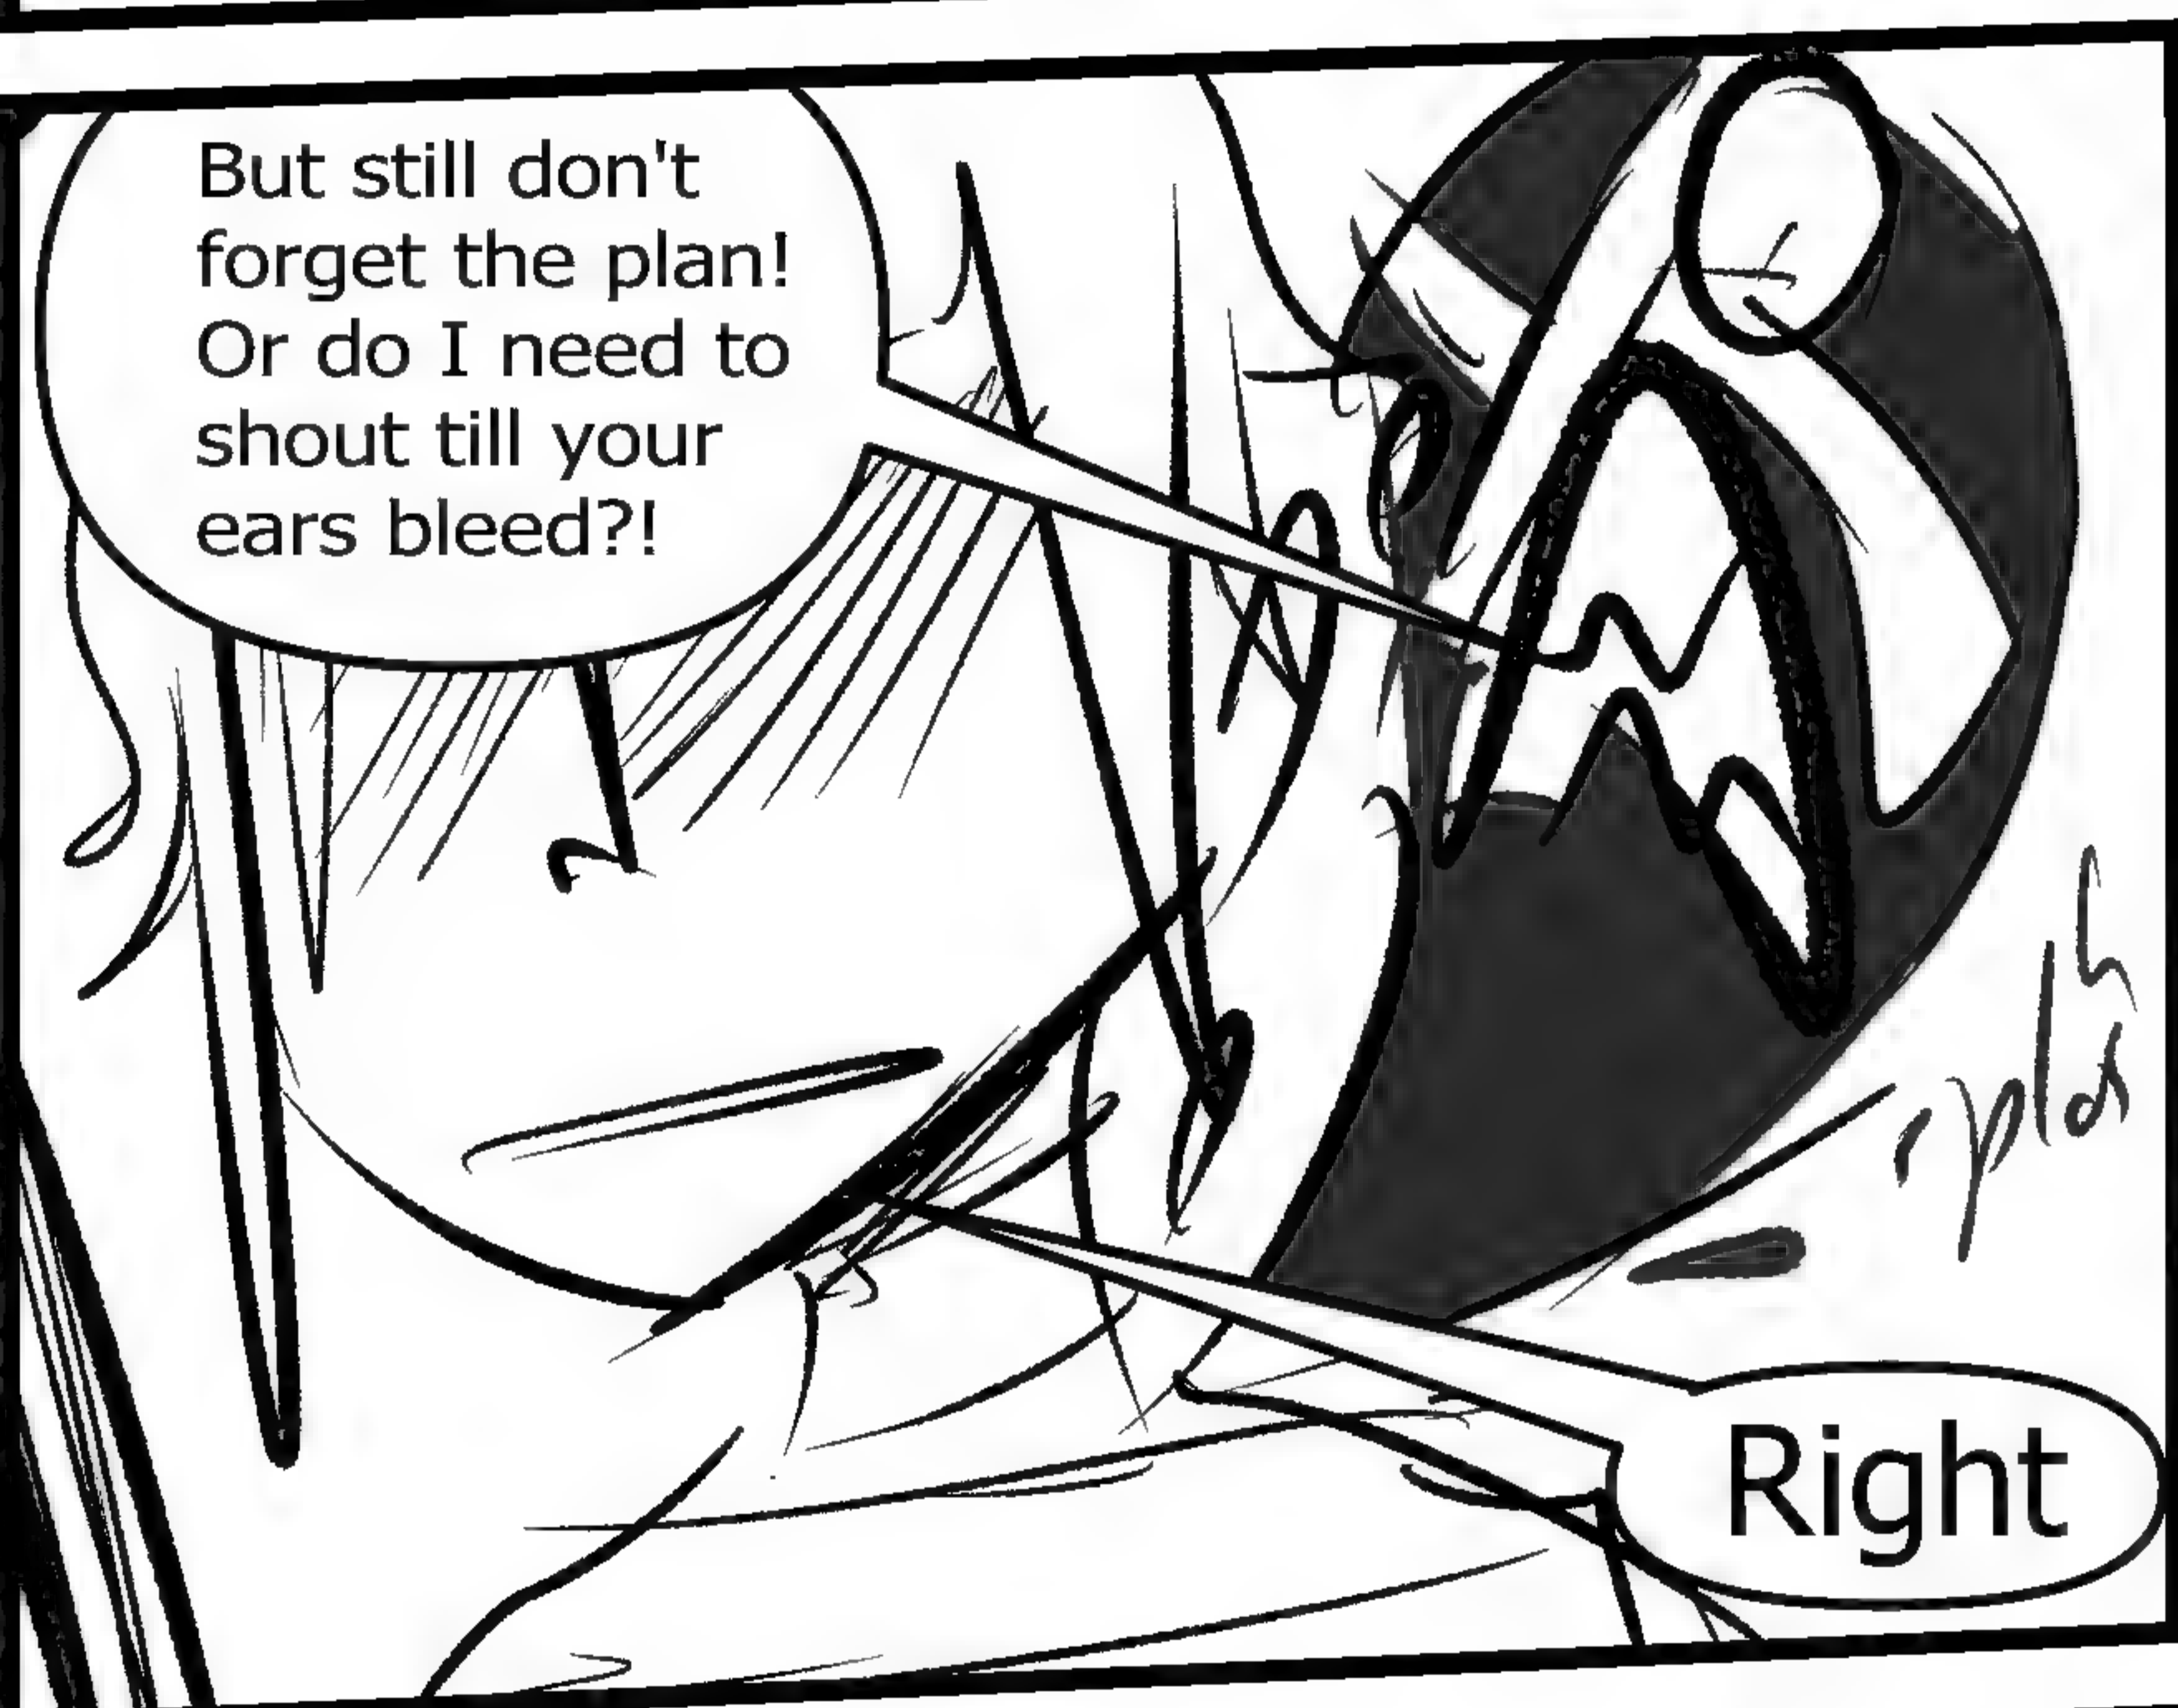

DUHx

No thanks

I have to hold on a little longer..

Violating the  
hippocratic oath?

Wh-what?! No!-

Ok, if one wants  
to be pedantic...

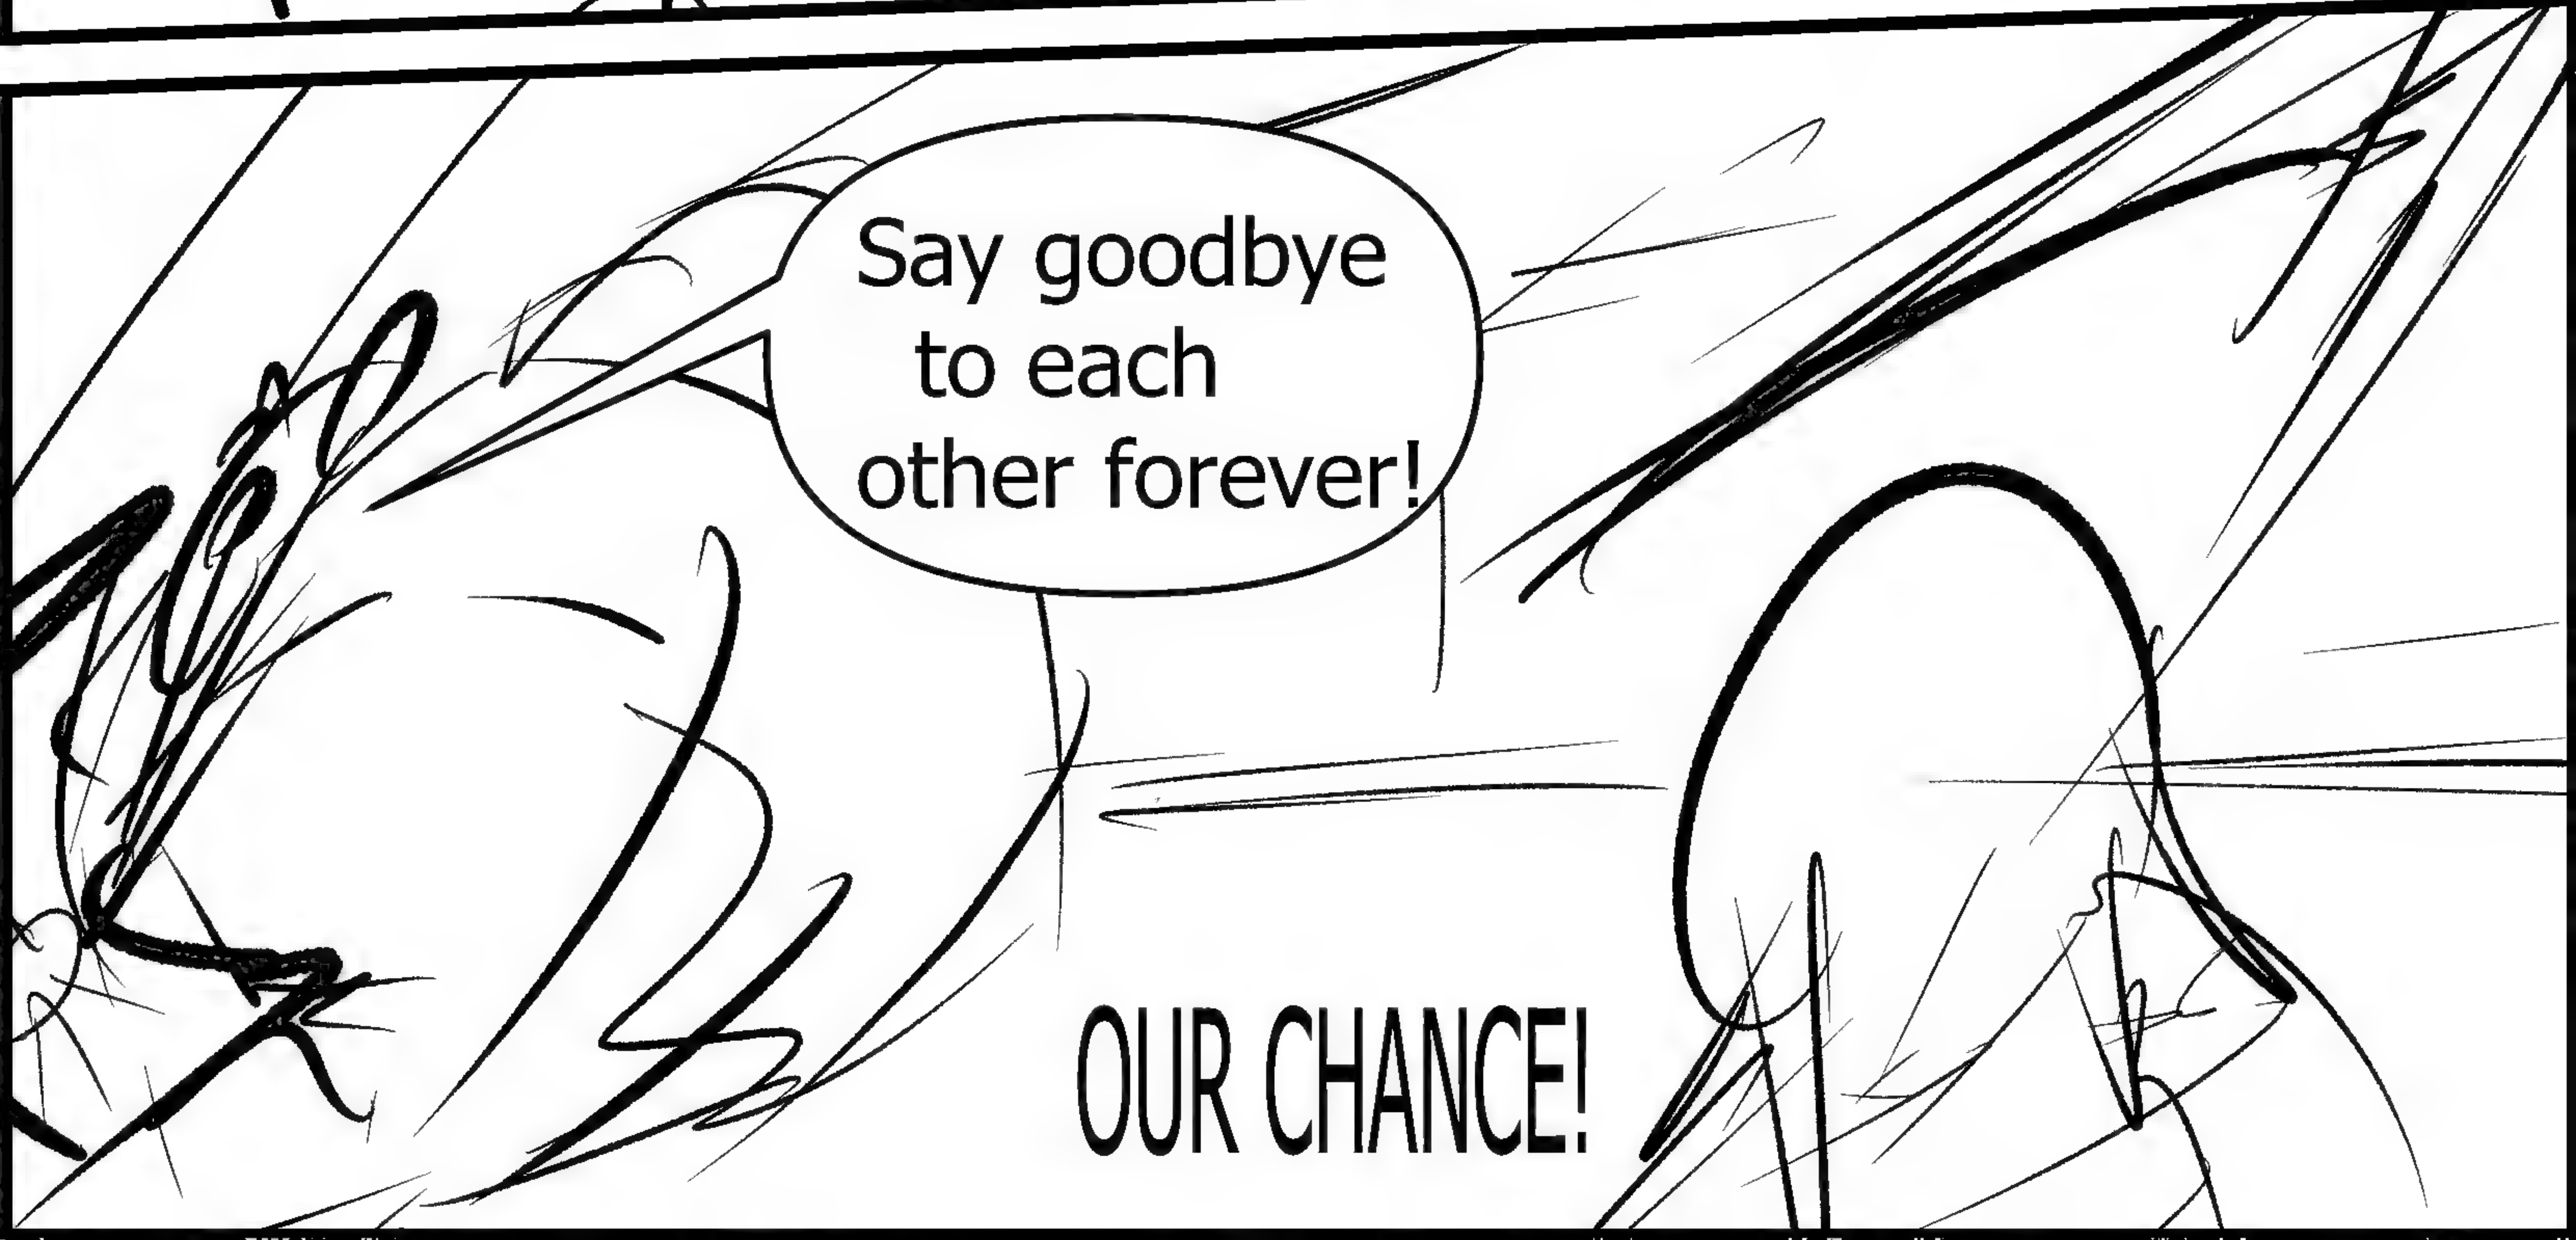

One could consider it  
a misuse of a medical  
tehnique...

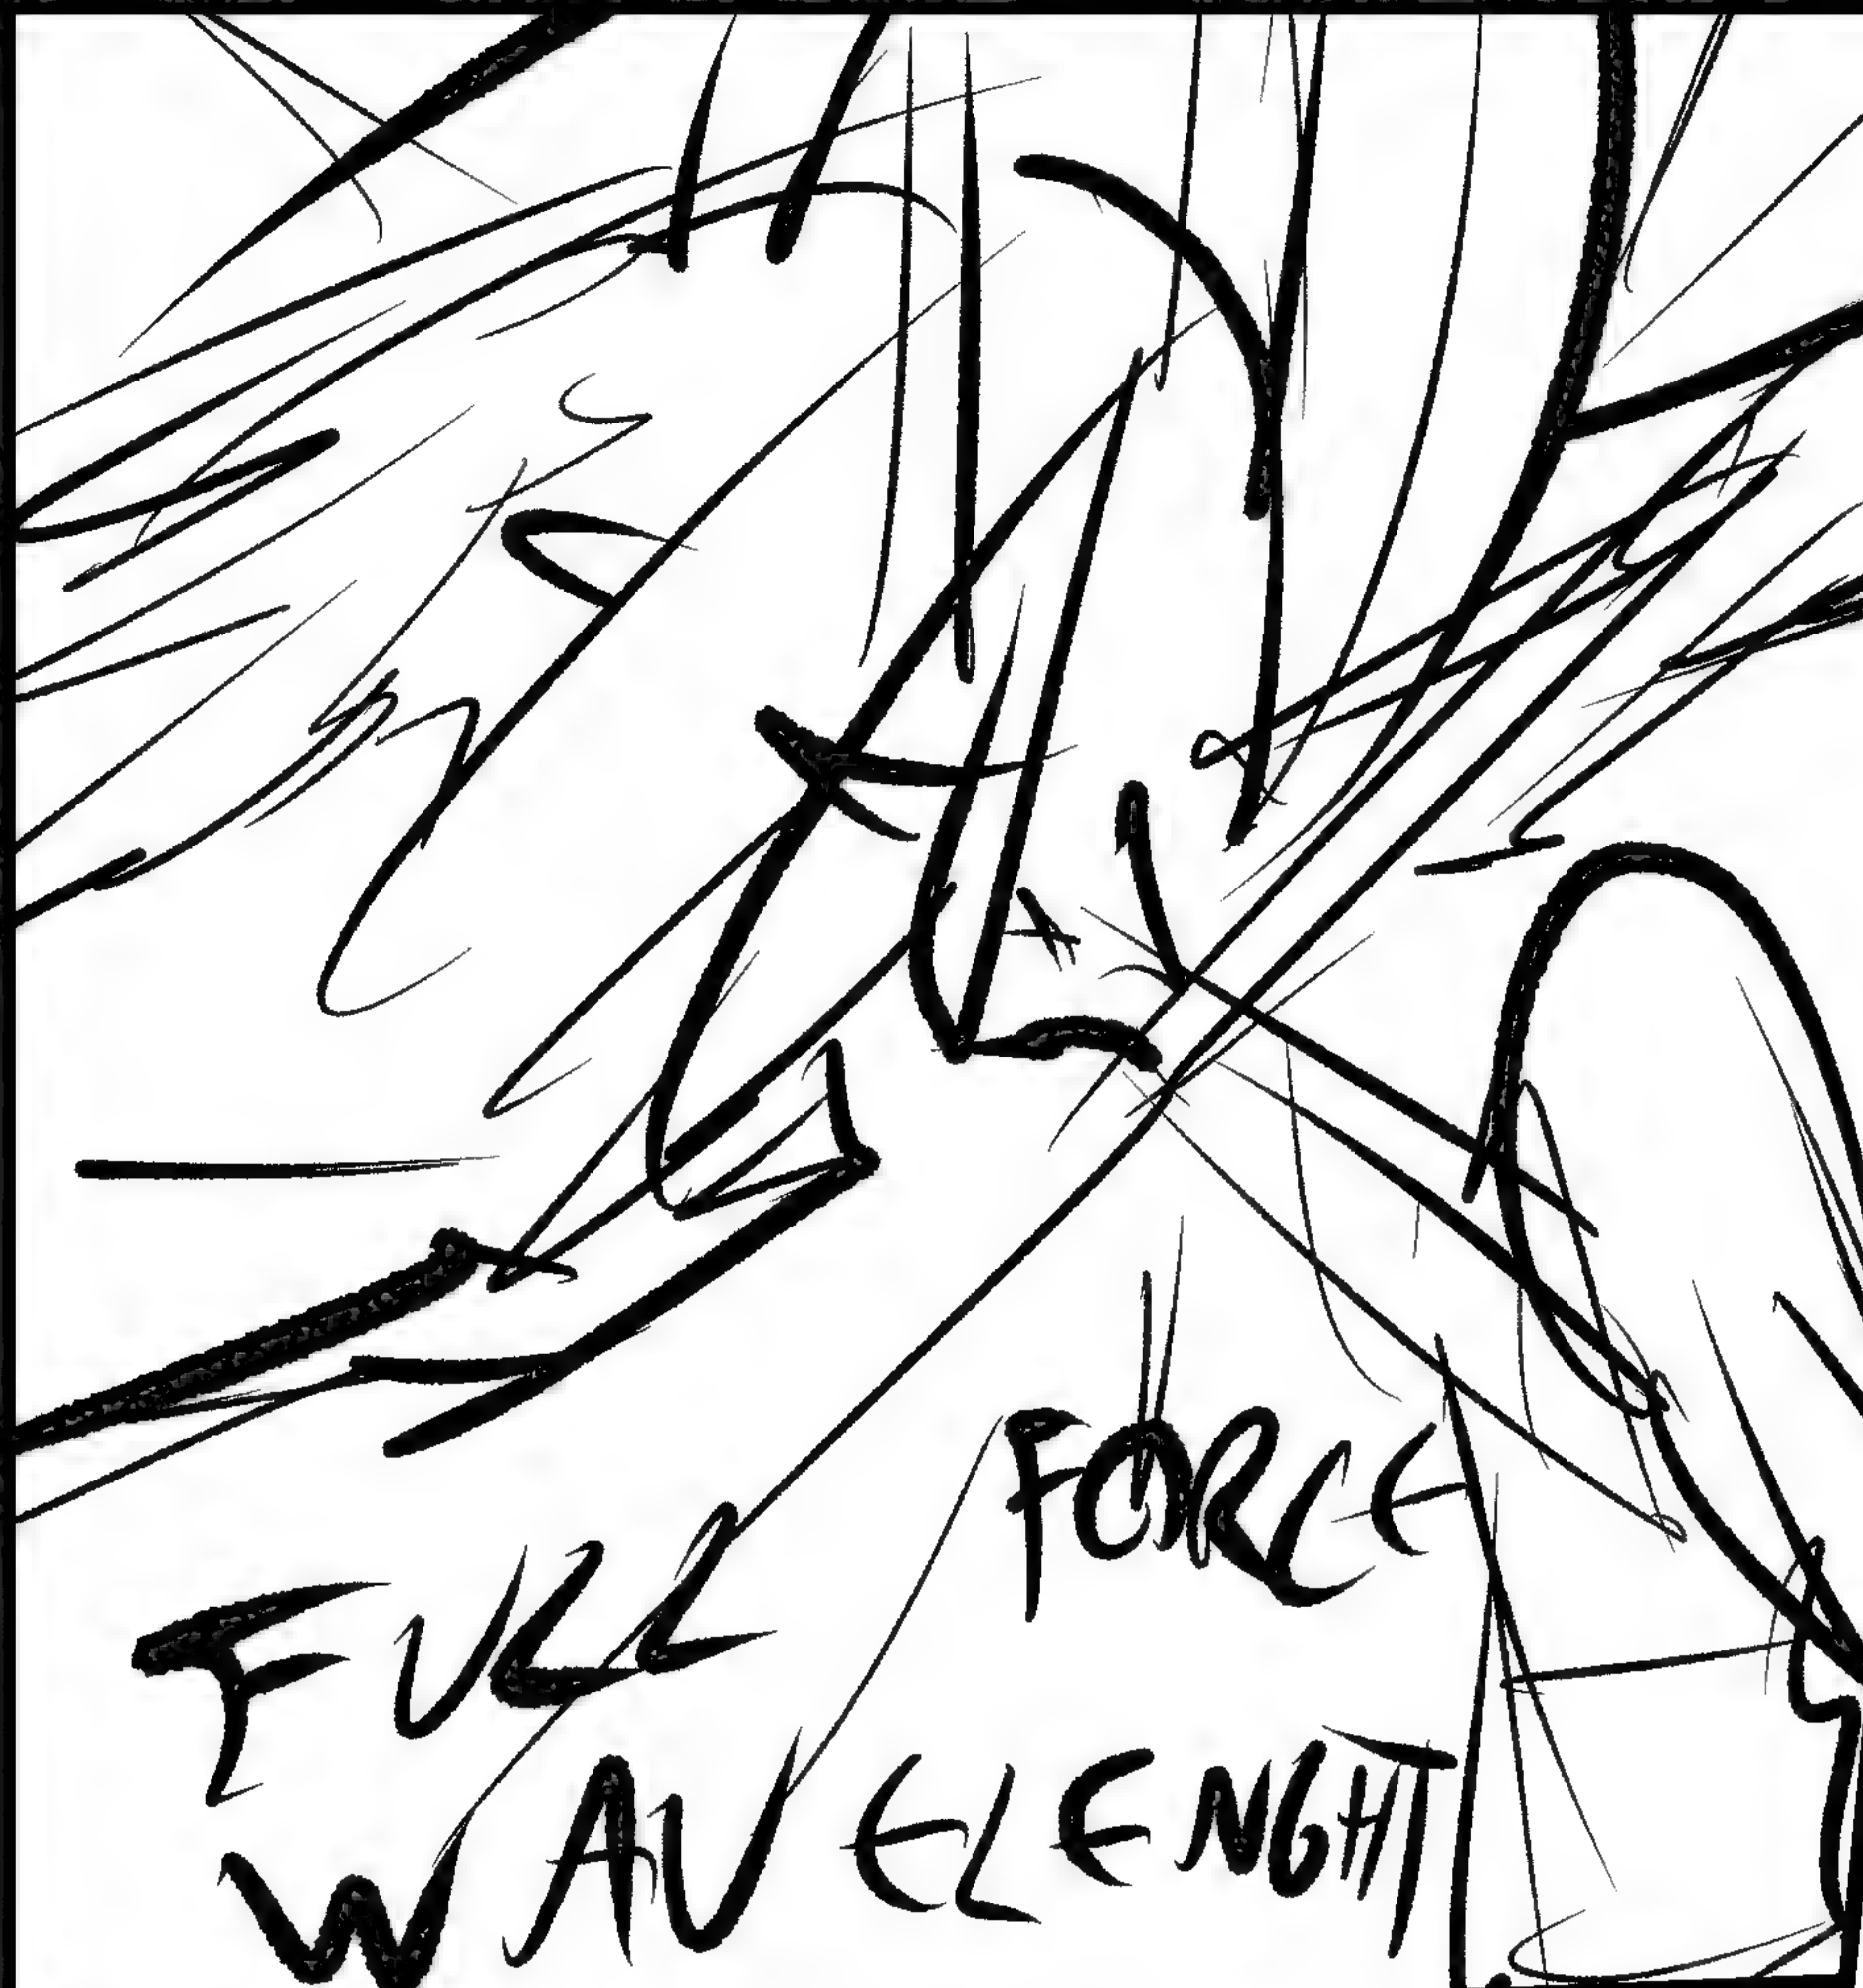

Heh, oh I get  
what you mean  
now, hope that  
guy is as dumb  
as his smile and  
this might work...

No more talking,  
visitation time  
is over!

Say goodbye  
to each  
other forever!

OUR CHANCE!

FULL  
WAVELENGTH  
FORCE

Going under the  
axe for such a  
weak shock?

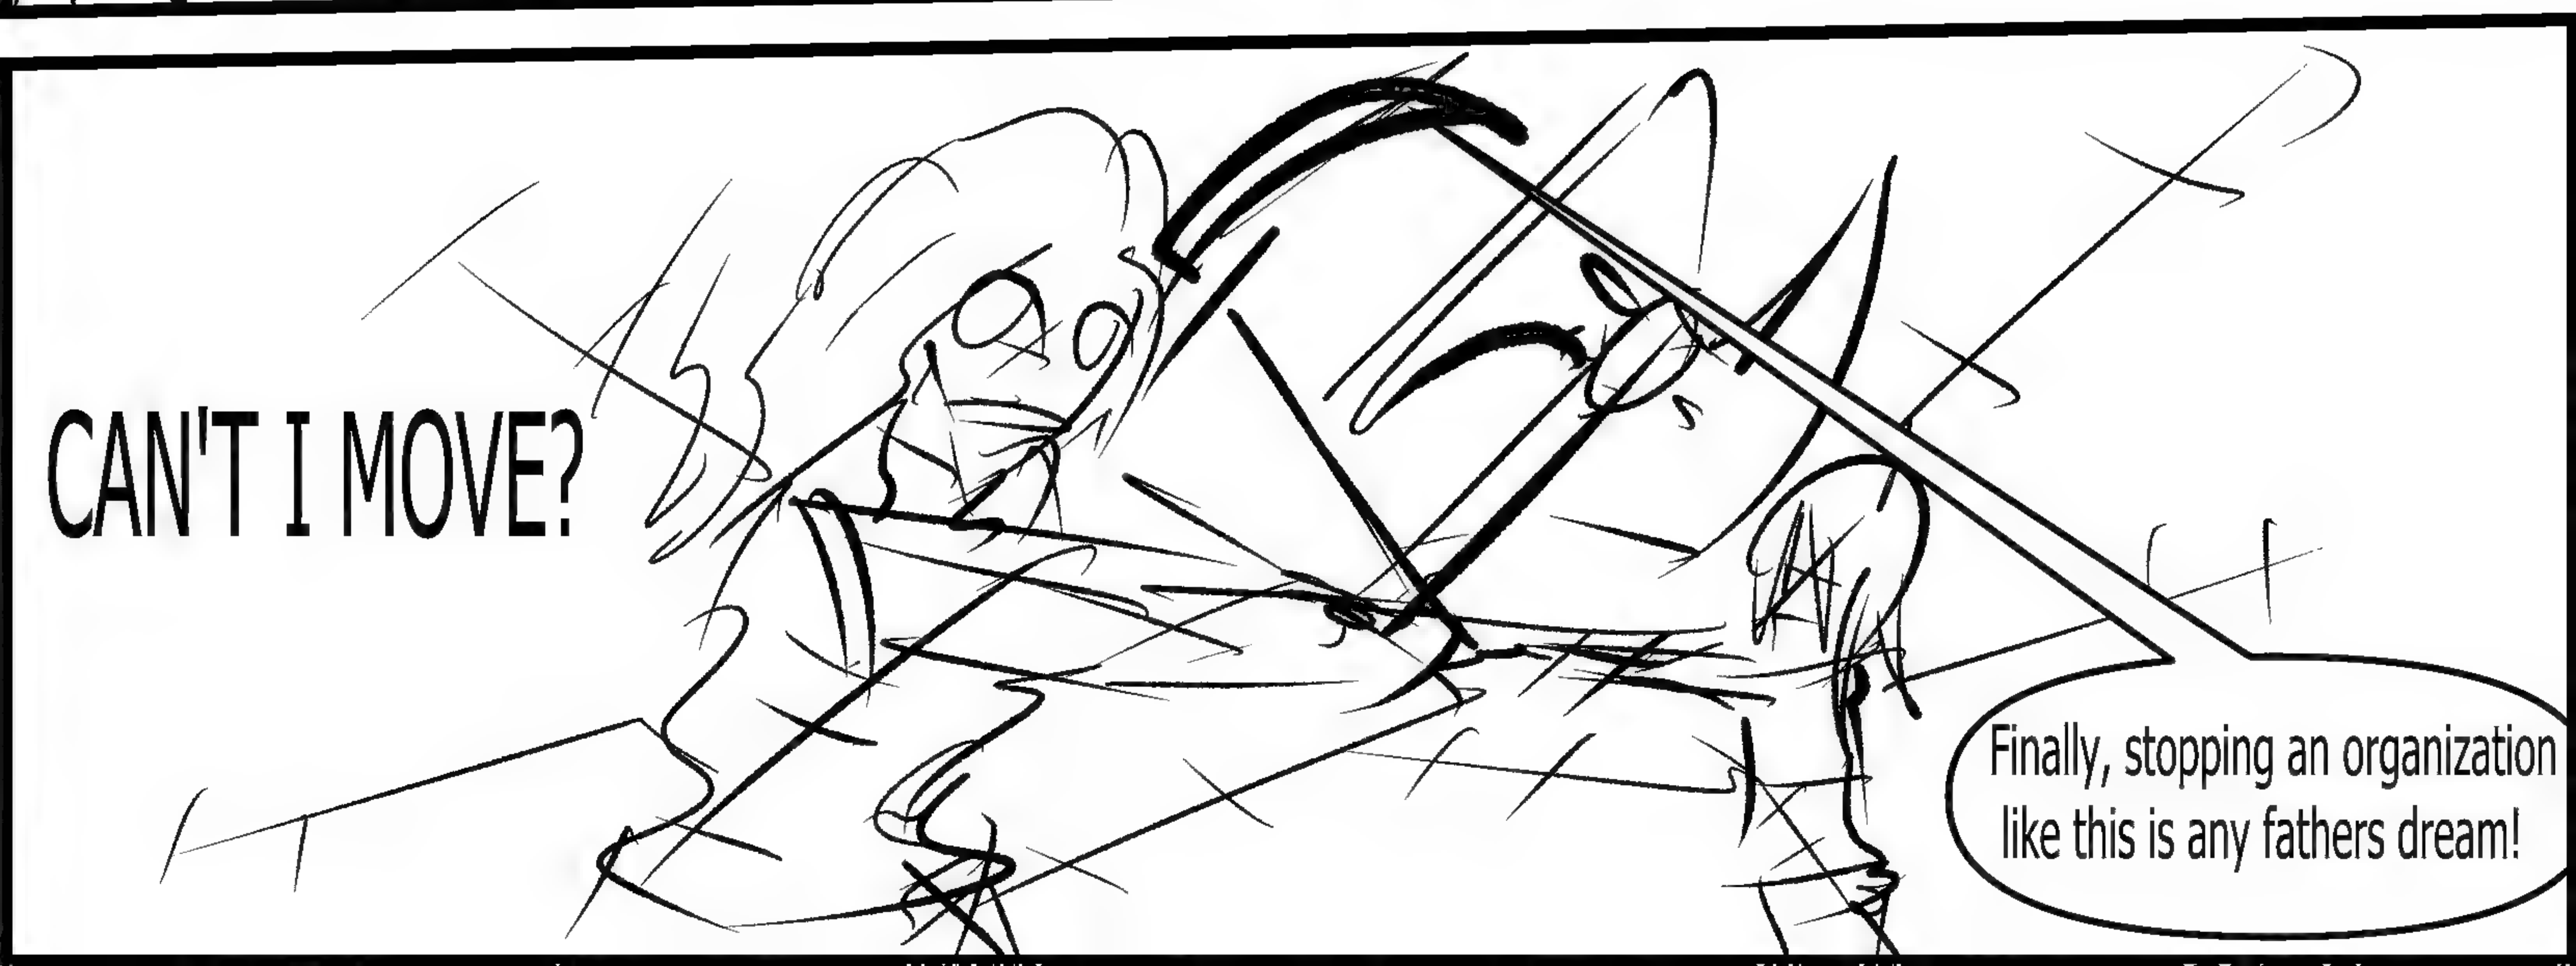

Your "parents"  
didn't teach  
you self  
preservation,  
huh?

Huh?-

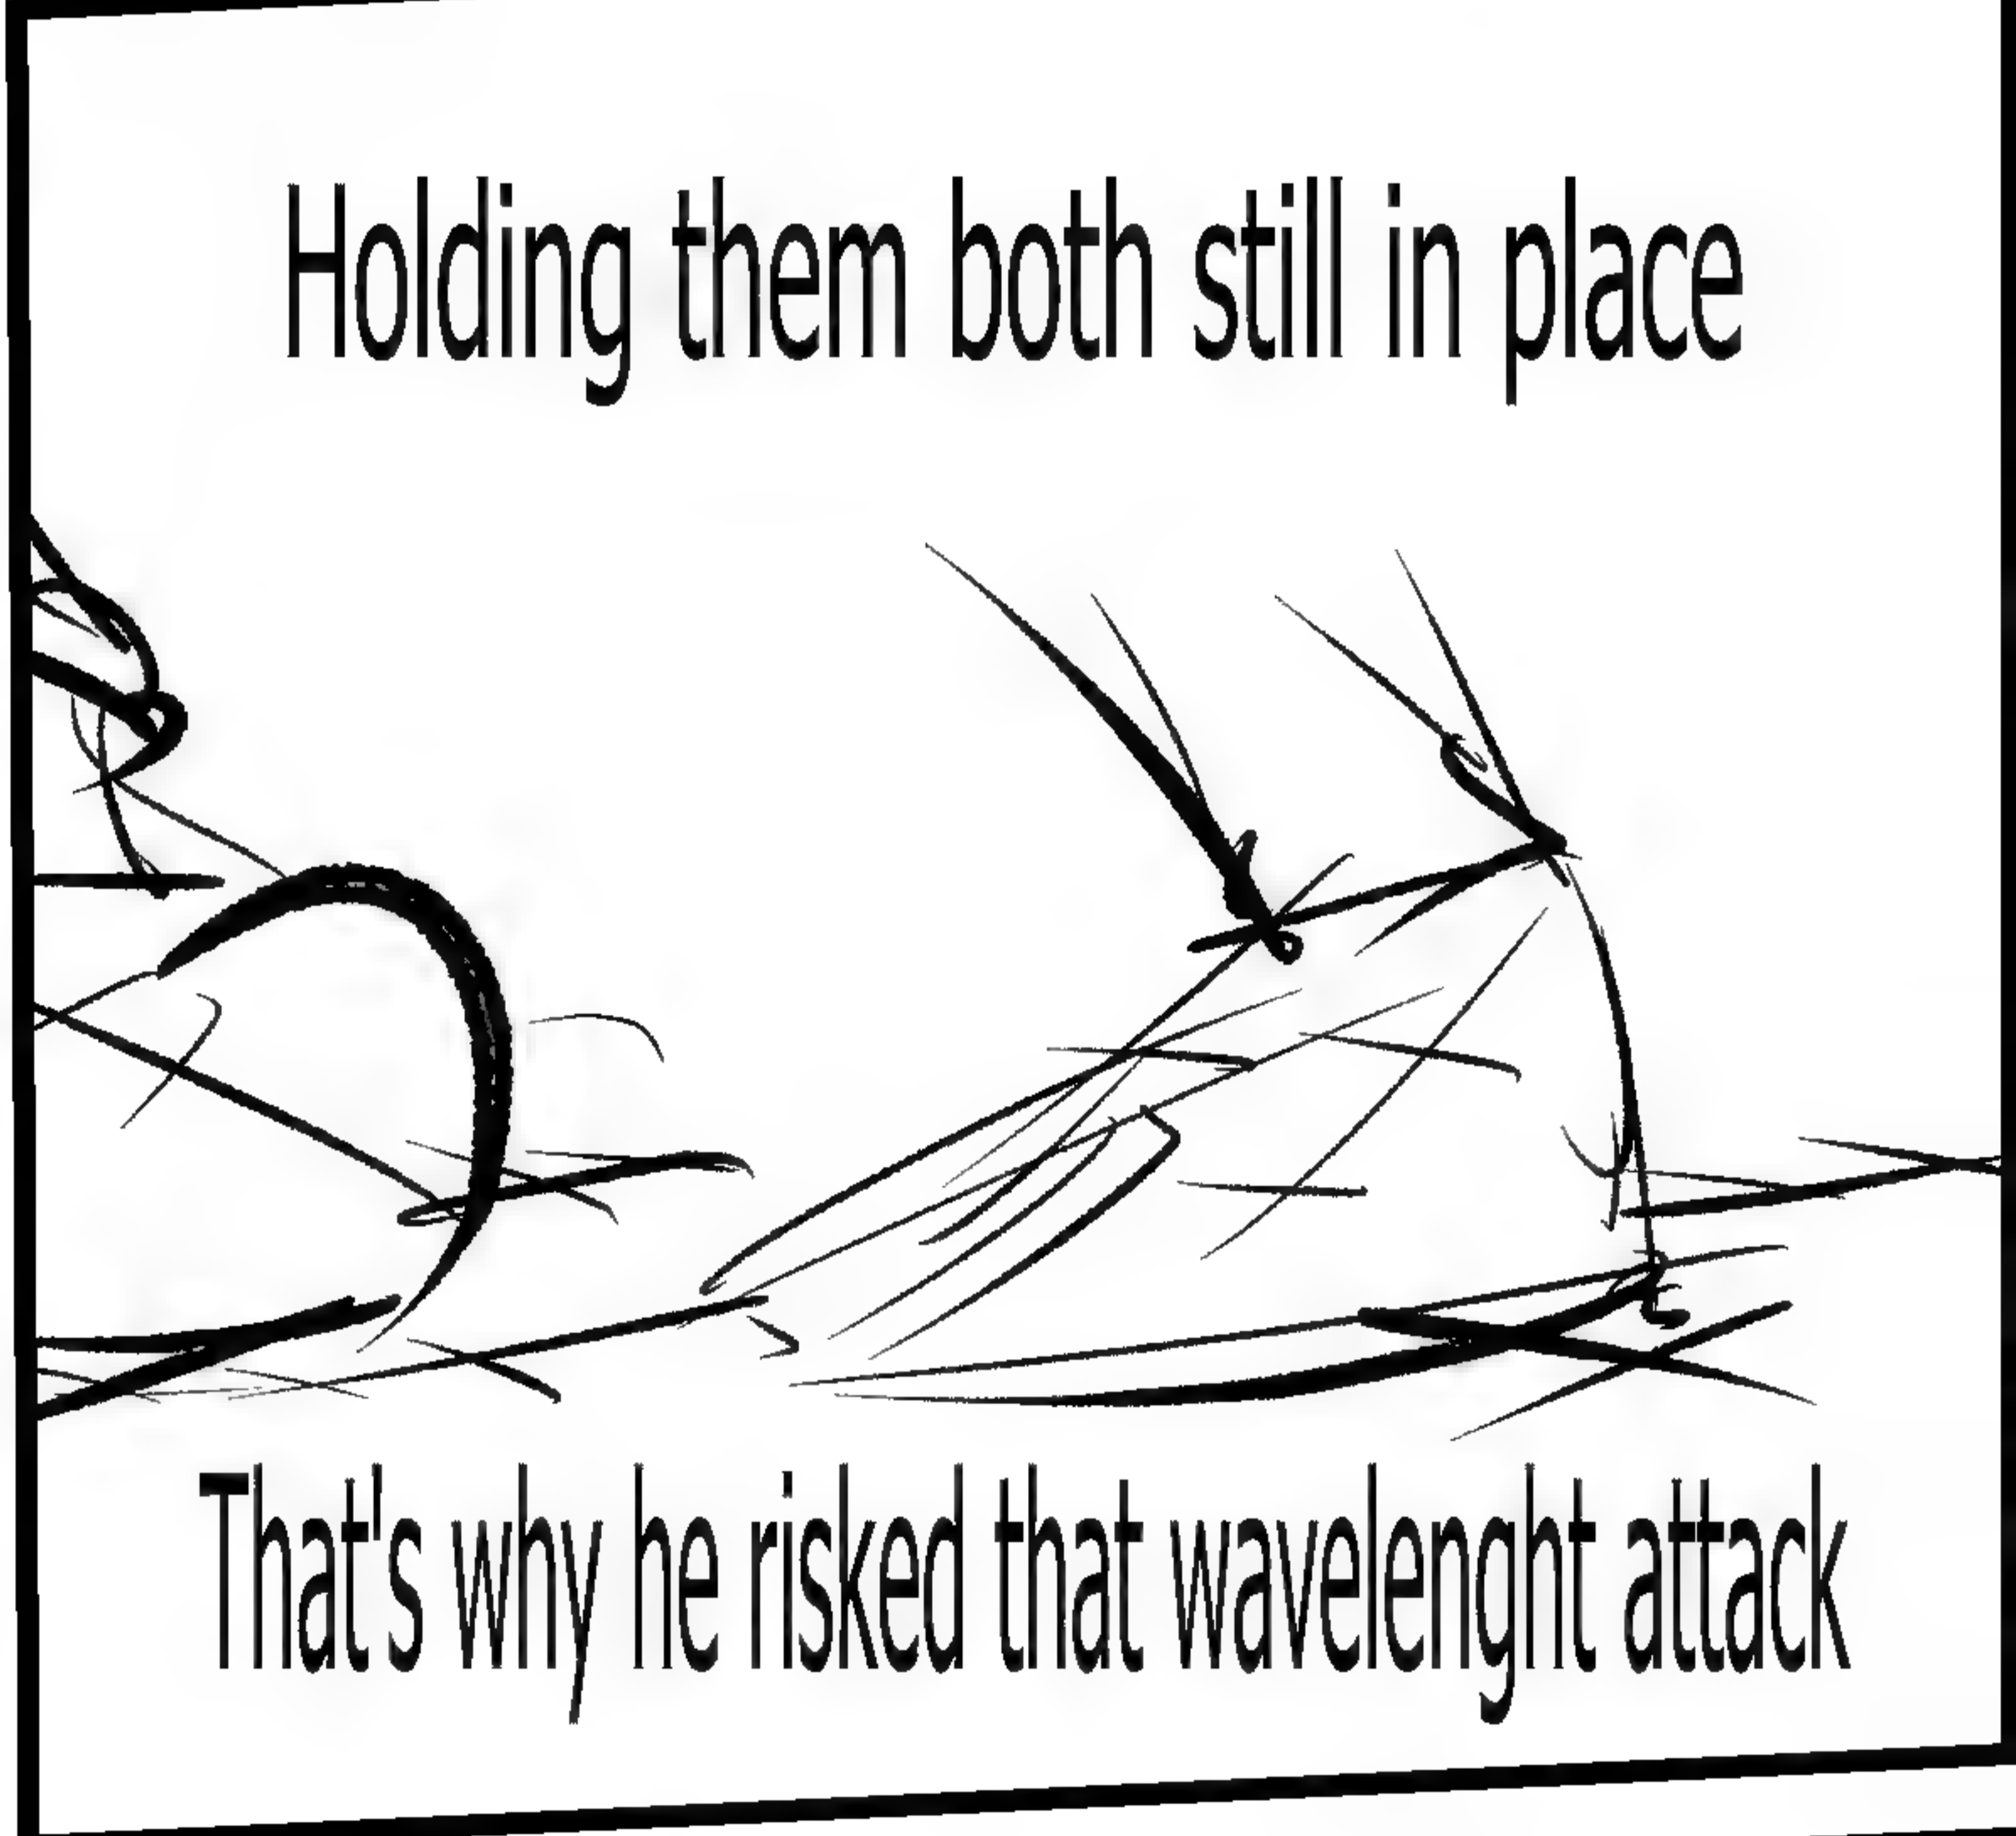

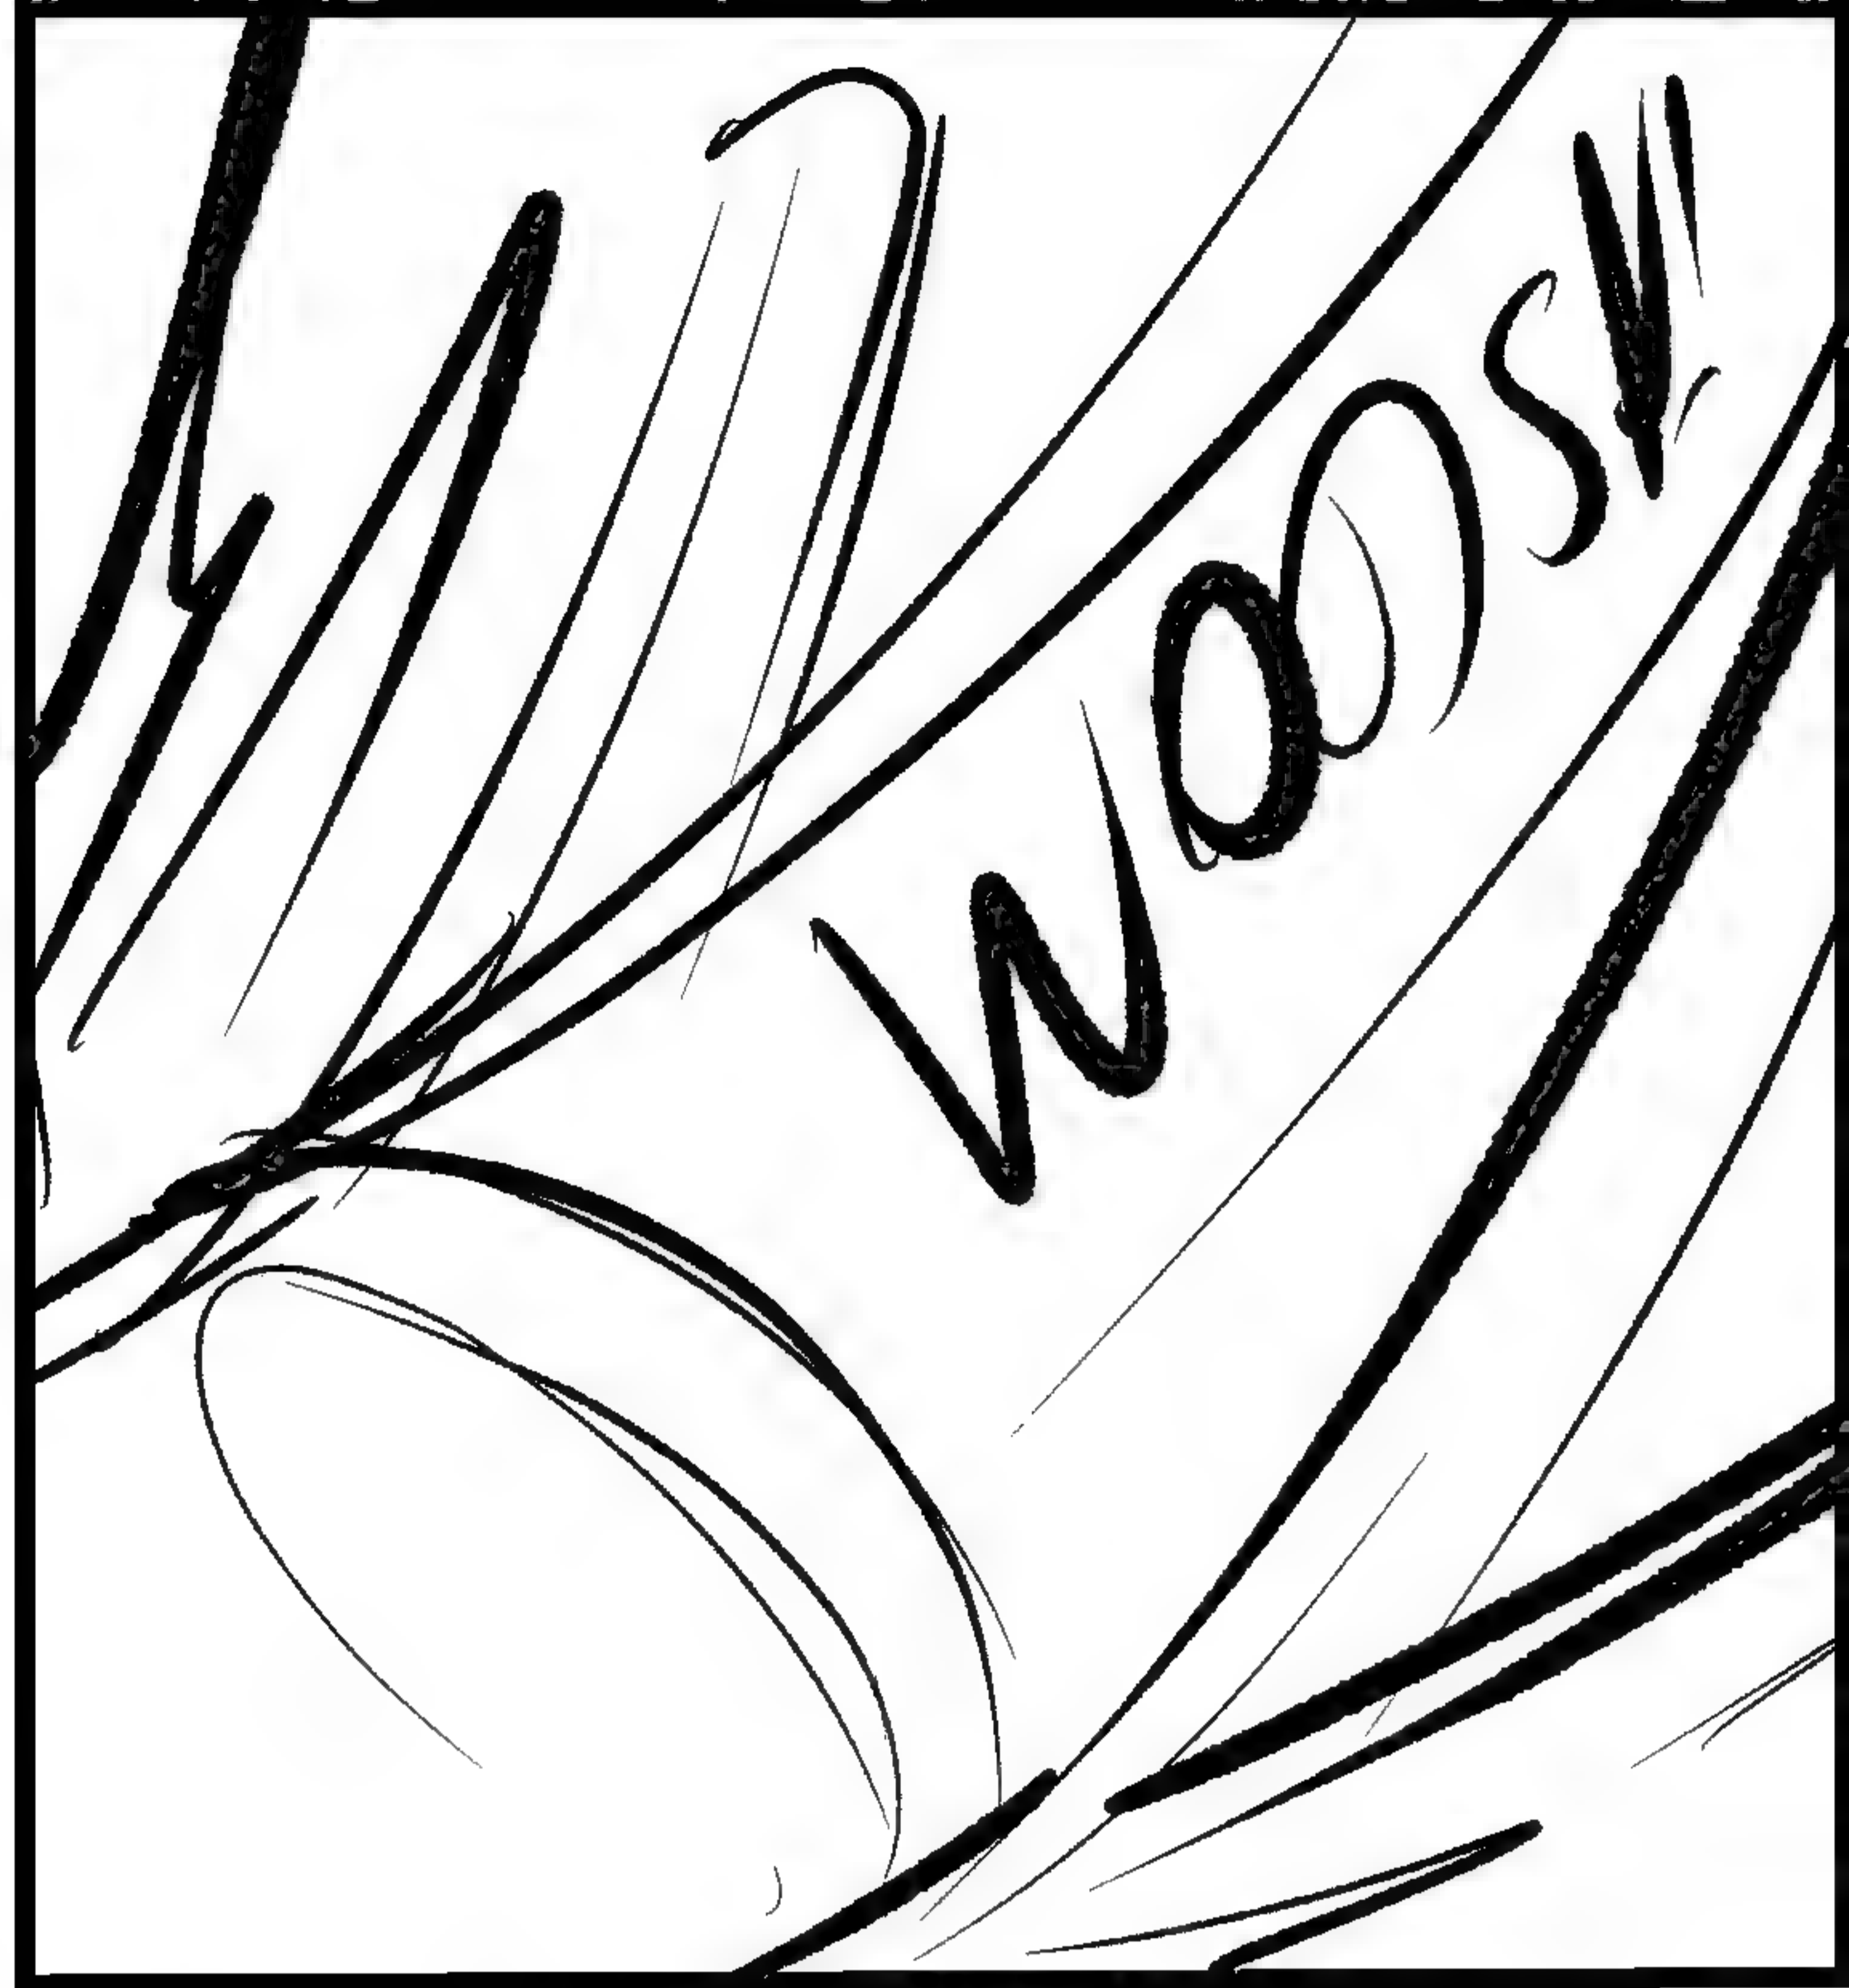

STRANGE WHY...

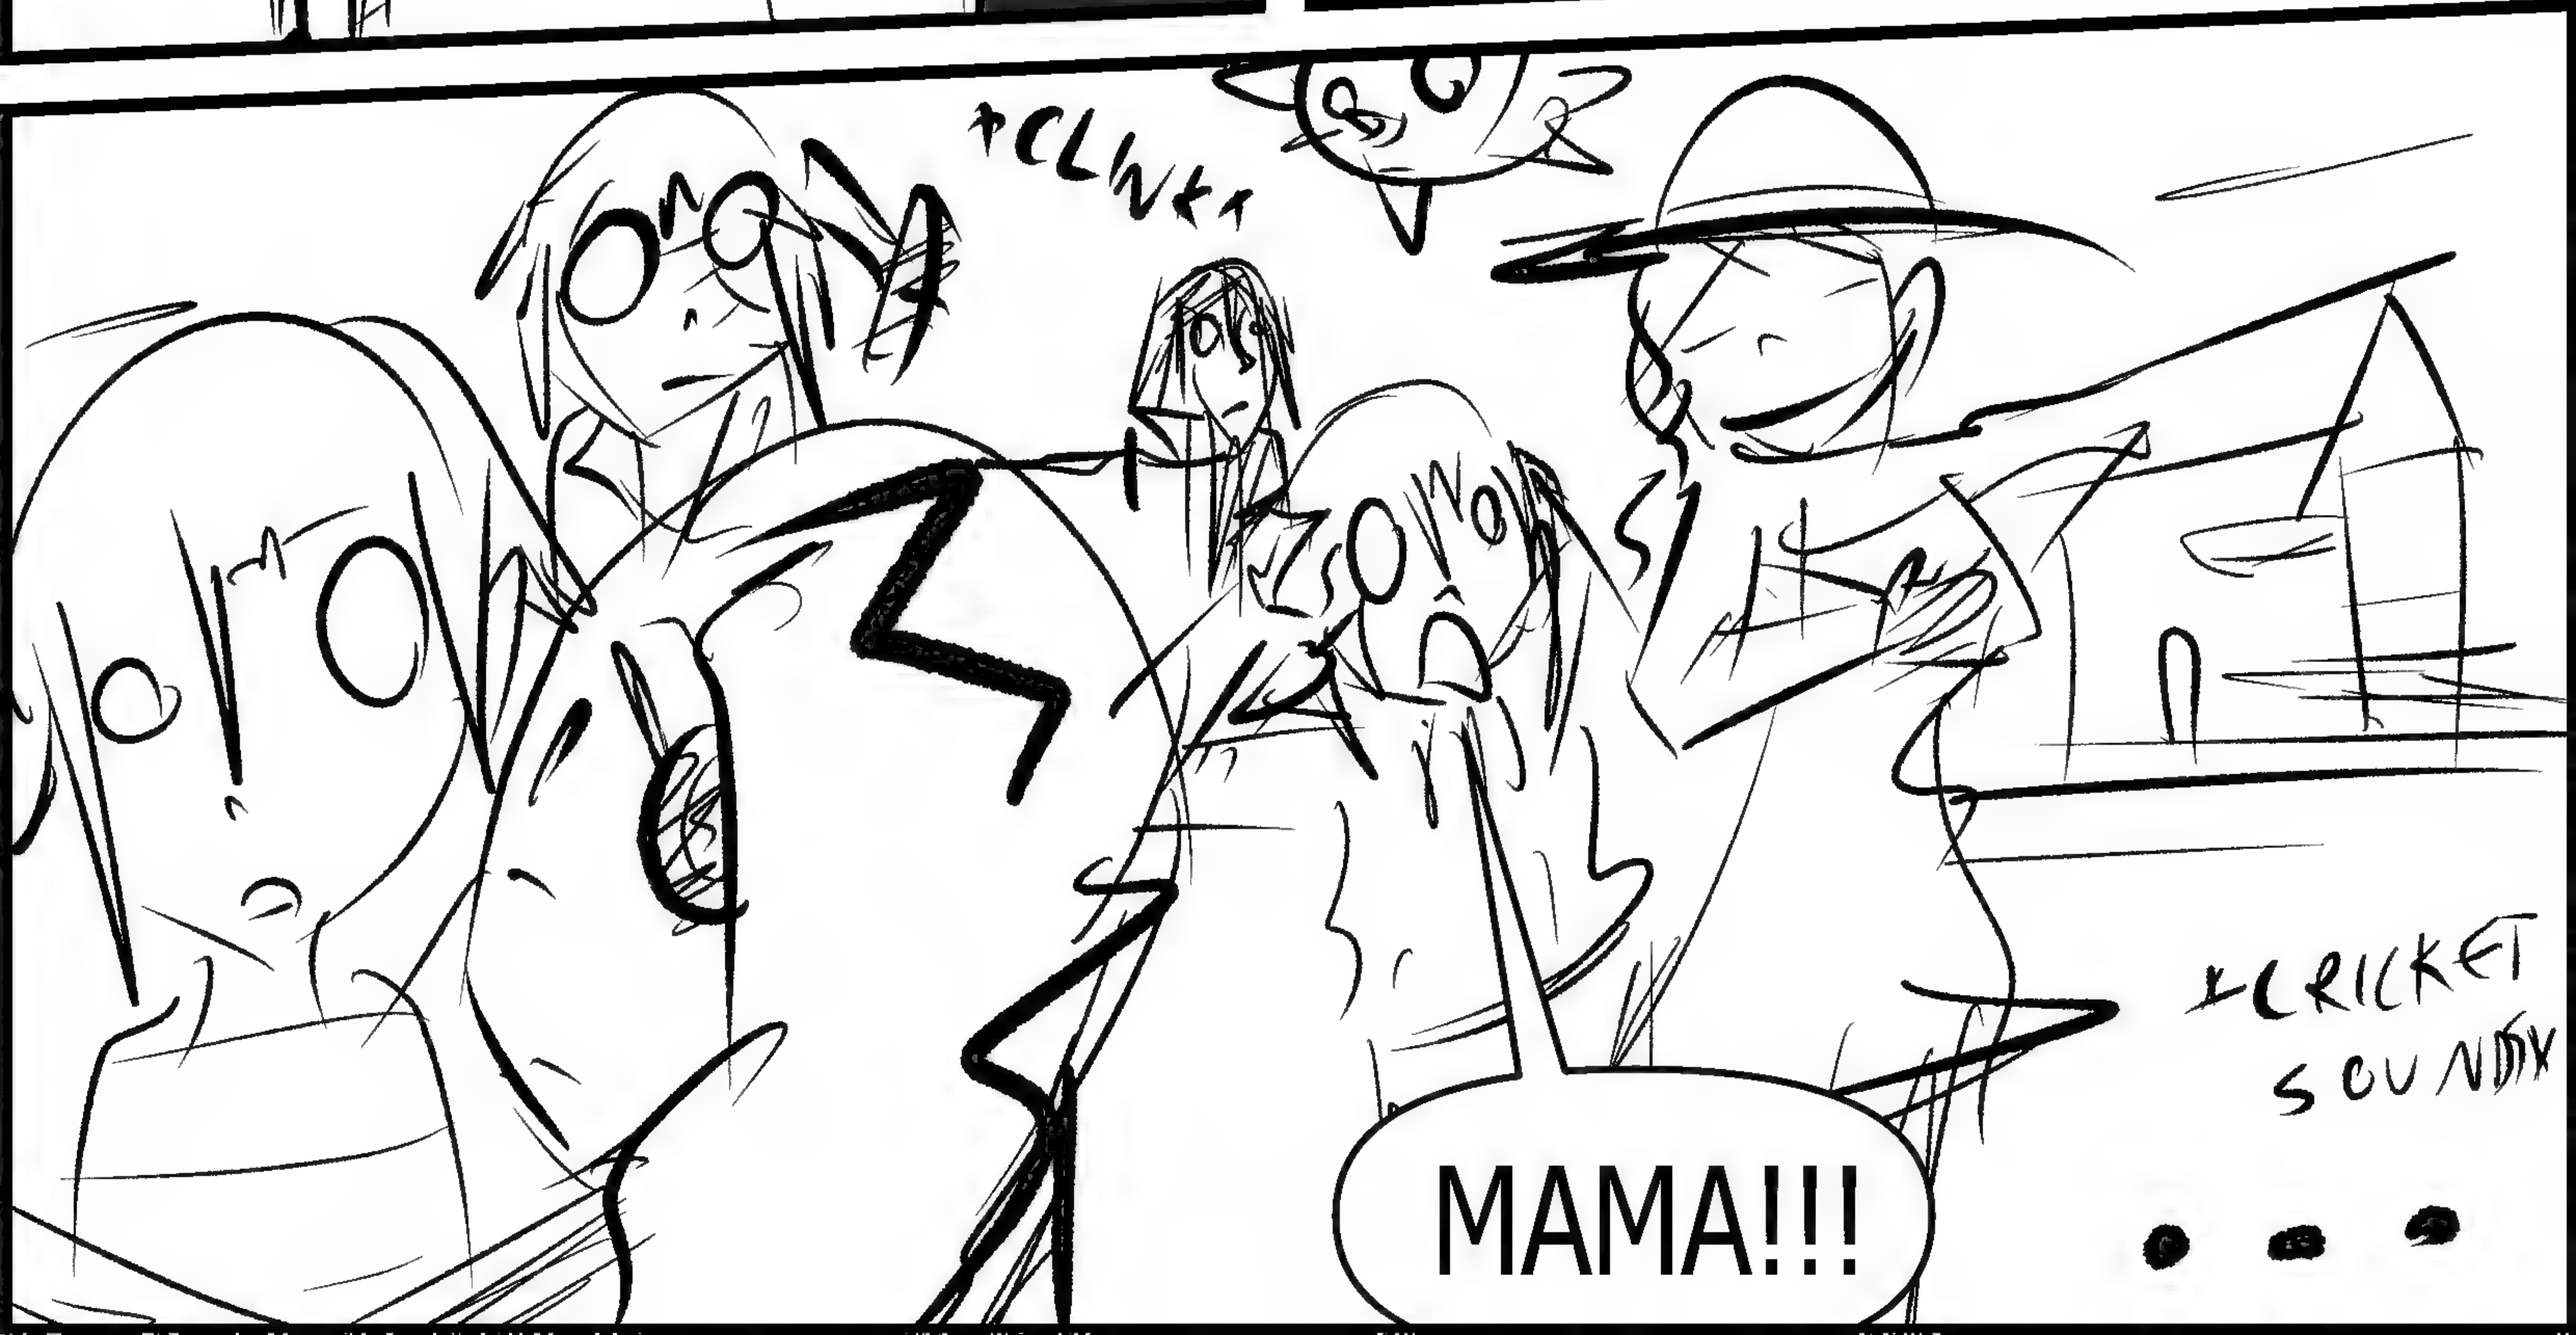

CAN'T I MOVE?

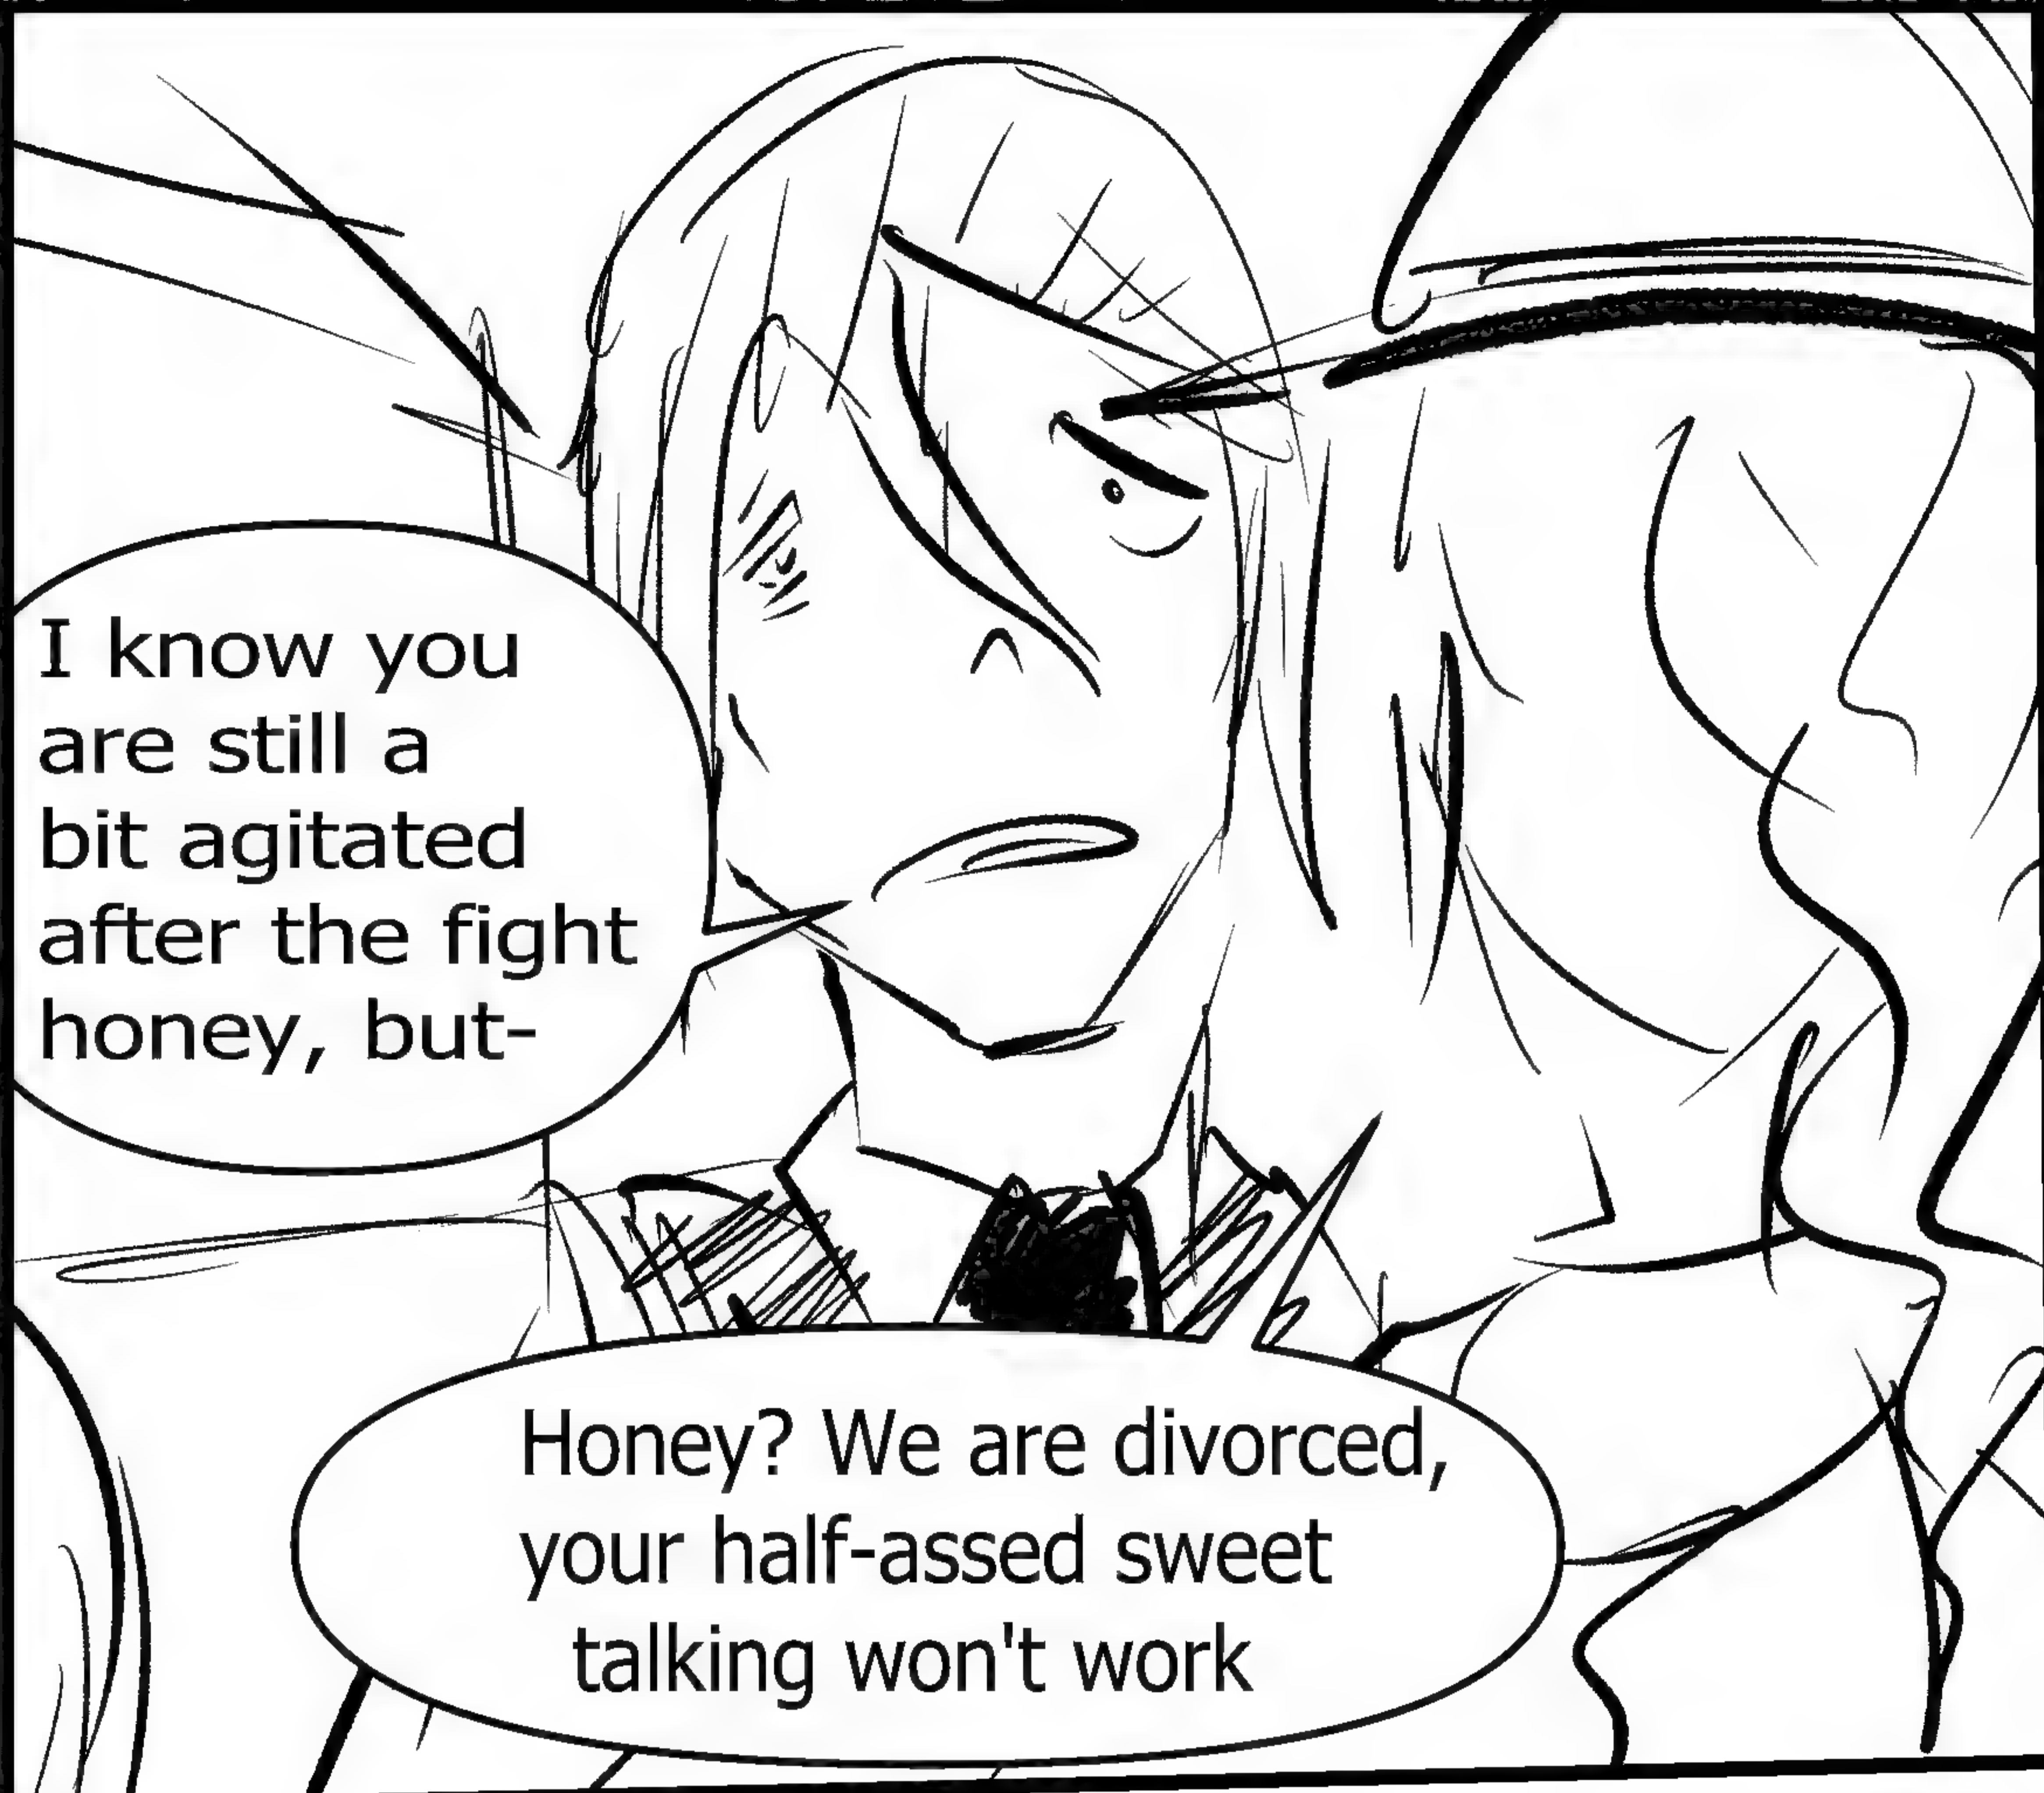

Finally, stopping an organization  
like this is any fathers dream!

I know you are still a bit agitated after the fight honey, but-

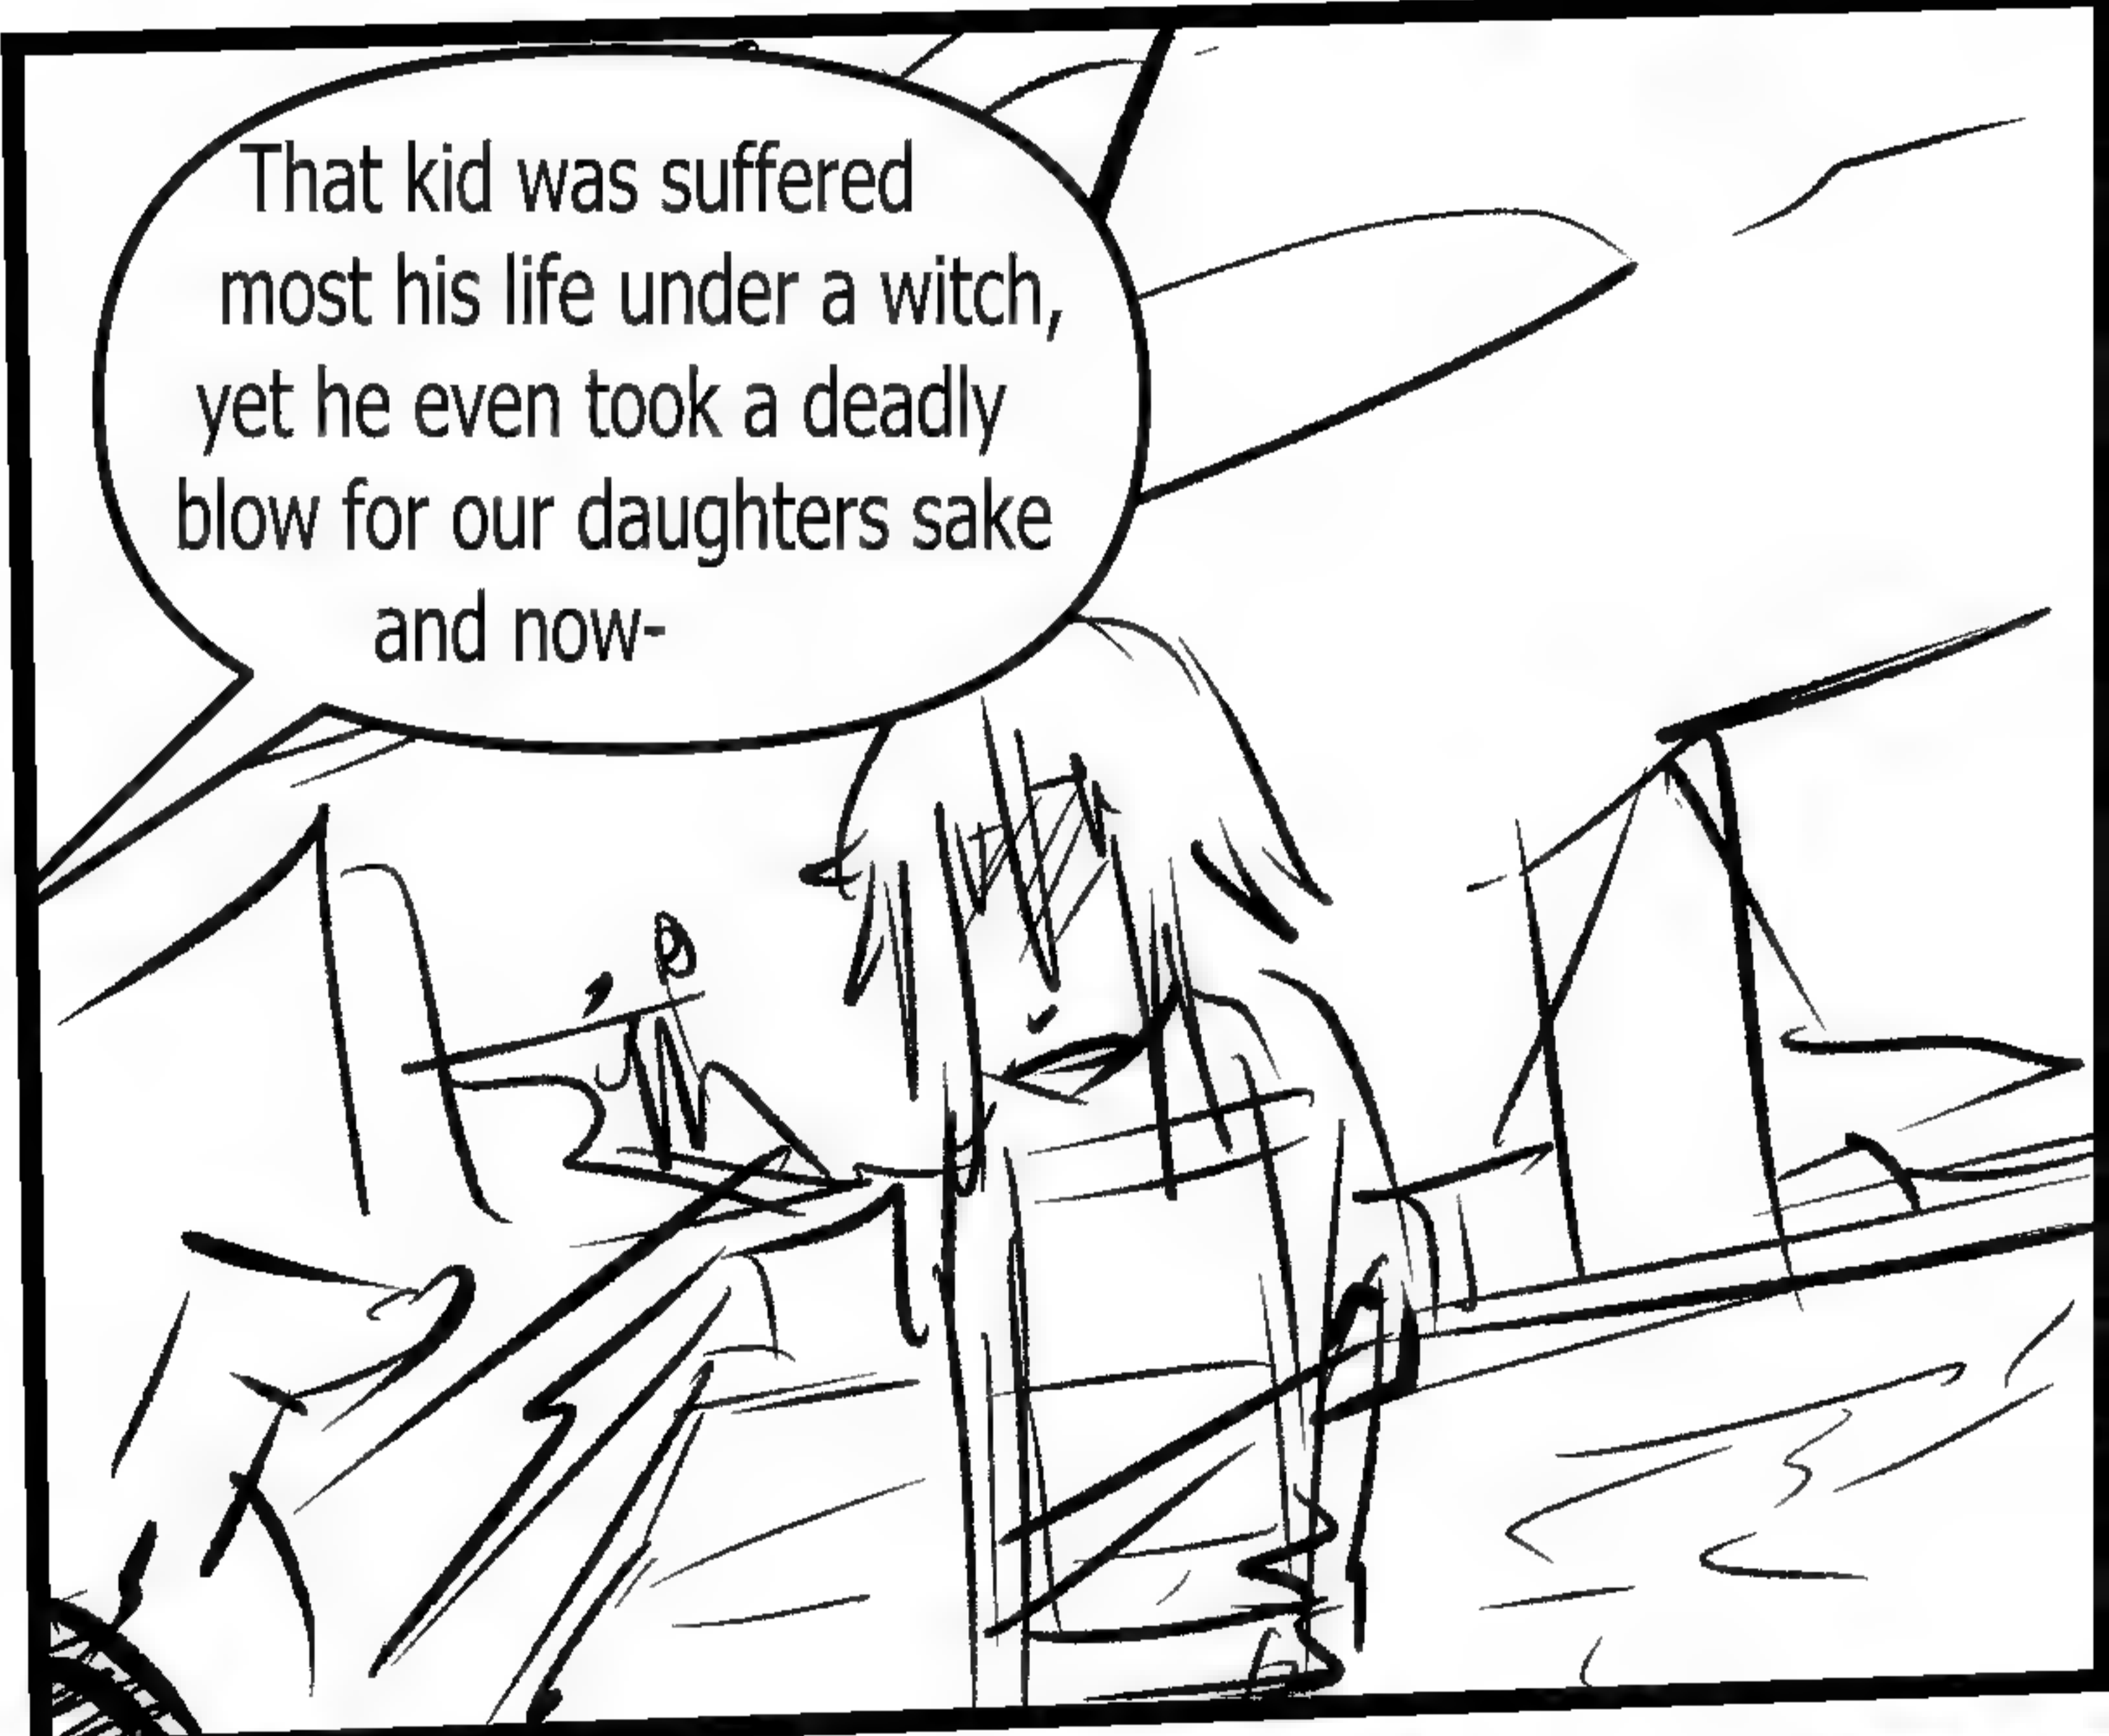

Honey? We are divorced, your half-assed sweet talking won't work

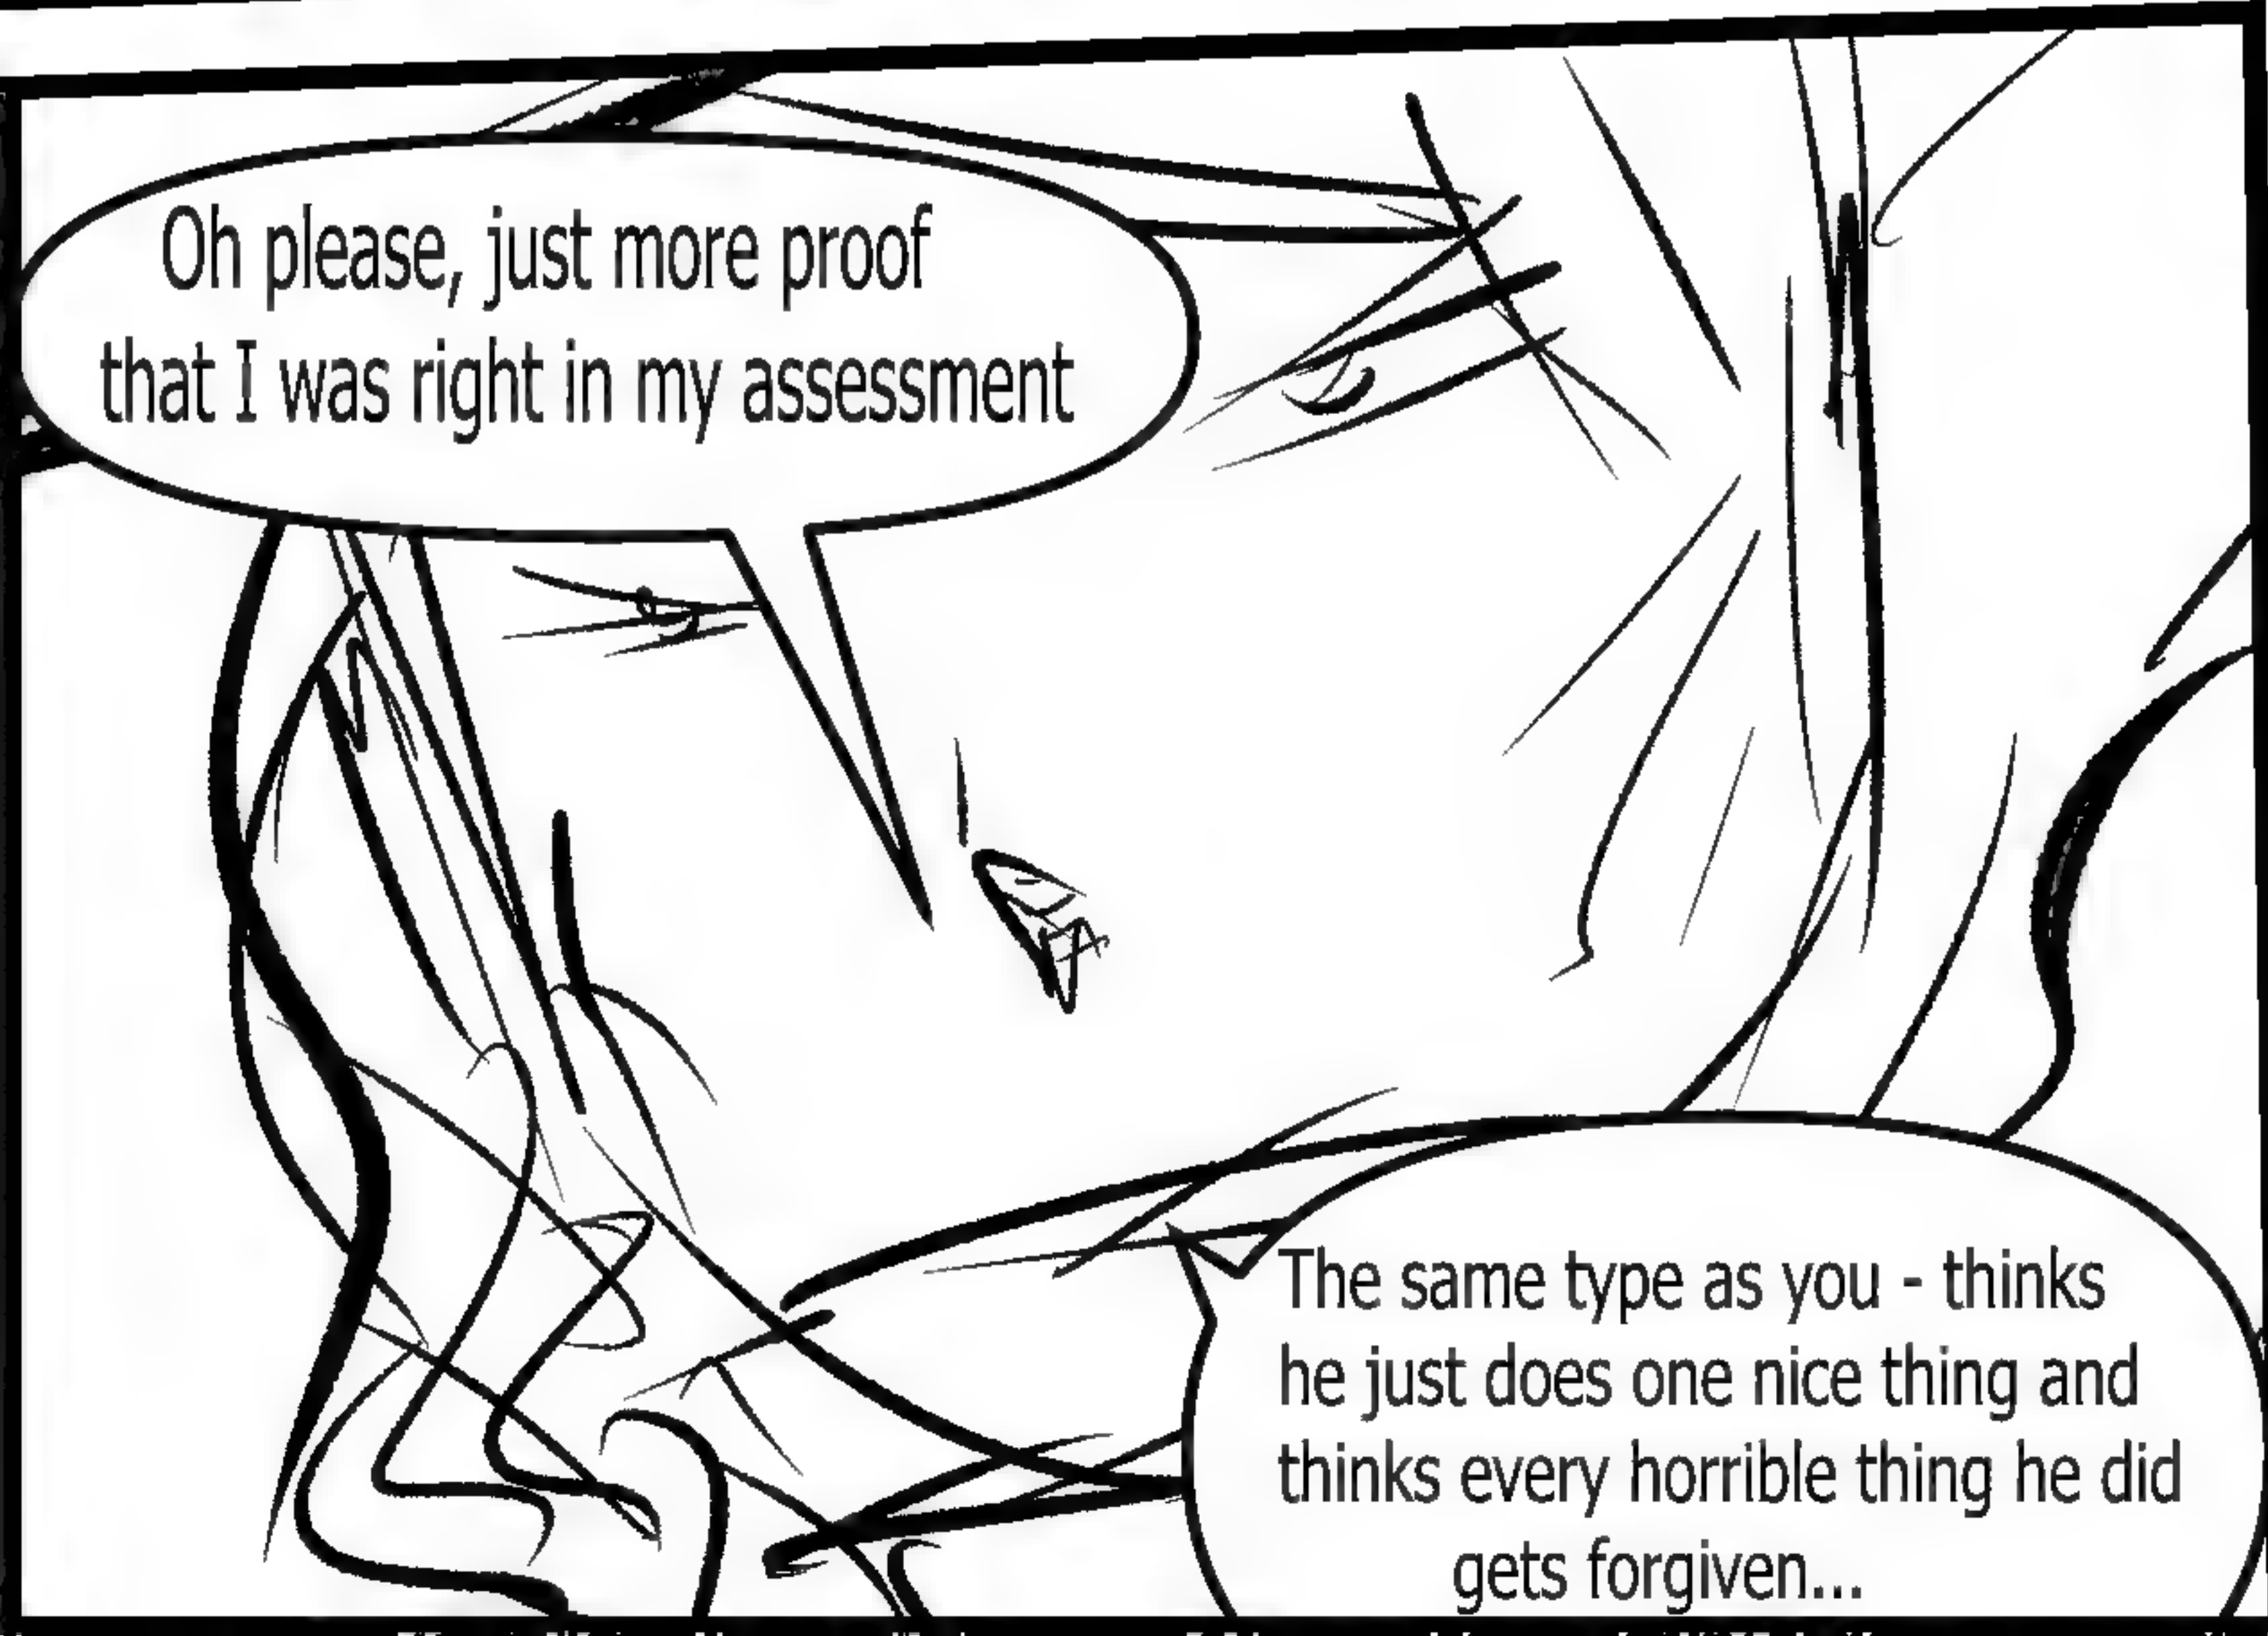

I- I know, I-I-...

I realise that I'm the one that hurt you and who is at fault, but that doesn't means that you can lash out in anger at everyone else

That kid was suffered most his life under a witch, yet he even took a deadly blow for our daughters sake and now-

Oh please, just more proof that I was right in my assessment

The same type as you - thinks he just does one nice thing and thinks every horrible thing he did gets forgiven...

Even now: pretending to be all weak and helpless to garner sympathy, aren't ya?!!

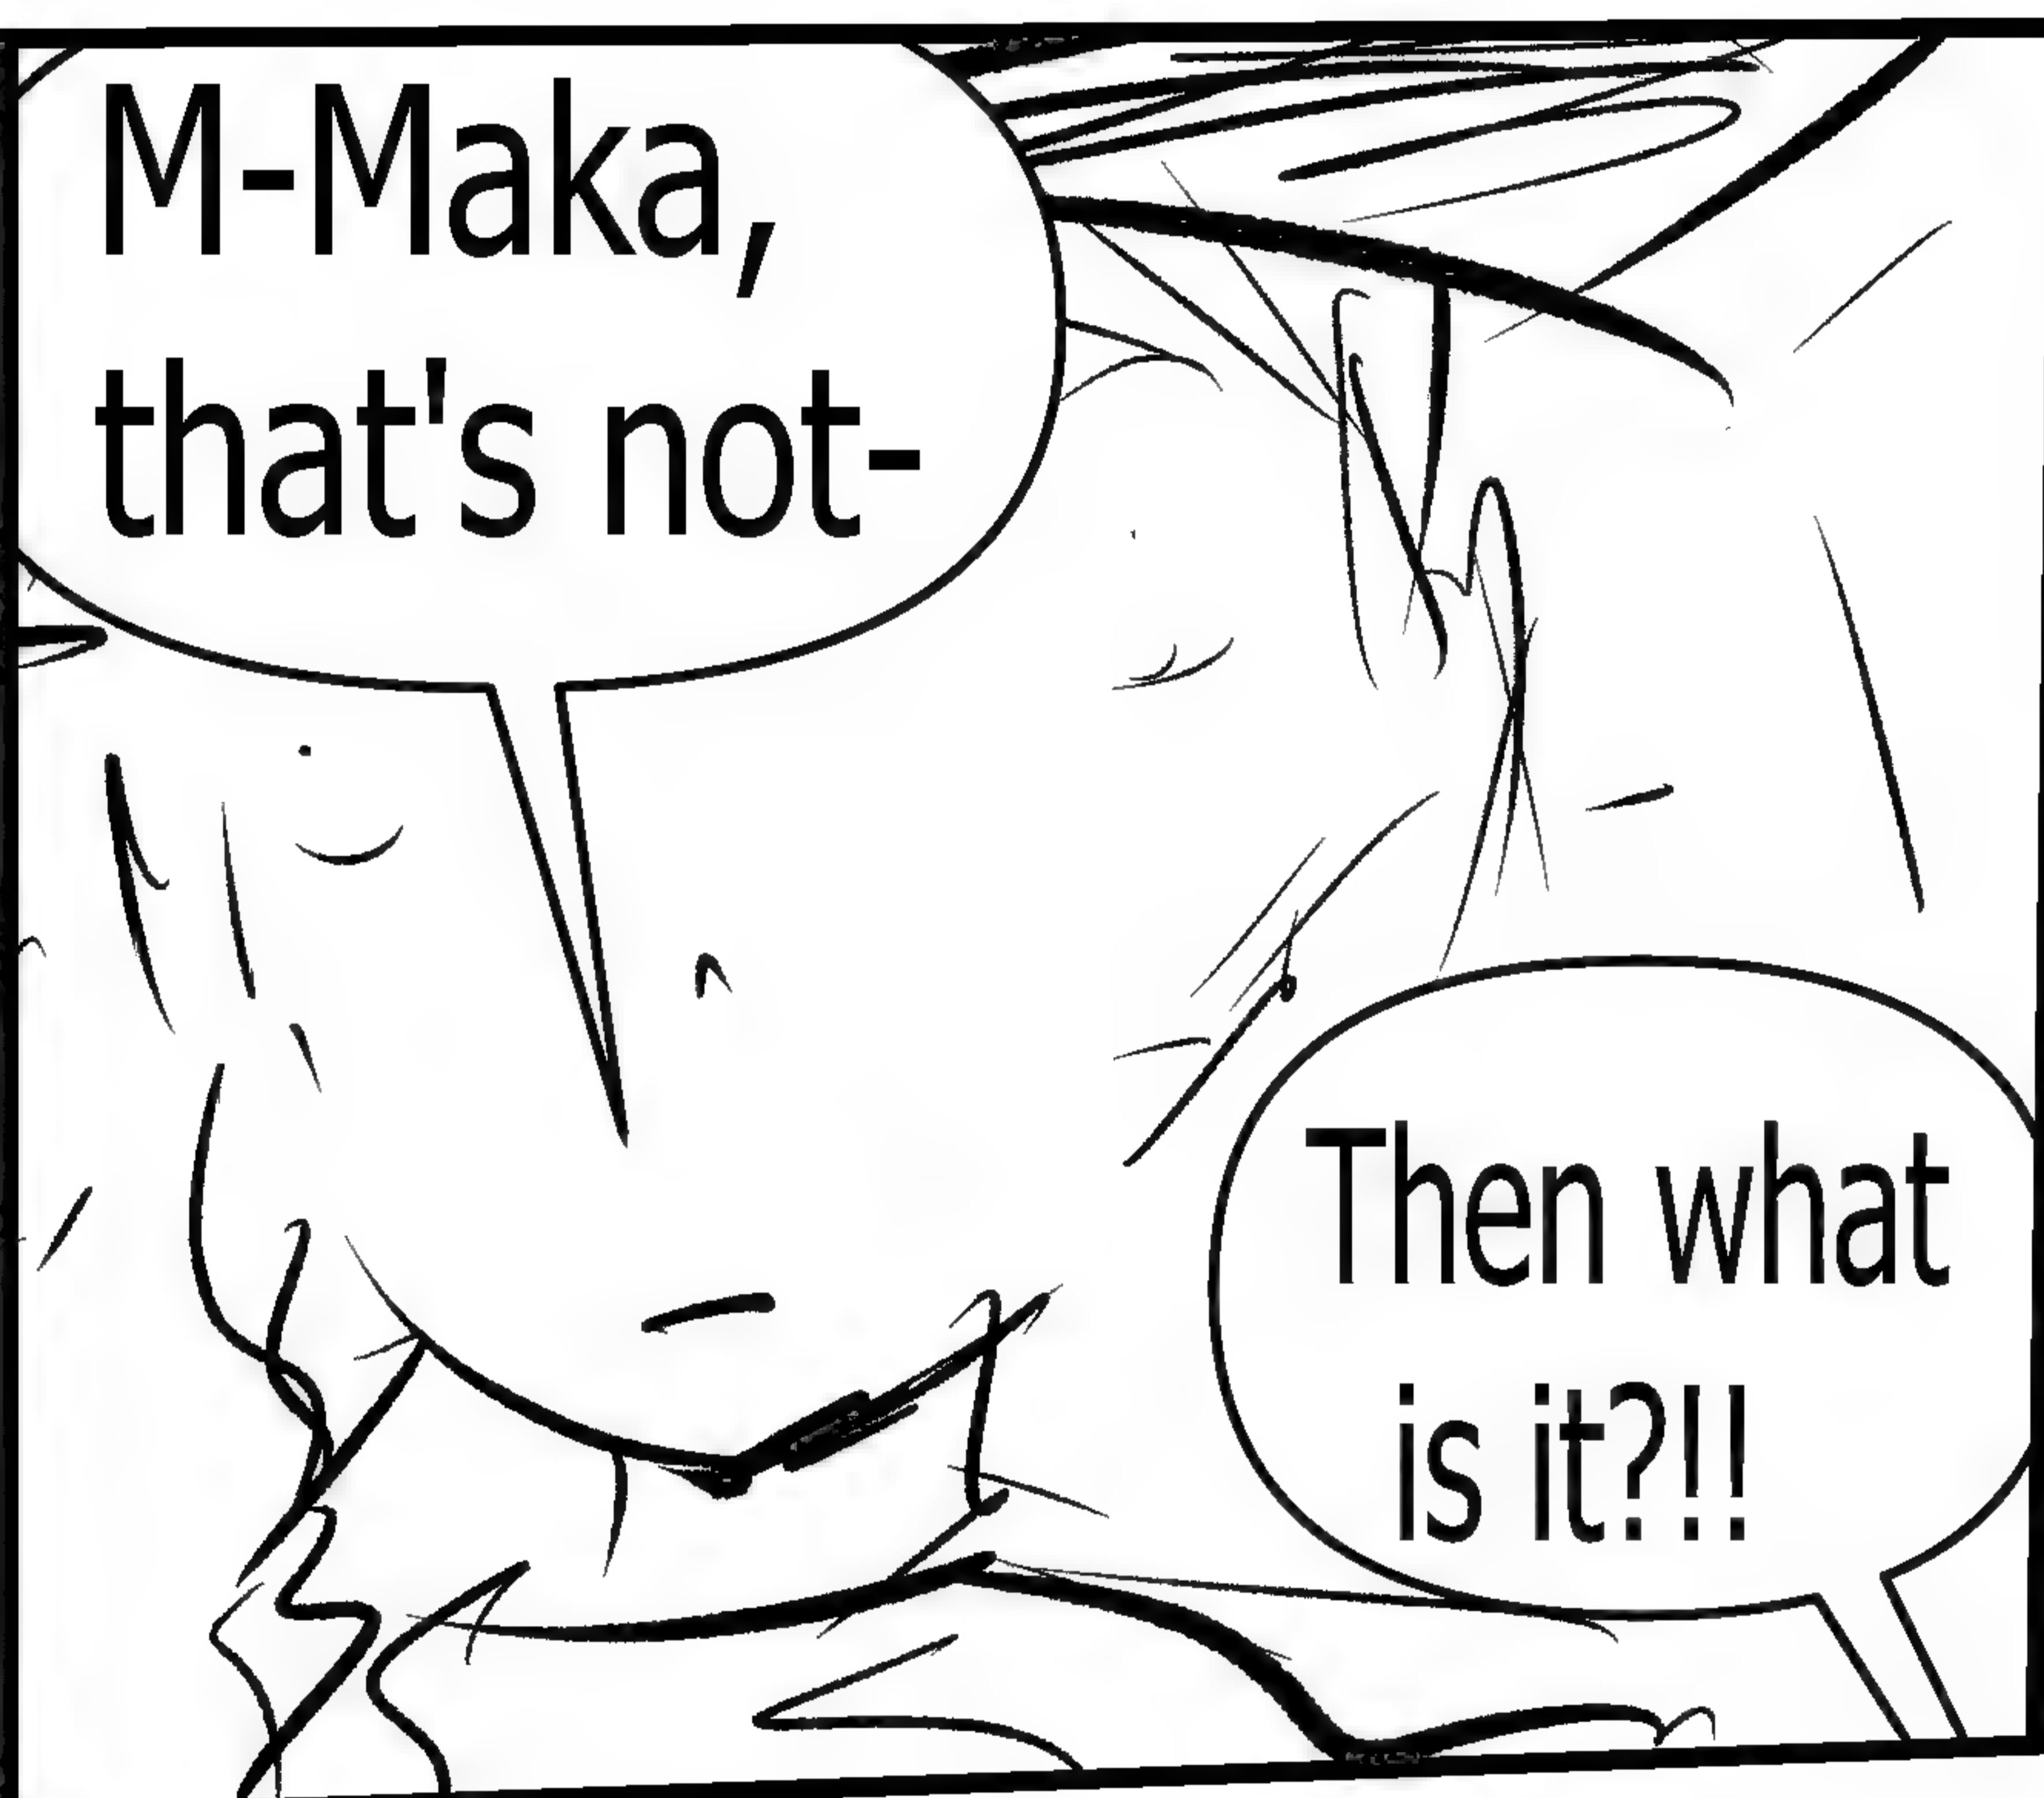

Mama that's enough!!!

See, our daughter is already repeating my mistakes

Mistakes?

So I'm a mistake to then huh?

M-Maka,  
that's not-

Then what  
is it?!!

Y-you finally  
come back  
just to confuse  
me??!!!!

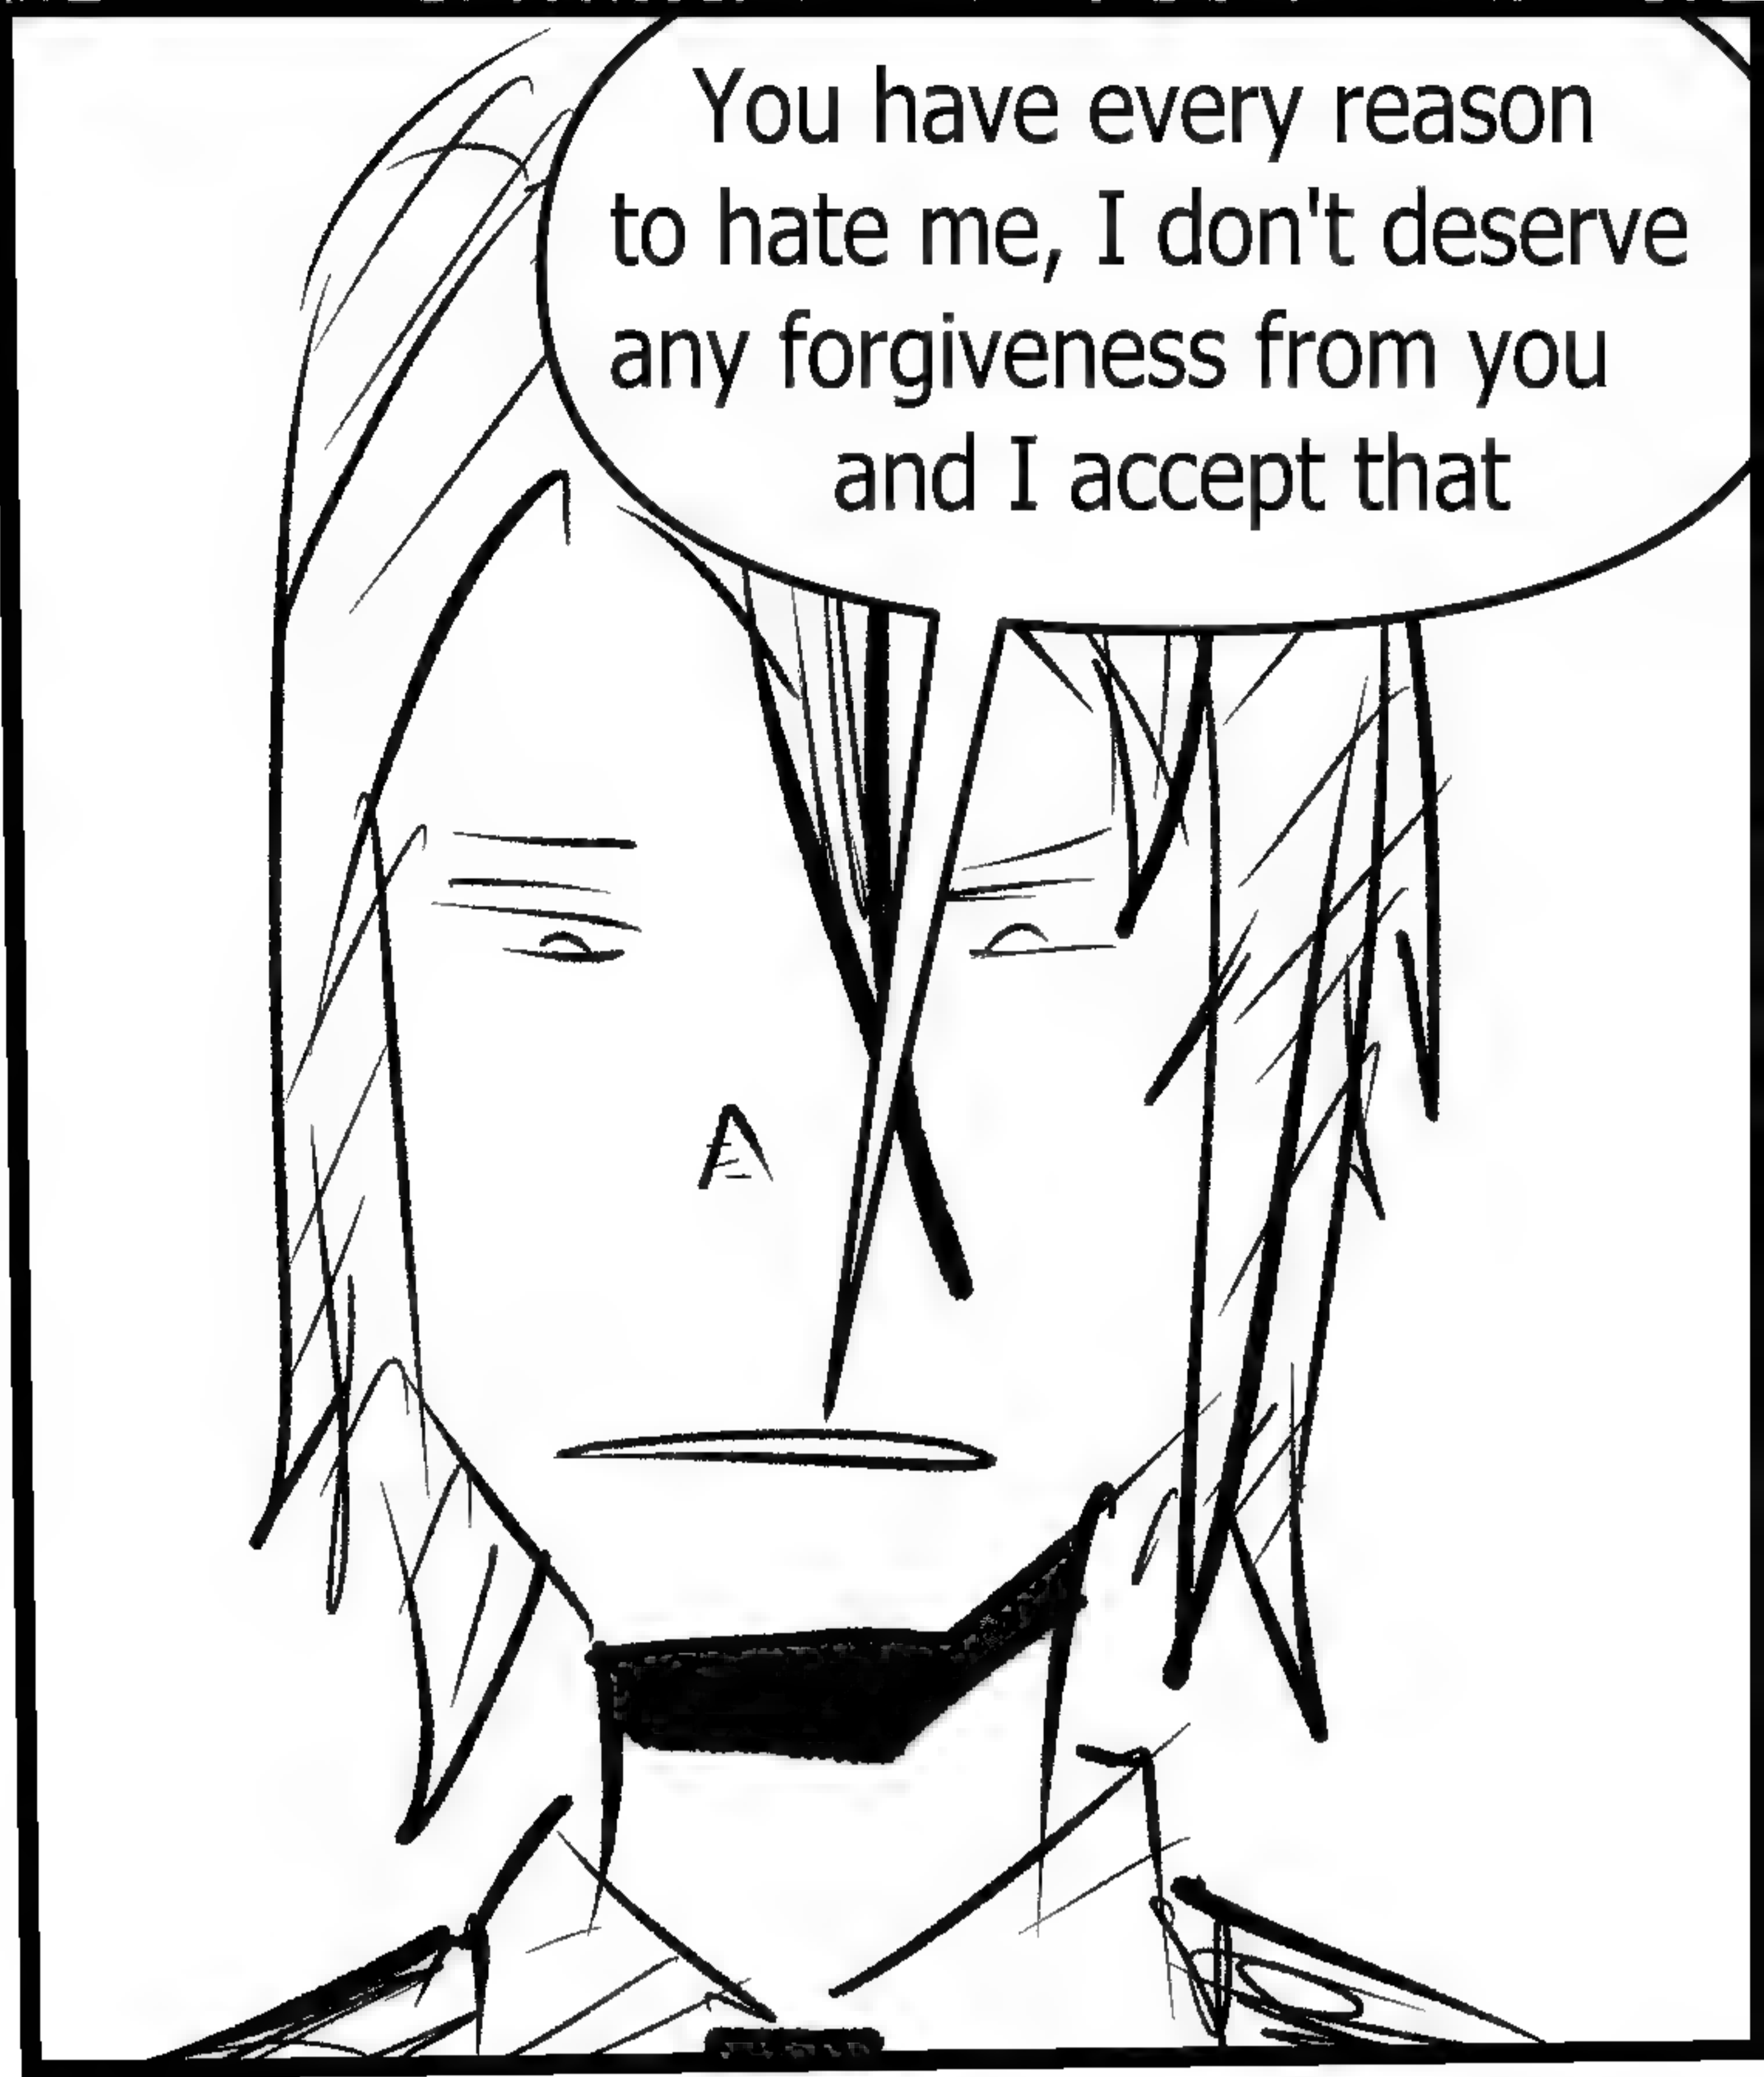

I just want  
the best for you

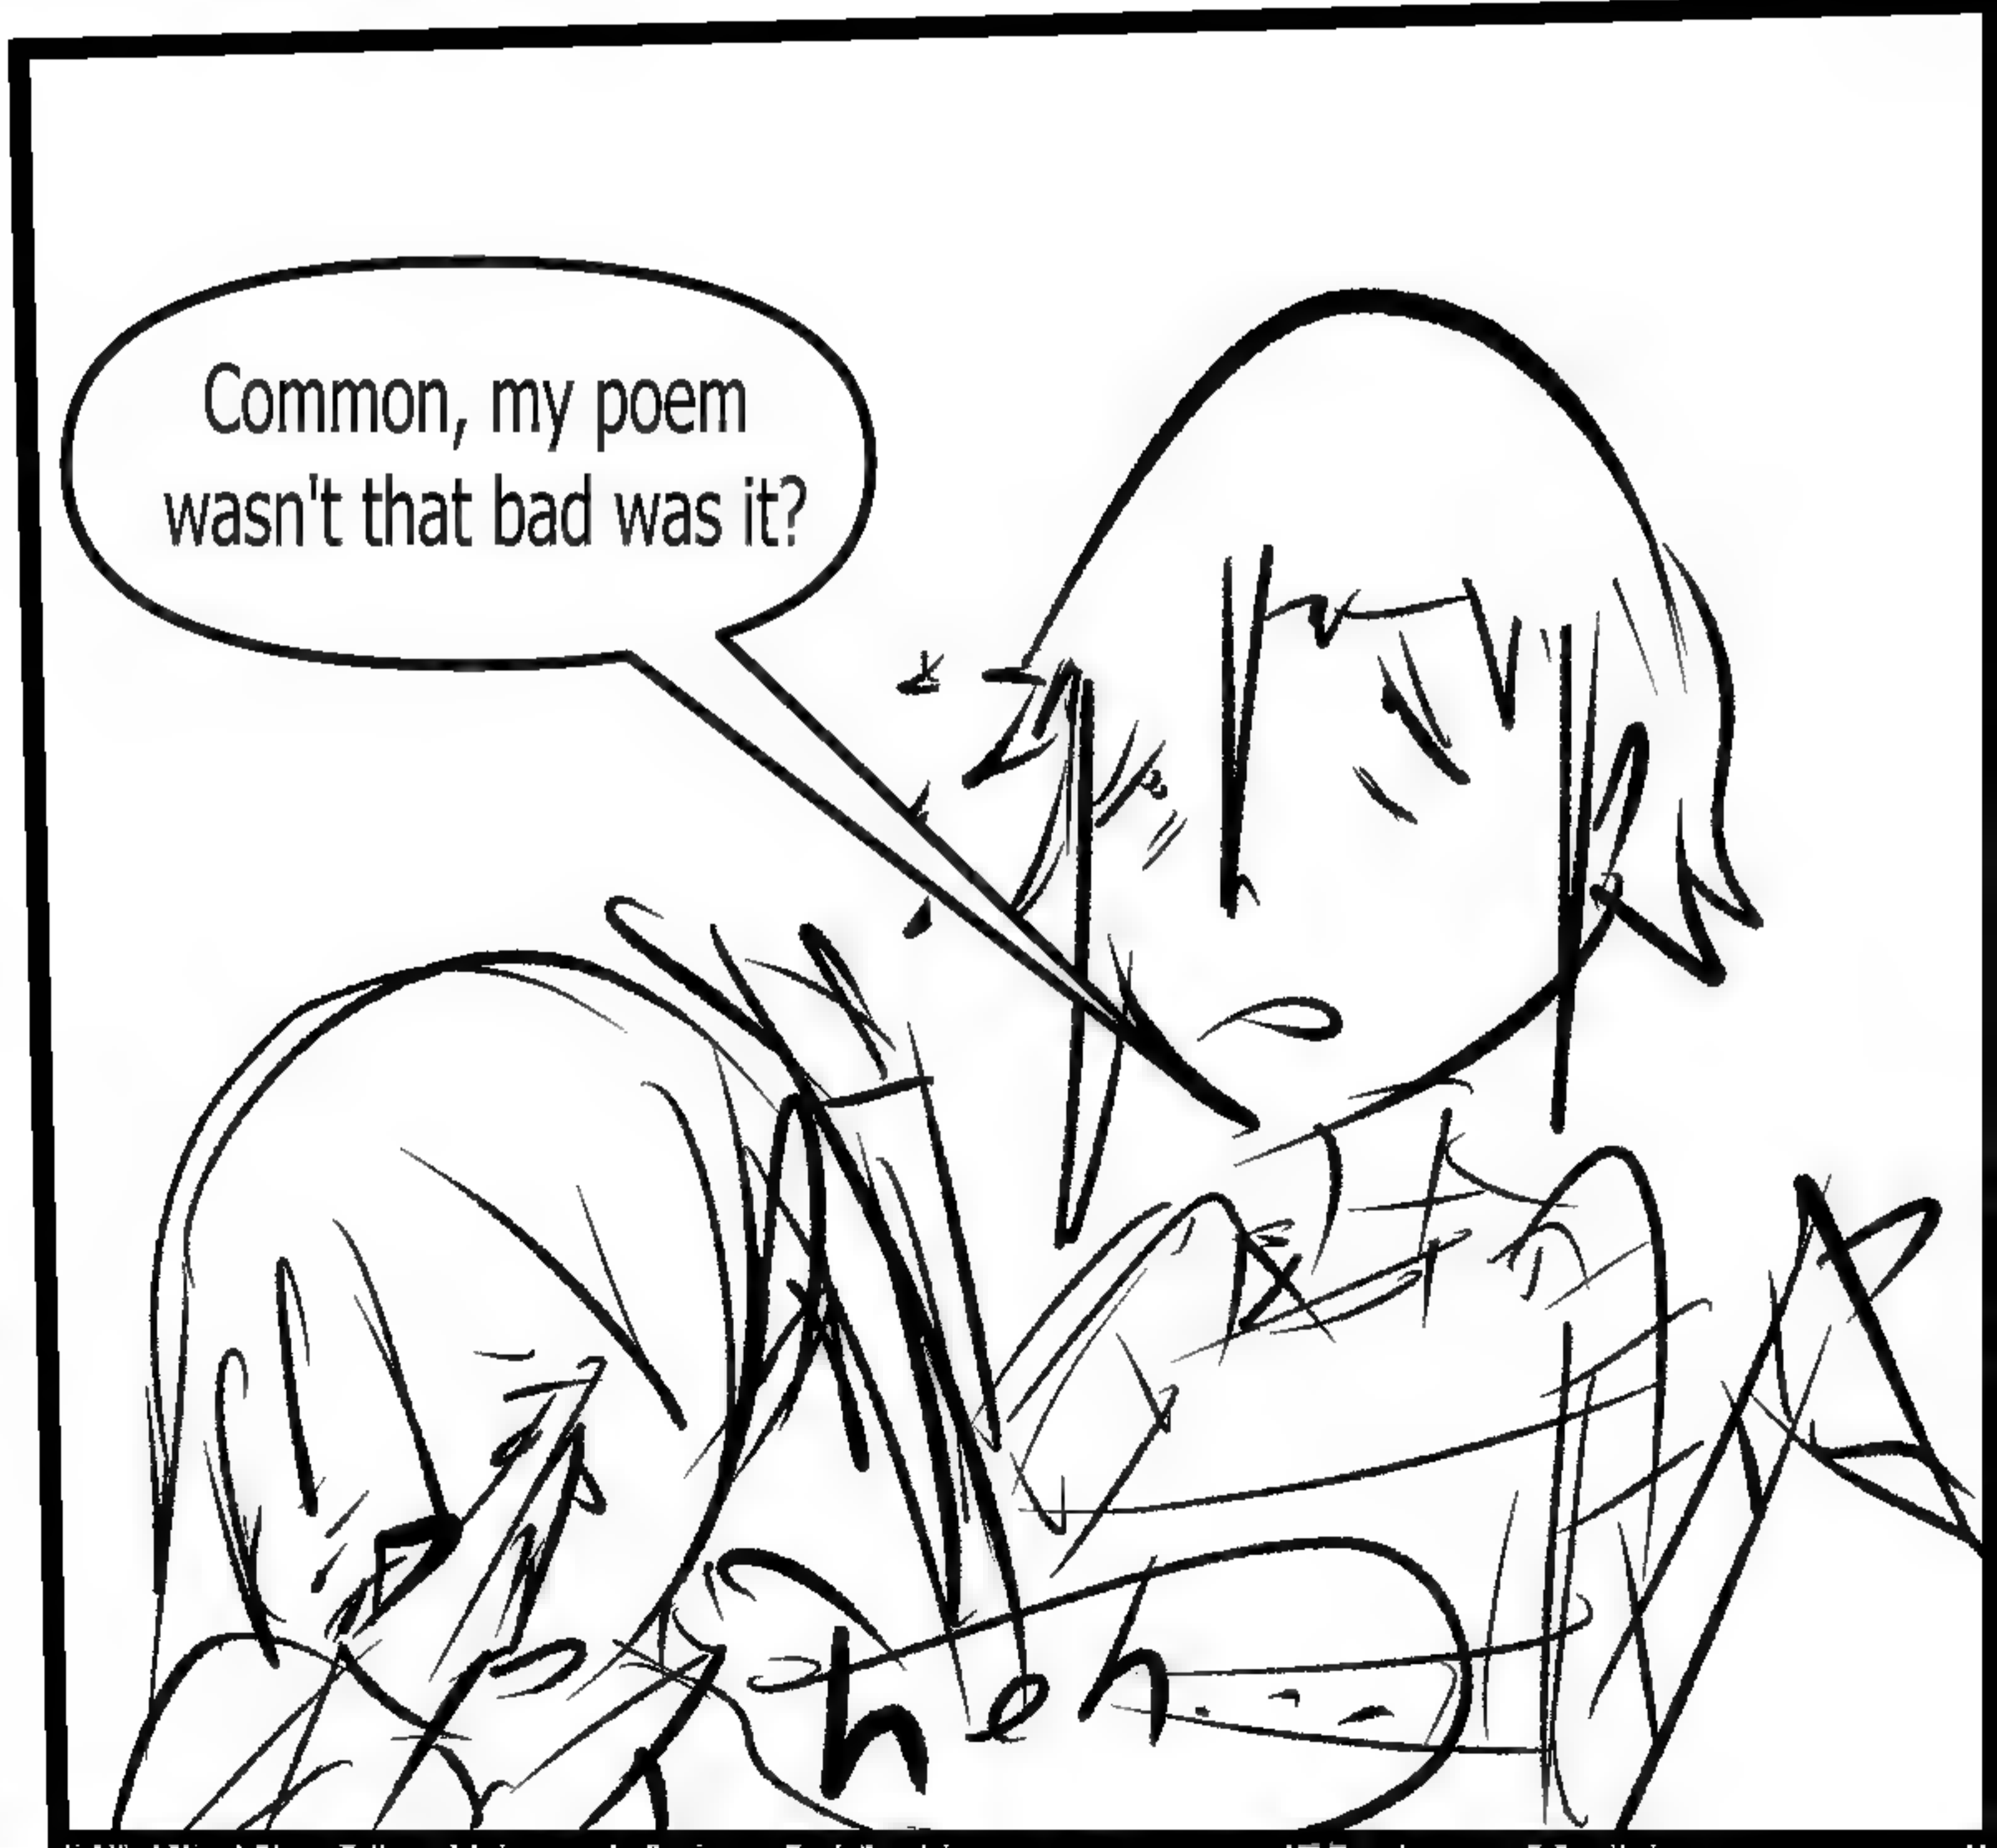

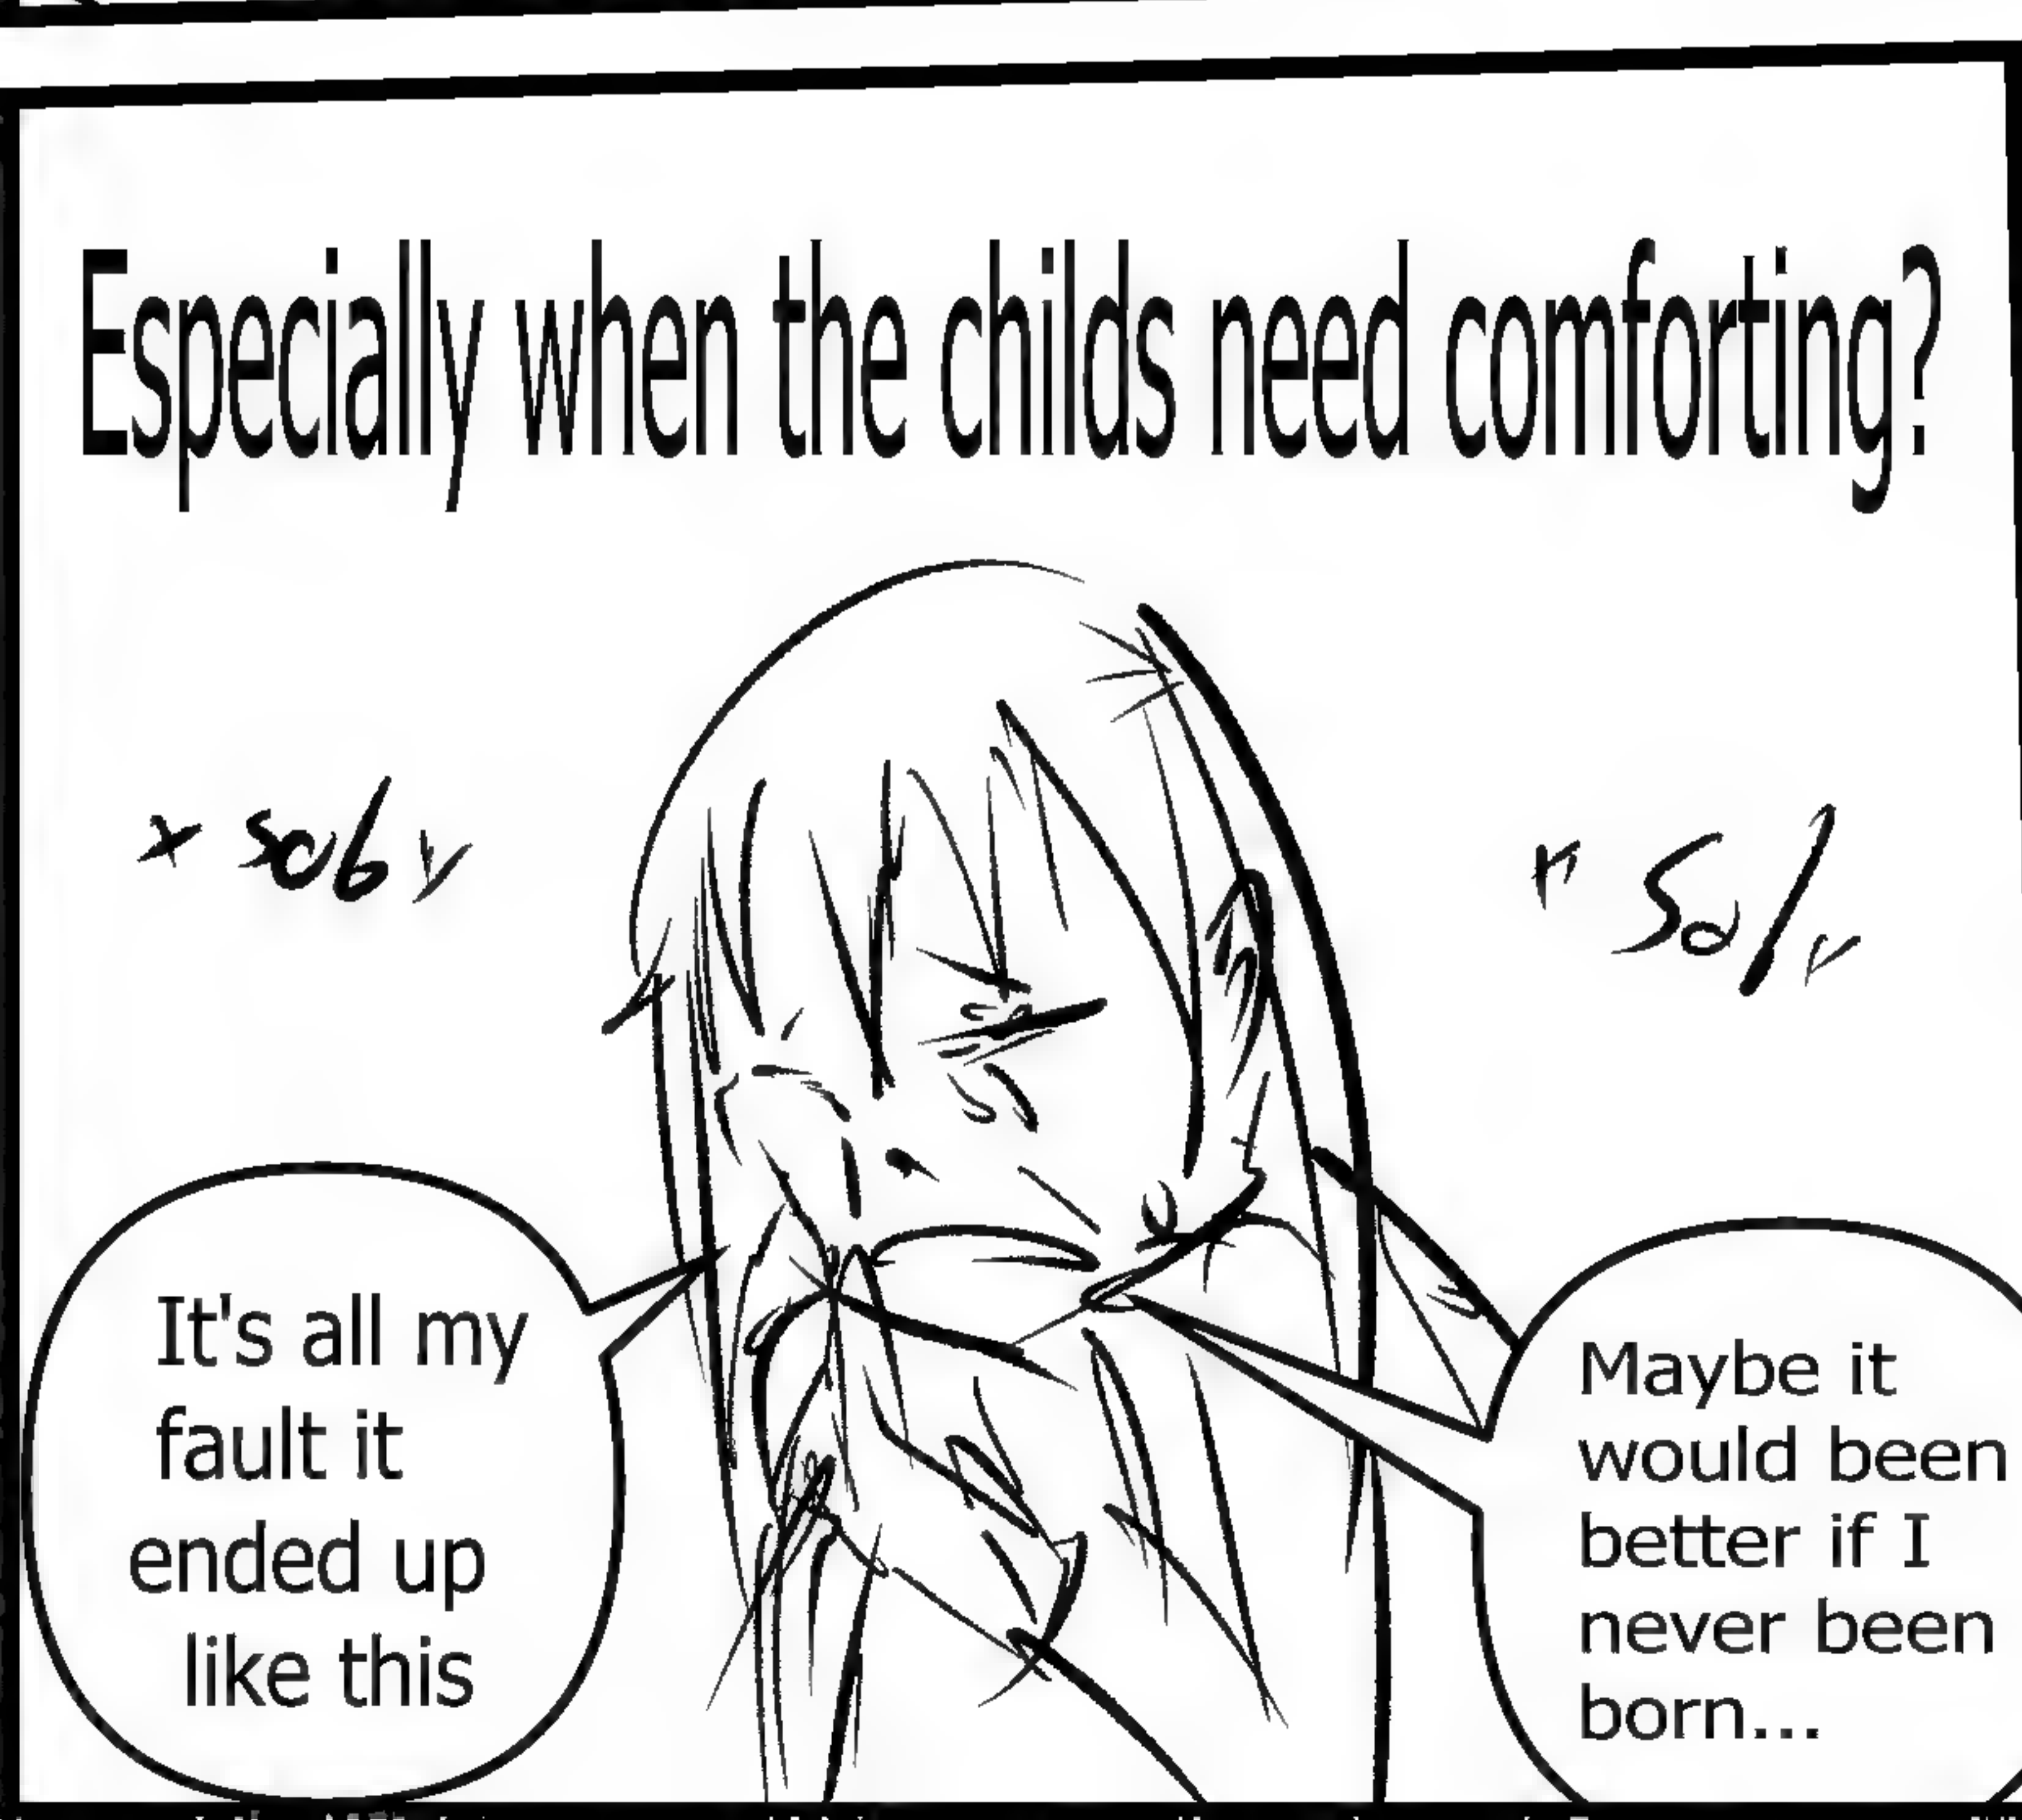

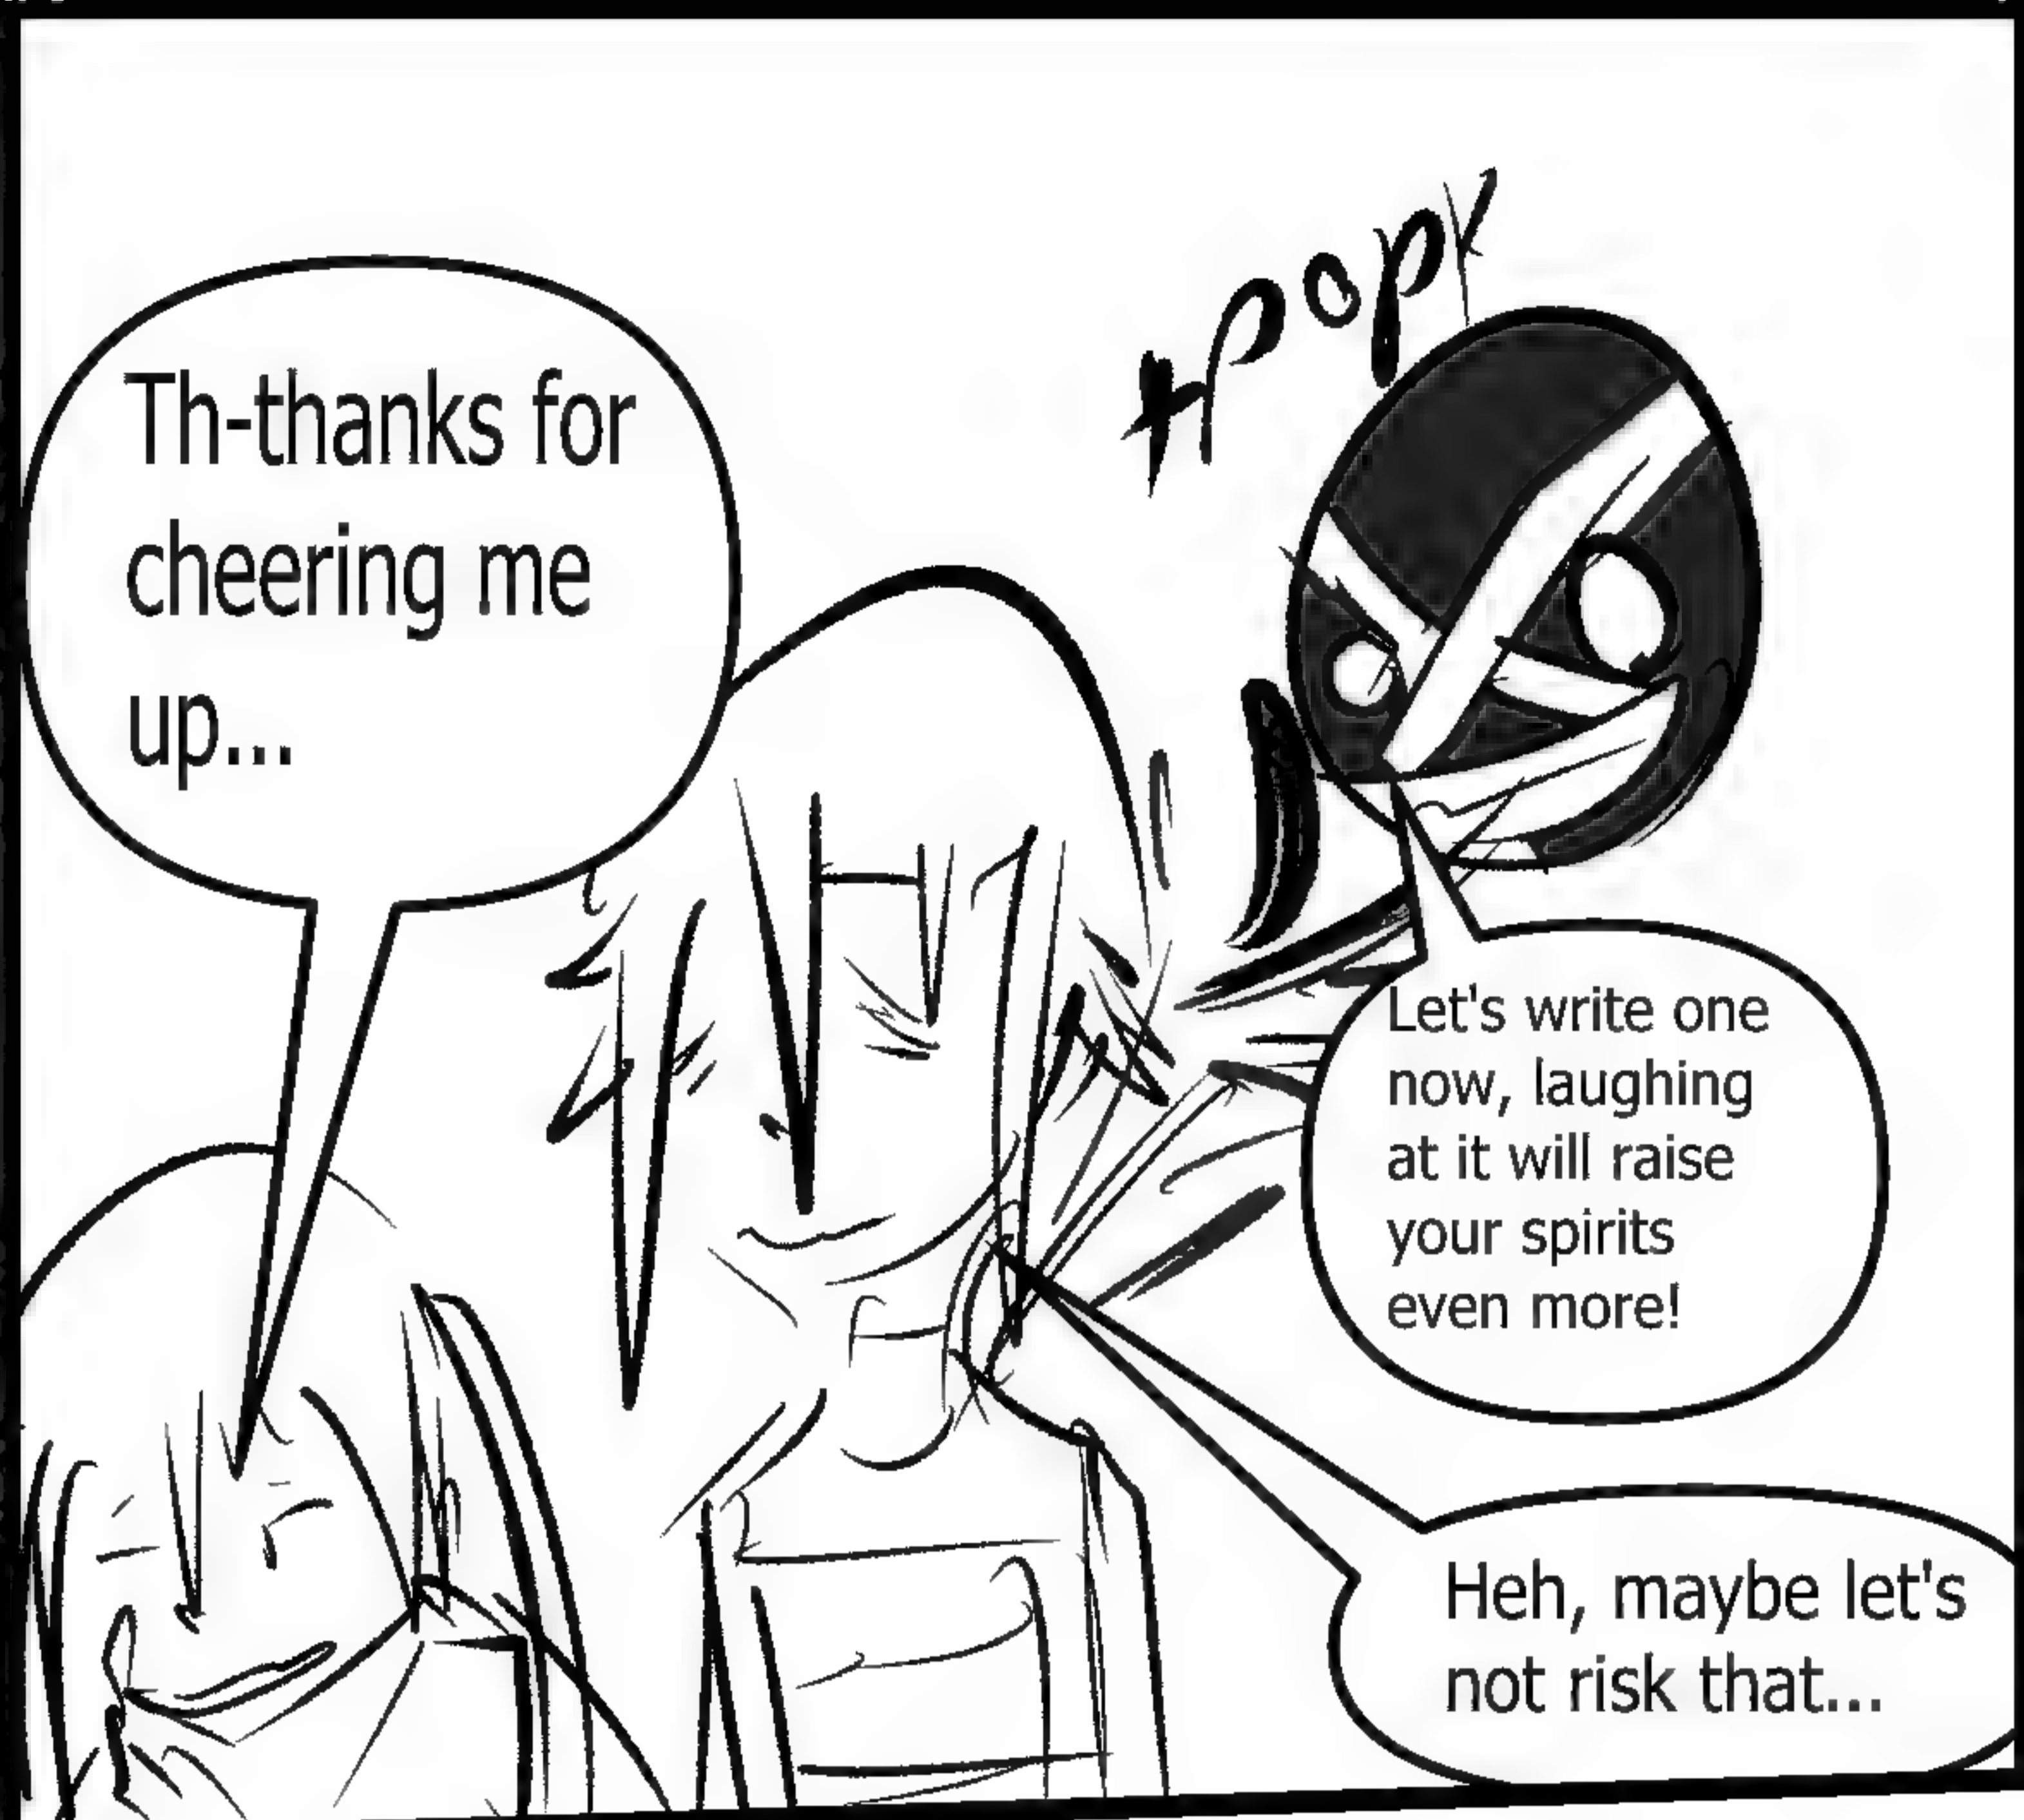

Then  
Why

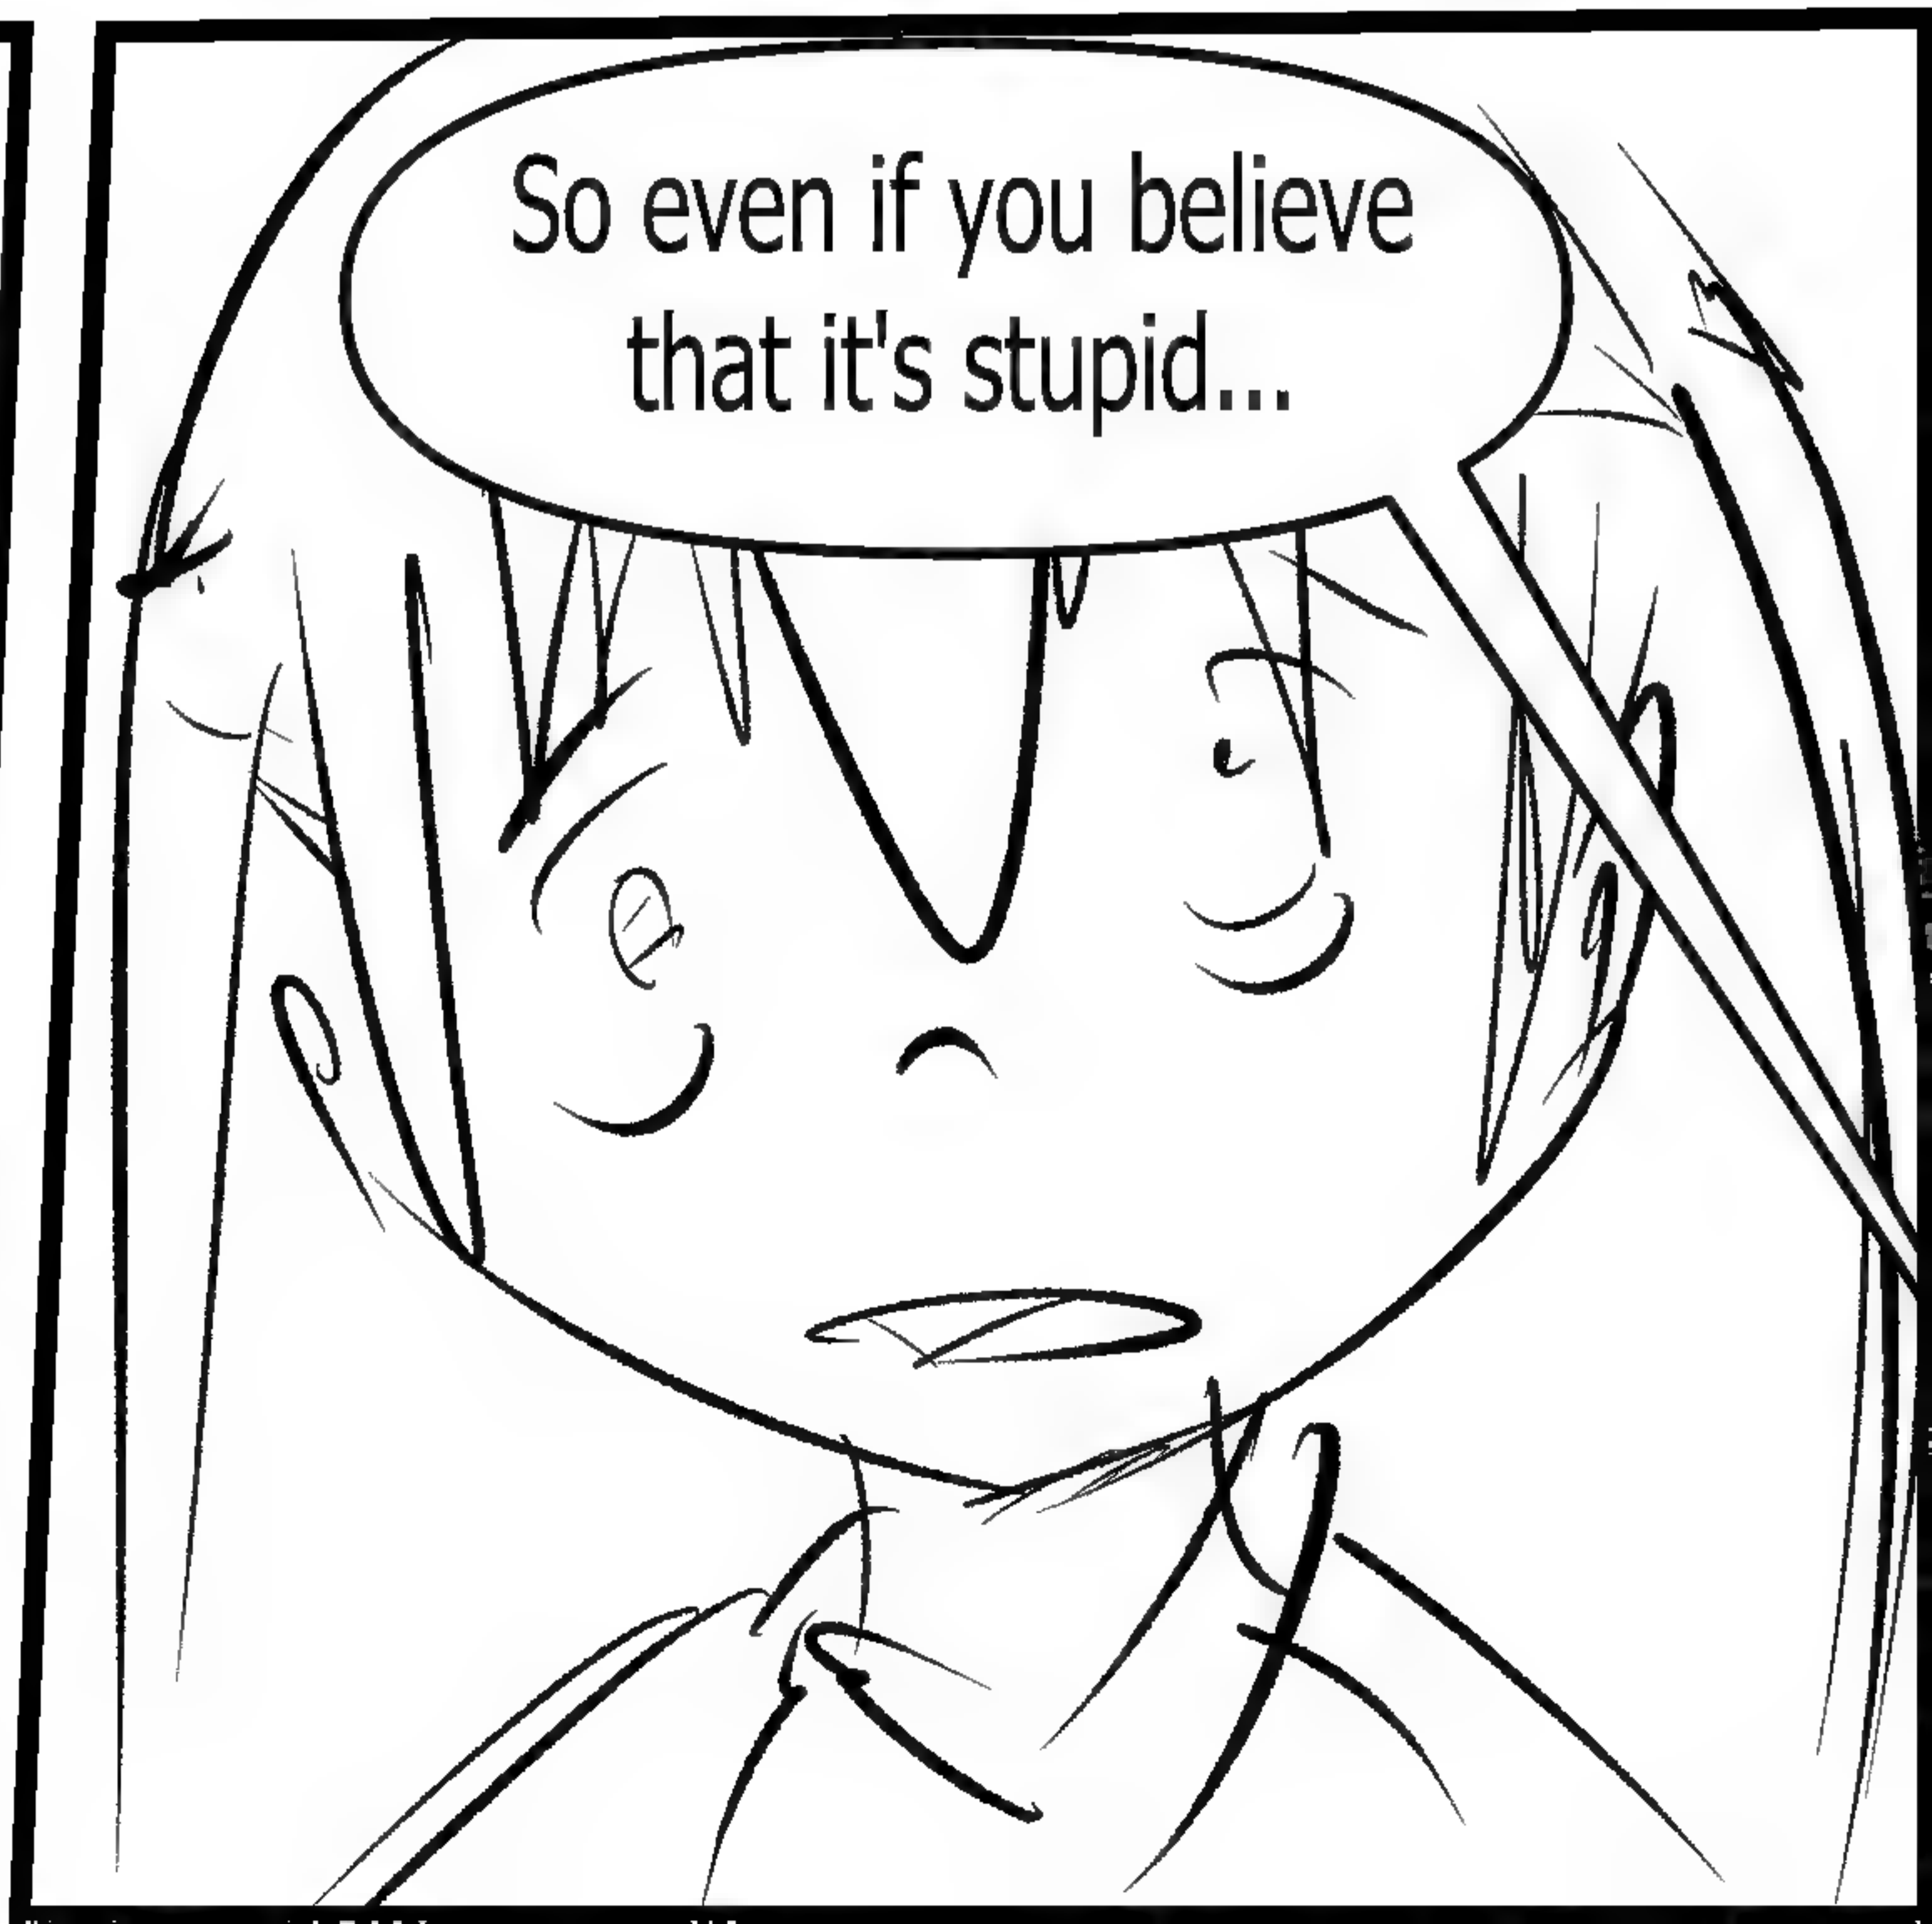

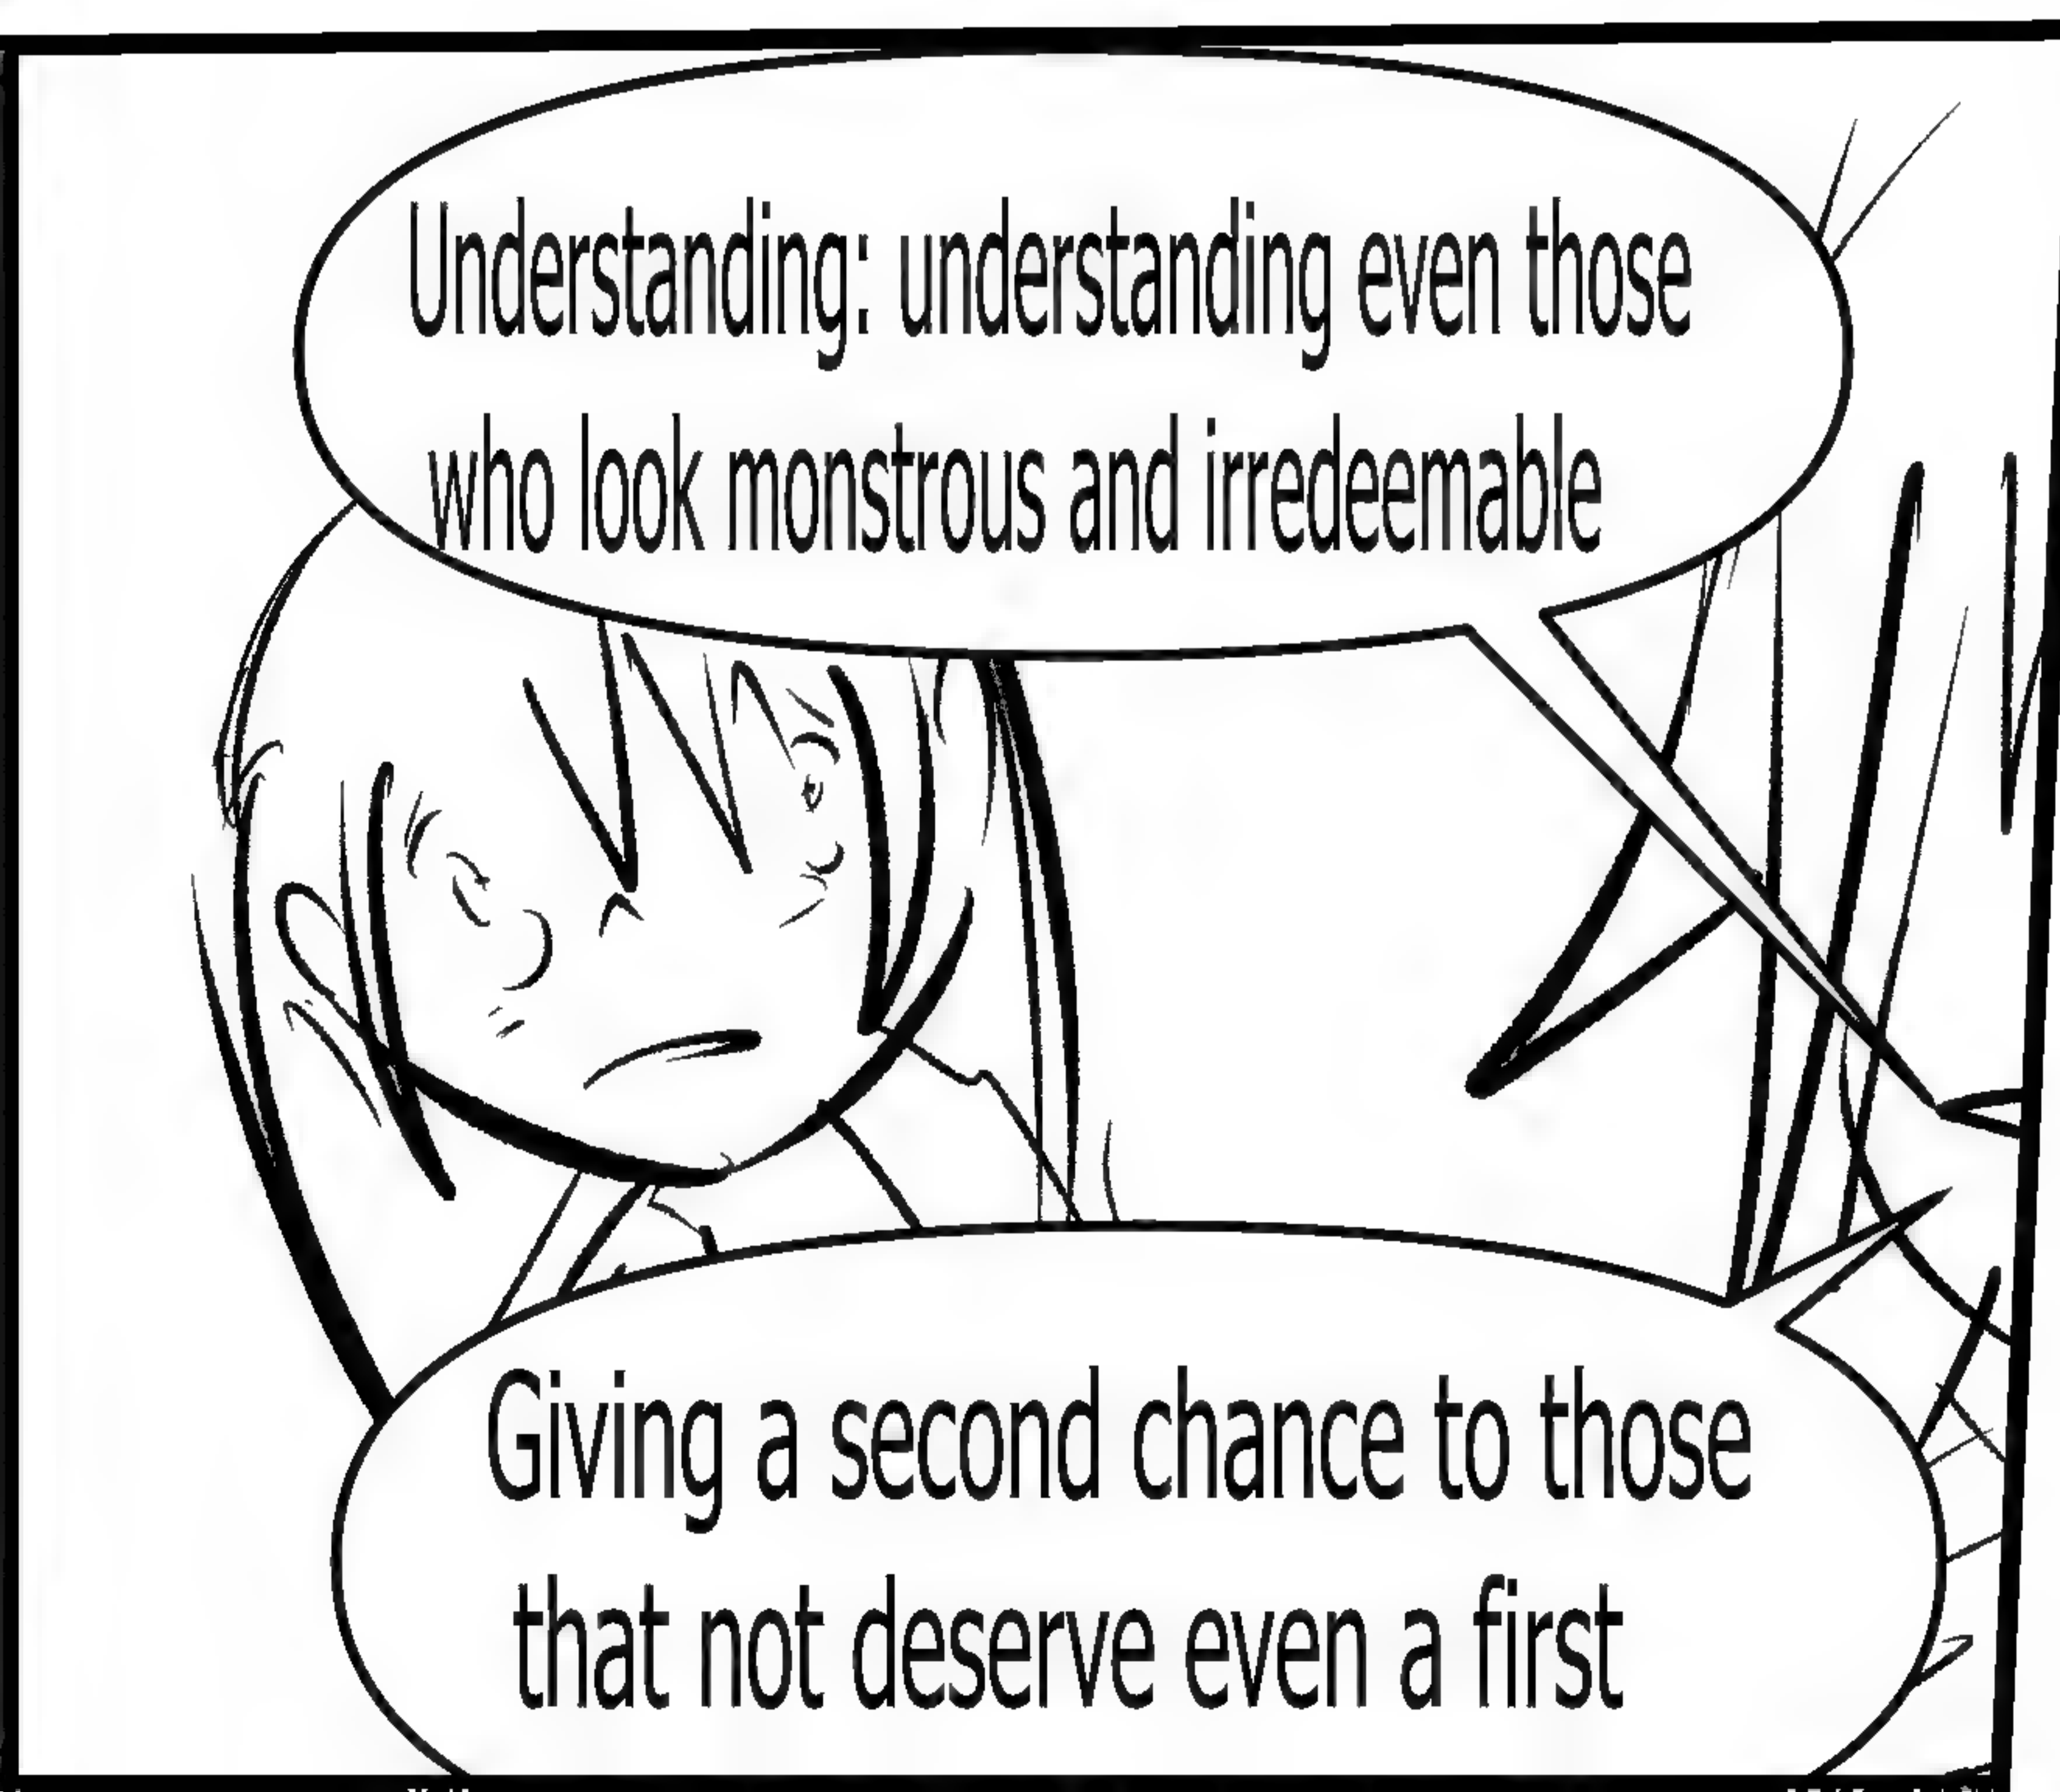

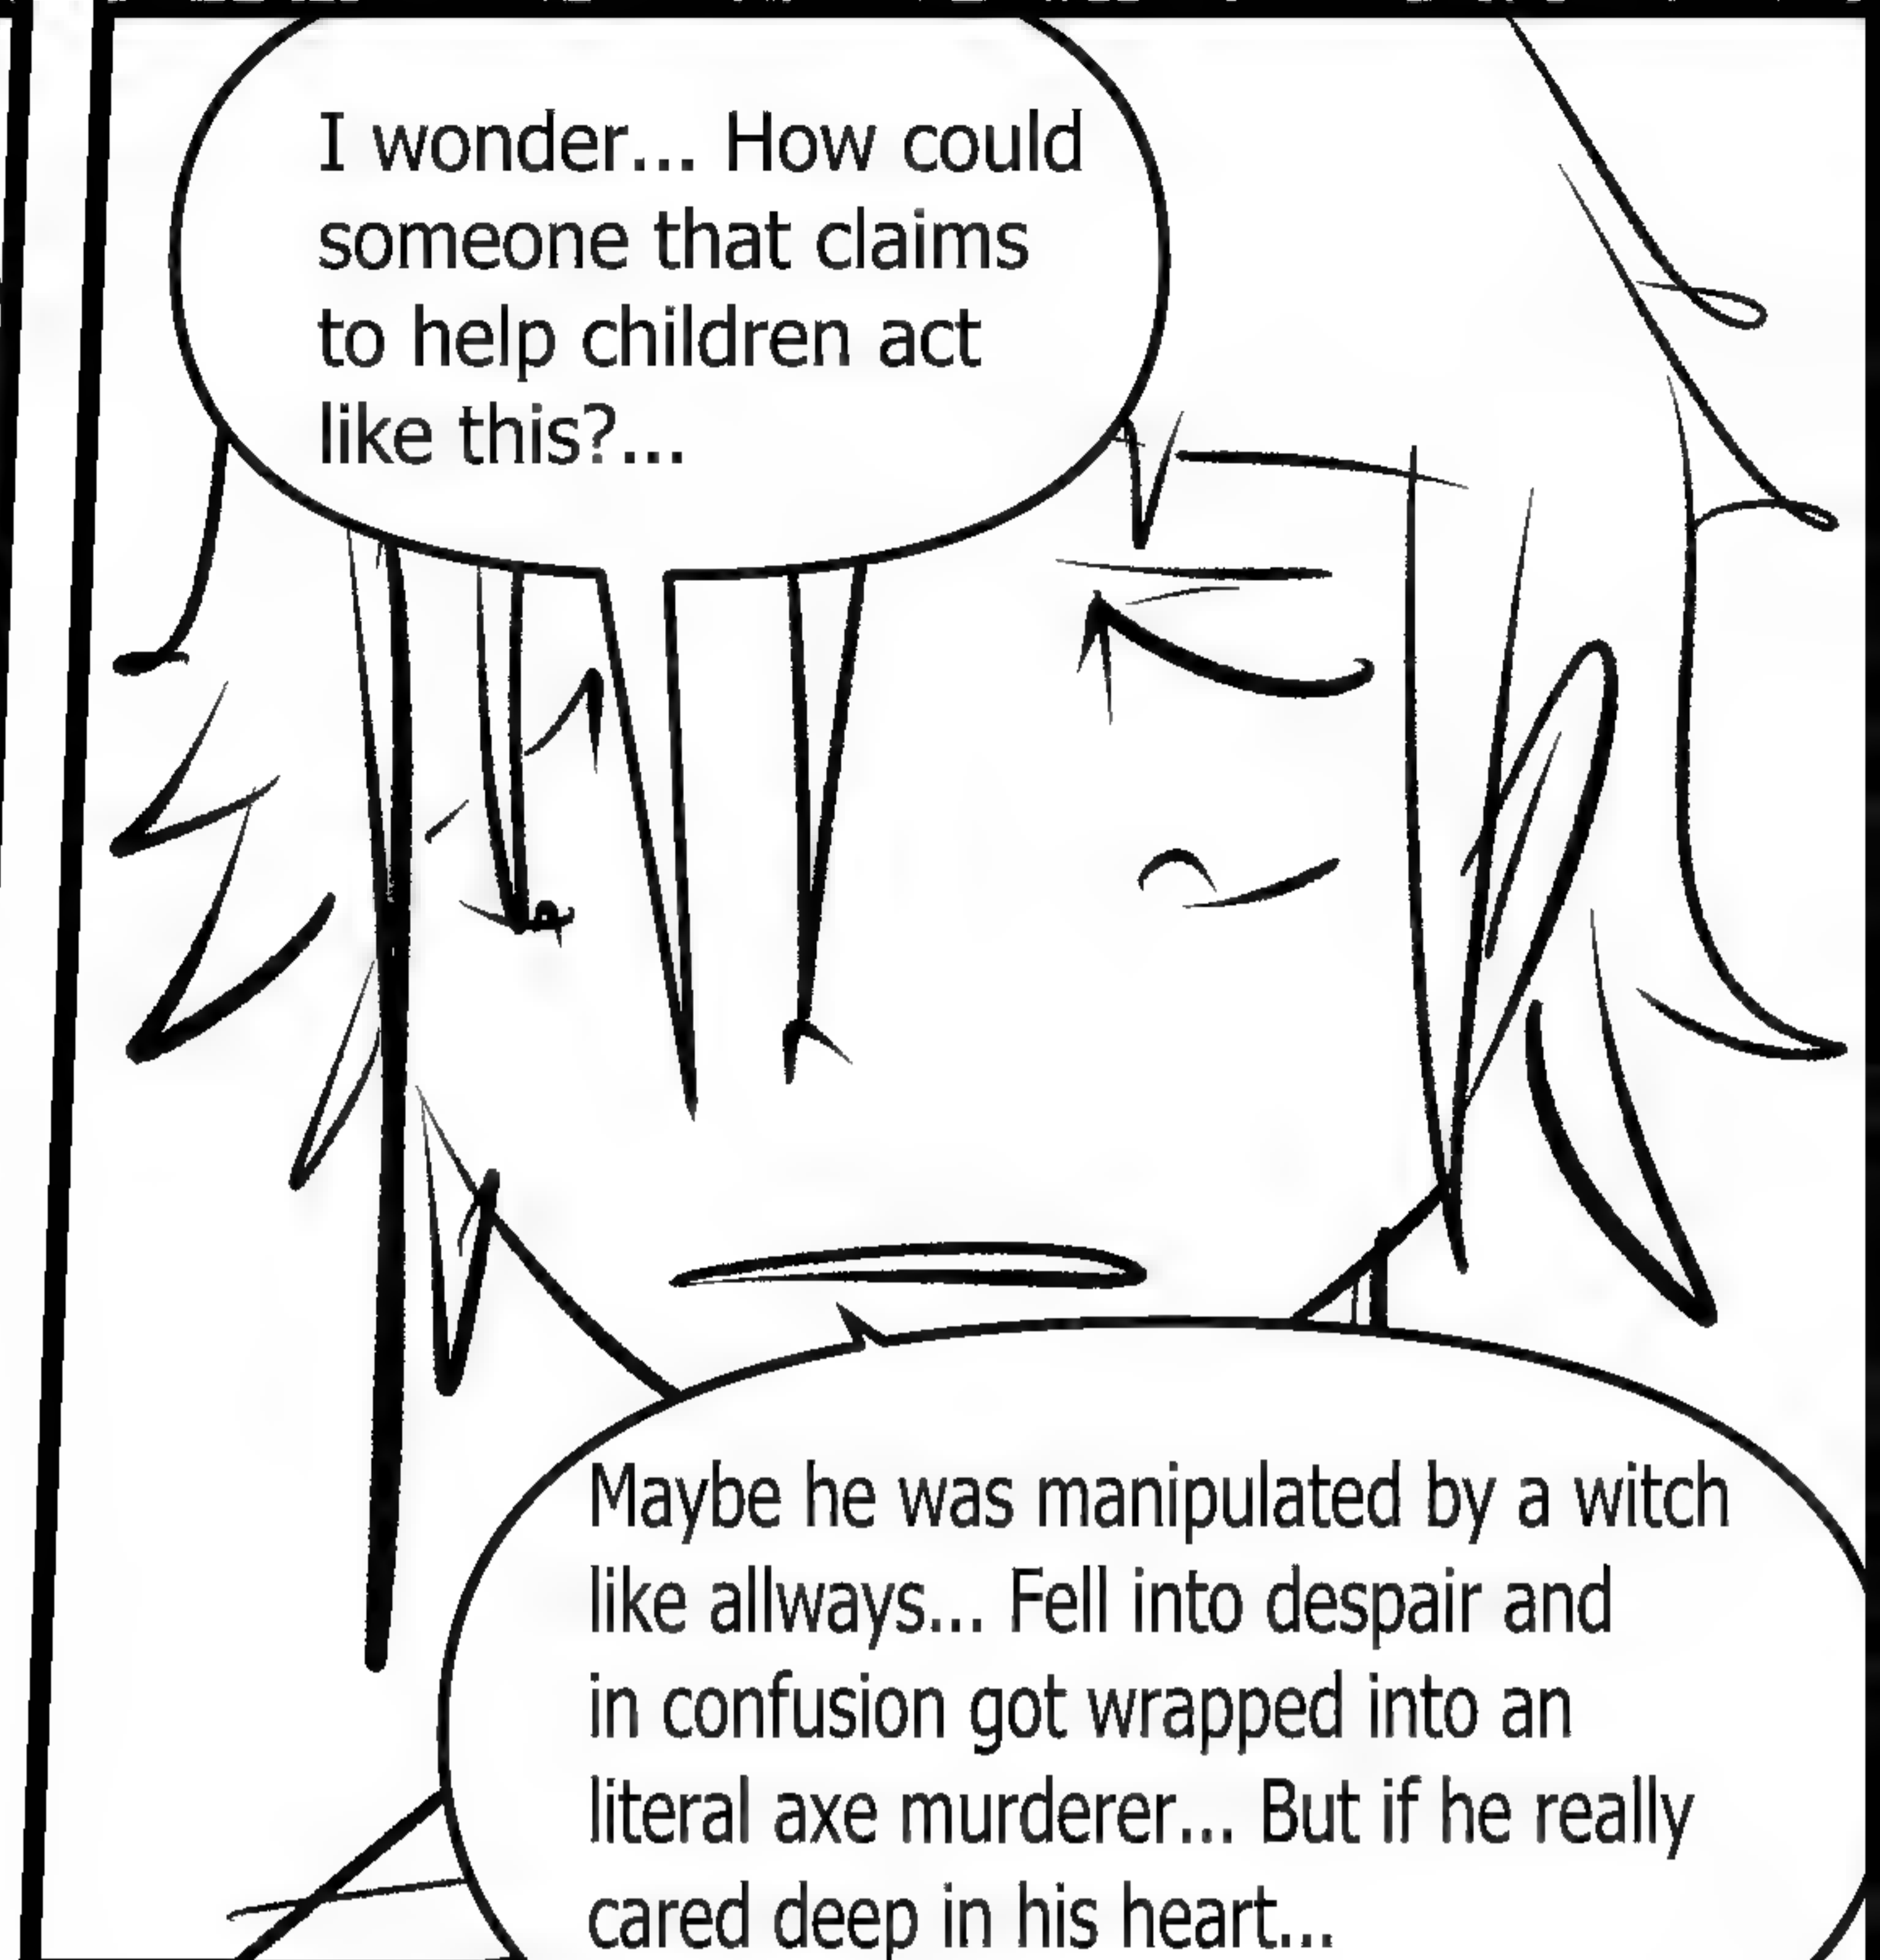

DID EVERYTHING  
MAKE SENSE  
BEFORE YOUR  
HELP"??!

Maka...

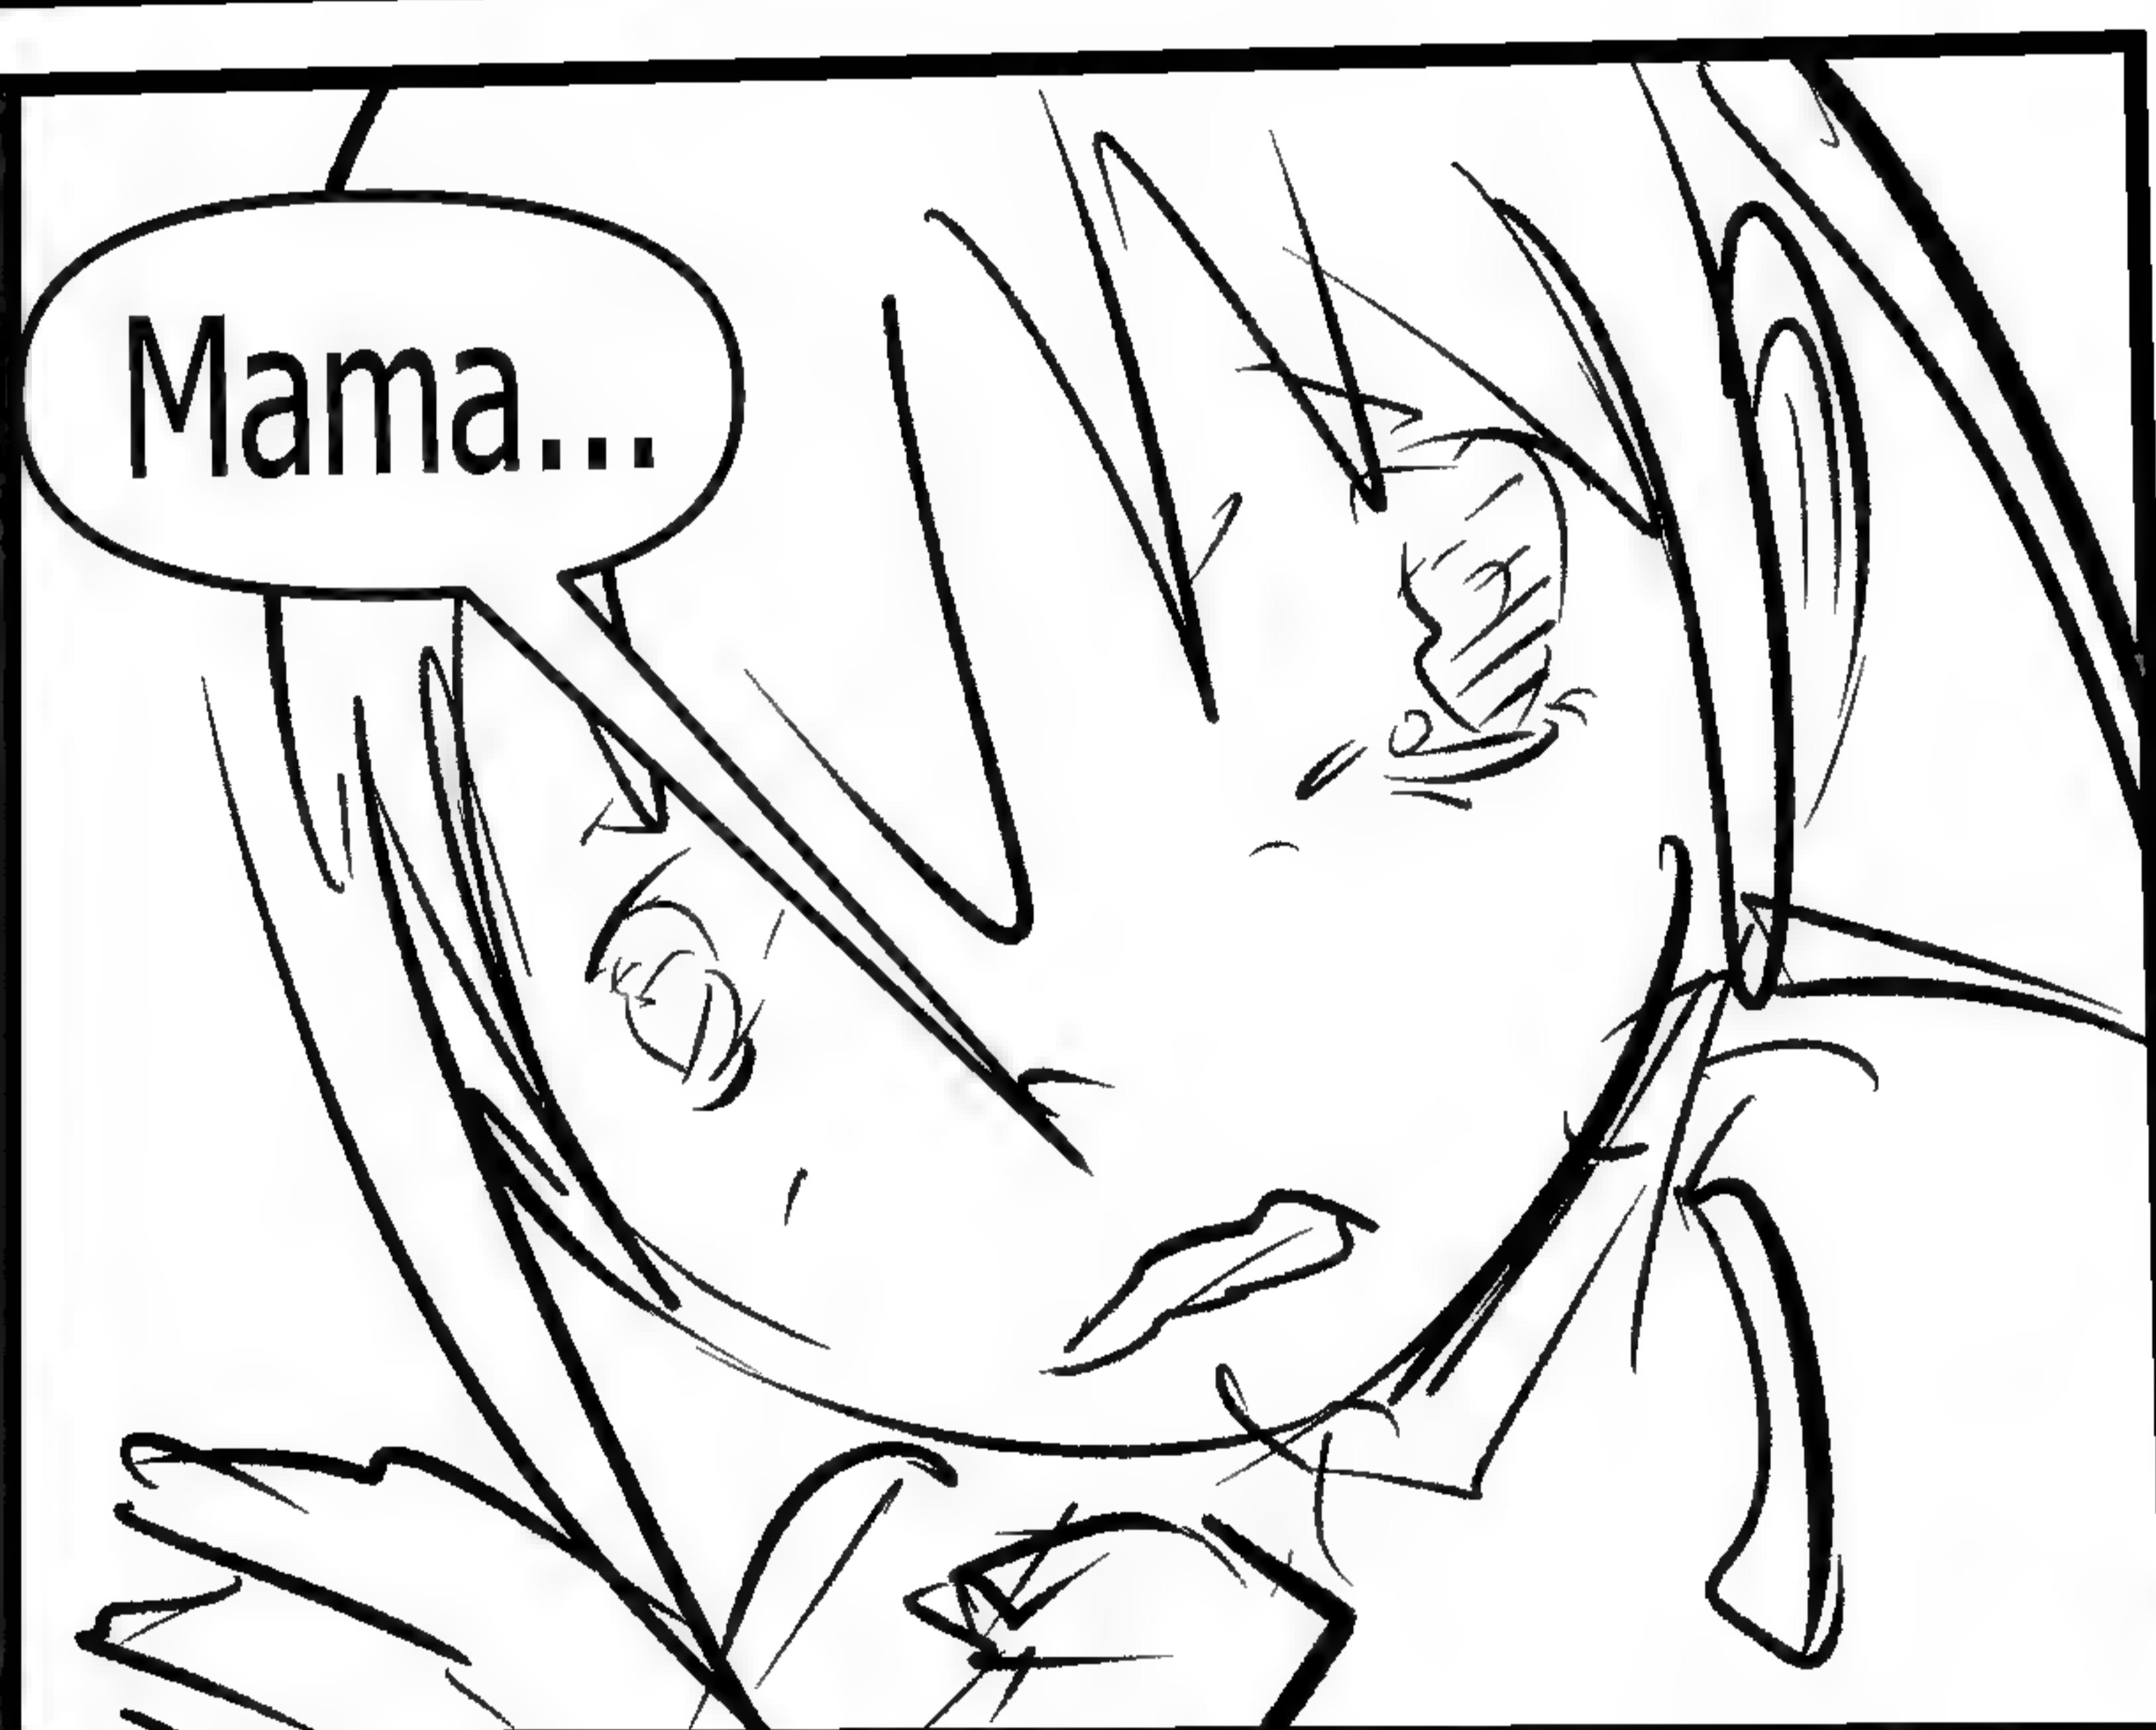

N-NO NO,  
DON'T LEAVE  
ME, NOT AGAIN!

I'm sorry,  
but this is  
how it has  
to be for  
now...

Mama...

Here a fresh  
kishinegg will  
cheer you up!

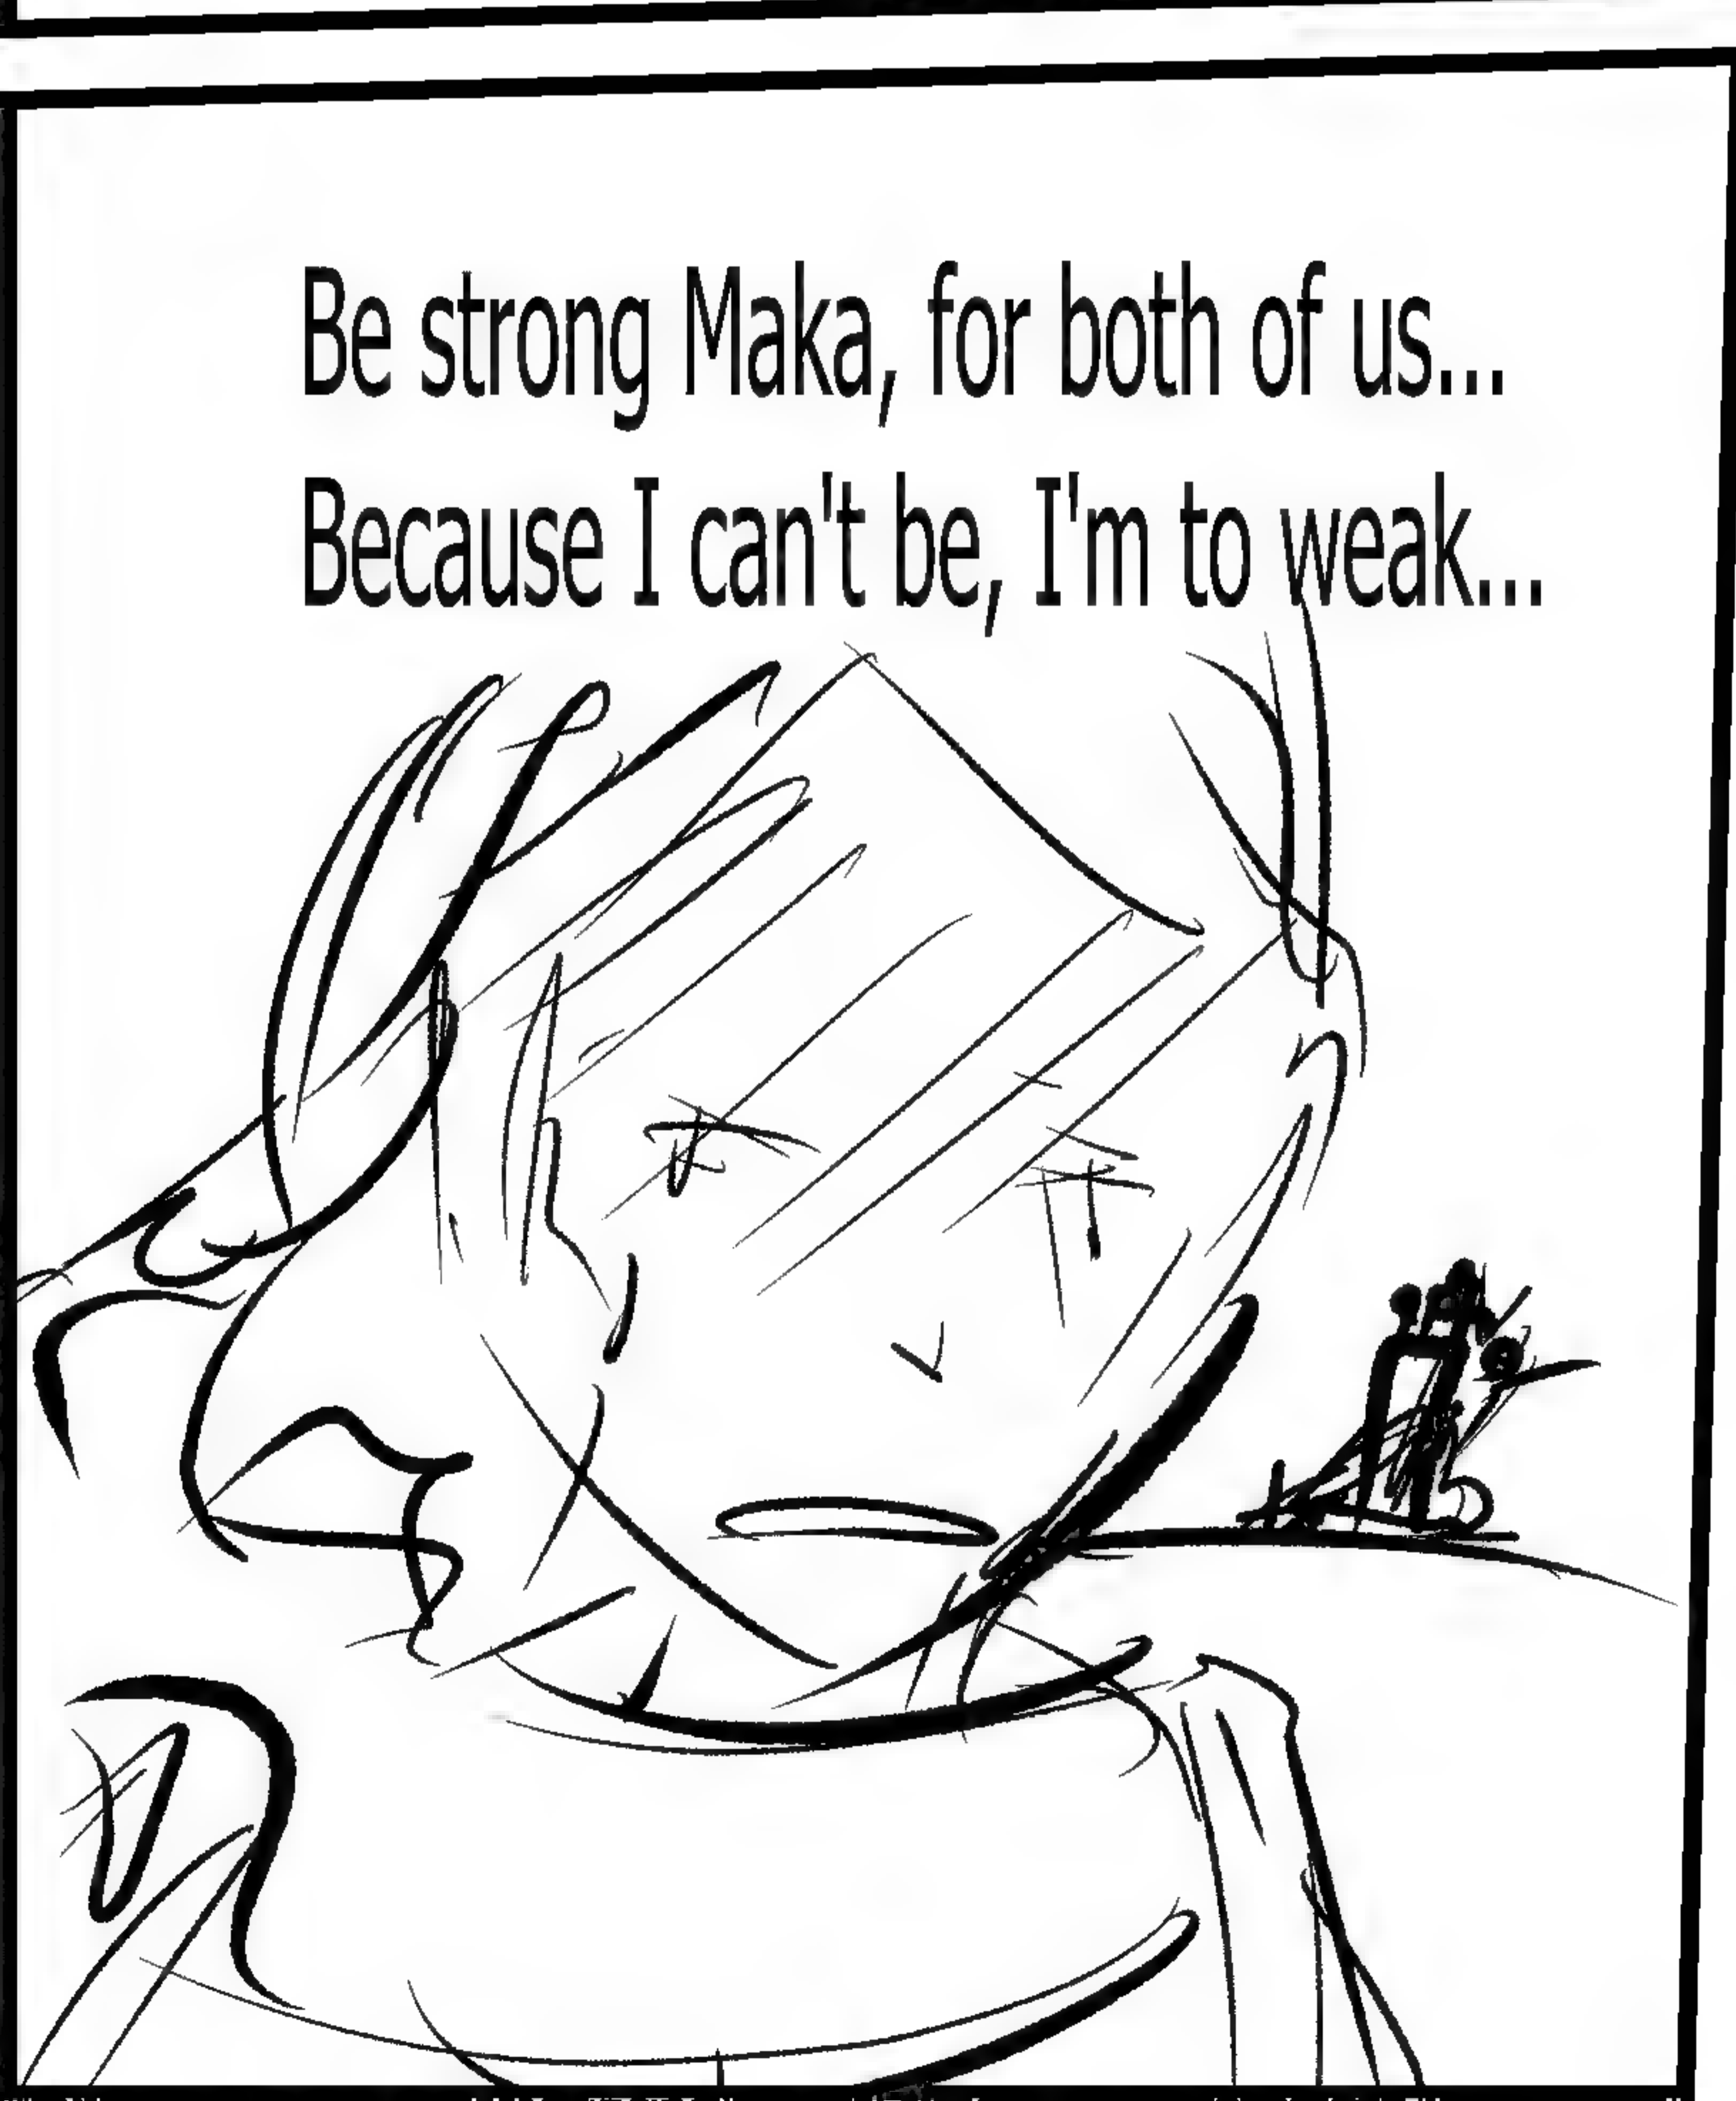

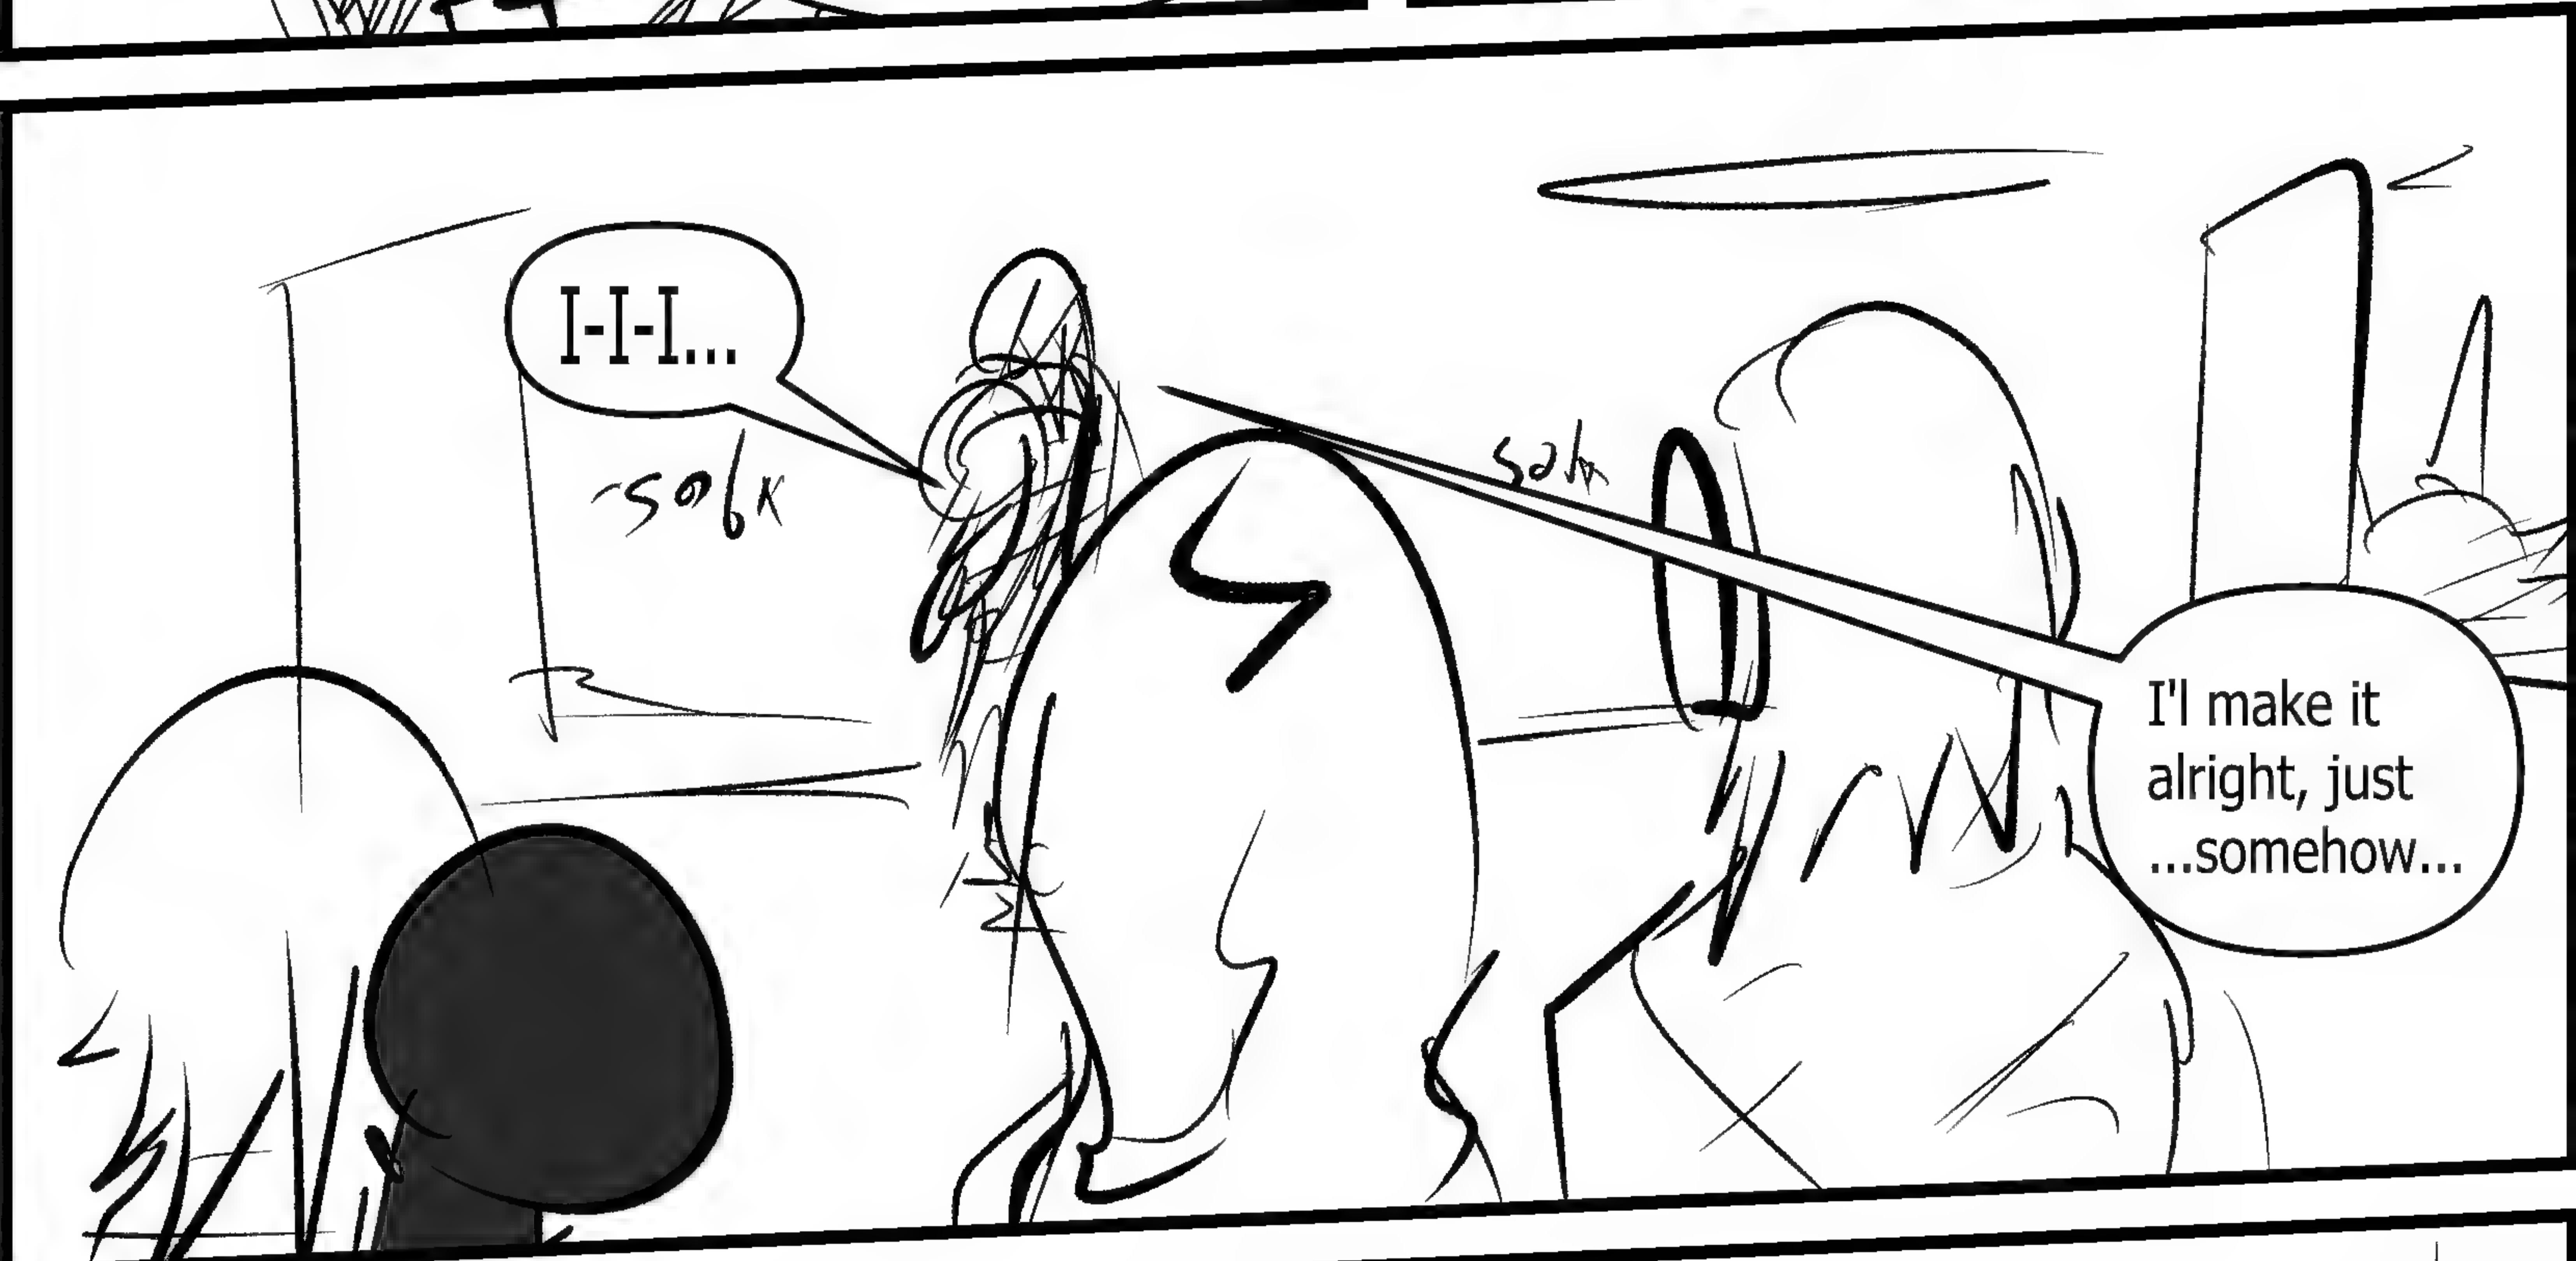

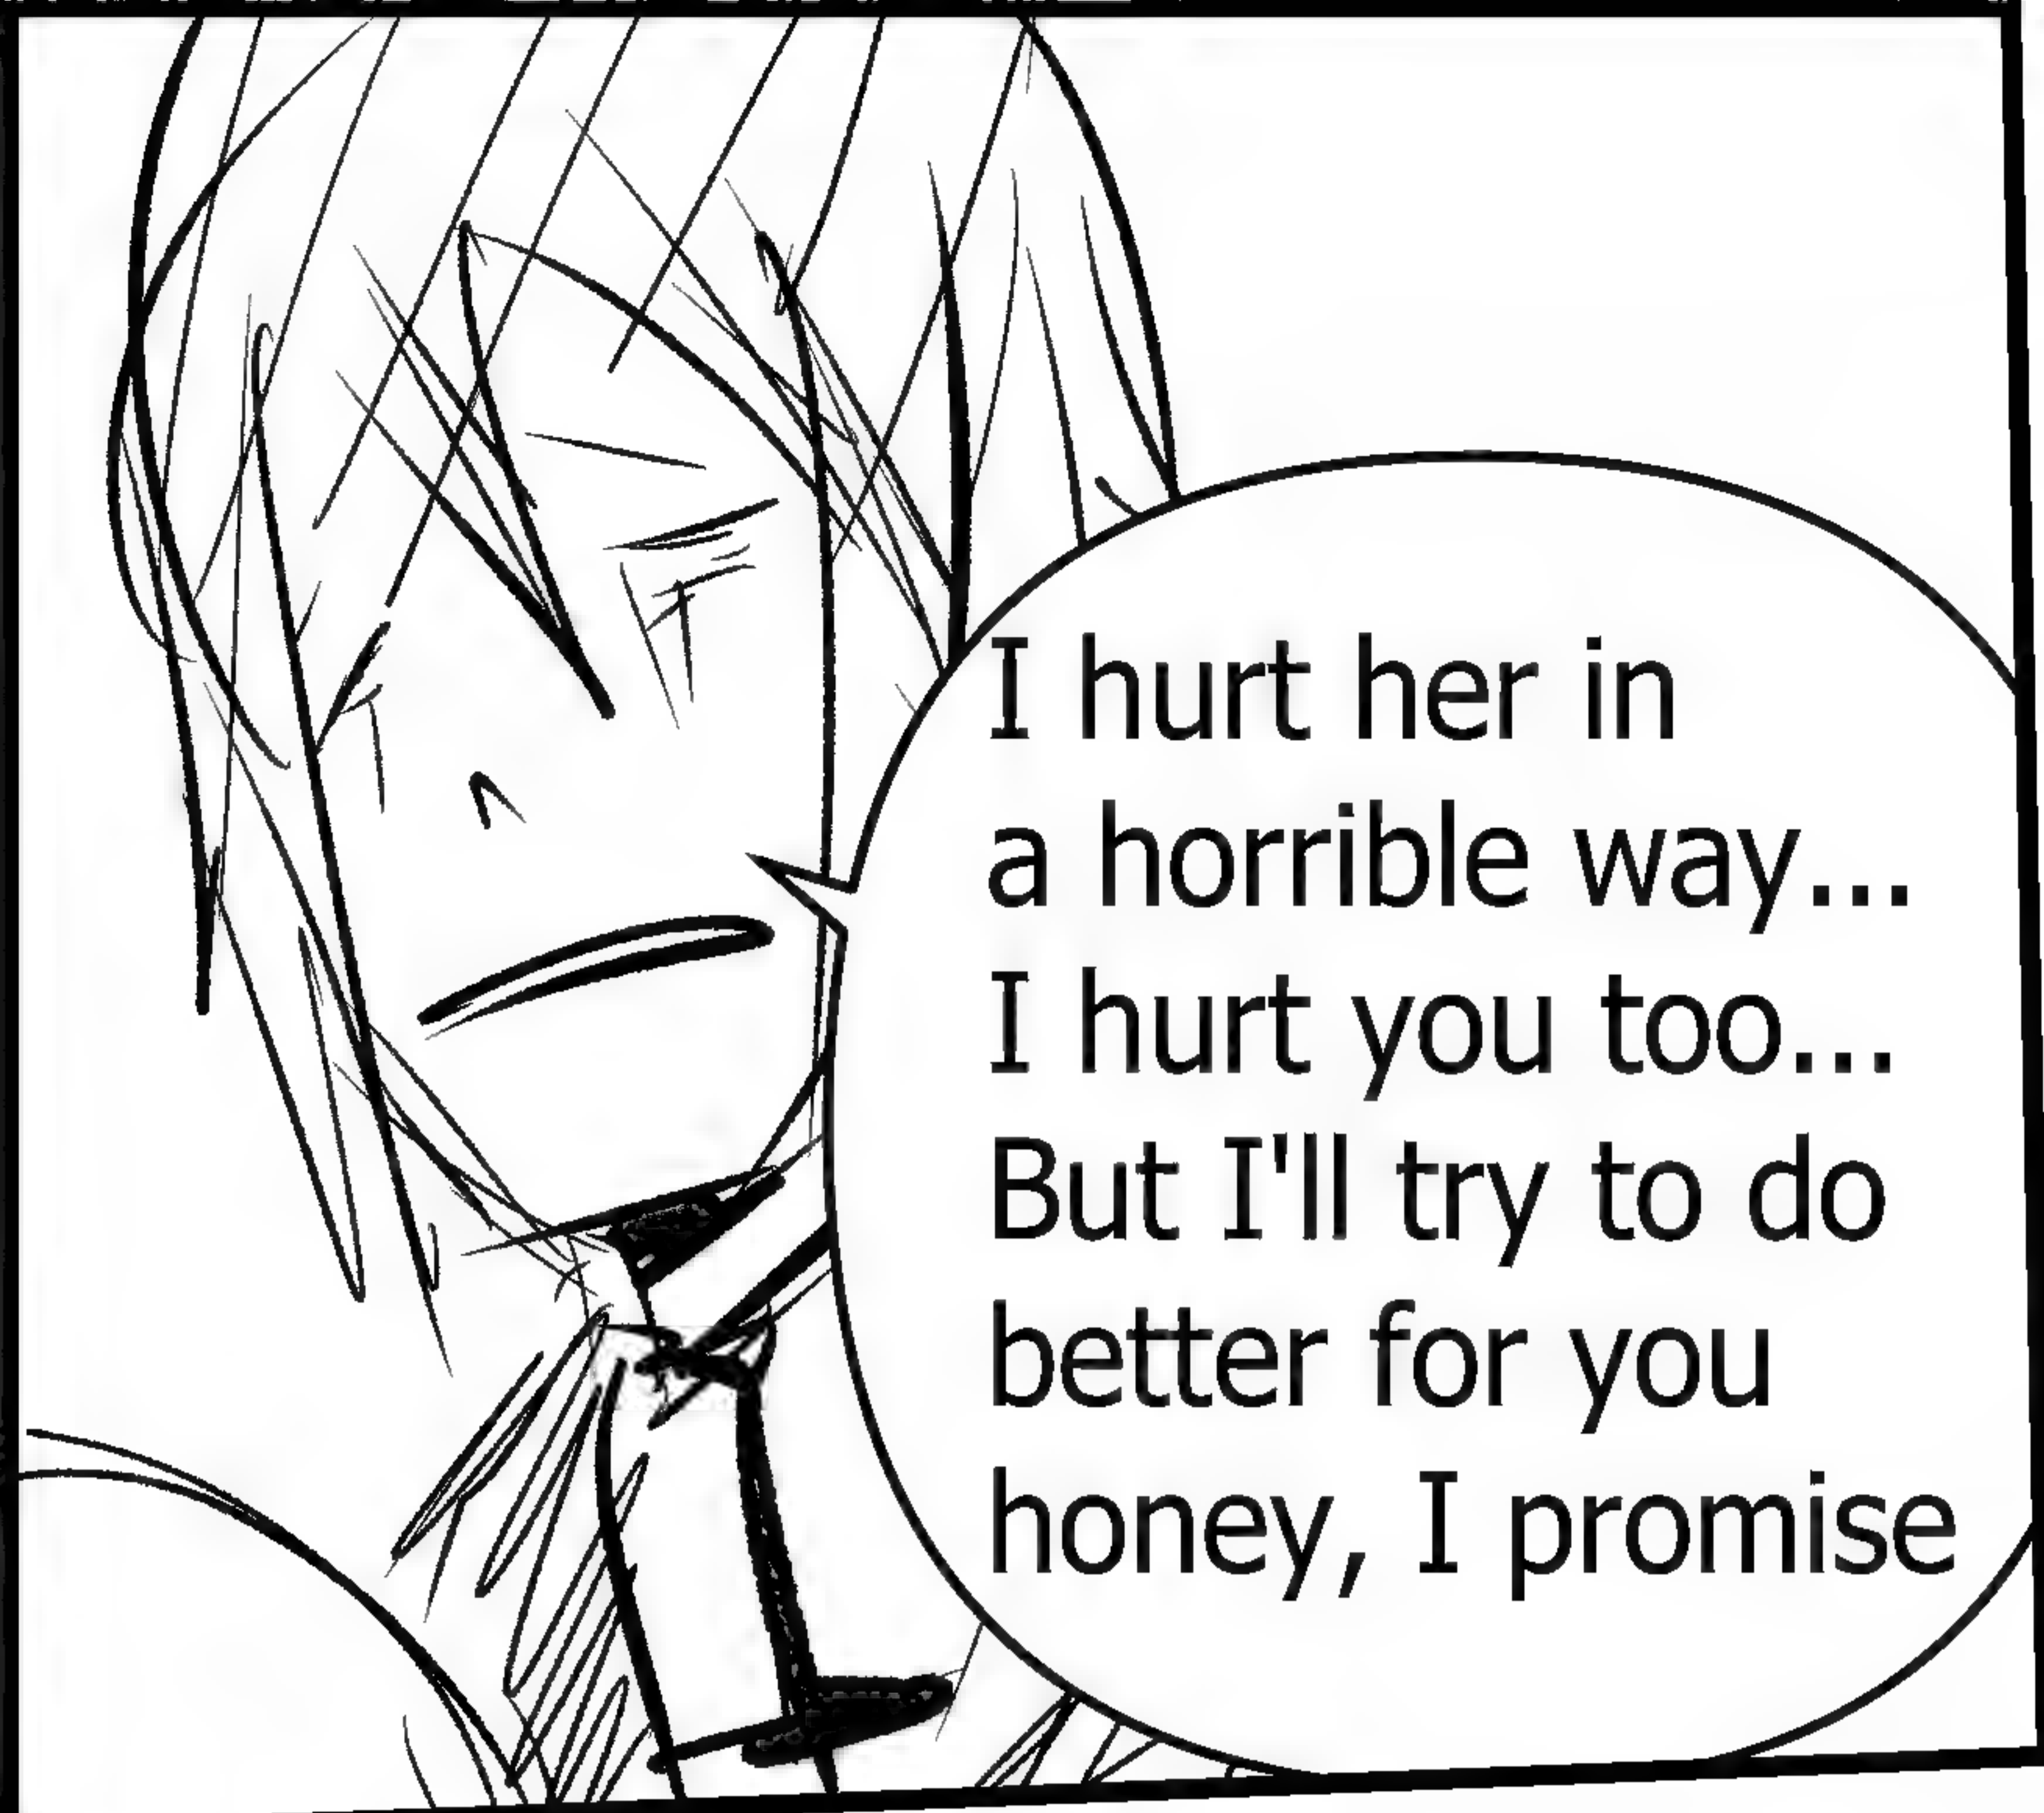

I don't  
want no  
stupid-!

Yeez I was  
just trynna  
to help!

Maka my angel,  
please don't cry!

Later...

\*sob\*

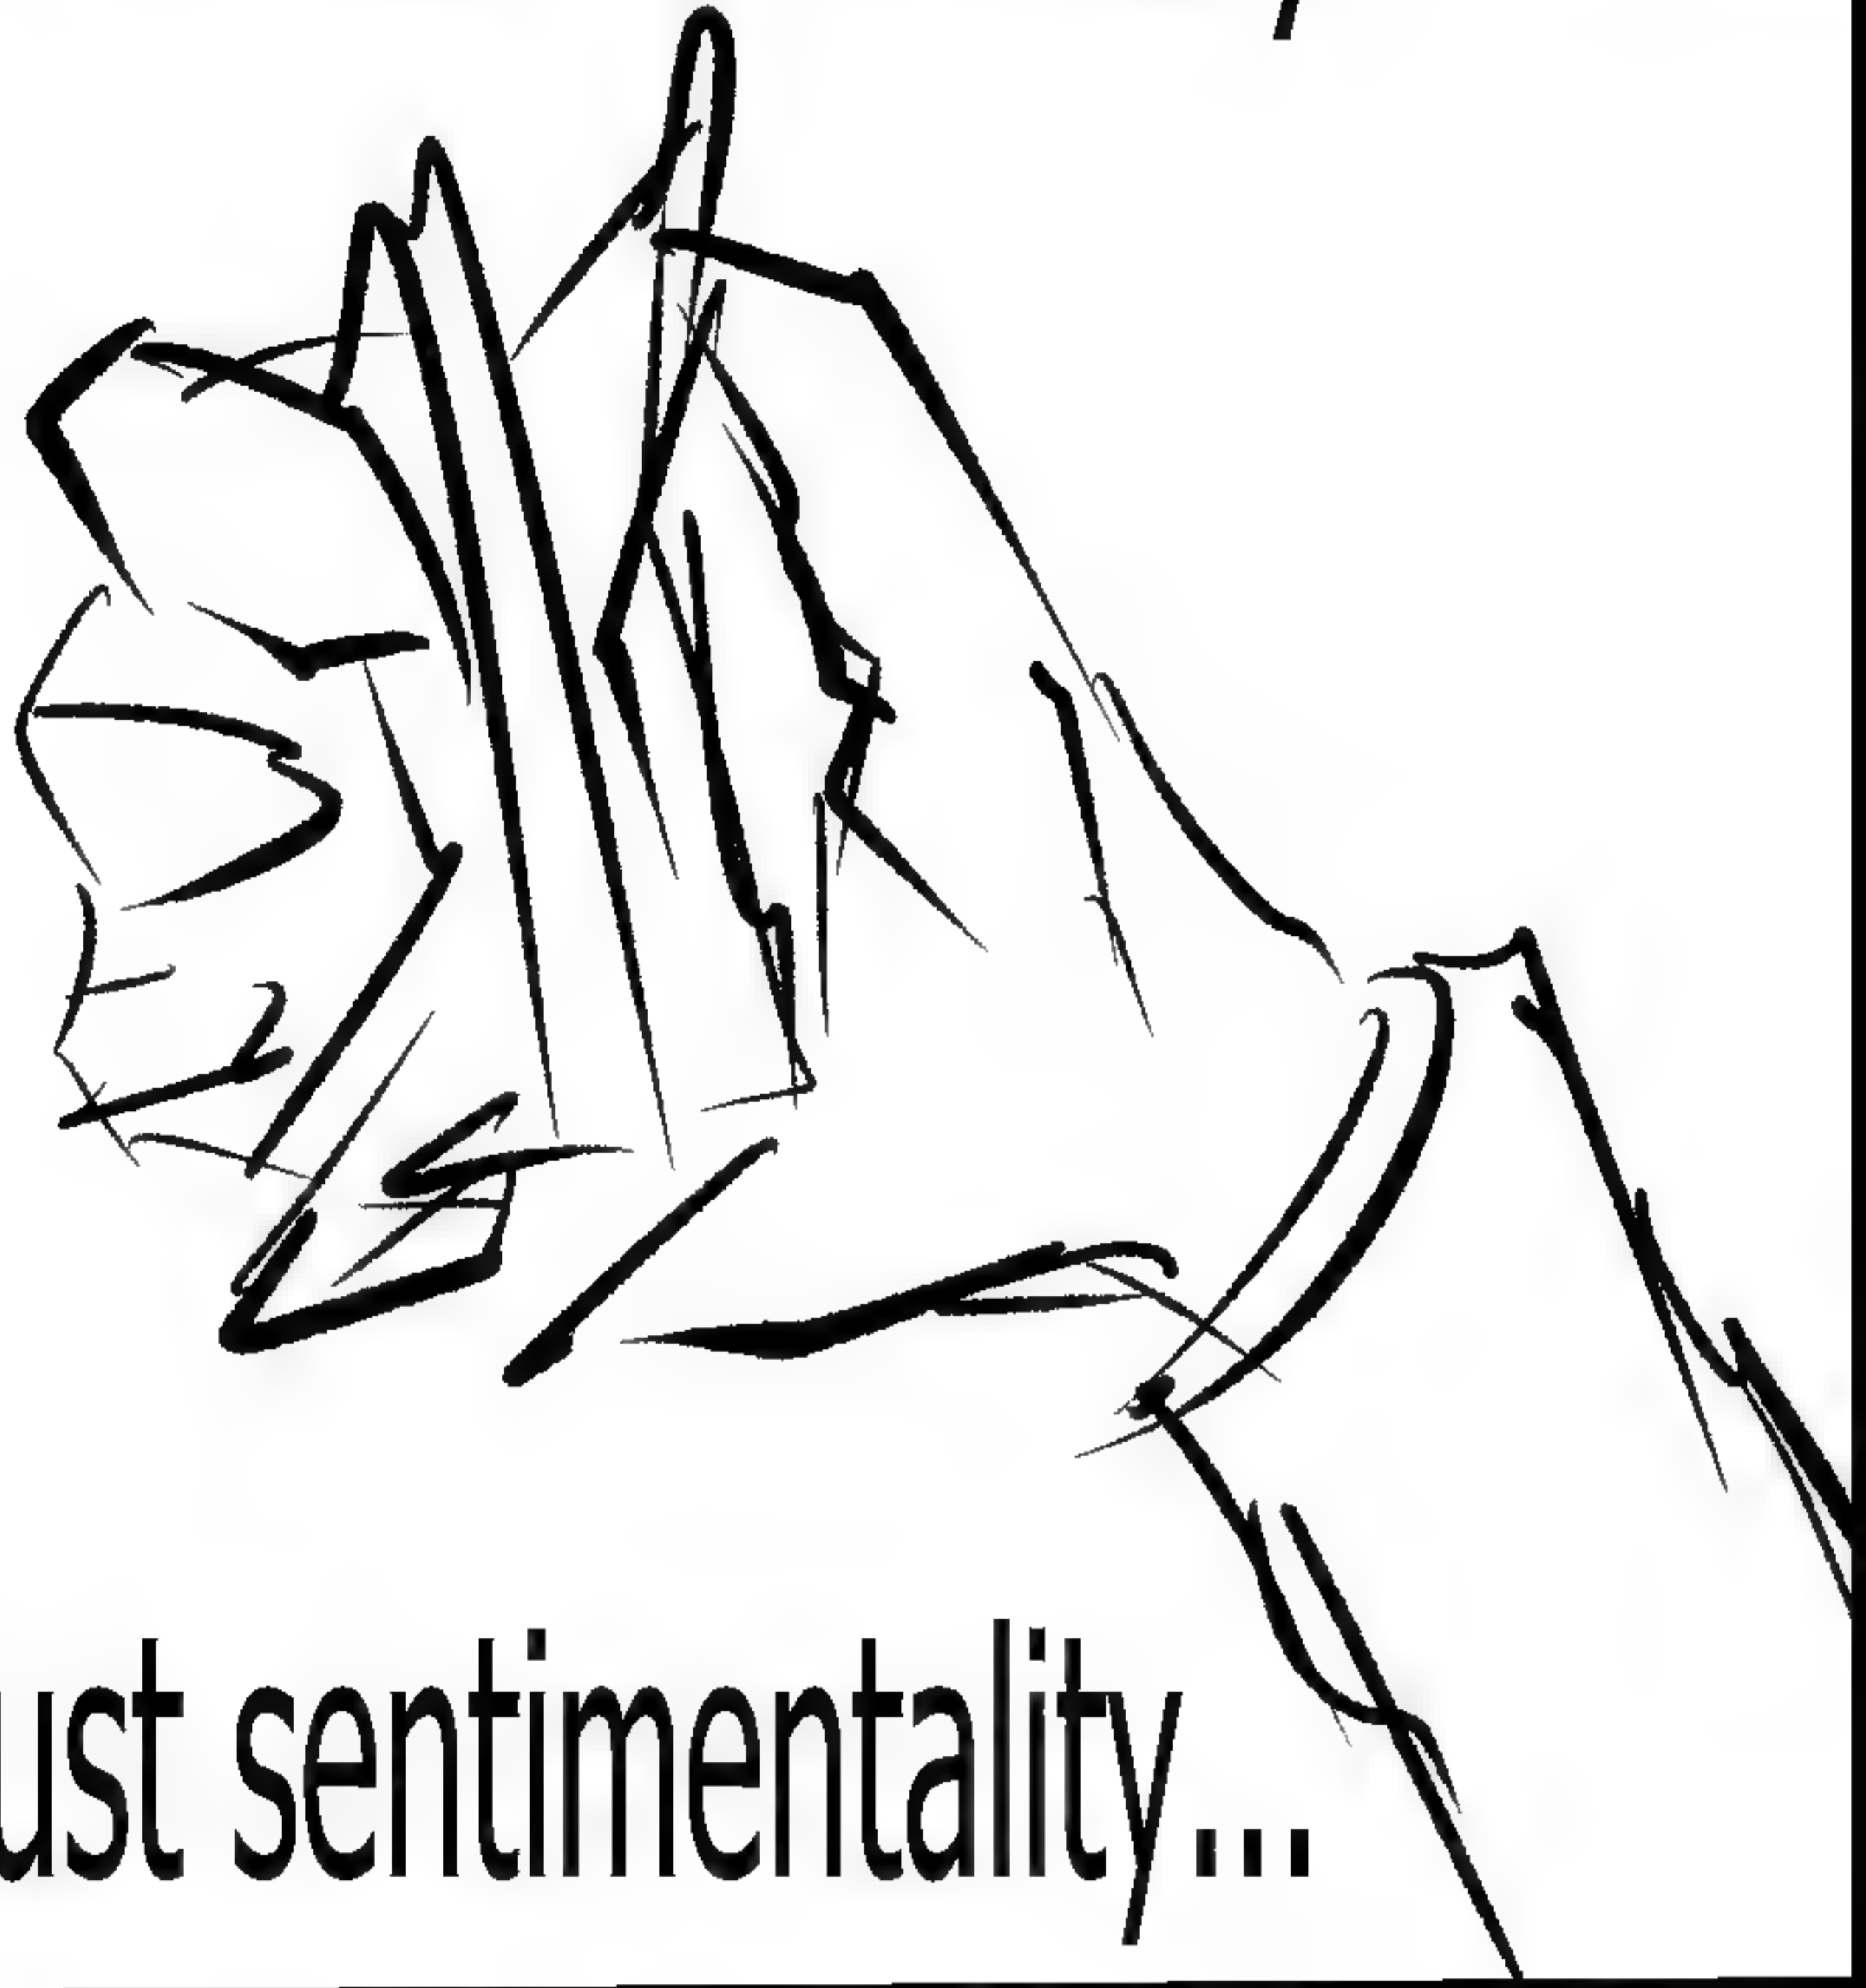

I thought I had it all  
figured out...

Had all  
I need...

\*CRUNCH\*

But at the end  
I'm the same  
crying little  
girl that doesn't  
understand  
anything...

A fist full of bravery?

All just sentimentality...

How did I have the courage to defeat the kishin,

yet I'm scared of something I don't even fully get?

What does  
it mean?

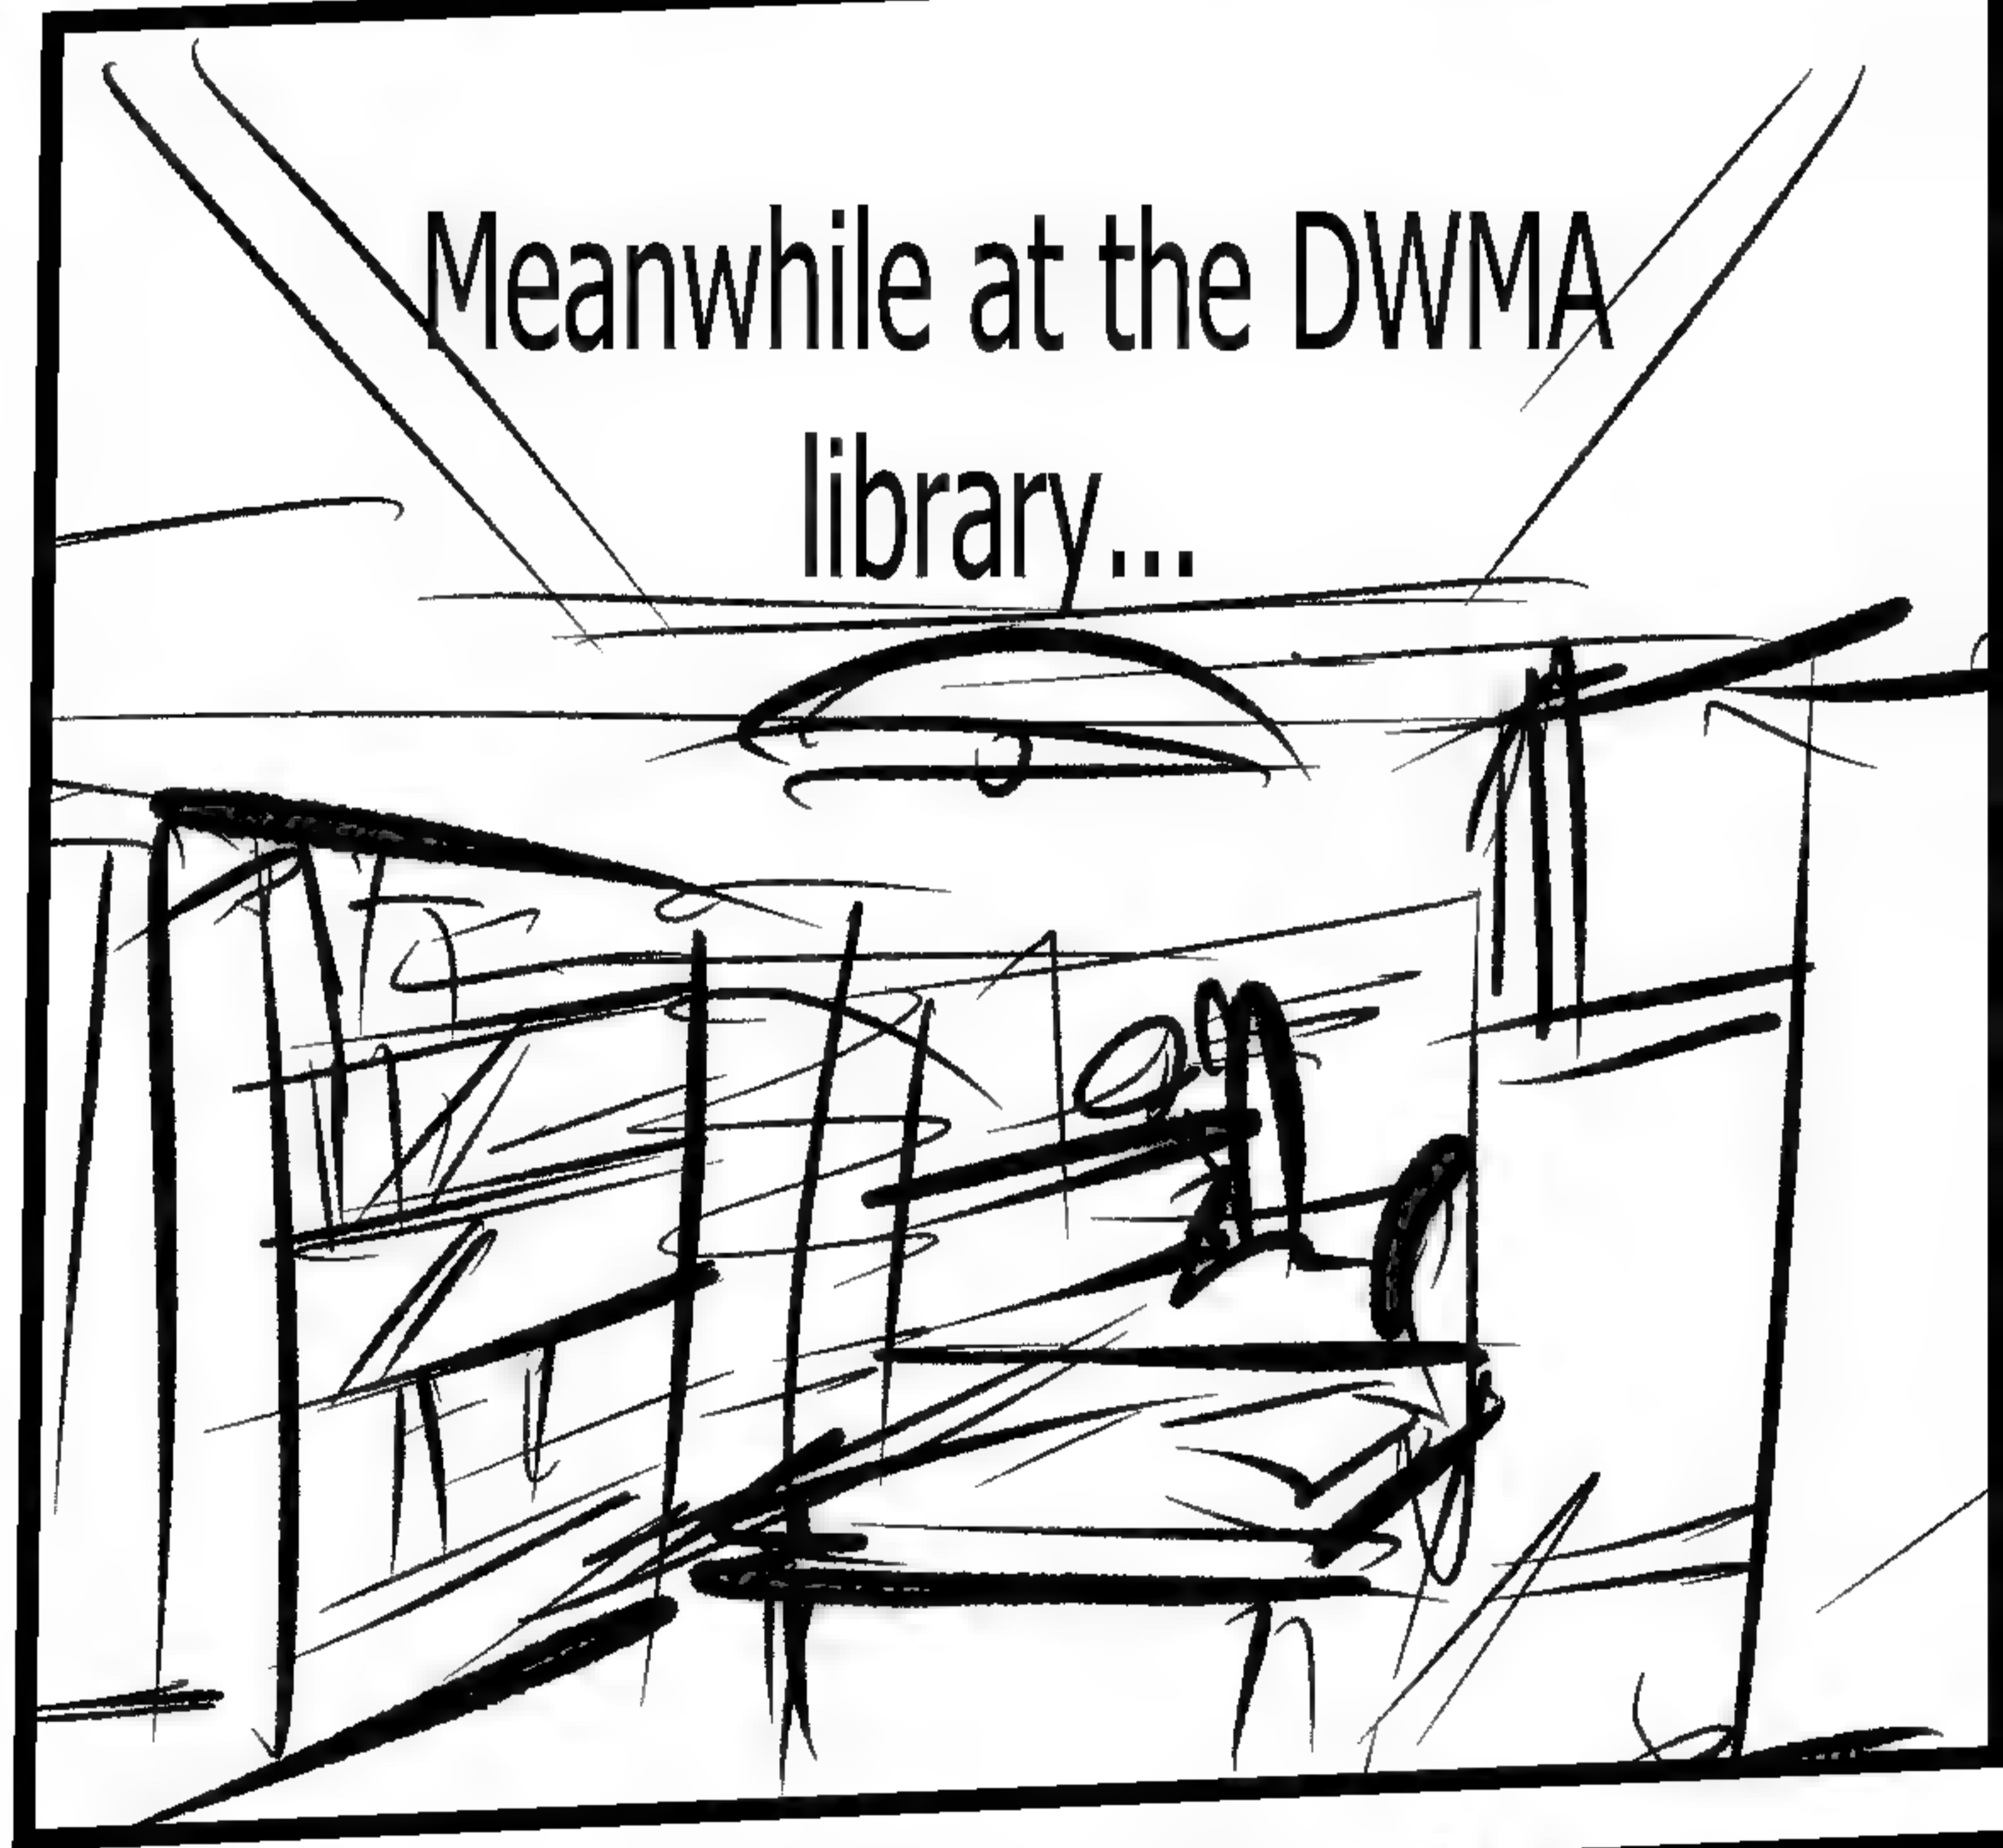

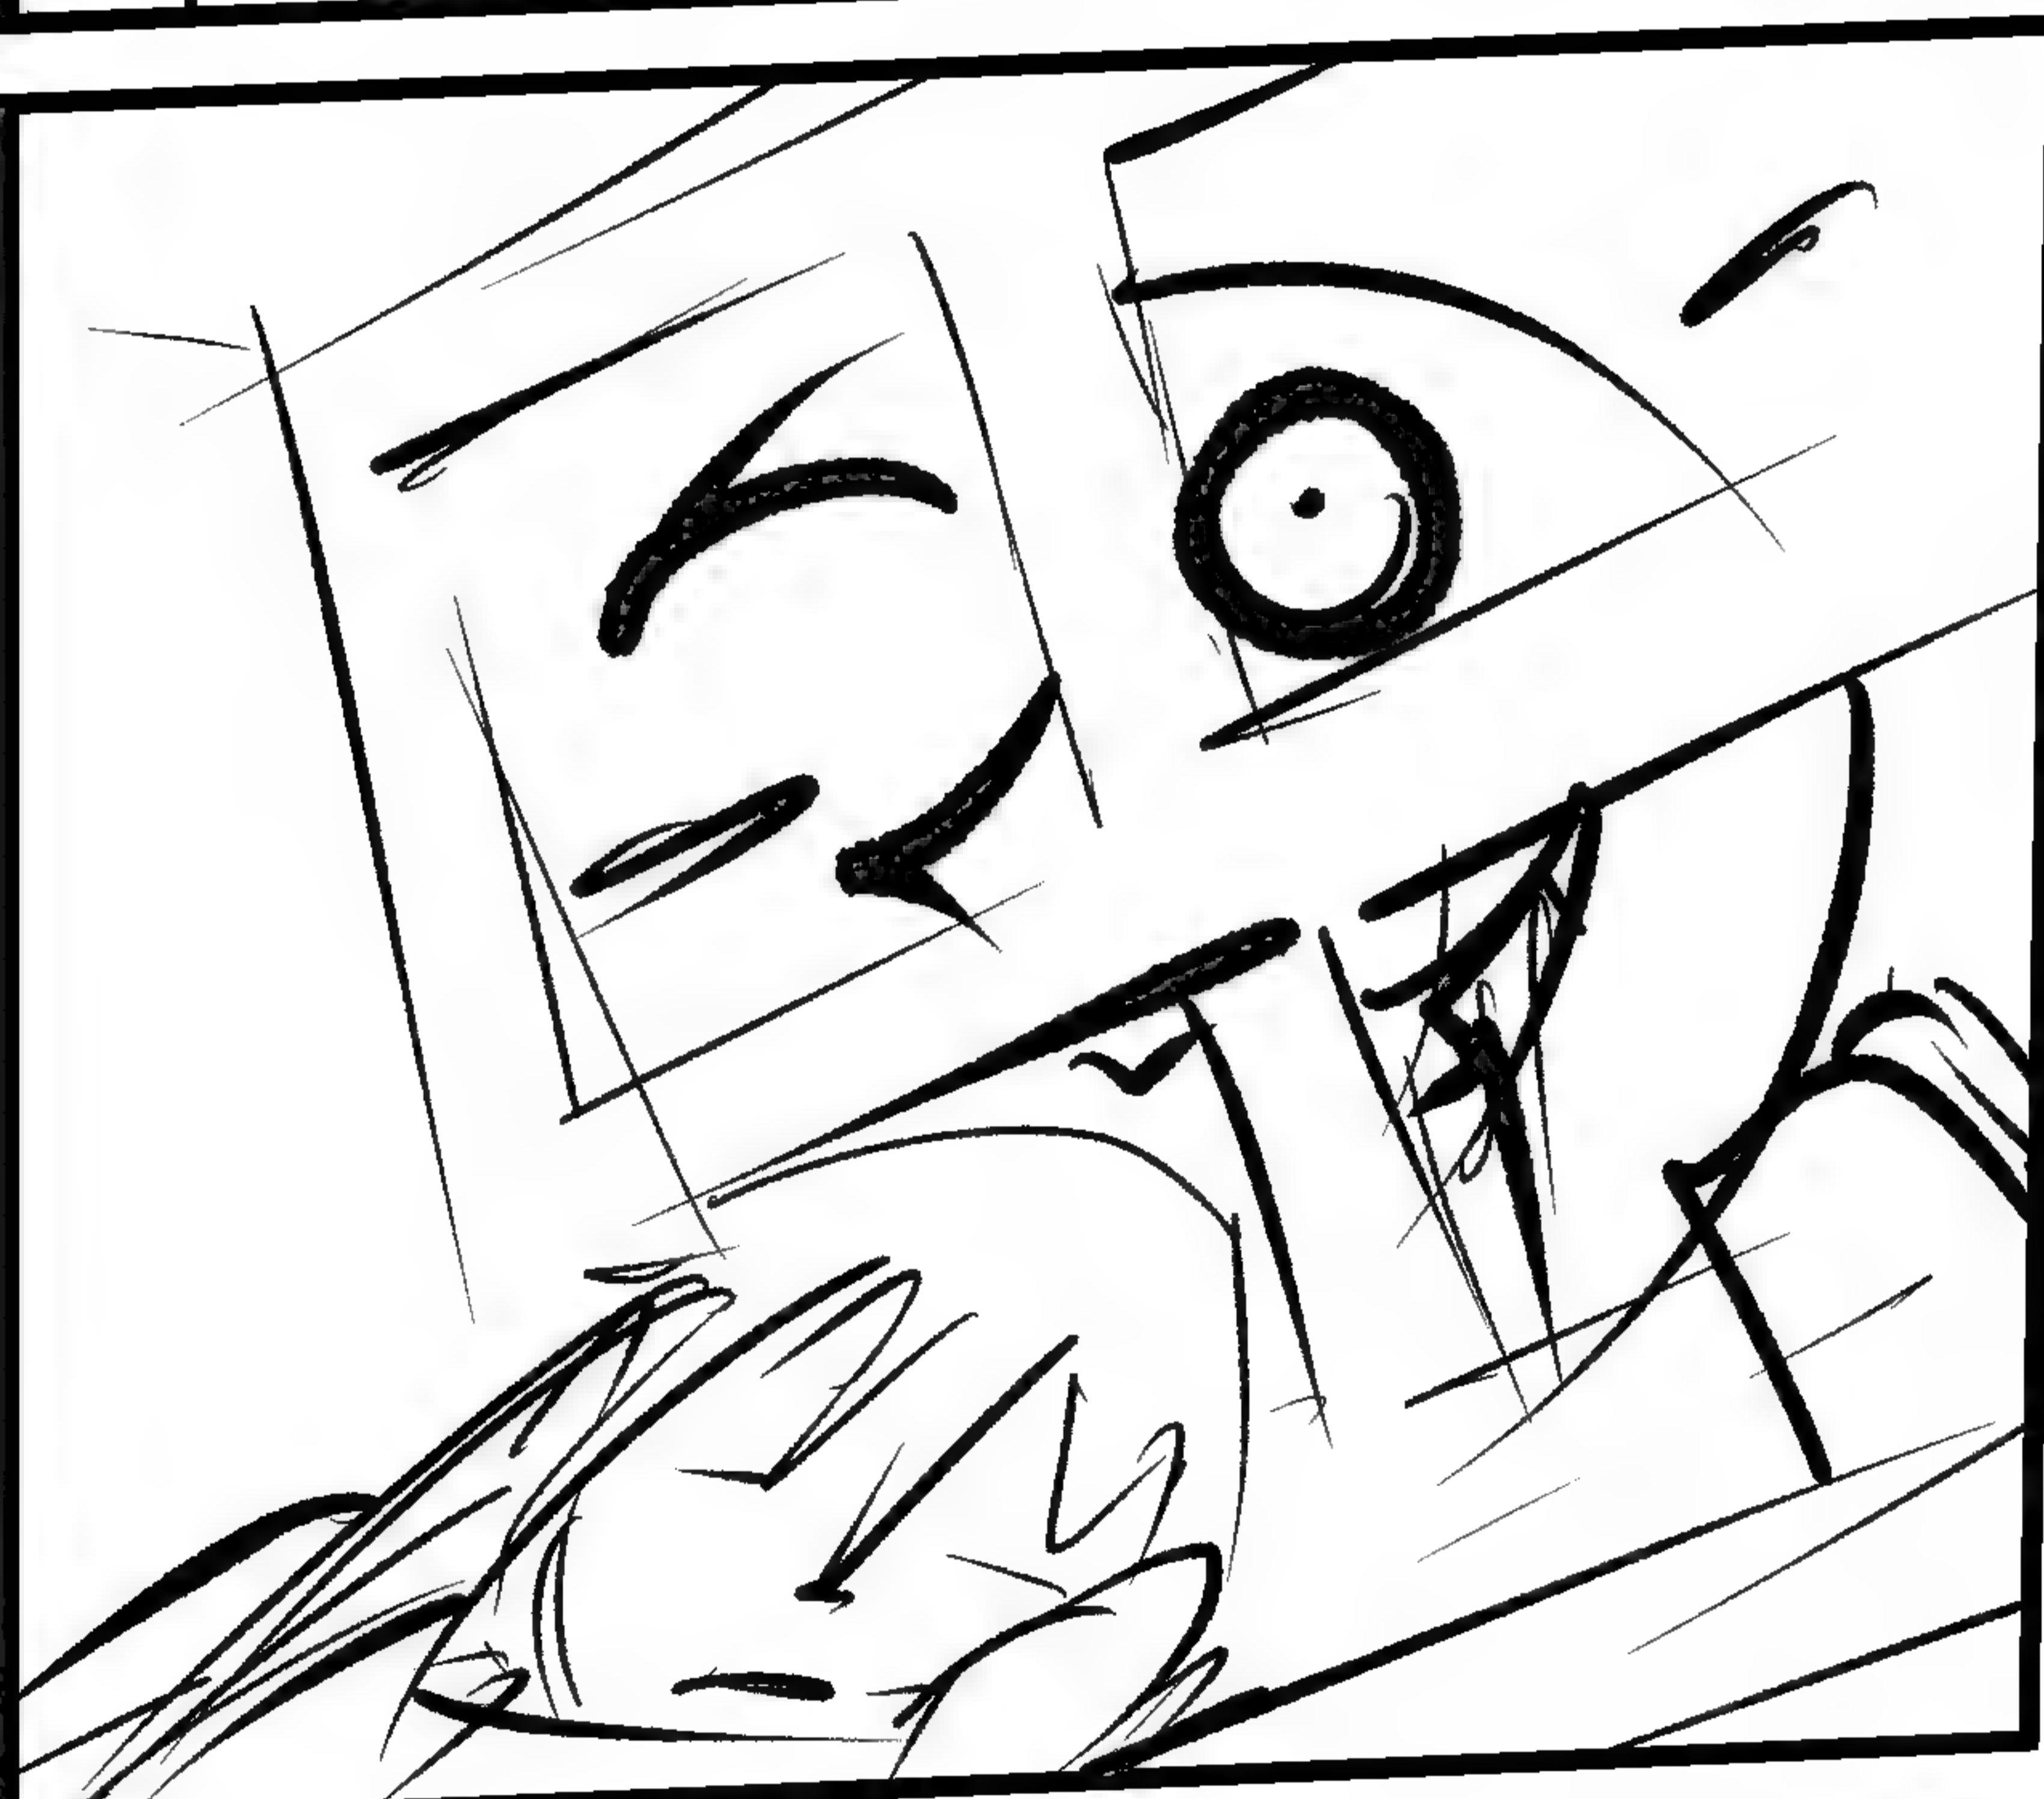

Maybe I need  
to be alone  
for a bit...

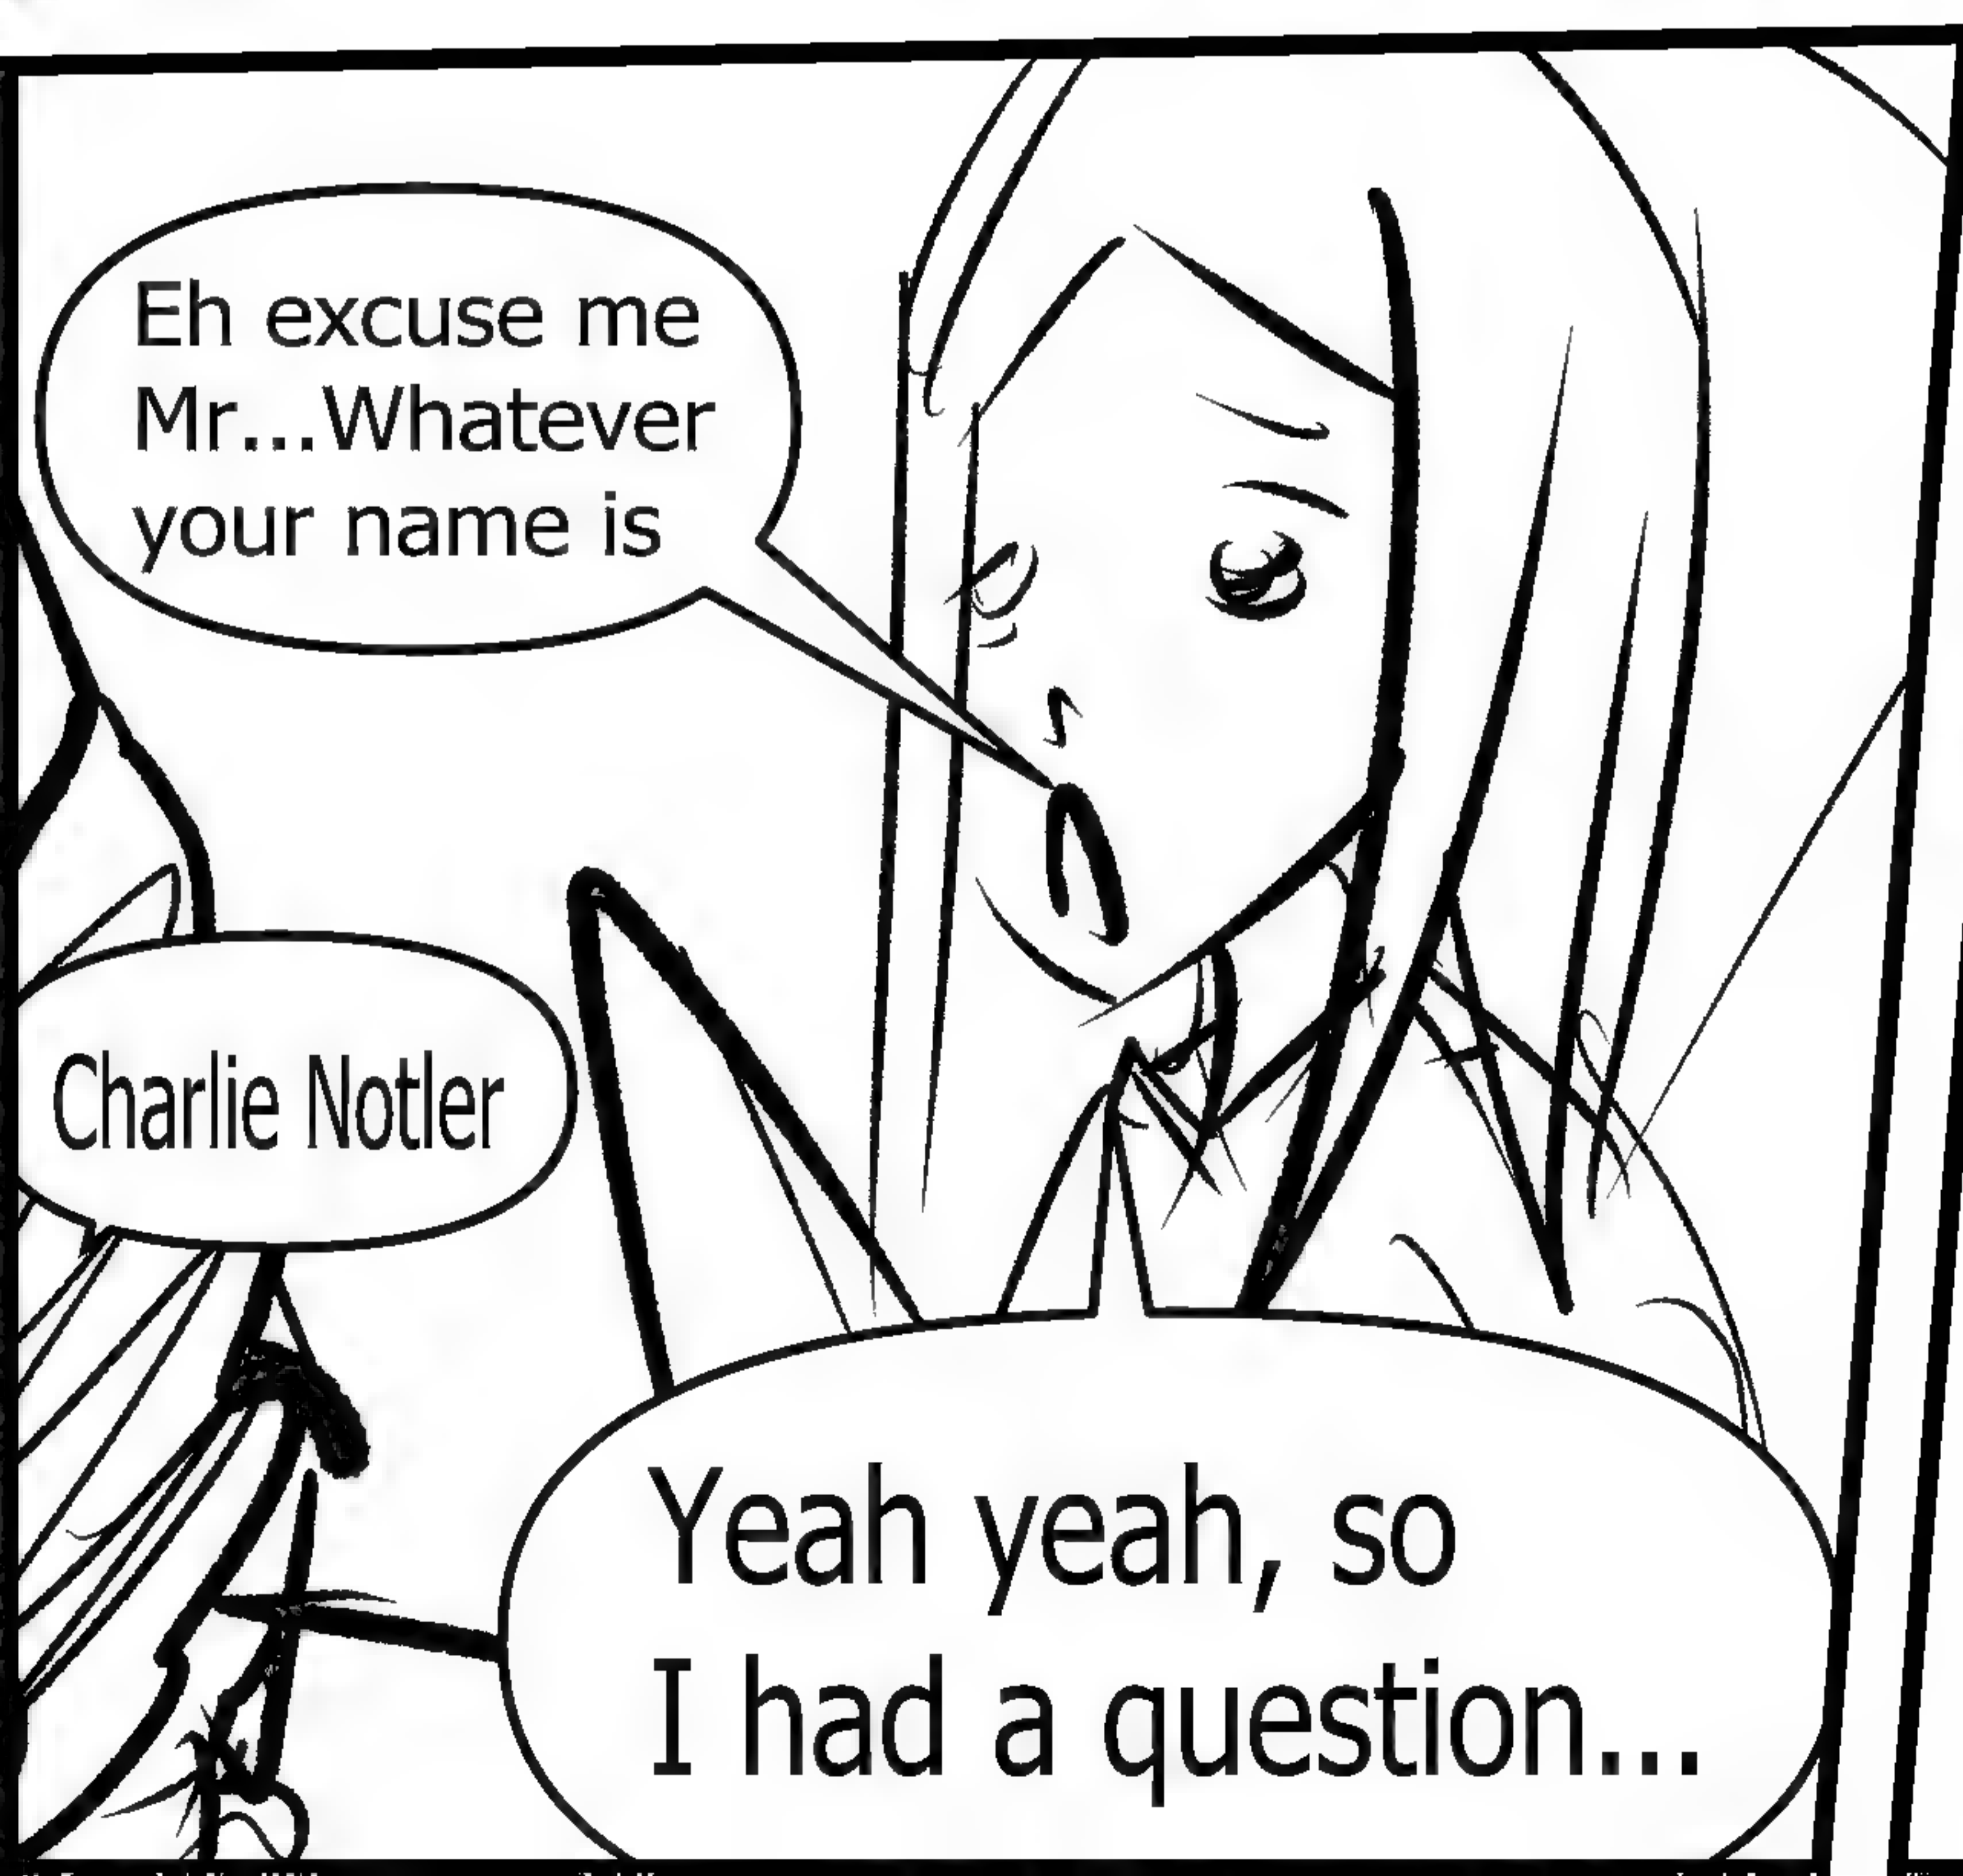

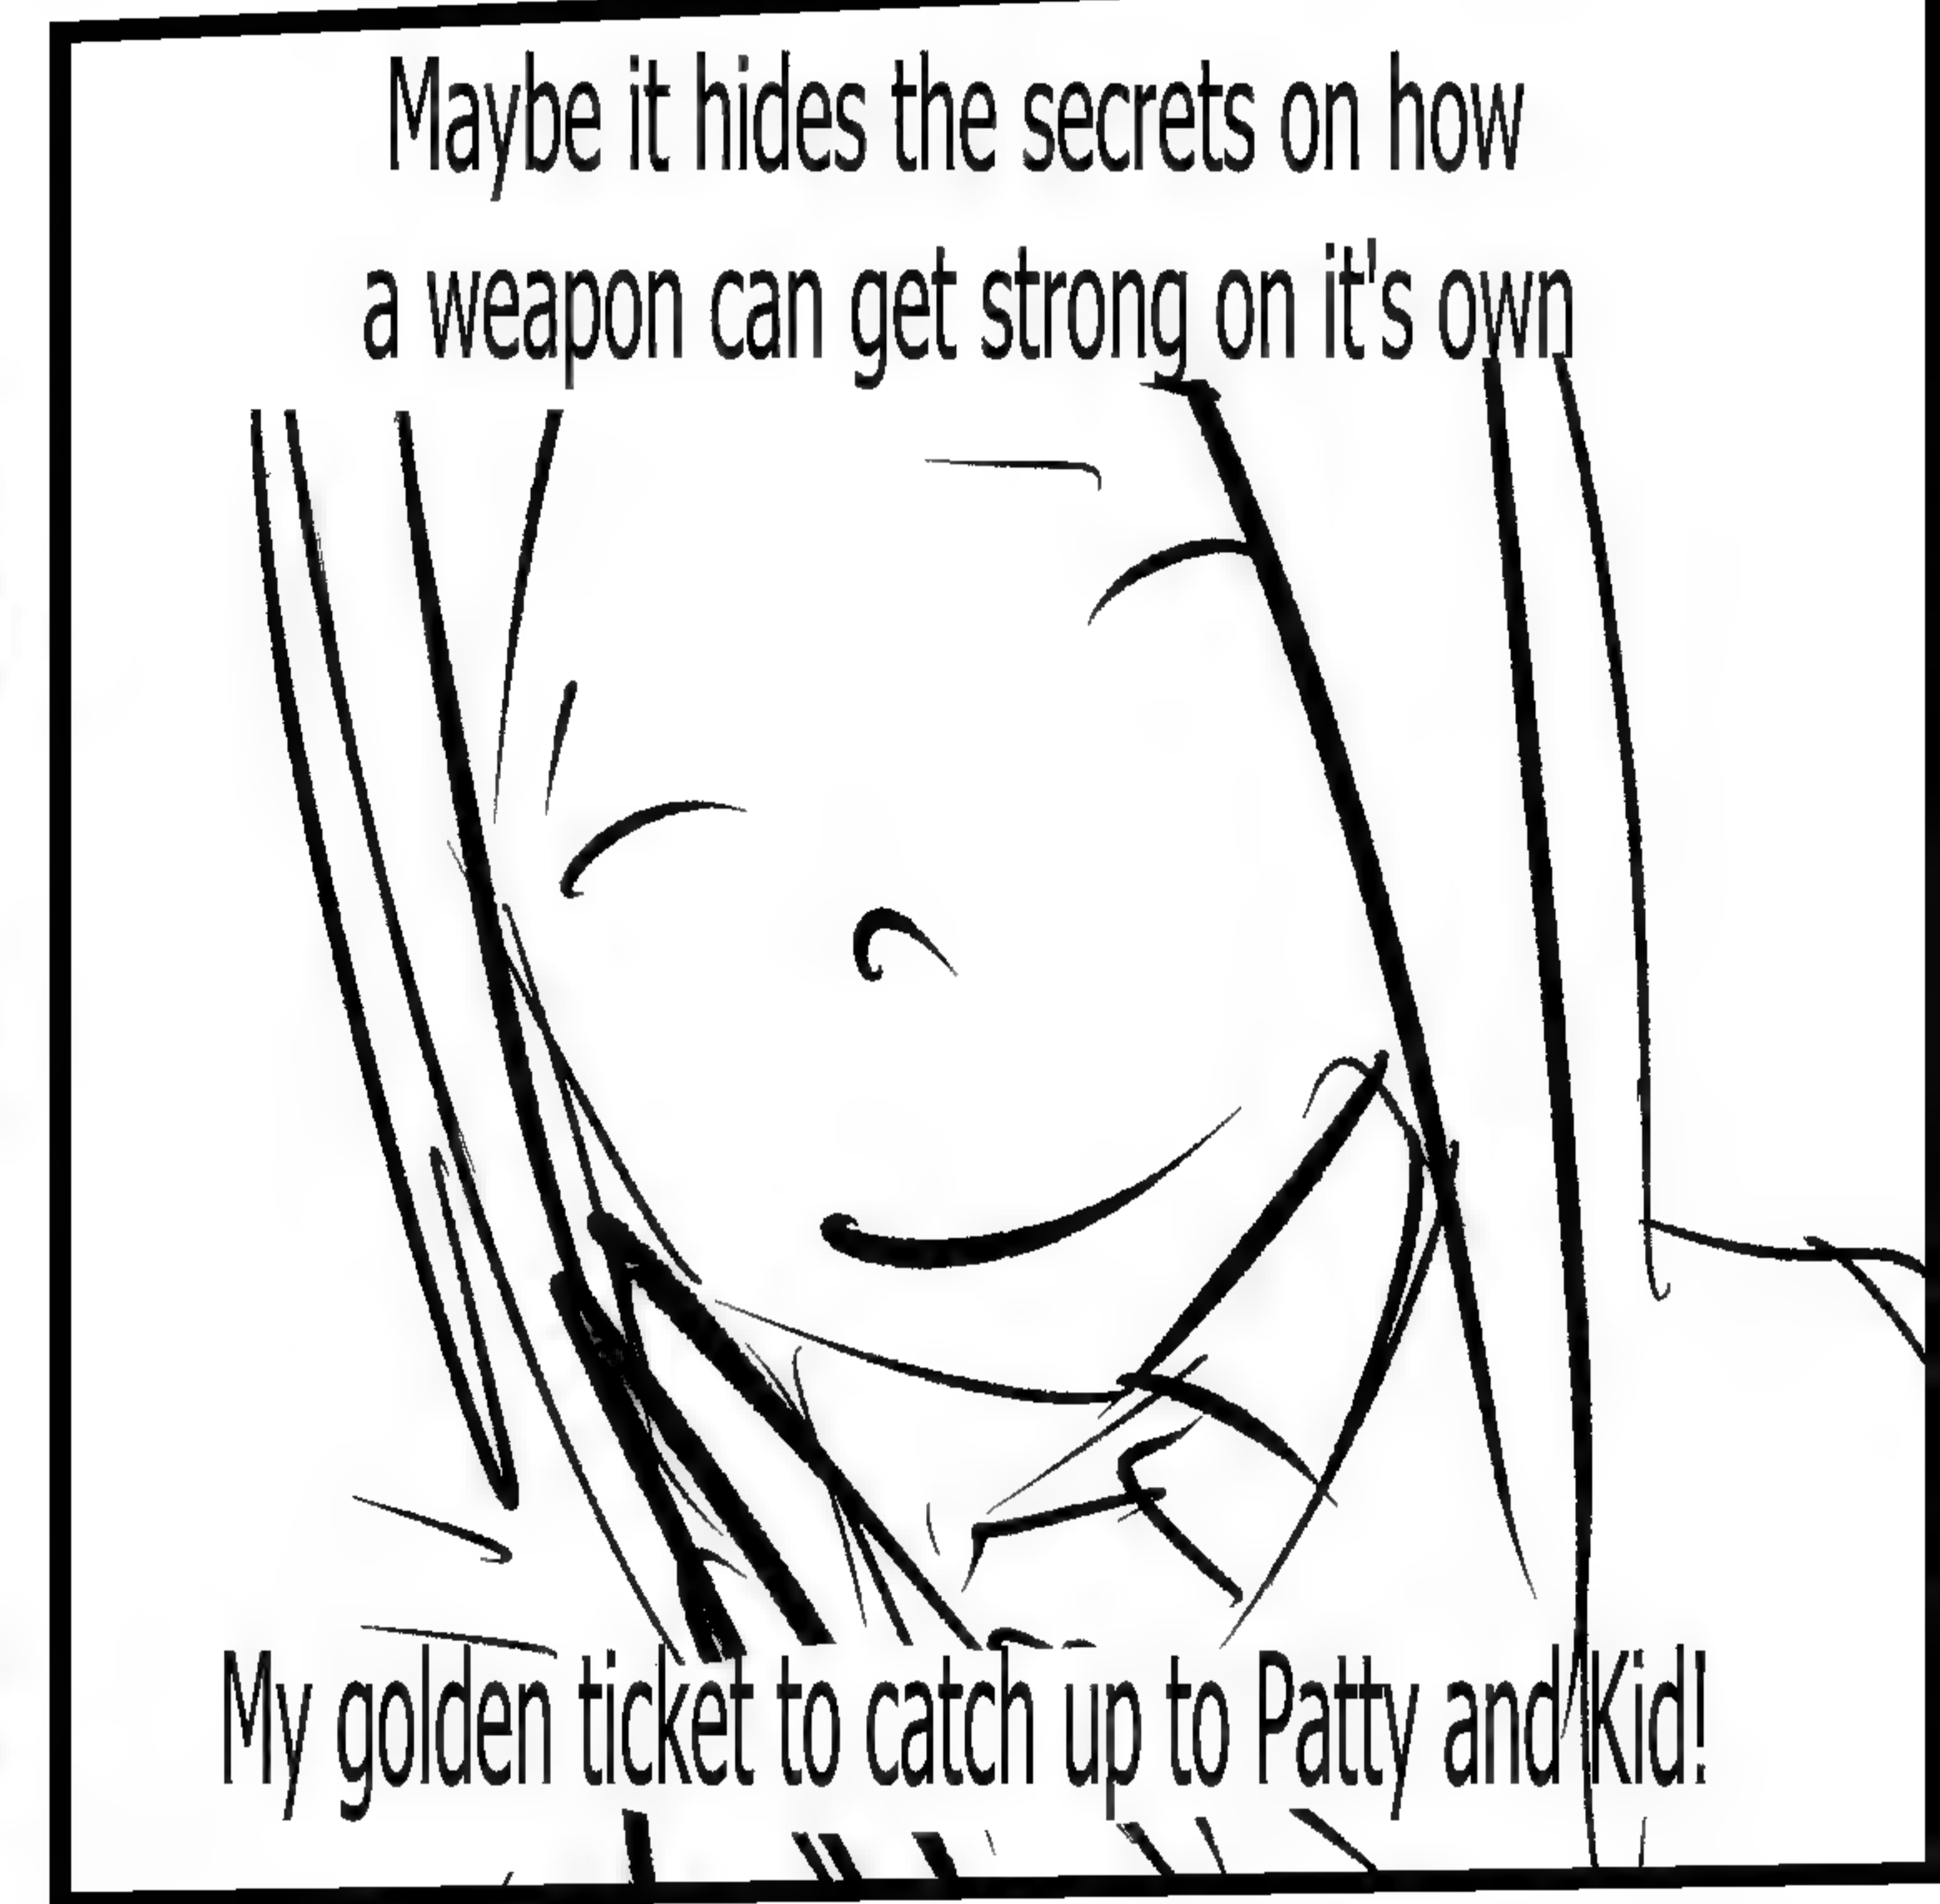

I-is  
Maka  
alright?

H-hopefully,  
she seems  
to have calmed  
down a bit, but  
I think she wants  
to not be bothered  
anymore for now...

Oh...ok...

Oh that one?  
Haha, I assure  
you it isn't of  
any concern  
to you, it talks  
about more than  
merely the frivolous  
fabrics of fancy  
clothes and other  
vanities

What is that  
supposed to  
mean!??

I'm THE weapon of  
the successor of  
Lord Death himself!

So you better  
not start  
actin' funny  
with me!

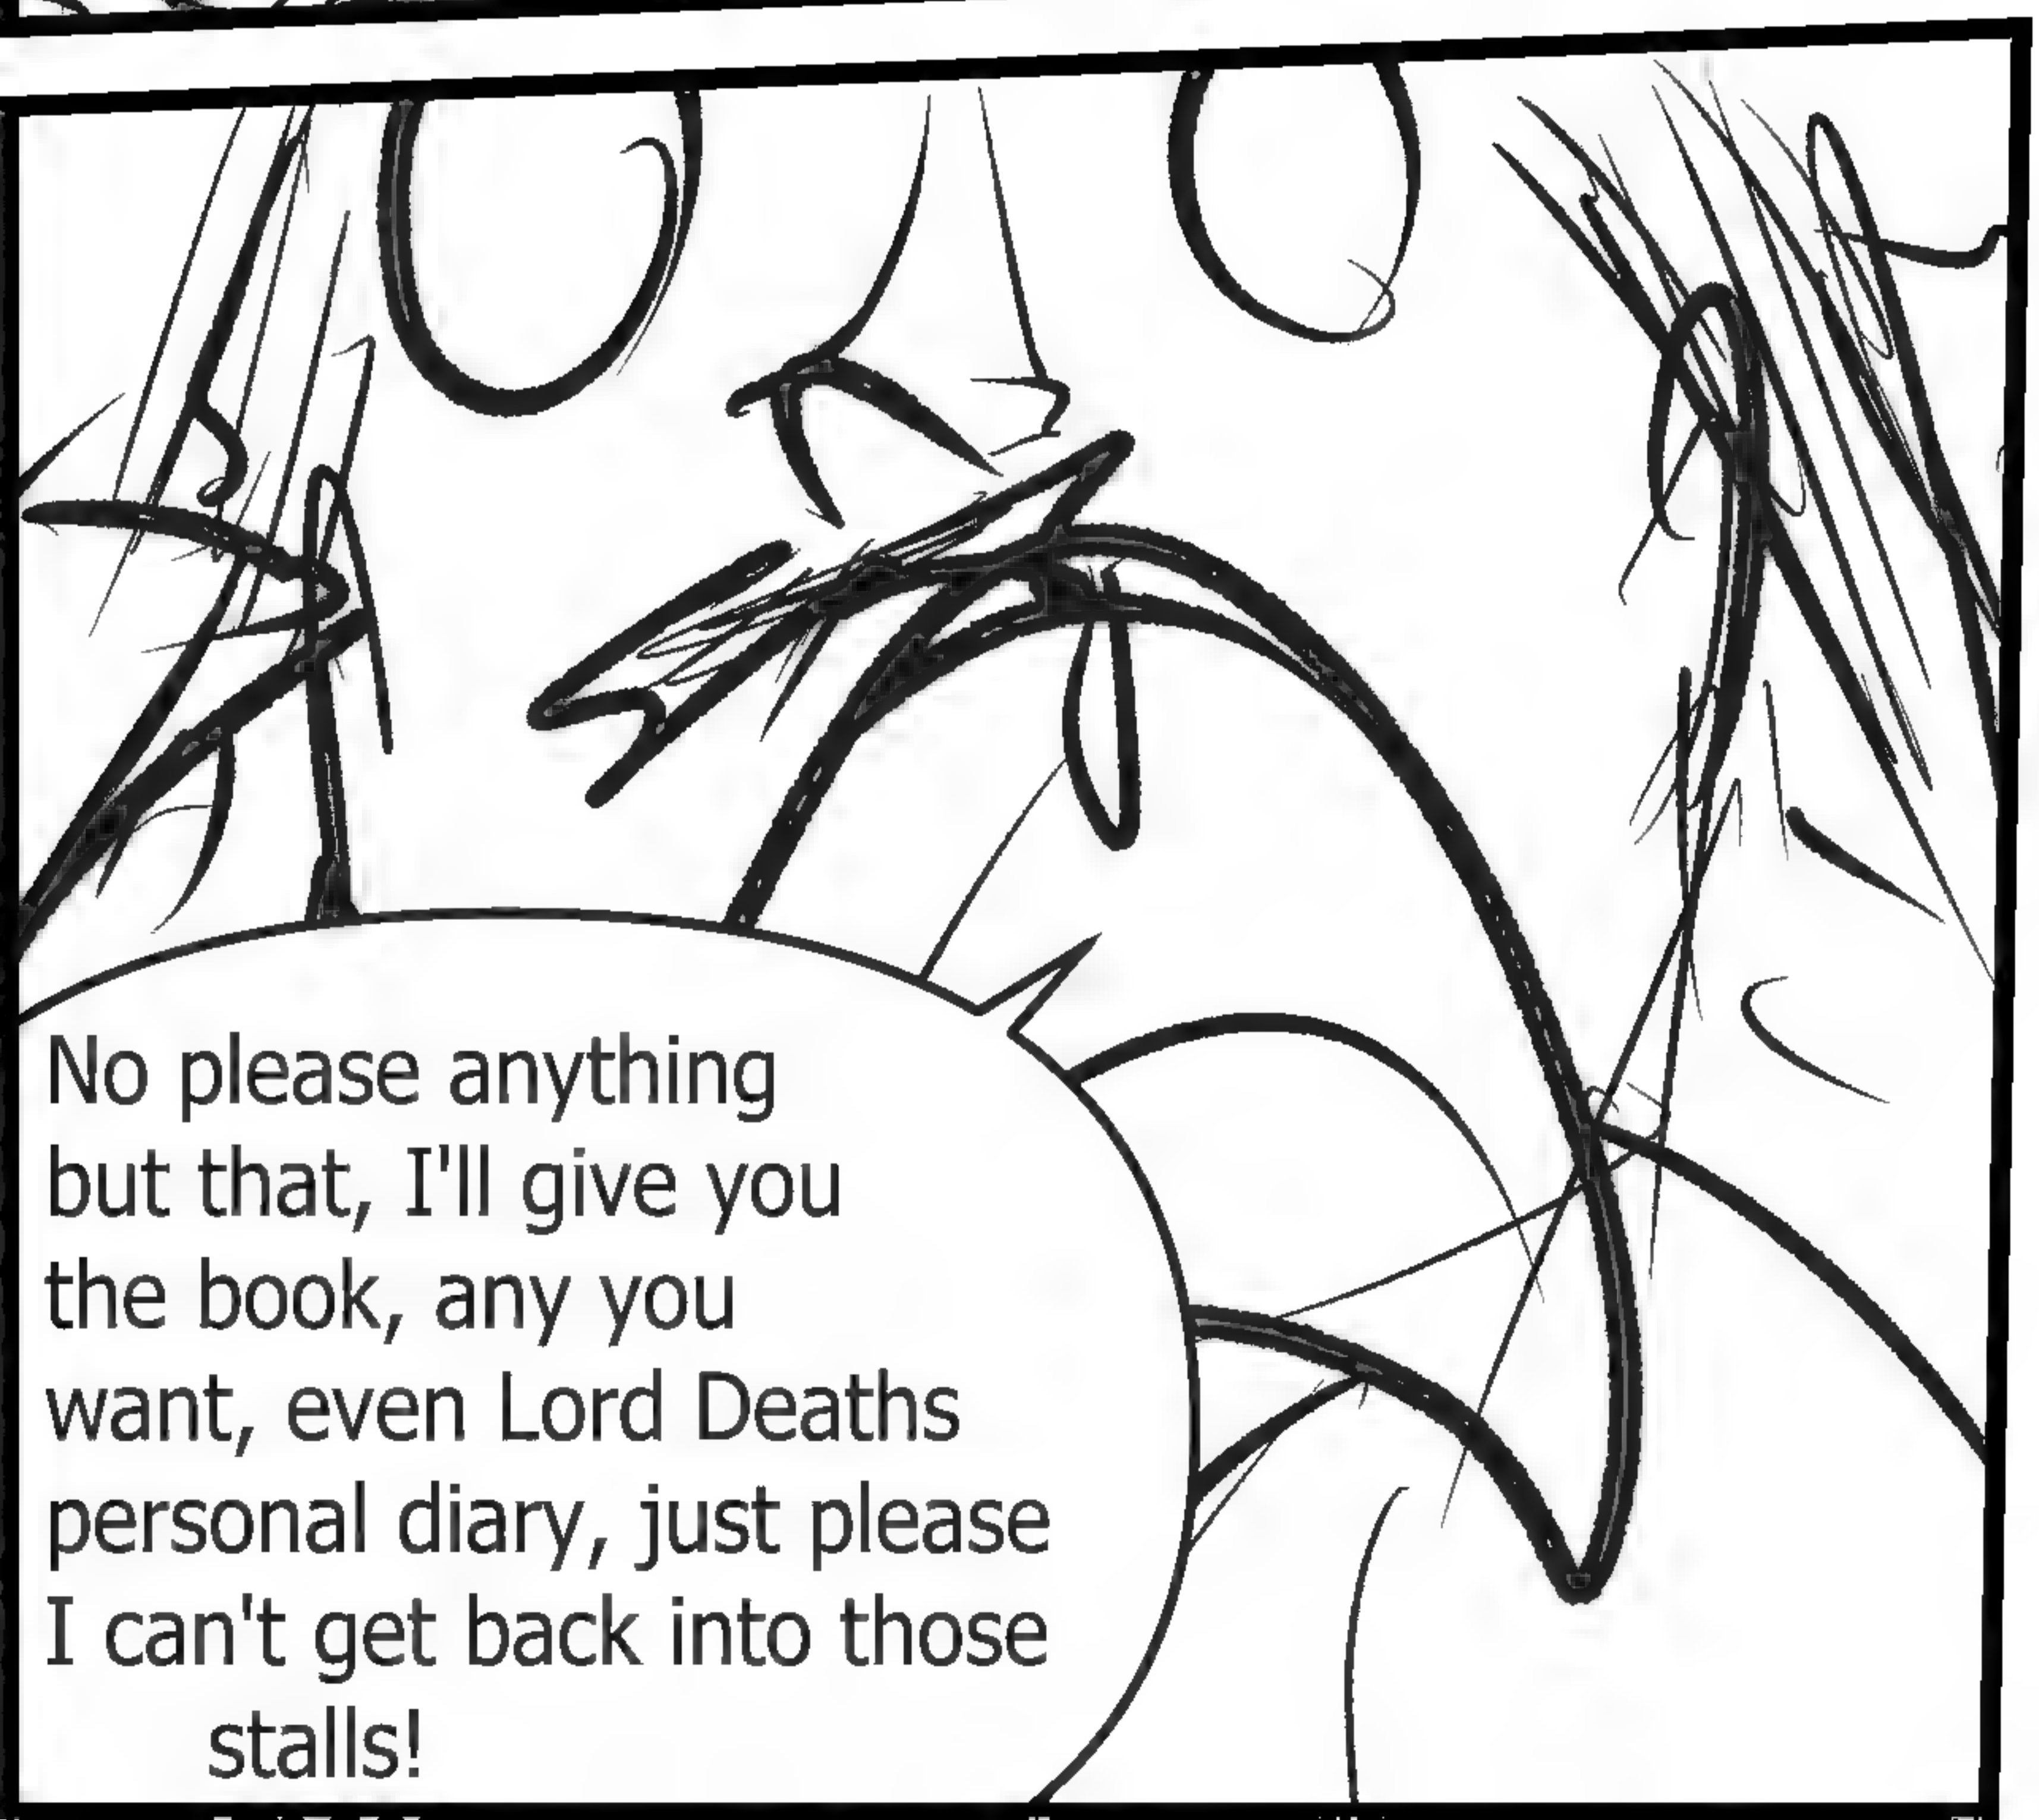

No no, th-  
thats not-

You think I'm  
not smart enough?  
Just hand it to  
me before I do  
something really  
stupid then!

You misunderstood I-

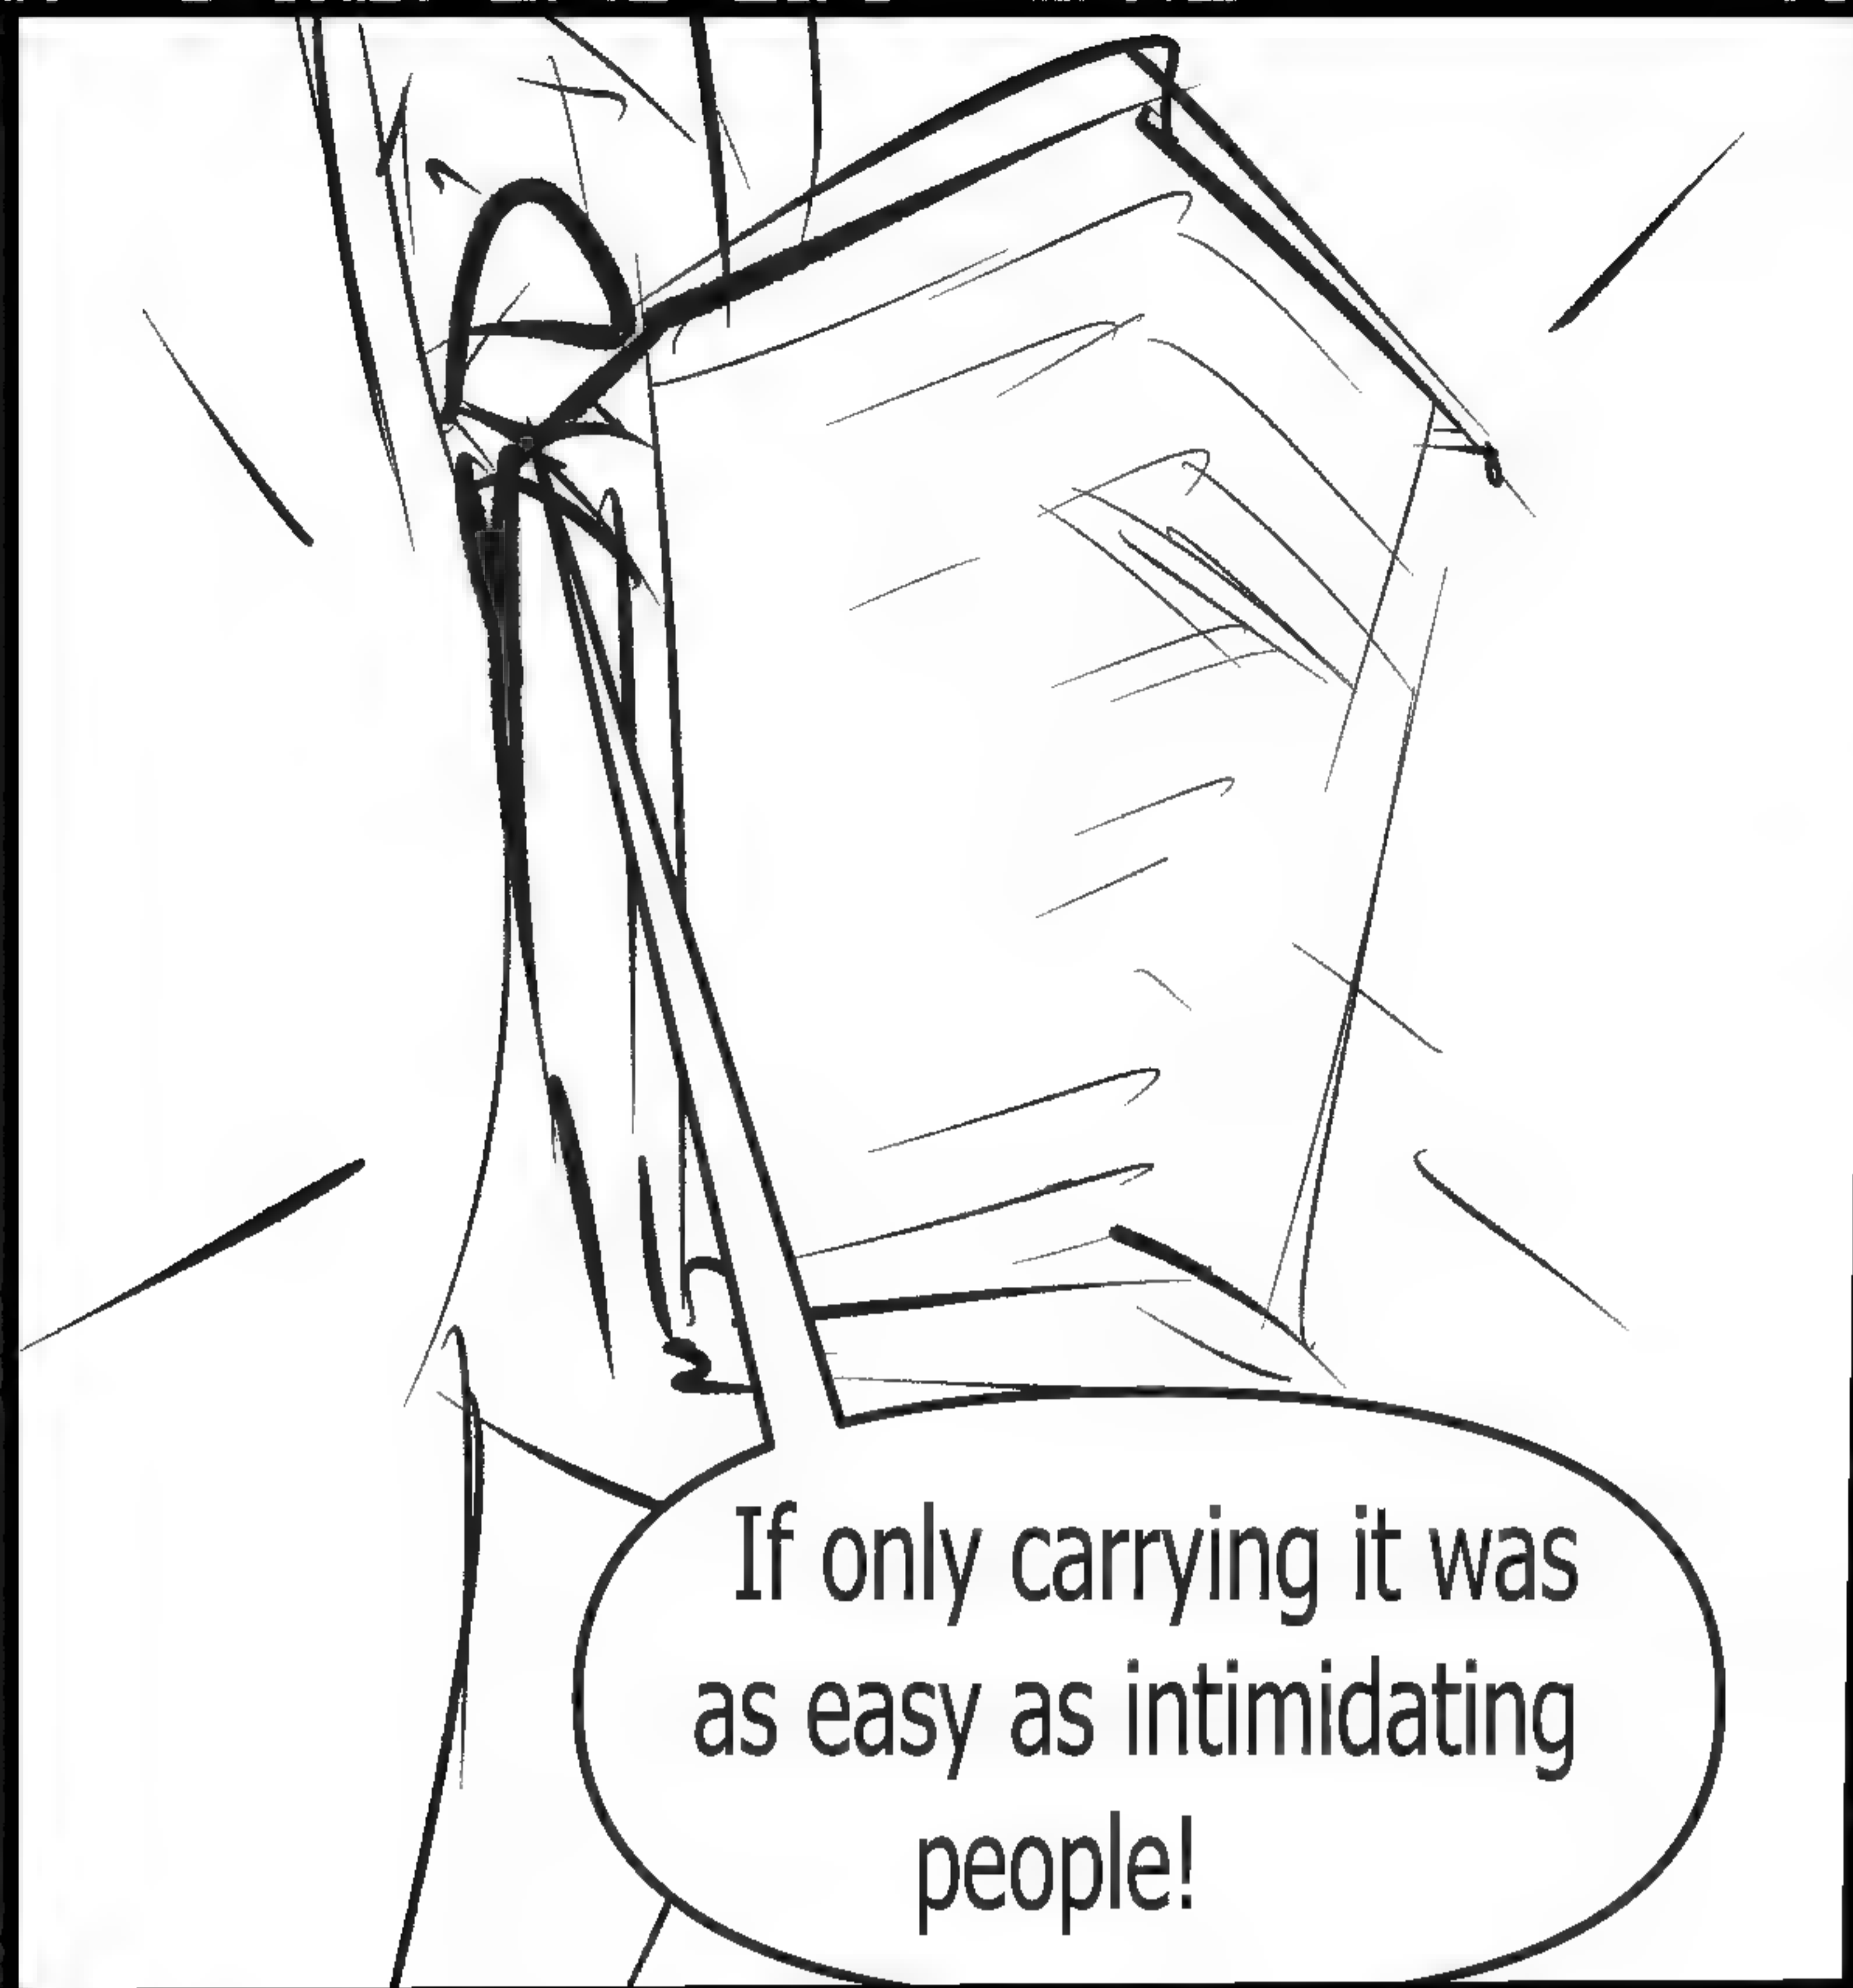

No you are the one  
misunderstanding,  
lets just say in my  
position it's not hard  
for me to pull some  
strings and make you  
exchange the little  
hat for a bucket and toilet  
brush

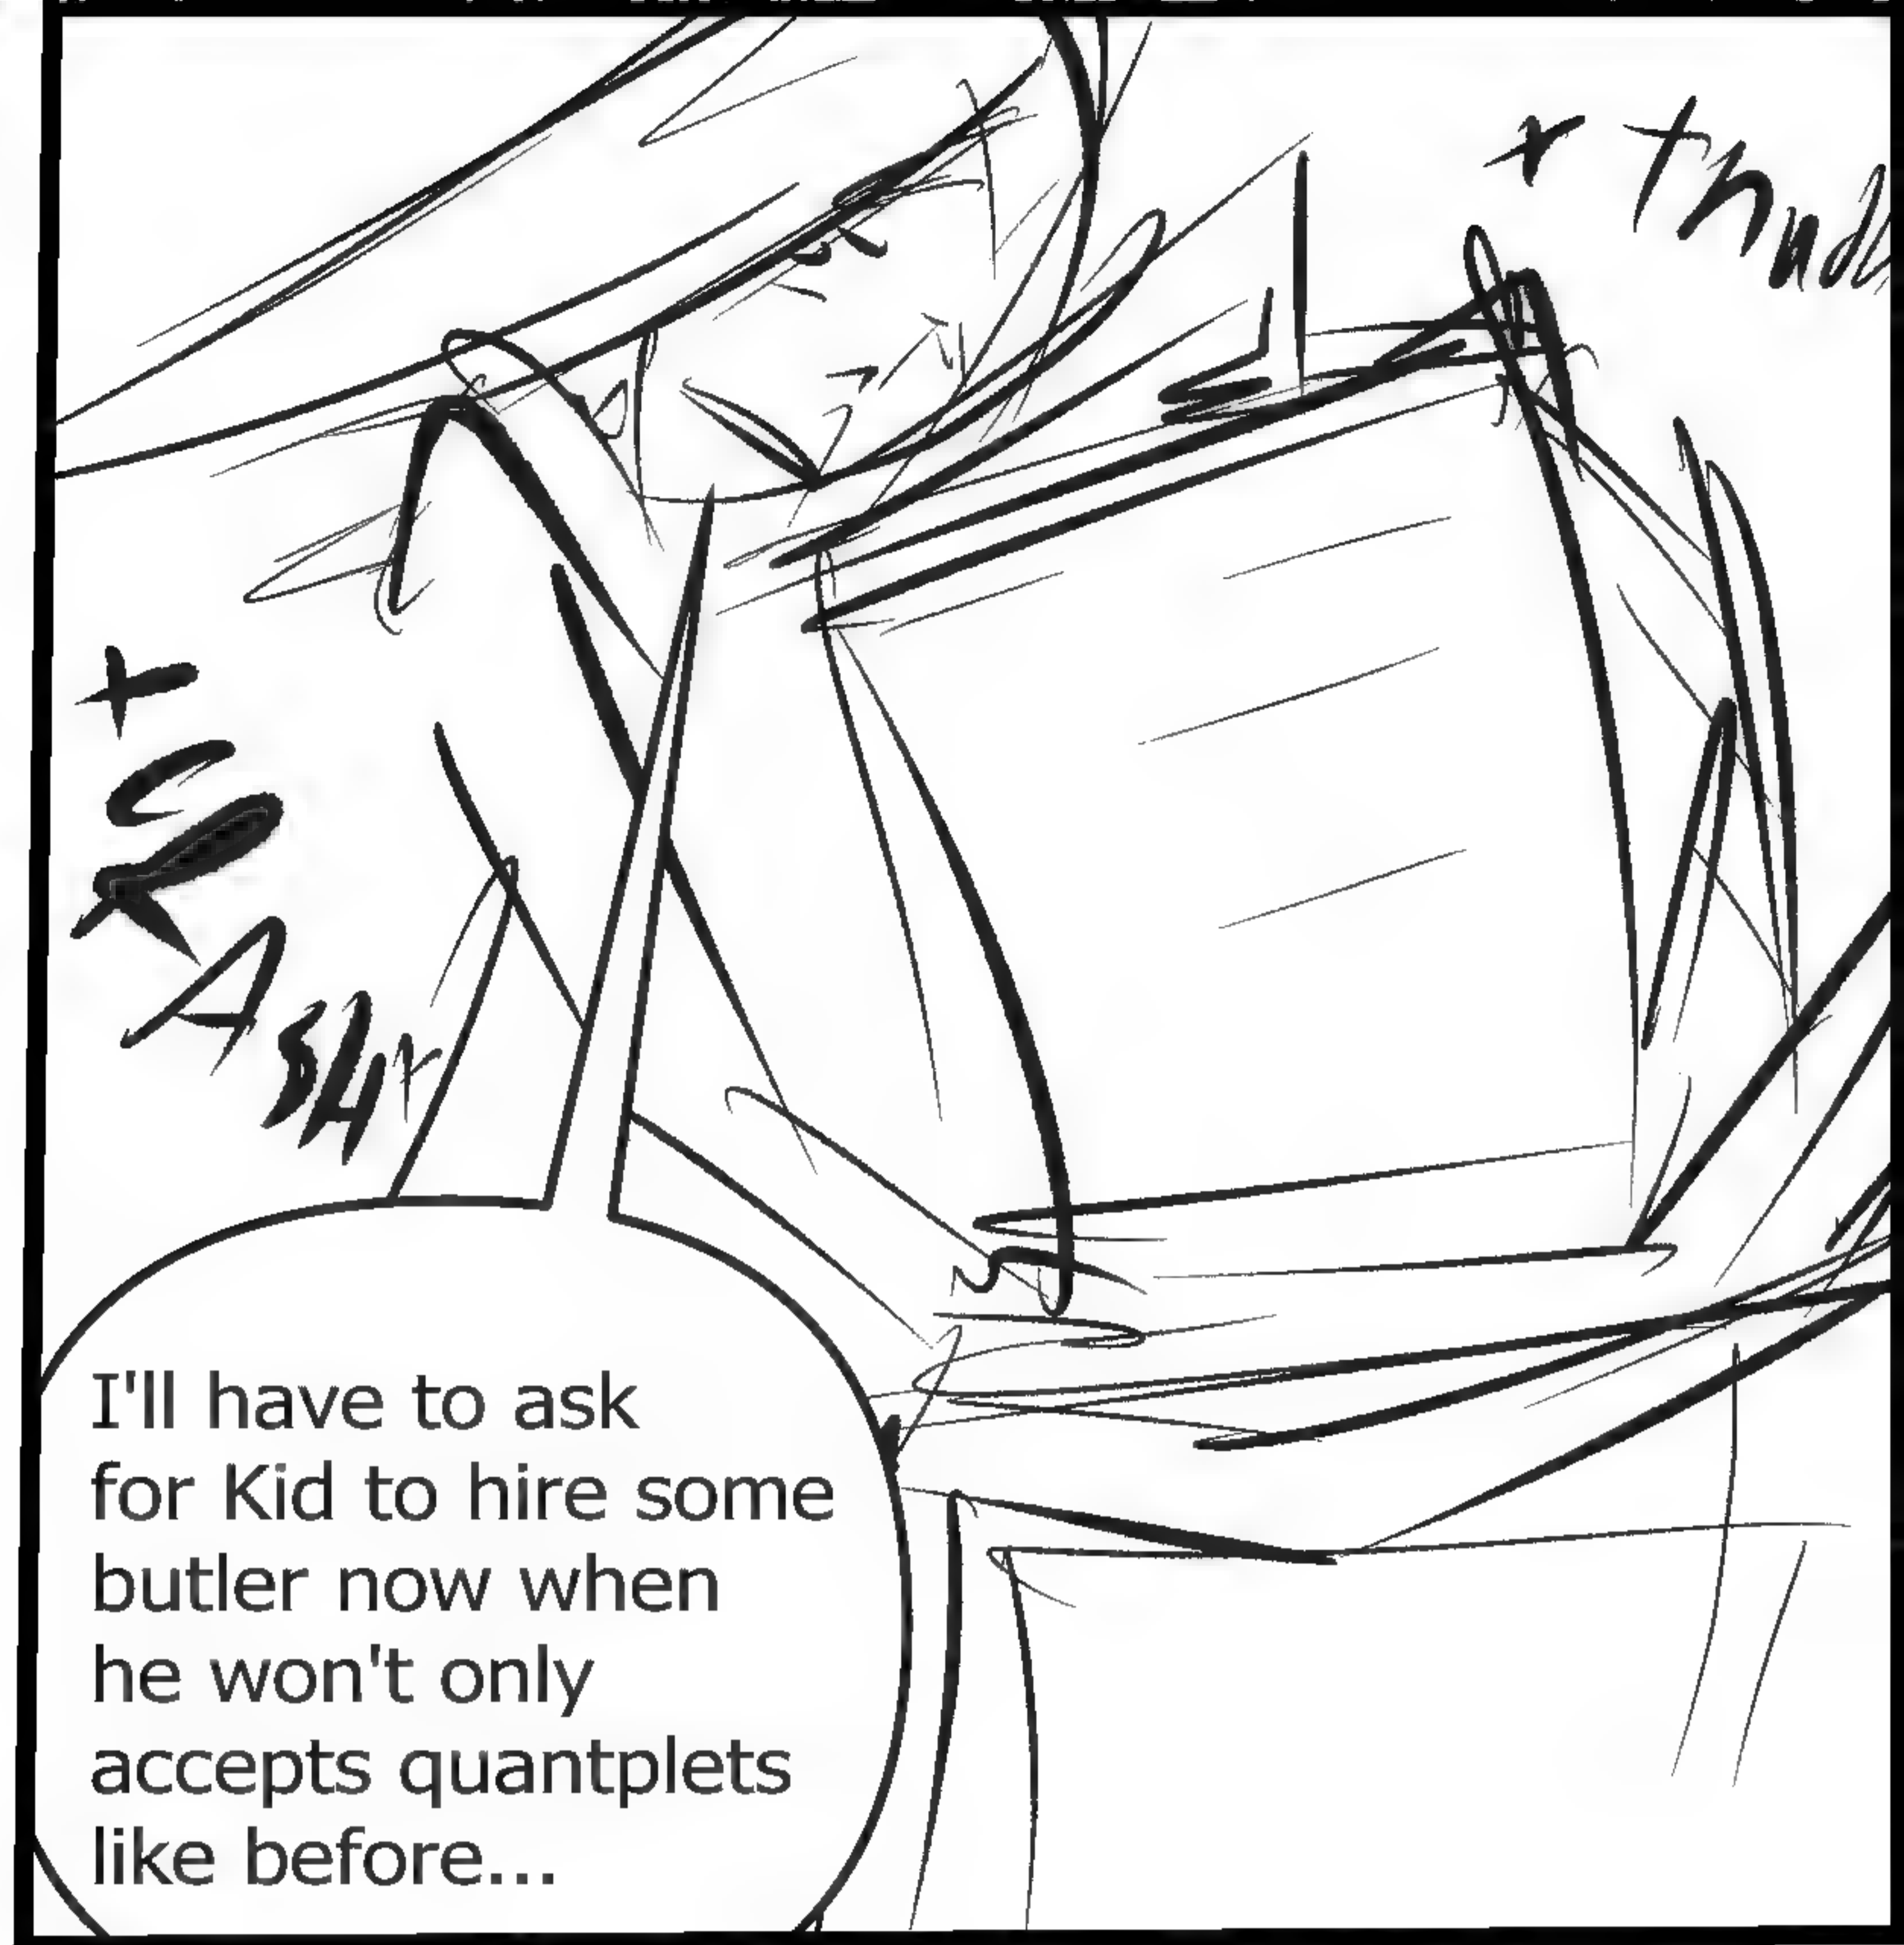

No please anything  
but that, I'll give you  
the book, any you  
want, even Lord Deaths  
personal diary, just please  
I can't get back into those  
stalls!

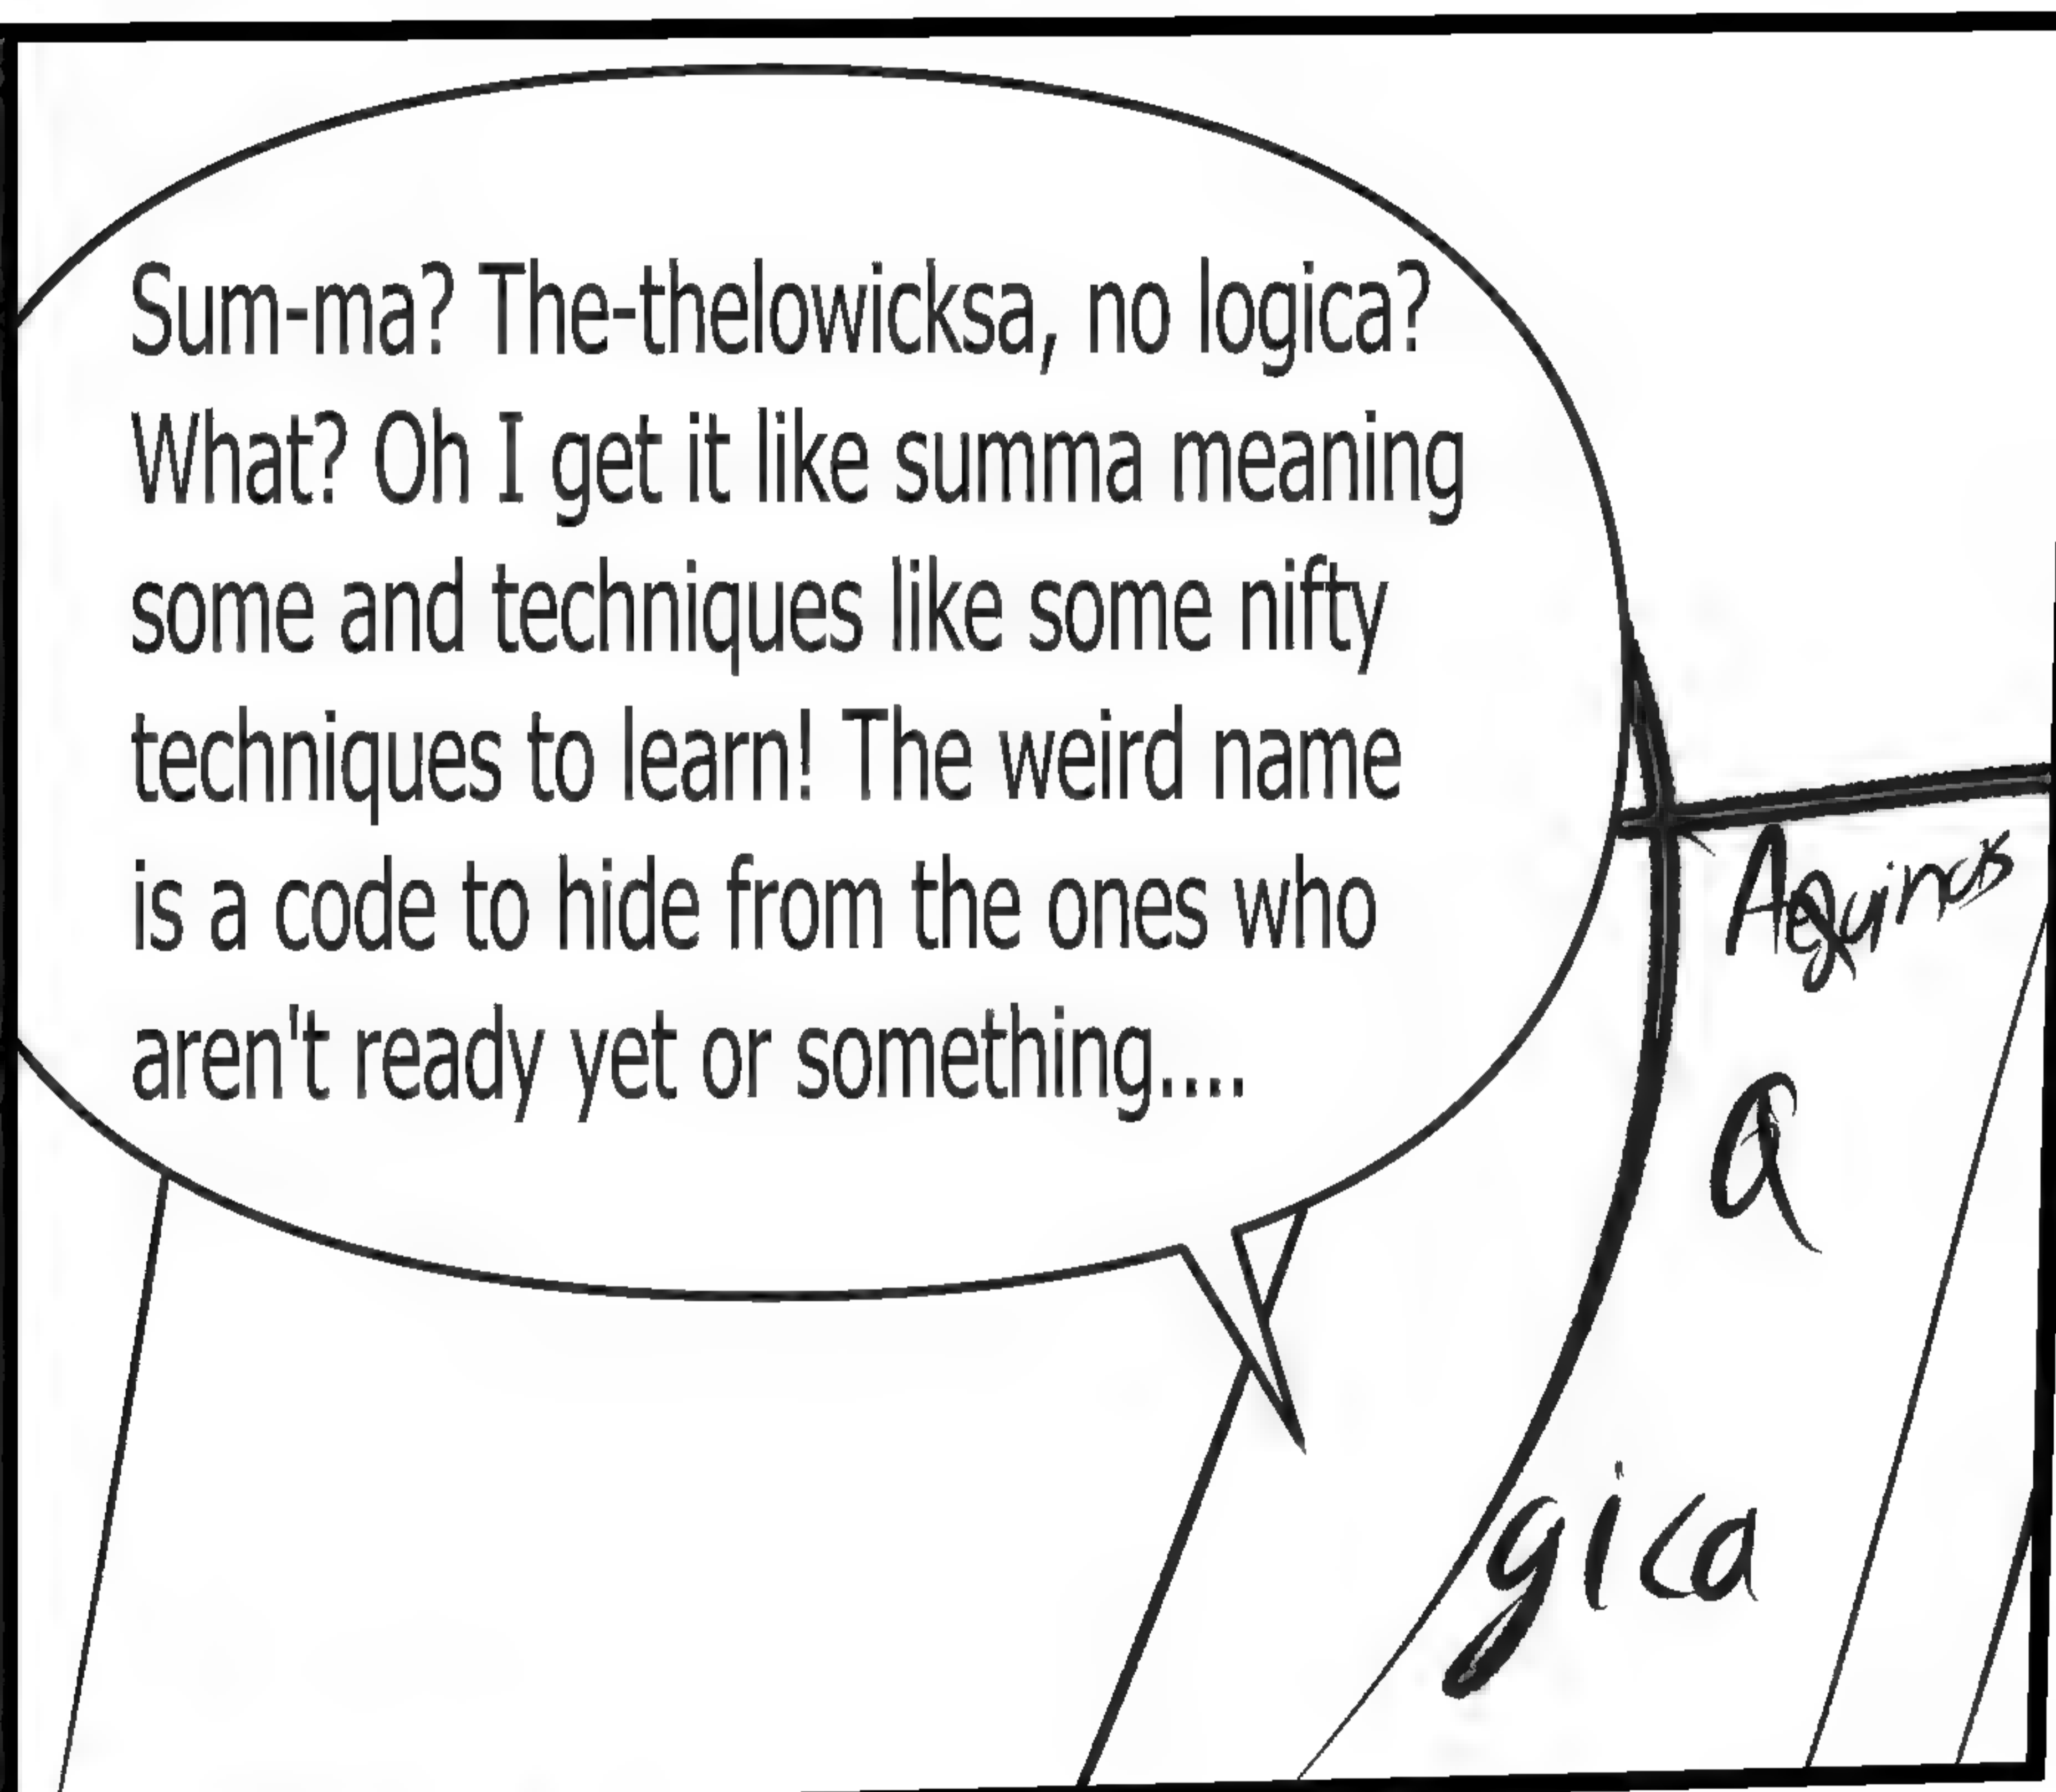

Hmm, that sounds  
tempting, but i'm  
generous today,  
so just hand over  
the book I came  
for here, pronto!

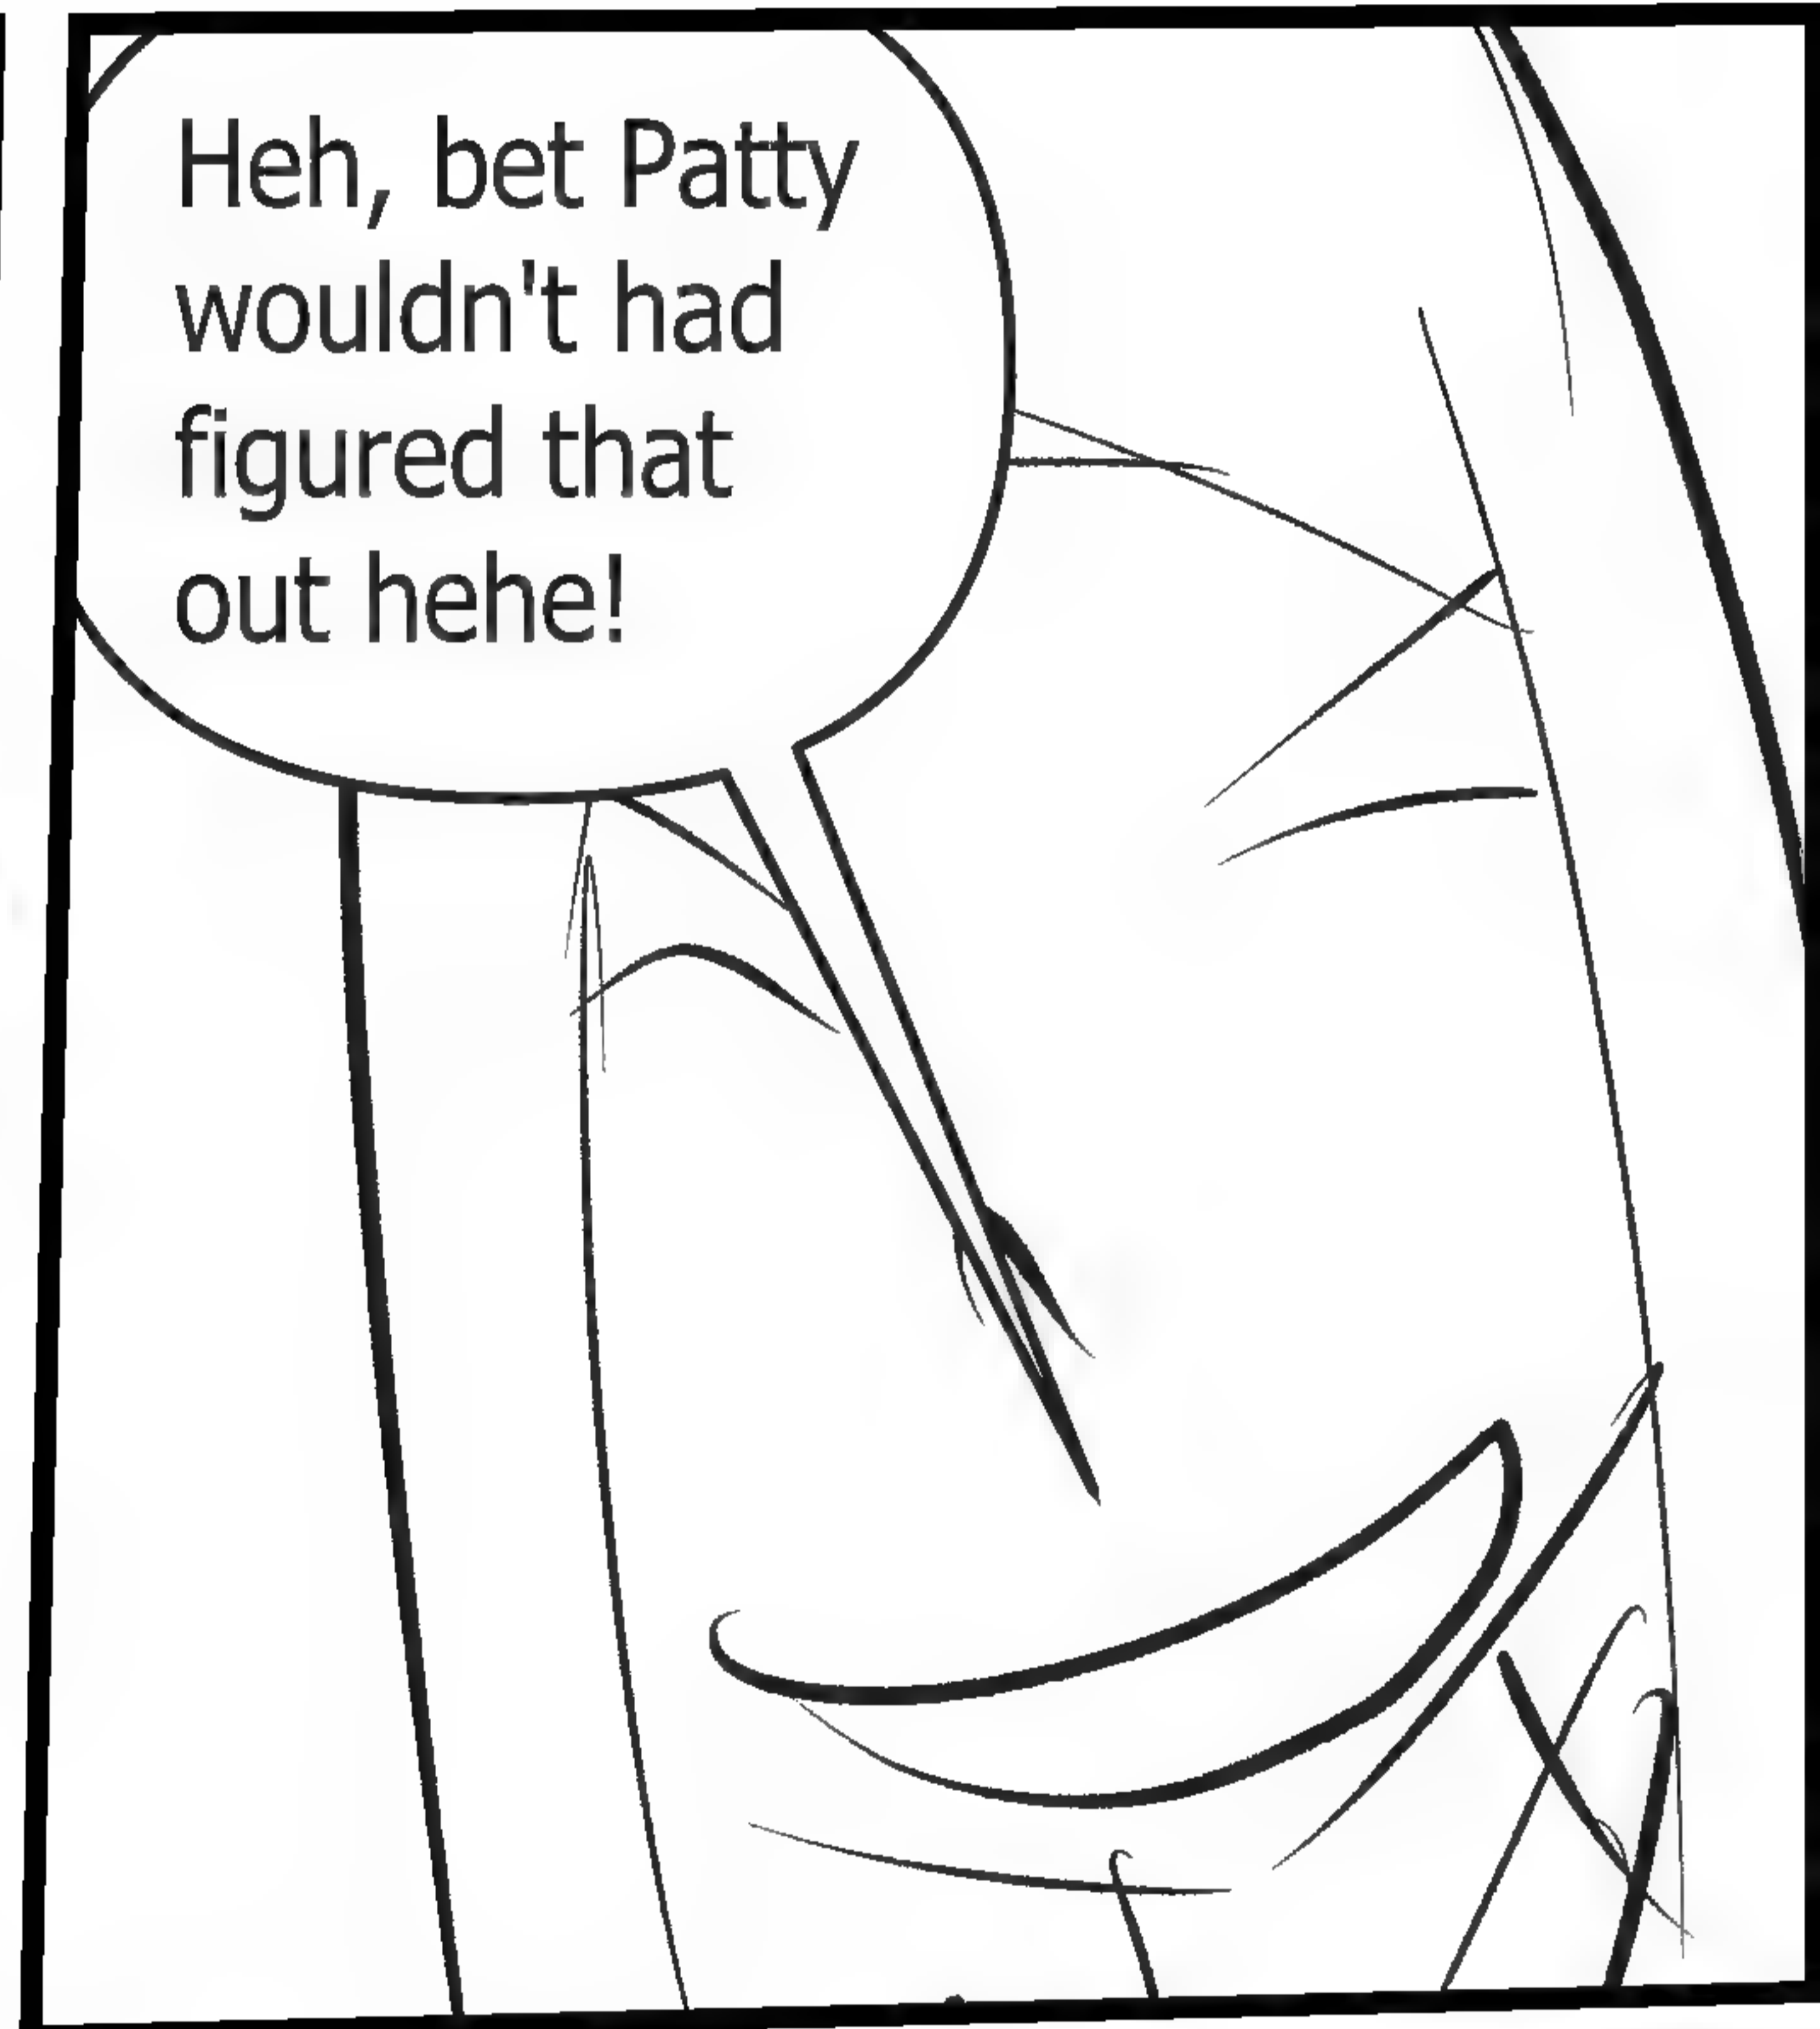

If only carrying it was  
as easy as intimidating  
people!

I'll have to ask  
for Kid to hire some  
butler now when  
he won't only  
accepts quantplets  
like before...

Sum-ma? The-thelowicksa, no logica?  
What? Oh I get it like summa meaning  
some and techniques like some nifty  
techniques to learn! The weird name  
is a code to hide from the ones who  
aren't ready yet or something....

Heh, bet Patty  
wouldn't had  
figured that  
out hehe!

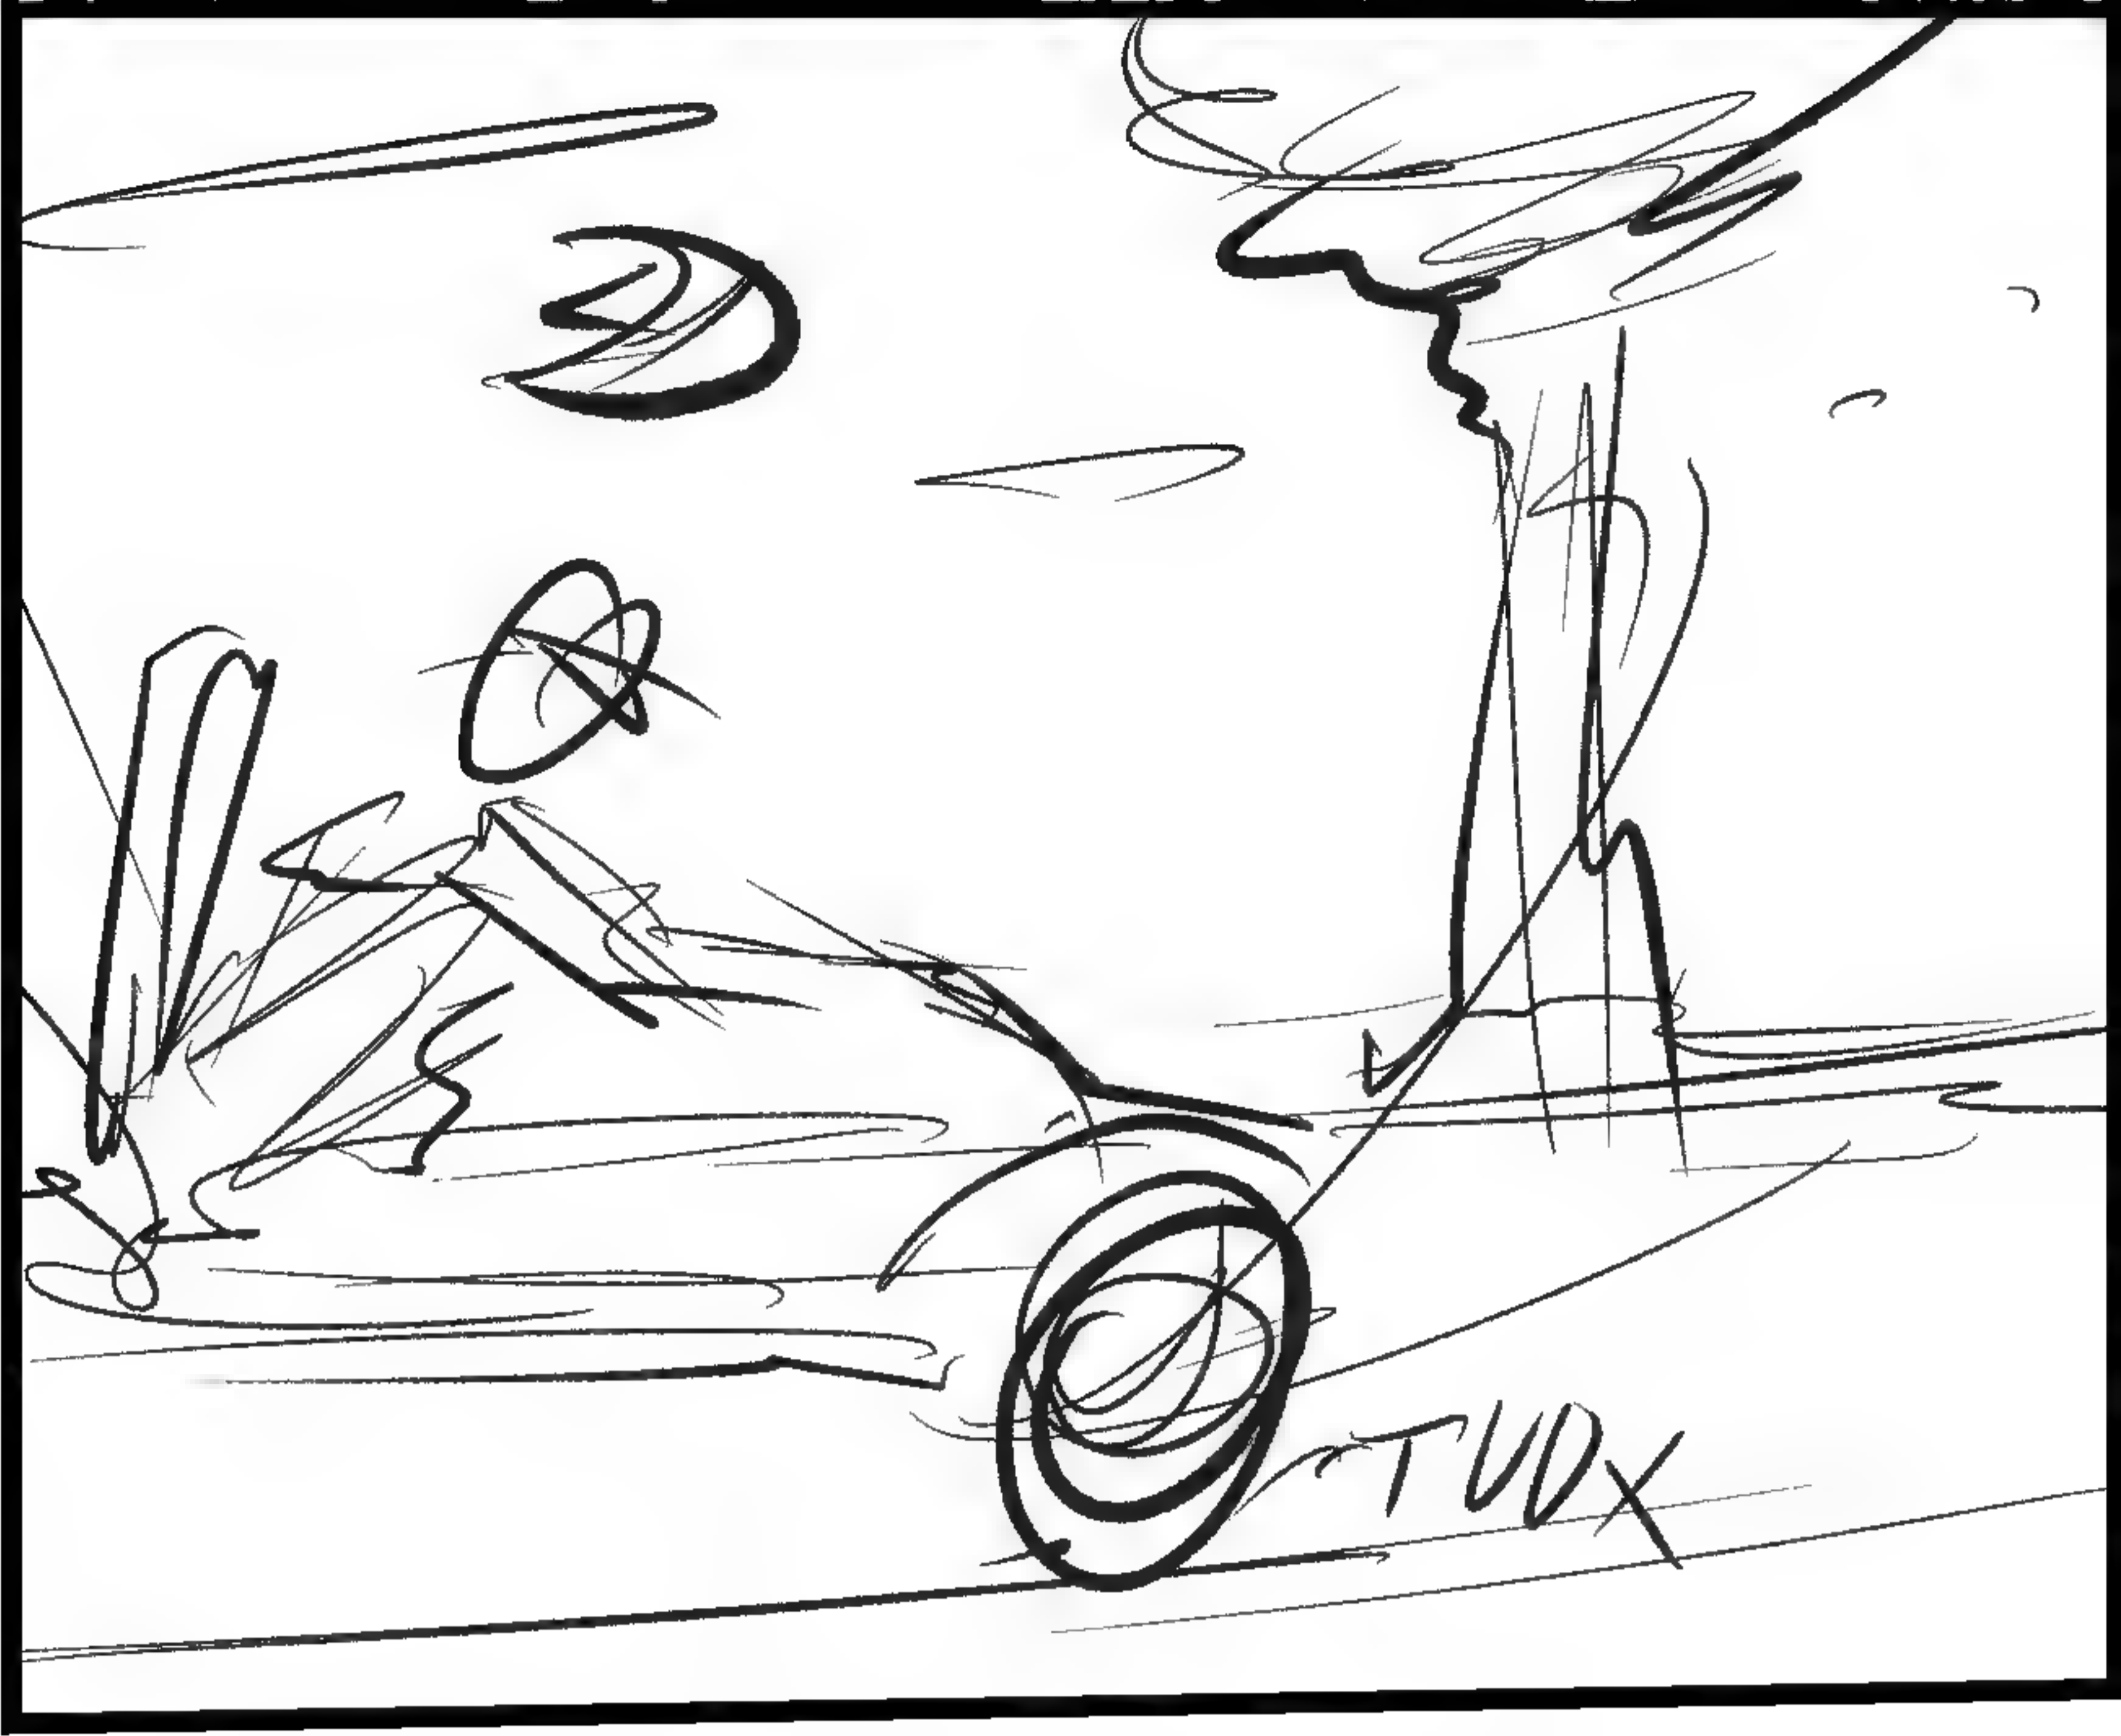

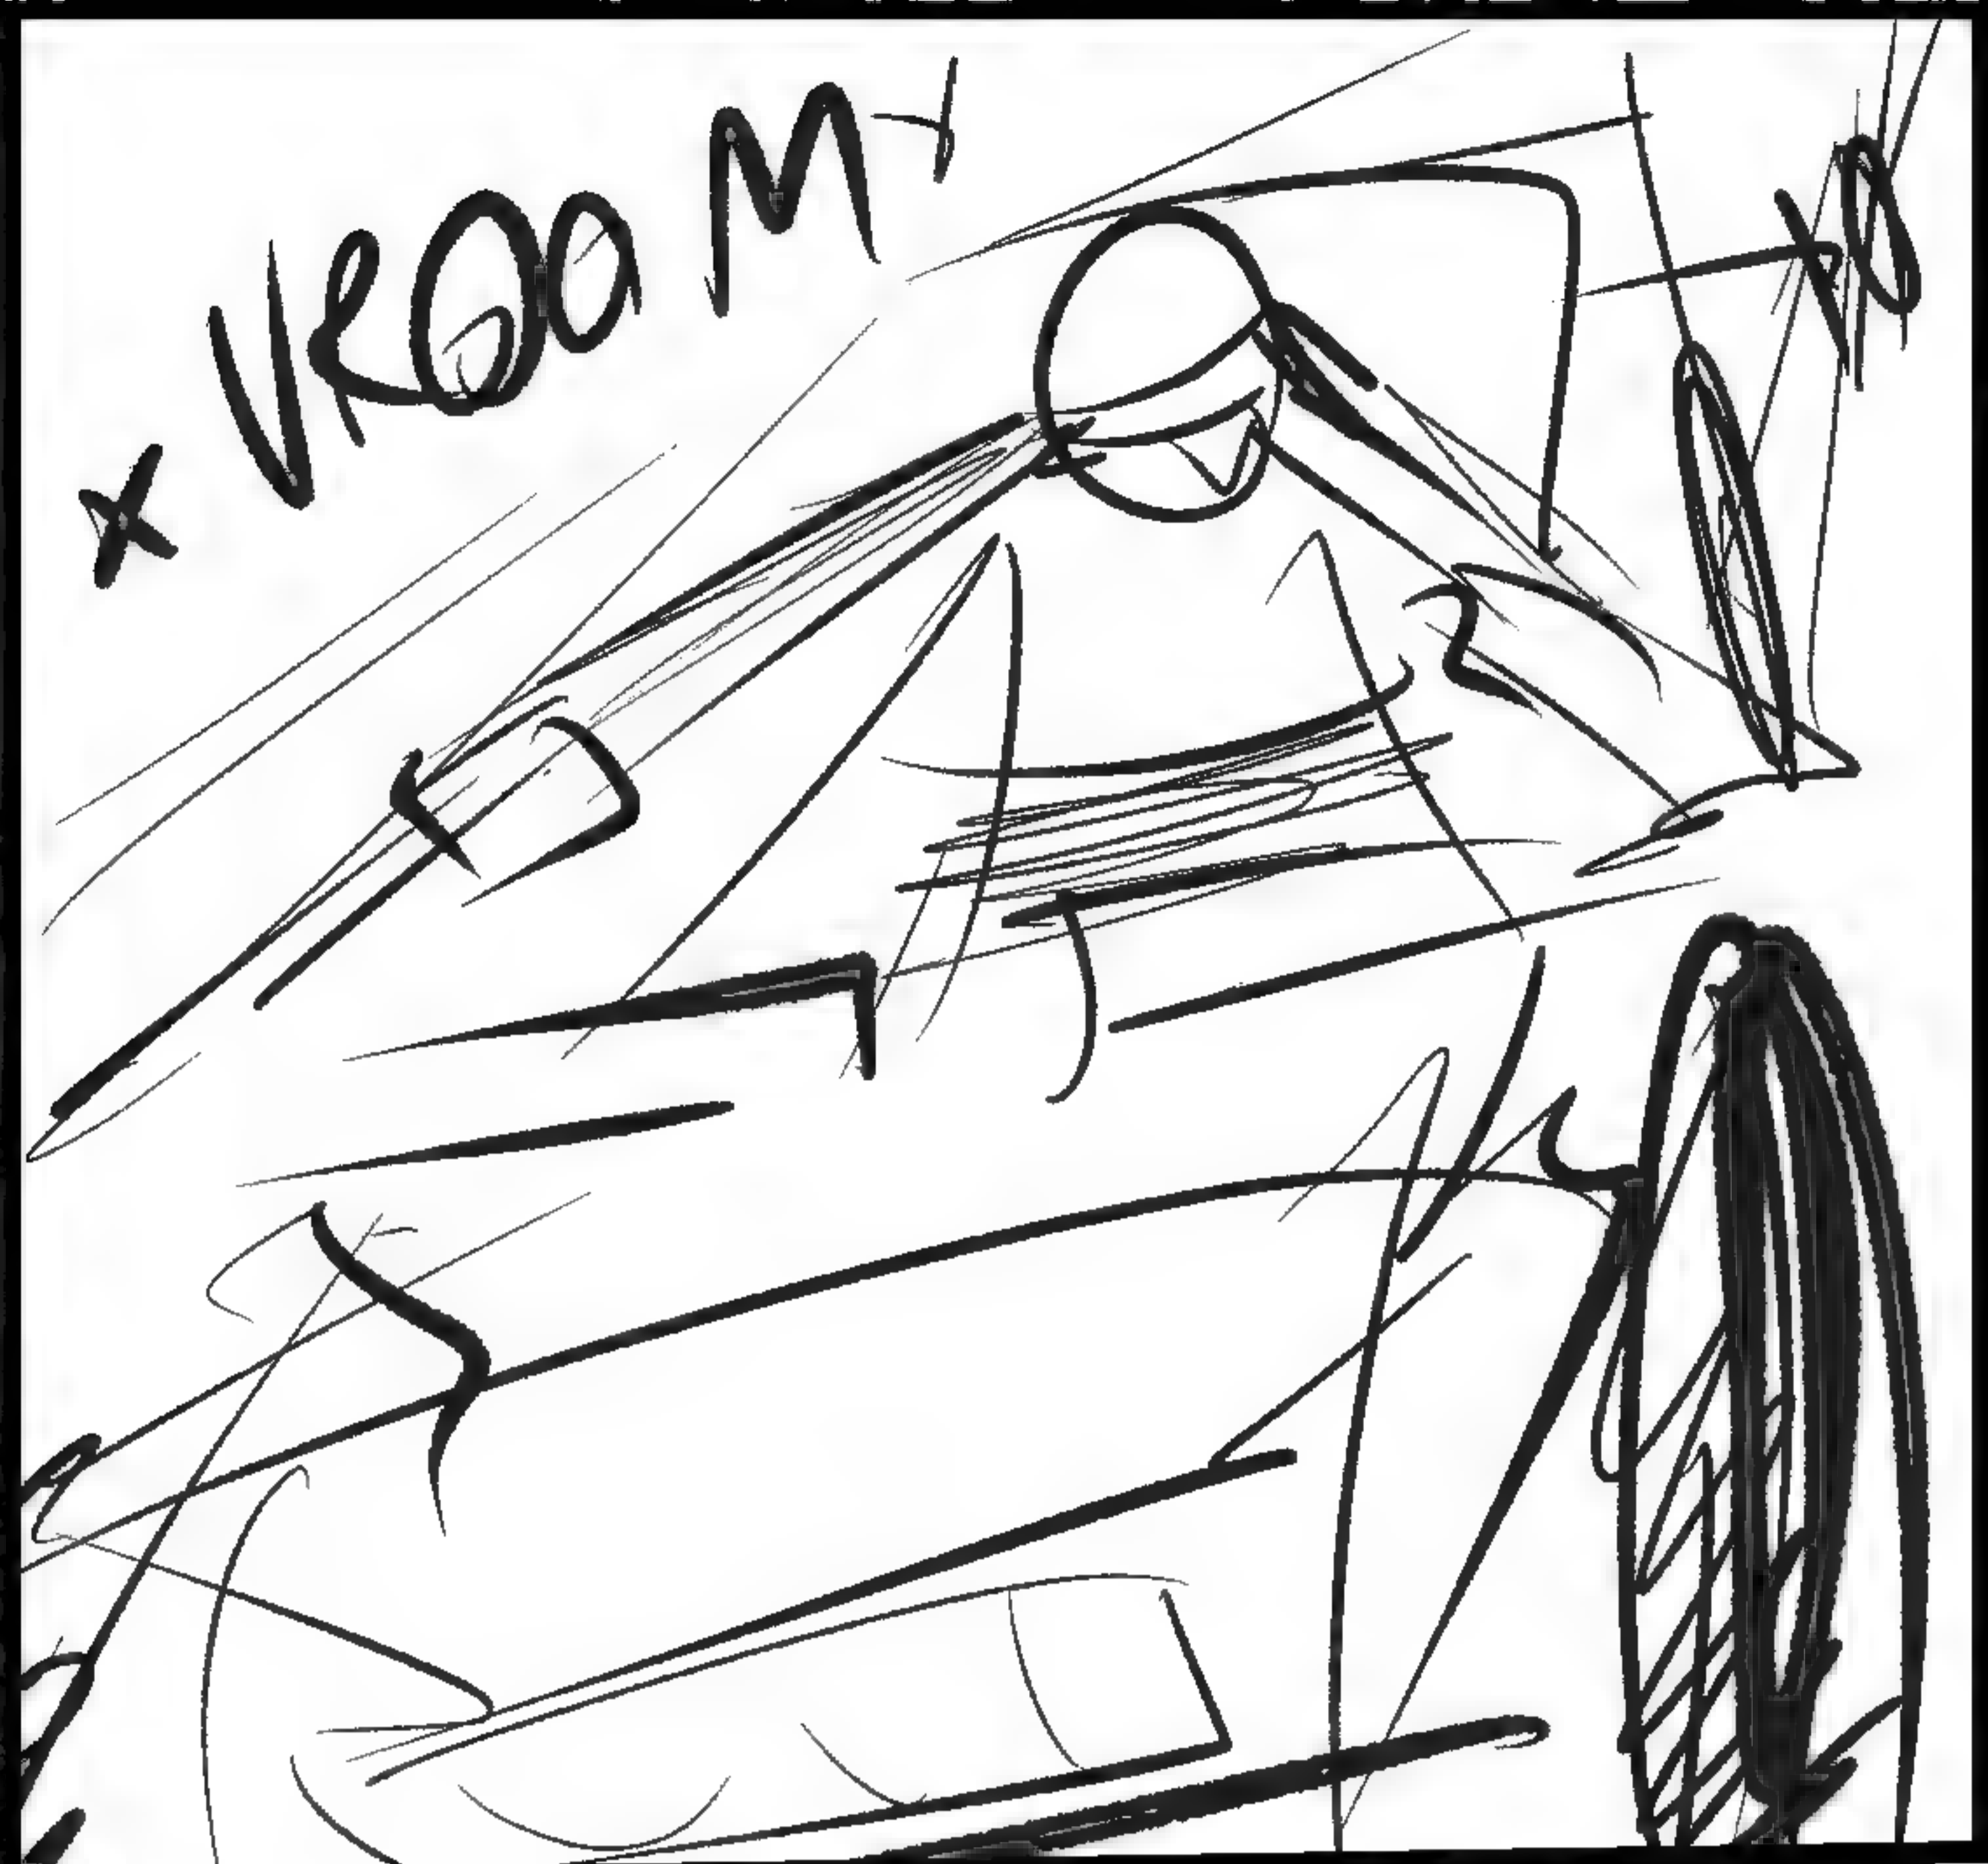

Watch out lil  
sis, I'll reclaim  
my rightful  
place and  
keep you  
safe again!

I'll just have  
to read and  
absorb all  
the info in  
this!

Alll 4000 pages of it...

yeah!...

Didn't say hello  
to anybody  
afterall?

After they even  
closed my way  
of honest work,  
I knew this town  
doesn't want me  
so I don't want  
them either, hm!

Even if I understand your  
frustrations, it could help to  
look at it from the bright side:  
maybe losing a job like  
that is for your own good...

Or hasn't your  
opinion evolved  
since our last  
talk?

Oh...

You are asking me about  
my answer, right priest boy?

Indeed...  
Tell me,  
which  
way  
have  
you  
decided?

Oh how impatient,  
blondie, don't you  
love the suspense  
of a good reveal?

Similar time, different place...

Oh thank  
goodnes,  
you are  
not a  
magicaly  
warm  
corpse  
afterall!

Where the hell am I?!!

No need to be afraid

I found you passed out in the woods in a pool of your own blood...

I first assumed you were dead but there was no soul, so-

You stupid, you think a corpse is on a ground violently disfigured and don't just assume a kishinegg ate the damn spiriti?!

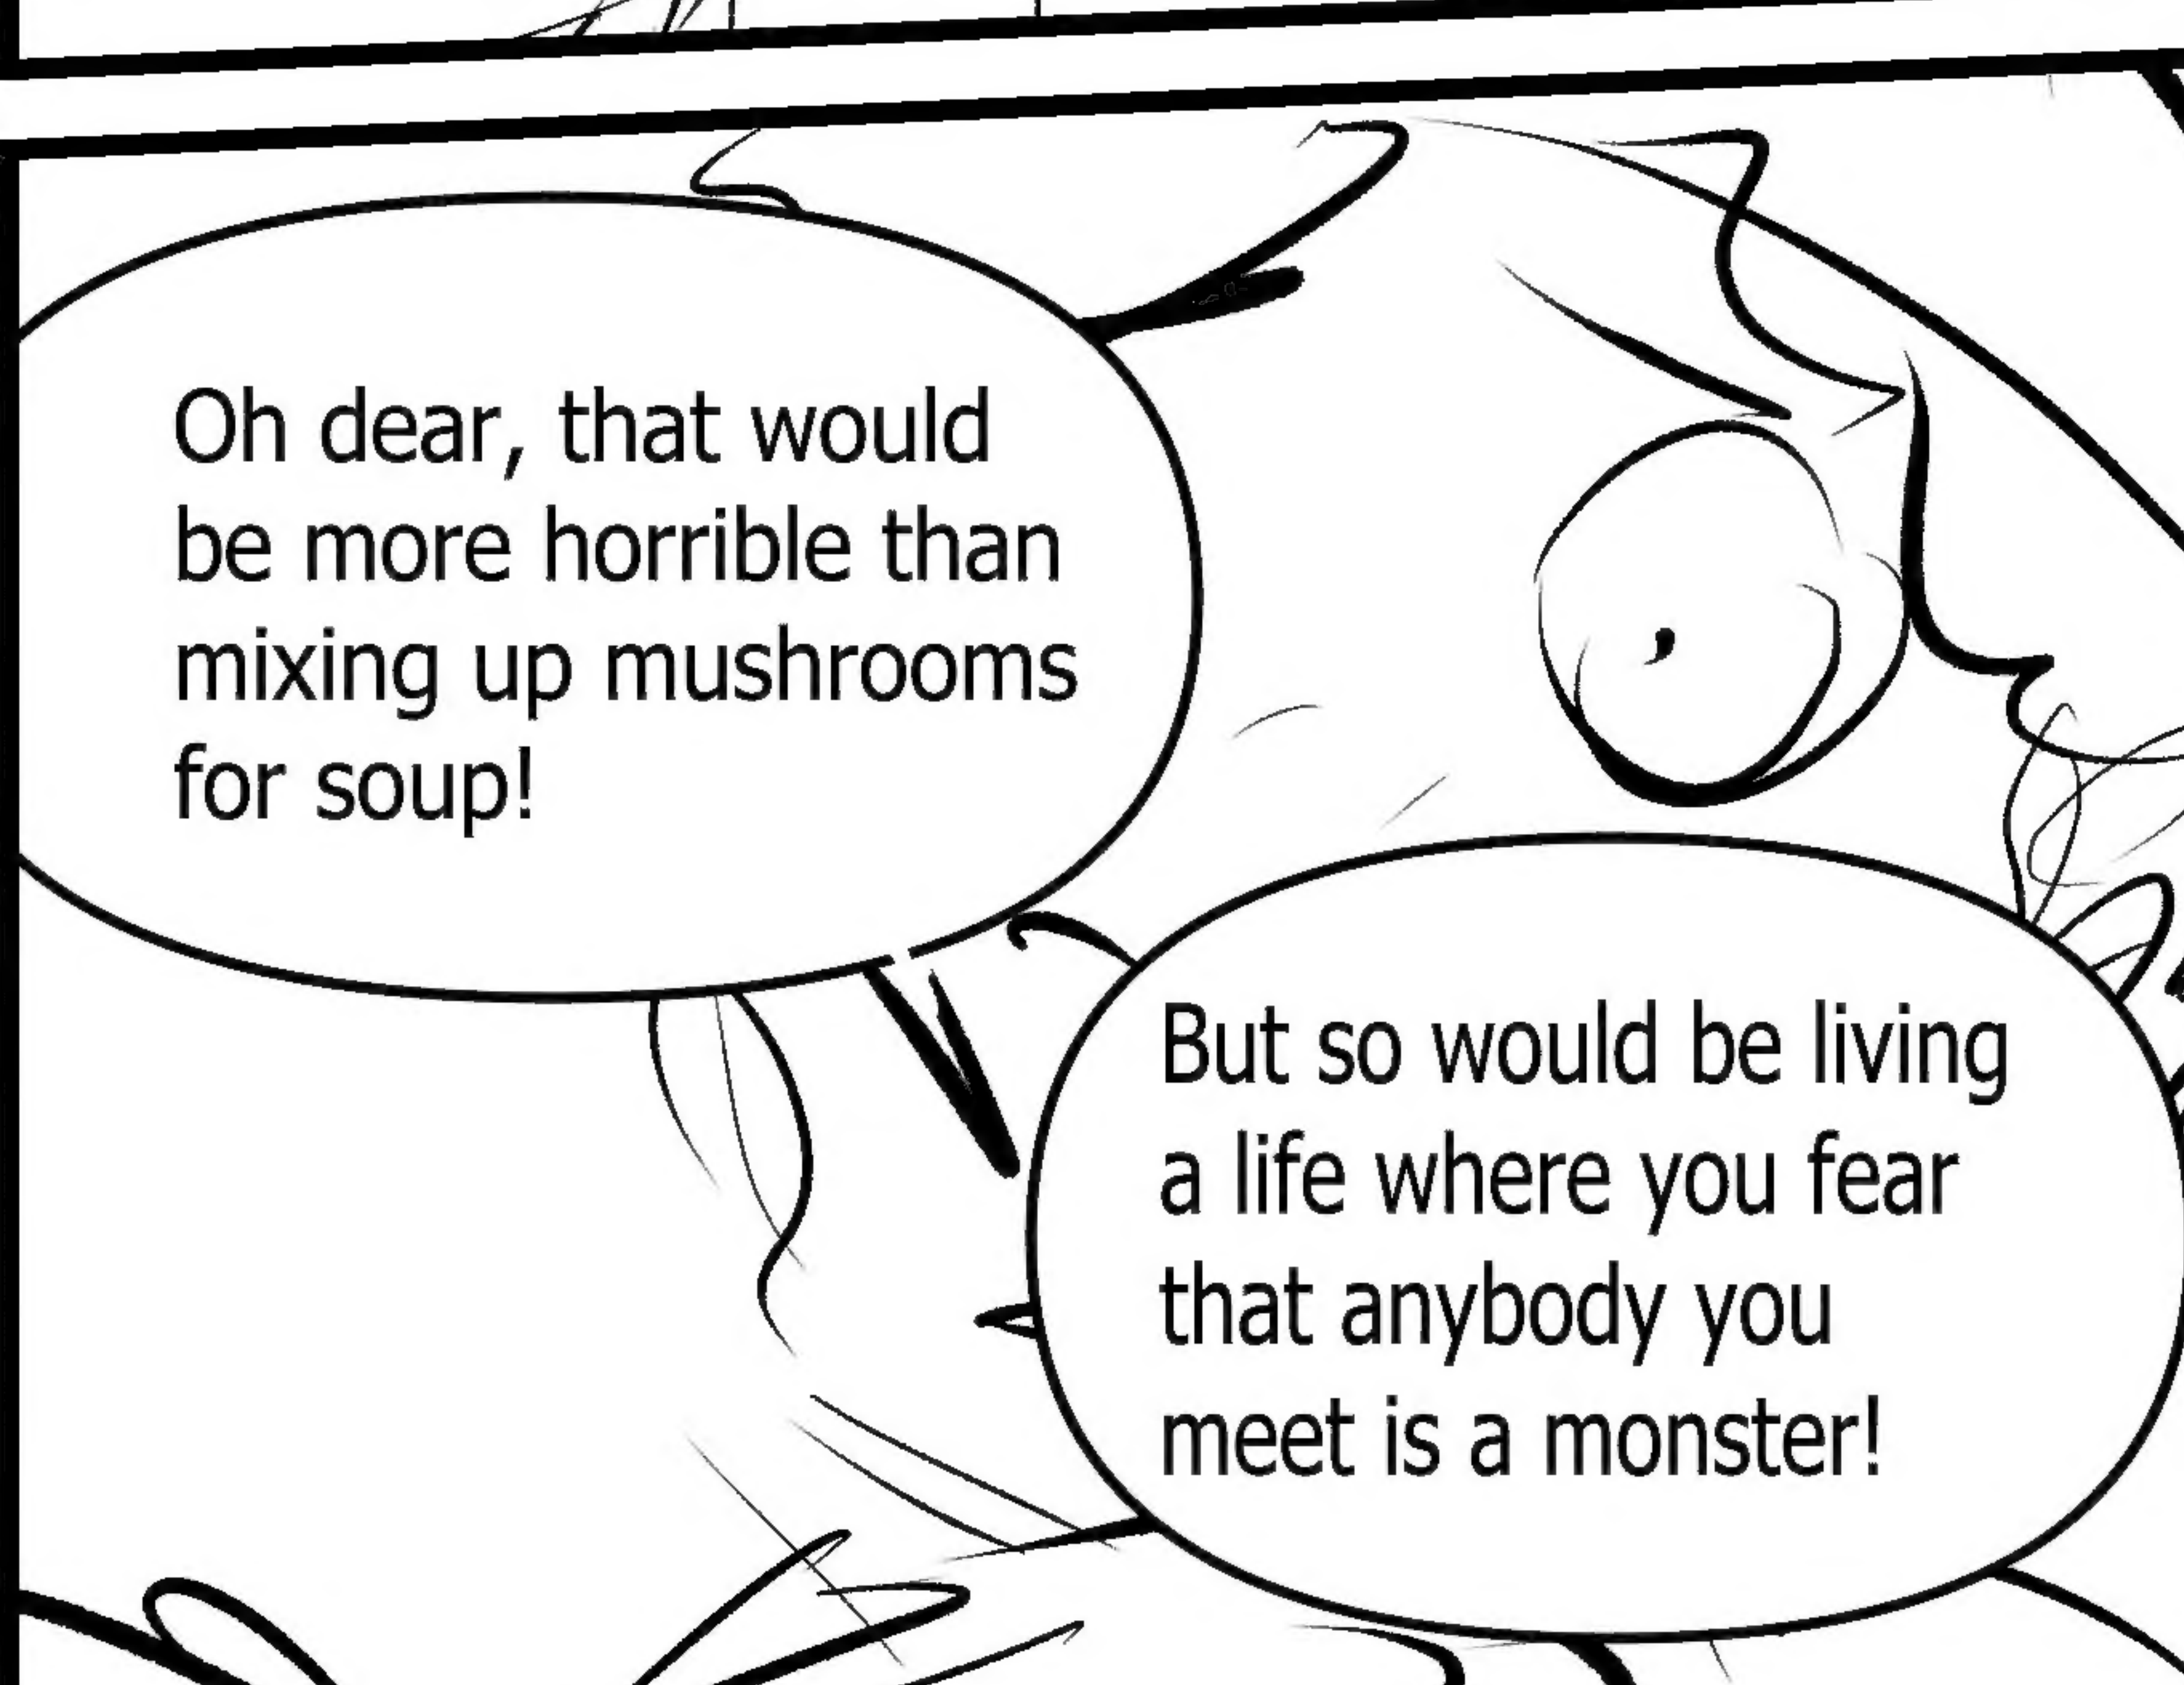

Oh, lucky that I was dumb then, because I brought you back and tried to mend your wounds to the best of my abilities...

Now I feel bad for pointing out your low intellect...thanks I guess....

But still..

What if it was a murder or something worse you brought back to your home and nursed back into a state where they could do whatever messed up shit they want to you?

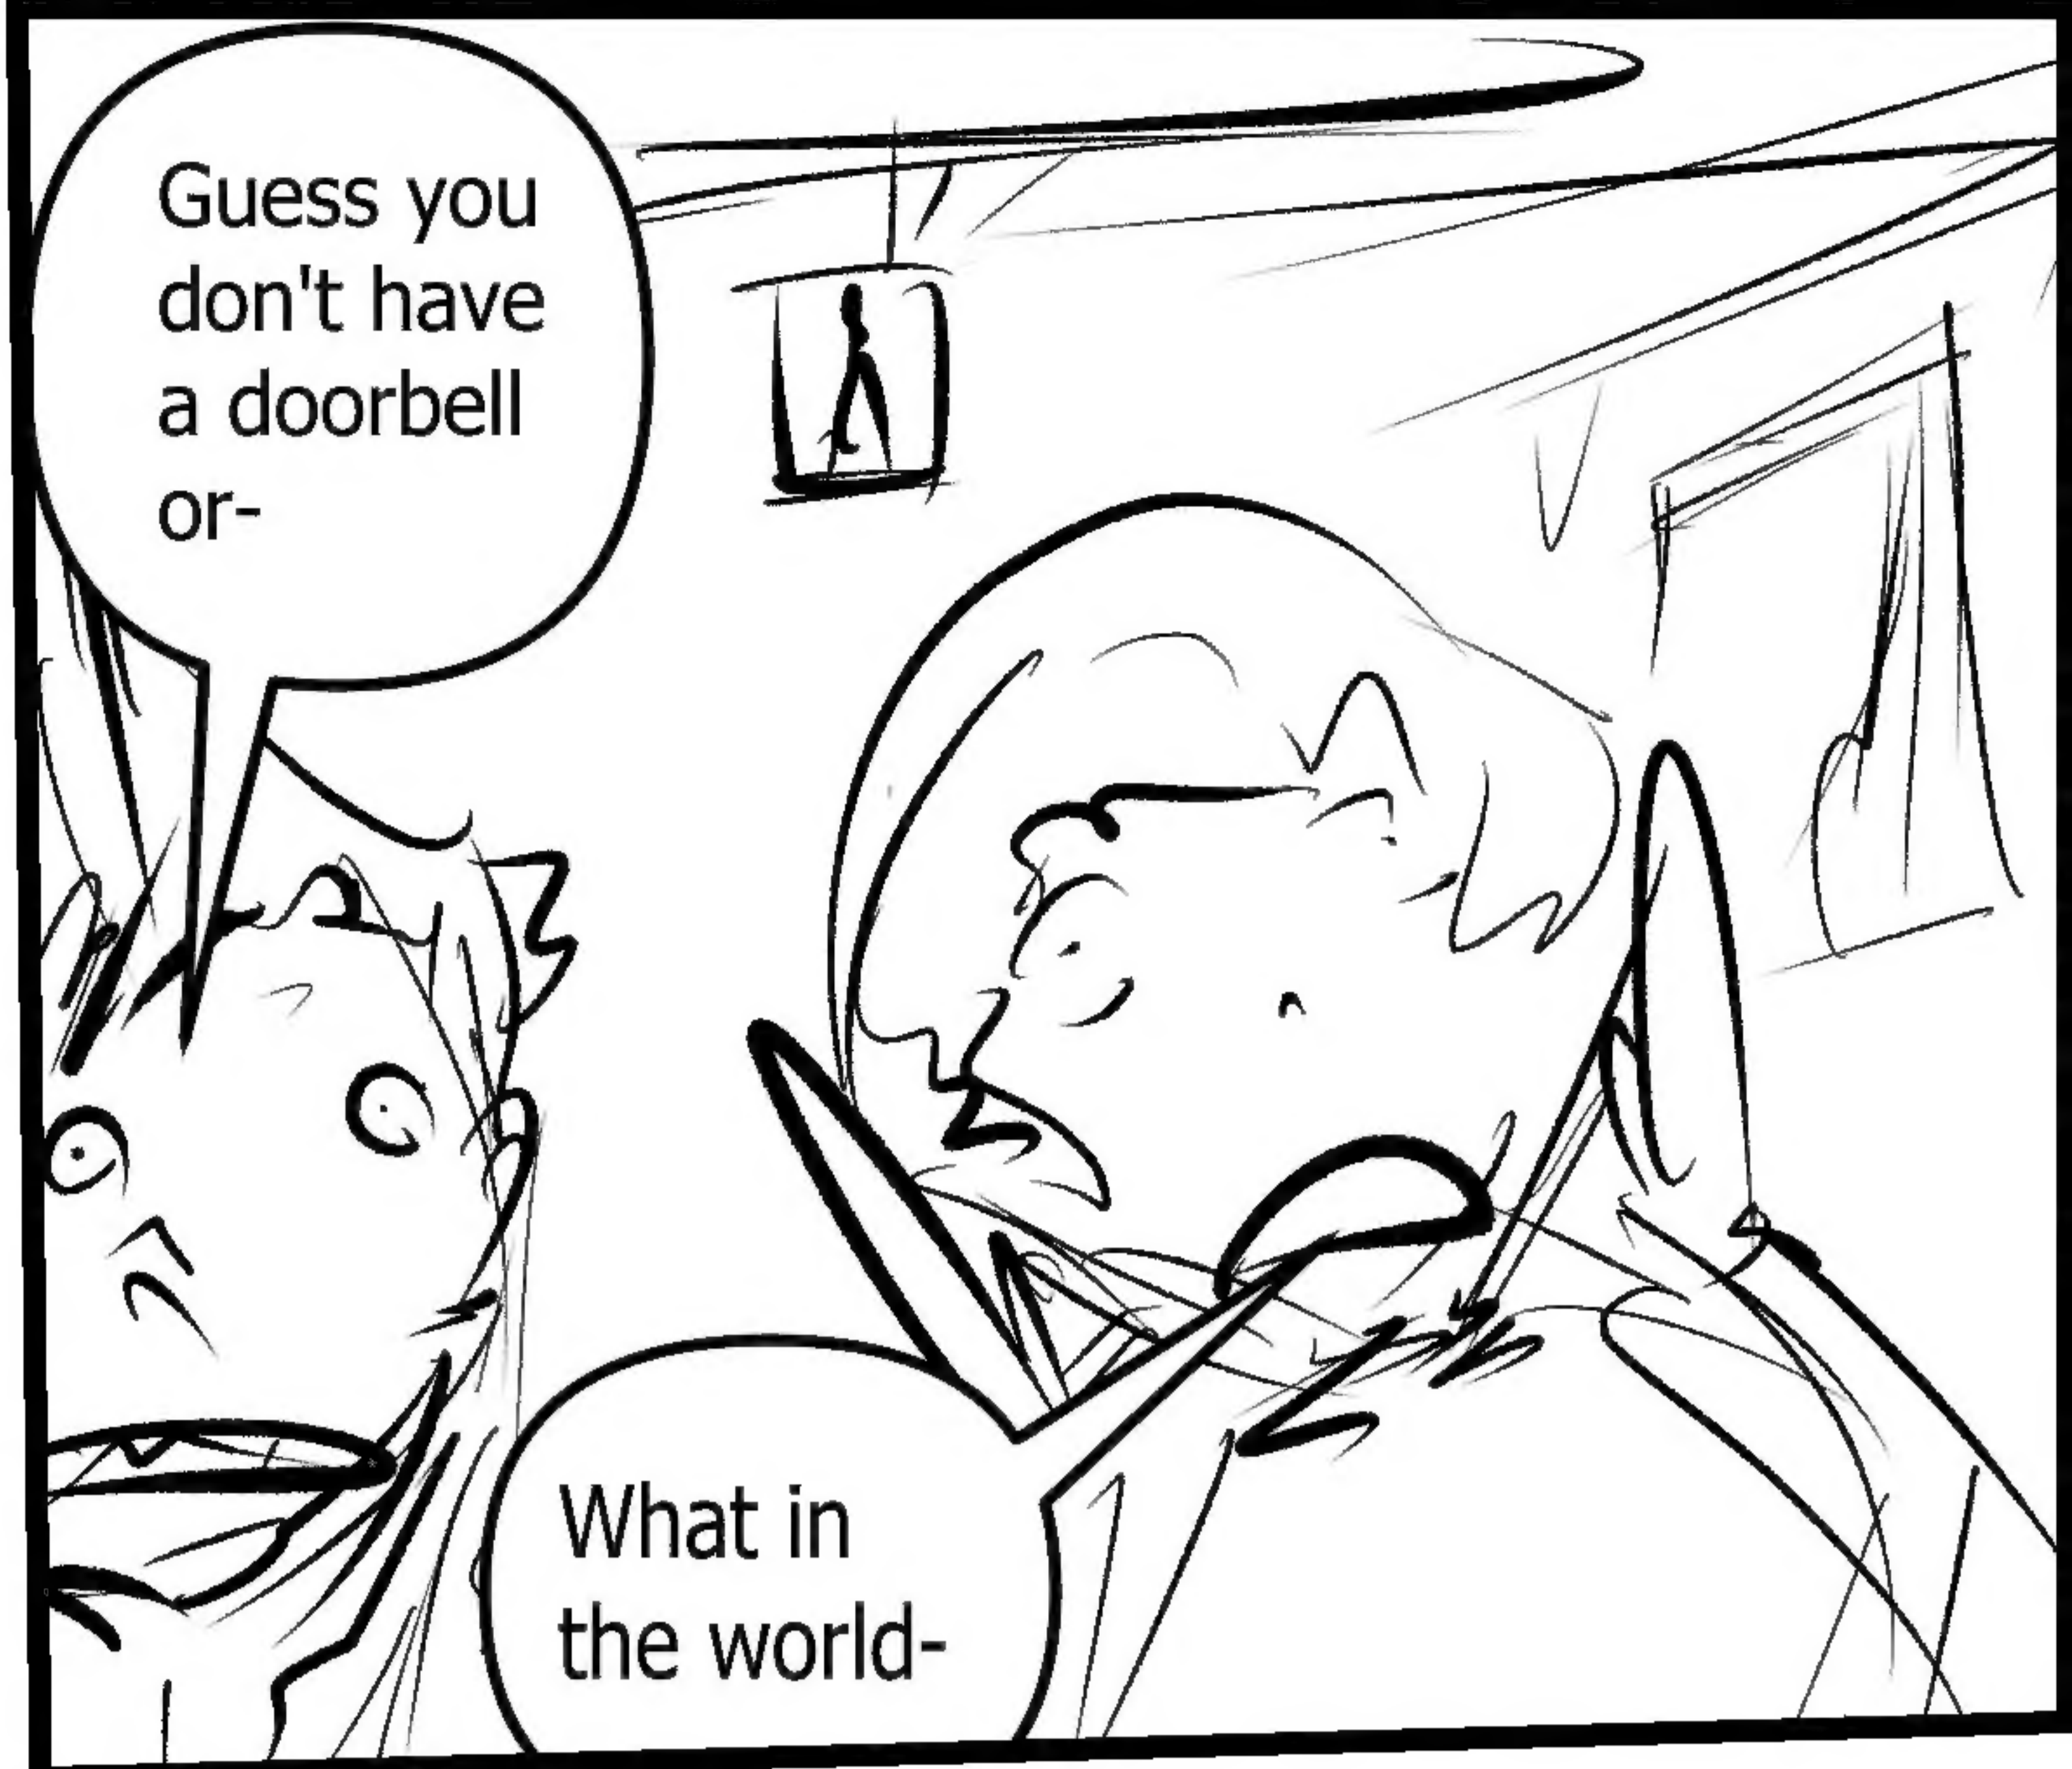

Oh dear, that would be more horrible than mixing up mushrooms for soup!

But so would be living a life where you fear that anybody you meet is a monster!

Huh, never thought of it in that way, seemed more simple to just get them before they got me like that wh-

My answer...  
You know what...

AAAAH!

NOO!!!

Even after the longest night, the sun rises back up

Morning already...  
Maybe I should  
get the mail or  
something, not  
like I have anyting  
better to do...

Do I even have  
the courage to  
open a door...

xcl 1cl

huh?

huh?

Oh, good  
morning  
Maka

Even if I lost it myself,  
I still can have faith  
in it when I see courage  
in those I gave it to

Good morning Crona
